## TRUE HOLINESS

True holiness is of the heart. When the heart is absolutely right then everything else naturally adjusts itself. The dress is right. The manner, the language, the outward life, every act, deed and word is Christlike.

True holiness is humble, meek, lovely. There is no office seeking in true holiness but the holy man of God constantly seeks to know God's will and will work any where God leads. The holy man of God is always little in his own eyes.

True holiness is unselfish. All those who are proud, heady, high-minded, self-willed, self-centered and selfish have not ever tasted of holiness.

Holiness makes a man bold as a lion yet harmless as a dove. The holy man is never afraid. He fears nothing. He is absolutely fearless. He will stand firmly for truth and righteousness when all others have run away.

True holiness always seeks to raise the standards but never to lower them. True holiness lives and testifies and preaches to please God rather than to please men. True holiness always seeks to lift men and women up and clean them up to fit the Bible standards instead of seeking to compromise with sin and lower the Bible standards to please the world and to fit sinful men and women. Why do men and women want to lower the Bible standards? Is it not because they yet love the world? John says, "Love not the world, neither the things that are in the world. If any man love the world the love of the Father is not in him." Holy men of God do not love the world and will not compromise.

## REPORT OF THE DISTRICT SUPER-INTENDENT FOR THE ASSEMBLY

Year Ending July 31, 1933

To The Members and Friends of this Assembly:

Greetings to all in the precious name of our Lord and Saviour Jesus Christ, who, in His Great grace and love has kept us from sin and allowed us to live through another year.

We have no glowing report to submit. It is with sincere regret that we have done so little for our Christ who has done so much for us. The best thing we can say in the way of a report is that we have found God's wonderful grace abundantly sufficient to keep us from sin, and that we have victory in our soul up-to-date.

This has been a full year in the Masters service. We have faced more complicated problems than ever before. Alexandria has been the largest problem ever. Our hearts were almost broken when we returned there after last Assembly. We perhaps would not have stayed but for the fact we were absolutely certain that God led us there in the beginning of our Missionary labors in Louisiana. The impossible seemed to stare us in the face from every direction. God did for us the impossible. Our membership there is still small, but we have some good people who are united in faith and love. From absolutely nothing in the way of property God has given us property well worth \$2500.00 with an indebtedness of less than nine hundred dollars; to be taken care of at the rate of \$12.06 per month. The Lord is to be praised.

We have visited each of the churches twice during the year, with the exception of Shreveport. We have held six short revivals. One of these was held near Bono, Ark., immediately after last Assembly, and the other was conducted near Center Point, La., where we now have a Sunday School organized and regular preaching services conducted. Due to the extended building program we have preached only 148 times during the year. This is less than we have preached in any year previous since 1924. Around one hundred souls have professed victory, but many of those have turned back to the world. We have covered something over four thousand miles in the District work at a cost of \$77.00. We have received from district work \$112.37, leaving a balance of \$35.37 for our services.

The district paid \$82.50 on my car, making a total of \$194.87

With all the perplexing problems faced during the year we have enjoyed the work the Lord has given us to do, for

we have not had to labor alone. Praise His name.

We covet an interest in the prayers and cooperation of all Pilgrims that this Assembly year which we now face may be by far the most prosperous year in the things of God we have ever known. This year may usher in the Coming of Jesus. May God help us all to be found on the front in the midst of the fire when He comes.

Thanking all concerned for your love and patience manifested toward us in the face of all our glaring blunders,

Your little brother in Christ forever,  
G. T. Bustin.

## REPORT OF THE RESOLUTION COMMITTEE AS ADOPTED BY THE ASSEMBLY

In as much as God has so marvelously blessed our Assembly, and helped to carry on the business of the District in love and harmony.

1. Be it resolved that we rise and sing song No. 30 in Pilgrim Praises to show our anticipation of a greater Assembly up yonder than that which we are now enjoying.

