

Register for Exponential East 2019!

Are you ready to rally your church leaders and become a multiplying church? We are excited about this year's Exponential Conference (exponential.org) and our special Wesleyan connection events!

The Holy Spirit has consistently used Exponential to inspire, encourage, and equip church planters and multipliers. It has been awe-inspiring to follow the stories of those who said "yes" to God's call on their life while they were at Exponential and are now going into new communities with the message of Jesus. We'd love to see you and your team there as we mobilize God's people, God's way. Hope to see you there!
