DISTRICT SUPERINTENDENT'S REPORT

To the fifteenth annual conference of the Pacific Northwest District, Pilgrim Holiness Church, convened on the camp grounds at Salem, Oregon, August 2, 1954, greetings in Christ!

It is with thanksgiving to God and sincere appreciation for the faithfulness of all who have helped to make this occasion possible that we come to make this report.

We have now reached a new milestone in our history. Today we are a fully organized district and must now take our place in the ranks of responsibility along with the other organized districts. This means new opportunities to assist in the great program of our church as well as added responsibilities in helping to finance this work of soul-winning.

SPIRITUAL LIFE

We praise our heavenly Father for His goodness to us throughout the year. Reports will show progress in almost every department of our work for this year, for which we are indeed grateful to God and those who have helped to make this possible.

Our churches have enjoyed showers of blessings from on high, and many of them have had very good revivals. As a whole, this has been an excellent year, and our people are pressing onward spiritually.

MATERIAL GAINS

In this realm we have also seen a forward march in numbers of our churches. Where spiritual progress is made temporal growth will likewise be in evidence.

Aurora is adding four rooms for a parsonage . . . Central Point did some needed repairs on their parsonage . . . Clatskanie has reduced their parsonage debt some during the year . . . Eugene has all permits clear for their new building and has raised considerable money for this purpose. Their building program should soon get under way . . . Portland First has completed a splendid addition to the parsonage providing for much needed bedroom and kitchen space . . . Raymond has added five new Sunday School rooms by re-arranging the interior of their church, and has also made other improvements on the building . . . Salem has finished the outside of their church very beautifully and are now in a campaign to knock out their indebtedness . . . Seattle has completed paying for the property and plan a mortgage burning service this year.

Silverton has made some progress in finishing its Sunday School rooms, and made improvements on the parsonage also . . . Svensen has purchased and moved onto their lots a building for a new parsonage . . . Vancouver is making good headway in the erection of their new church. They are now raising the structure upon the new basement. This new building will add another very nice church to our growing list of good churches . . . .

Possibly there have been other improvements which this report does not cover. But one can readily see that this represents excellent gains in material progress for only one year.

SUNDAY SCHOOLS

We are truly grateful to God for the progress our Sunday Schools have made during the past year. Rev. Ivan G. Canary, Promotional Secretary, has labored hard to

promote general interest. Our pastors and Sunday School workers have also worked faithfully fo rthis increase. As a result we have reached the highest average attendance and the largest enrollment in our history. We have also made the largest percentage gain this yea rever made since the district has ben of any considerable size. We show a 27 percent gain for the year! Thank the Lord for this.

Raymond made the largest percentage gain, Alberta topped on the numbers gained, while Portland First and Alberta tied for the highest average attendance gain. We congratulate these three Sunday Schools for their progress this year.

Mrs. Vera Forest conducted successful Sunday School institutes in most of our churches during the mid-winter. These institutes were said to have been the first of their kind to be held in our church. Most churches reported considerable help received from them.

YOUTH WORK

During this year our young people as a whole have been very faithful in promoting the work both local and district. Reports will show progress along several lines in a number of places.

We have had several successful rallies over the conference. Our Mid-Winter Youth Convention was well attended and was a blessing to many. Rev. James Krieder did a fine work as speaker for which we are all grateful.

Under the capable leadership of Rev. Roy Dworschak as Young Peoples' Executive Secretary our youth work has grown. We have witnessed a progressive program in action and a spiritual emphasis which has been very wholesome. The youth services in our camp meetings have often been times of refreshing from the presence of the Lord.

Brother Dworschak requested that his name not be run for this office for another year, and Rev. James Krieder, the new pastor at Central Point, was elected to succeed him as Executive Secretary for this year. Mr. William Parker from Portland First Church, was elected as Young Peoples' District Treasurer to succeed Miss Gladys Callar, Marysville, Washington, who for the past two years has done very efficient work in this position. We all appreciate the splendid services of these two fine retiring officers of our district youth work.

HOME MISSIONS

We are happy to bring a good report from this department. During the year progress has been made at several points. Ruch has lost their pastor to Marysville Church, but the Futrells did a good work there, and we are not discouraged, although just now we do not have a worker there. Don and Helen Little will carry on until we secure one.

At Grants Pass Rev. and Mrs. George Hobson have opened a Sunday School during the year. Lots were recently purchased there and we look forward toward a building program there. Let us pray for the establishment of a good work there.

Friends at Roseburg are giving us a lot on which to build a church. We have a small fellowship organized there now and there are good prospects for the future there as soon as we can erect a building. Rev. and Mrs. James D. Rockholt have done exceellent work there this year. Continue to pray for this work. We are located in a very needy field and have the only church in all that area, with hundreds of people in reach of us. The folk there are raising what money they can for a building. Let us stand by them.