2. Resolved, That we feel indeed fortunate in securing the services of our beloved brother, Rev. James Sidors of Arcanum, Ohio, as camp evangelist, and that we feel his Godly life will forever be a blessing to us. May God's blessing rest upon his labors.

3. Resolved, That we thank our Heavenly Father for sending us our District Superintendent and wife, Rev. and Mrs. G. T. Bustin, whose close walk with God and sound doctrine have enabled us to live holier lives, and that we pledge them our prayers and cooperation for the coming year.

4. Resolved, That we extend a rising vote of thanks to the beloved pastor, Rev. Willie Johnson and wife, of the Jonesboro church for their cooperation in the success of this Assembly.

5. Resolved, That we express our sympathy to our brother, Rev. W. C. Bowman, in his present affliction by placing his case before our Master in a session of special prayer that God's will may be done regarding his body that he may continue a fire for God.

6. Resolved That we show to Rev. and Mrs. Milton Stockman and Rev. A. S. Wolstencroft our appreciation of their sacrificial spirit in coming to the district, by rising vote.

7. Resolved, That we wish to thank Langford's Funeral Home for the use of so many chairs during the entire meeting.

8. Resolved, That we show our appreciation by special mention of the follow-

ing baking, dairy and ice companies that so faithfully supplied the temperola sustenance of the Assembly, daily, throughout the entire meeting of 15 days: Wood Spring, McDougal, Fields, Powers, and Cosby's Daries: The Star, Blue Ribbon and Peterson's Bakeries; and The Home, and Utilities Ice Companies.

9. Resolved, That we heartily appreciate the many liberal donations of every kind whatsoever, aggregating \$179.63 which have made it possible to maintain our District Assembly and Camp Meeting.

10. Resolved, That the District Secretary be instructed to write a letter of thanks and appreciation to Mrs. Ozella Johnson for her untiring efforts in preparing meals and supervising the Camp Home.

11. Resolved, That we appreciate the wonderful way in which the Jonesboro Evening Sun and the Jonesboro Tribune have so freely advertised our meeting from day to day.

12. Resolved, That the Pilgrims of our District be aroused to a greater zeal as His second coming draweth nigh, to walk closer to God, to fight sin harder, to shun worldliness and compromise, ever holding fast that which is good,—that when He comes our District shall be found on fire for God.—Let us go forward!

Humbly submitted by,

Etta Belle Coleman,  
Johnnie Lee Sanders,  
Albert S. Wolstencroft.

## MONSTROUS BLUNDER

They ordered the destruction of five million hogs when there are forty million men, women and children in the United States hungry for Pork Chops, Ham, and Bacon. They ordered millions of acres of cotton plowed up when last winter in the United States more than twenty million men, women and children were ragged and cold. I doubt if there was ever a day during the last thousand years when there were not millions of people in the world hungry for bread and meat and suffering for lack of clothing. If destroying property would restore prosperity, then we should have been prosperous for a hundred years after the World War.

**How foolish! How foolish and how criminal! We ought to be statesmen but we do things as foolish as babies. Why don't we begin at the consumers end of the problem and feed the hungry and clothe the naked first?**

## THE WORST NOT YET

Pilgrims, prepare for the winter. The worst is not yet. As usual the poor man is hard hit. Leaving the gold standard has caused the prices of food and other necessities to go higher and higher. The poor man's wages are lagging far behind and for a long time will continue to do so. Therefore use every possible means of economy. Can all the fruit and vegetables you can. Dry all the corn and beans and fruits that you cannot can.

Never yet did man lift himself by his own bootstraps. Neither can a nation. Never yet has mankind brought a permanent blessing to mankind by the waste and destruction of property and commodities. Neither can a nation. Man cannot create values. He cannot make something out of nothing. Only God is able to do that.

The N. R. A. and the Blue Eagle are doing what they can. But at best they cannot do much. The move for beer and liquor more than counteracts all the good done by the N. R. A. The downward landslide toward beer and liquor means greater waste and greater hunger and greater suffering during the coming winter.
