1. Mission of The Wesleyan Church

The Wesleyan Church has grown out of a movement which has historically given itself to one mission—fulfilling the Great Commission in the spirit of the Great Commandment. The message which ignited the Wesleyan movement was the reality that God through Christ can forgive men and women of their sins, transform them, free them from the power of sin, enable them to live a holy life, and bear witness in their hearts that they are children of God. The message was based on the Scriptures, was verified in personal experience, and came not only in word but in the power of the Spirit. It was dynamic and contagious, and was communicated from heart to heart and from land to land. The Wesleyan Church believes that fulfilling the Great Commission in the spirit of the Great Commandment involves joining the entire church of Christ in mission to the world.

Are you willing to partner with The Wesleyan Church in fulfilling the Great Commission in the spirit of the Great Commandment? YES NO If no, please explain your answer in fifty (50) words or less.

2. Trinity

The Wesleyan Church believes in the one living and true God, both holy and loving, eternal, unlimited in power, wisdom and goodness, the Creator and Preserver of all things. Within this unity there are three persons of one essential nature, power and eternity — the Father, the Son and the Holy Spirit.

Do you agree with The Wesleyan Church’s position on the Trinity? YES NO If no, please explain your answer in fifty (50) words or less.

3. Authority of the Bible

The Wesleyan Church believes that the books of the Old and New Testaments make up the Bible. They are the inspired and true written Word of God, without error in their original manuscripts and superior to all human authority, and have been transmitted to the present without corruption of any essential doctrine. We believe that the Bible contains all things necessary to salvation; so that whatever is not read therein, nor may be proved thereby, is not to be required of any man or woman that it should be believed as an article of faith, or be thought necessary for salvation. Both in the Old and New Testaments life is offered ultimately through Christ, who is the only bridge between God and humanity. The New Testament teaches Christians how to fulfill the moral principles of the Old Testament, calling for loving obedience to God made possible by the presence of His Holy Spirit.

Do you believe that the Bible as noted above is God’s Word, revealing His intentions for humanity and contains all things necessary for salvation? YES NO If no, please explain your answer in fifty (50) words or less.

4. Exclusiveness of Christ

The Wesleyan Church believes in Jesus Christ, the only Son of God. He was conceived of the Holy Spirit and born of the Virgin Mary, truly God and truly man. He died on the cross and was buried, to be a sacrifice for sins and to reconcile humanity to God. Christ rose bodily from the dead, and ascended into heaven, and there intercedes for us at the Father's right hand. As such, we believe the only way for a person to be saved is through Jesus Christ alone.

Do you believe that Jesus Christ is the Son of God and the only means for a person to be saved? YES NO If no, please explain your answer in fifty (50) words or less.

5. Sin in a Believer's Life

The Wesleyan Church believes that after a person has accepted Jesus Christ as their Savior, it is possible to fall into sin, for in this life there is no such height or strength of holiness from which it is impossible to fall. But by the grace of God one who has fallen into sin may by true repentance and faith find forgiveness and restoration.

Do you believe that it is possible for a person to turn away from God and reject the gift of salvation after once walking with Him? YES NO If no, please explain your answer in fifty (50) words or less.

6. Holiness

The Wesleyan Church believes that sanctification is that work of the Holy Spirit by which the child of God is separated from sin unto God and is enabled to love God with all their heart and to walk in right relationship with God and humankind. Sanctification grows the believer in love and empowers that person for effective service. It is followed by lifelong growth in grace and the knowledge of our Lord and Savior, Jesus Christ. The life of holiness continues through faith in Christ and evidences itself by loving obedience to God's revealed will.

Have you sought or will you seek this work of holiness in your life through faith in Christ and the power of the Spirit? YES NO If no, please explain your answer in fifty (50) words or less.

7. Prayer Languages

The Wesleyan Church believes in the miraculous use of languages and the interpretation of languages in its biblical and historical setting. But it is contrary to the Word of God to teach that speaking in an unknown tongue or the gift of tongues is the evidence of the baptism of the Holy Spirit or of that entire sanctification which the baptism accomplishes; therefore, only a language understood by the congregation is to be used in public worship.

Are you willing to accept this position? YES NO If no, please explain your answer in fifty (50) words or less.