After some two years of prayer and waiting upon God for workers Rev. and Mrs. J. L. Arnett and their daughter and son-in-law came to us last fall from Indiana to open a new work in Tacoma, Washington. After several months of work we finally purchased a church building with a lovely modern basement and nice lot for erection of a larger church building when needed. This property, corner of 50th and G in southeast Tacoma, is a credit to our work. The present building does not show up all we have in the property, but is very nicely finished inside and serves us comfortably at present. The Arnetts and their folk have done fine remodeling work on the building. We secured this property for only $7,500.

In January of this year the Arnetts opened services with 10 present in the first ser-

vice. During the last days of April we organized a new church with fifteen charter members.

We certainly do appreciate the Arnetts and their sacrificial labors in coming to us after 20 years of pastoral work in Indiana. Reports will show that they have done an exceptionally good piece of work in Tacoma this year. We are happy to present them and the new church there for acceptance into this conference.

We are grateful indeed to the Church Extension Department for a special grant in aid without which this new work at Tacoma would not have been possible as it is today. This is our last work to be aided like this by this Department and we certainly do wish to make this new workamonument to all the Department has done for us over the years.

It is our hope that in the year ahead we shall be able to enter one or two new places and open work. Otherdoors of opportunity are awaiting us and we must arise and enter while they still stand ajar. Our crying need now is for workers who are consecrated enough to face the hardships and dangers and brave this type of work for the Lord. Pray that such workers will be sent to us this year.

OUR DISTRICT PROPERTY

It is with a deep sense of gratitude to God that we come to make this part of the report. Four years ago there was a debt of $4,000.00 on this property and a lot of needed improvements in evidence. Today our grounds are in the most beautiful condition they have ever been. The districe parsonage has been finished inside, except the upstairs, and painted outside. A lunch stand, book room and registrar's office combination building has been erected, modern rest rooms have been built, and a number of improvements made, all of which has cost hundred of dollars. While all this was being done the debt was being reduced until we can report that this spring the old debt was entirely wiped out. PRAISE THE LORD!

Nor have we sacrificed district interests otherwise to do this. While all this was in progress we have gone right ahead opening new work, building or buying churches. The district financial program has also been strengthened so that whereas it was only about half supporting itself four years ago, now for the past two years it has been fully self-supporting. Meanwhile, a constant program of progress and spiritual agressiveness has been maintained. We have felt that we must advance along all these lines or lose our place in God's thought for us.

OUR PRESENT STATUS

Today we are a fully organized district, having been so made by our acceptance into the recent General Conference as such. We are now fully on our own. It has been a long and rugged road from some fifteen years ago when there were only three small churches in Southern Oregon with a membership of 72, an average attendance of 114 in Sunday Schools and a total value of $4,200.00 worth of church property, to the present day. We now have 20 churches and preaching points, 430 members, an average Sunday School attendance of about 940, a fine youth work and excellent missionary societies over the district. We have 17 church buildings, 11 parsonages besides our district property. Our property is now valued at approximately $230,000.00 with slightly over $24,000.00 debt against it. Our future looks bright and the Lord will prosper our way if we honour Him as we have in the past. We have made a 11% gain in membership this year.

We now become responsible for our share of the general budget. But we can face this with courage also for we have not failed in the past to support both home and foreign missions and we shall do nothing less in making up our budget, God helping us.

Our hearts go out with gratitude to the Church Extension Department for the more than $30,000.00 which it has poured into this district across the years to make possible this occasion today. Without this aid today's status as reported here would have been impossible. It is only proper and fitting that some appropriate action be taken by this conference to express our appreciation to the department and the Church in general for this kindness to us here in the great Pacific Northwest. May God bless every Pilgrim and friend who has helped to make this district what it is today.

OUR LOSSES

We bow our heads in sorrow as we came to make this part of our report of the passing of our beloved brother, Rev. O. D. Weaver, founder and long time pastor over several years of the church at Klamath Falls. Brother Weaver will stand out for a long time as a true pioneer of the cross of Christ, and of our work here in the Northwest. It was due largely to his influence that the first Pilgrims came into Southern Oregon and that out of this came our first church in this district which he founded and pastored at two different times, and of which he was pastor when he passed on to his heavenly reward. His last exhortatins to his friends were "Pray through", "Go through with God." The soul-possessing passion of life prevailed in death. His last clearly audible words were "Lord, help us." Thus he died with a prayer upon his lips. His influence in Klamath county and elsewhere will live for a long time. Soon after his passing the local church met in a business meeting and voted unanimously to name the church at Klamath Falls the WEAVER MEMORIAL PILGRIM HOLINESS CHURCH. This seems very fitting since this is our oldest church in the district and Brother Weaver stood in such a position as he did in the early days of our work.

May God bless the memory of this good man!

At the recently held Idaho-Washington conference that body saw fit to elect Rev. Ivan G. Canary district superintendent on the first ballot. This means that we must lose Brother and Sister Canary from our midst. We have appreciated the good work they have done, the two churches started by them, his work as Sunday School Promomotional Secretary for three years and her work as district statistician for the past ten years. It is always hard to lose good workers. But as they go to this district with its many needs the same as ours, let us pray that God will make them a greater blessing that they have been to us. We must bid them adieu officially as this conference closs but we extend to them the heartiest welcome to visit among us when they can. We also regret to lose Rev. and Mrs. C. R. Bennett who have pastored at Clatskanie so faithfully for the past four years. May God bless them as they go from us.

It is with a deep sense of gratitude to God for His goodness to me, and for the kindness, cooperation and fellowship of all the pastors and churches that I come to make this part of the report. You have been so gracious and thoughtful of us during the year, for which we thank you.

Aside from my district labors reported below, I have attended the General Conference, one General Board meeting, the superintendents' conference, Pilgrim Bible Institute Board of Directors meeting at El Monte, California, spoke in the Northwest Ministers' Conference, Seattle Pacific College, attended our own ministerial convention, conducting my share of sessions, and have conducted one annual conference, and ordained four persons to the ministry and office of deaconess. This has been a heavy year of responsibility but it has been a pleasure and privilege to so labor for the Lord.

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the fifteenth annual conference of the Pacific Northwest District greetings: We do not have much to report in an official way. We have appreciated the fellowship of our fellow ministers, the council and our good superintendent. We rejoice in the progress the District has made during the past year and trust that this shall be eclipsed in the year ahead. We have attended all council meetings, one school board meeting, and the general conference of the Pilgrim Holiness Church. "We have done what we could."

Respectfully yours in Christ,
IVAN G. CANARY

DISTRICT SUNDAY SCHOOL REPORT

To the fifteenth annual conference of the Pacific Northwest District:
Greetings in His love.

Another year of district Sunday School work has gone into the record of Him who keeps all records. We thank God for the wonderful way in which He has blessed our Snuday Schools during the past year. We stand now at the high water mark of all time. The district has made a 27% increase over last year and has now come to an average attendance of 940. Praise God!

We deeply appreciate the fine way in which pastors, superintendents and laity have all worked and cooperated with us in promoting the Sunday Schools. Only eternity will reveal the lasting results. Several new Sunday Schools have contributed to the good record. Namely: Roseburg, Port Angeles, Grants Pass and Tacoma. Most of the other churches have showed gains. The ones who did show a loss did not have a very big loss.

We trust and pray that next year will show a greater gain in every respect. The Sunday School Institutes to every church proved a blessing. We have tried to do our best in promoting this arm of our church. We urge upon each of you to stand by your Sunday School Board next year and cooperate to the fullest. *"Let us not be weary in well doing."*

Raymond, Washington receives the district award for highest percentage gain. They had a wonderful 54% increase over 1953.

Portland Alberta, Oregon receives the district award for the greatest numerical gain. They had a gain of 18 over 1953.

Portland Alberta, Oregon receives the greatest numerical gain during the quadrennium. They made a gain of 64.

The ambition of each church on the district should be to take home one or both of these nice awards. For, after all, this represents hard, faithful work and everlastingly keeping at it for God. This testifies that many boys and girls and men and women have been contacted and won to our Sunday Schoo land many of them to Jesus Christ. God bless you every one.

Y. P. EXECUTIVE SECRETARY'S REPORT

To the annual Conference, Pacific Northwest District, greetings

We thank our Great God for these things:

1. Victory in our soul through the Blood of Jesus Christ.
2. The organization of one new youth society at Eugene, Oregon.
3. A very successful mid-winter youth Convention conducted at Salem, Oregon December 29, 30, 31. God manifested His Spirit in the services and the youth re-

sponded in the programs of each day. Each service was well attended. More churches were represented than any other year.

4. A gracious Youth Camp July 22, 23, and 24. Rev. Otho Jennings spoke from his heart in each sermon he preached during the youth camp. The sermons were directed to the youth and their problems. Dr. C. W. Thomas, President of Pilgrim Bible Institute conducted two morning class on *"Cardinal Doctrines of Our Church"*, and he took the two works of Grace as the two topics. Rev. and Mrs. Wm. S. Deal each spoke on the practical living of the Christian life. These classes were thoroughly enjoyed.

5. The cooperation of the youth in the campmeeting youth services. When called to serve, each young person responded. We can surely say that we have a fine, loyal group of spiritual young people on our Pacific Northwest District. Thank the Lord for His working Grace in the lives of the youth on our District.

MISSIONARY PRESIDENT'S REPORT

To the fifteenth annual conference of the Pacific Northwest District, Pilgrim Holiness Church, greetings:

It has been a pleasure to serve the missionary societies of this district during this past year and to contribute whatever I have been able to help forward the cause which they represent.

Our missionary societies have been busy during this year. Many boxes have been sent to our foreign work. Over one hundred dollars has also been sent into our missionary society district treasurer for our district project, to help toward finishing the

upstairs of the district project, and for balance due on last year's project. We have finished paying for the steam tables in our kitchen this year.

Then, too, a large amount of fruits and vegetables were prepared for the camp during this year. This greatly aided in saving money for our camp this time. And our societies have also helped with projects for the various local churches.

Missionary prayer meetings along with regular work days have kept the cause of missions constantly before our people.

We wish to thank you for your splendid cooperation during this year. May God bless you always.

Respectfully submitted,
MYRNA A. DEAL
