DISTRICT SUPERINTENDENT'S REPORT

Greetings in Jesus Dear Name. To the Annual Assembly of the California District of the Pilgrim Holiness Church:

The following is my report for year ending May 1st, 1931:

The past year has been one of many battles and gracious victories. I believe the churches as a whole are looking up and much encouraged. Nearly all our churches have had revivals this year with good results. There seems to be a revival spirit on and may God help us while it is day for the night cometh when no man can work.

Our churches on the District have all been visited at least twice this year, most of them each quarter. Some have sent in urgent calls to which we have responded quickly.

One new church has been organized this year at Keno, Oregon, with an outlay of a little over one hundred dollars of home missionary money. We received this new church and parsonage valued at \$2,500.00, practically free from debt.

Ventura has added new Sunday School rooms and redecorated the church inside. East Pasadena is finishing its church building and is already in need of additional Sunday School rooms.

Long Beach will be building a new church in the near future. District Council, class and school board meetings have been attended. Problems have been worked out in which we feel God has helped us.

Have preached 110 times; held or helped in five revivals; traveled about 20,000 miles; received for support this year from churches, \$867.76; from revivals \$95.88; on back salary, \$35.00; total \$998.64.

We have taken in some new members, and have seen souls pray through to victory even at the close of a sacrament service, also secured several subscriptions to the Advocate.

New places are calling us to enter and organize. One of the reasons for these Macedonian calls seems to be that the danger and tendency is to swing toward popular holiness, and thus shun the legitimate reproach that goes with true holiness. My heart cry to God is that He will help us to hold up the standard of Bible holiness. Brethren let us be true to the trust He has given us. Time is too short; the coming of the Lord is at hand. We must be willing to endure hardness as true soldiers of Jesus Christ. I trust that this assembly will perfect plans to finance and carry on Home Mission Work and strengthen the Home Base, so we shall be enabled to do more for Foreign Missions.

Respectfully Submitted,

CARL H. DAUEL, *District Supt.*

Report of Committee on District Superintendent's Support

We, the committee on district superintendent's support recommend that if the district superintendent elected, be a pastor, he shall devote at least three months (more if necessary) of his time to the district and shall be paid the sum of \$350.00.

If he be unstationed, he shall devote at least six months of his time to the district and shall be paid the sum of \$500.00 as salary and \$100 for traveling expenses. The remaining six months shall be devoted to evangelistic work.

REPORT OF FOREIGN MISSIONARY BOARD

We, the Foreign Missionary Committee, praise God for another year of service for Him. We come to this Assembly with deep desire to see God's kingdom progress around the world, and, to individually do our best toward this end.

We are in hearty sympathy with the proposed forward movement in Home Missions and feel that a strong home base will but strengthen the cause of foreign endeavor. However, we feel that while the problems connected with the two branches of service are being worked out there should be no retrenchment in missionary efforts.

On account of the retrenchment of many of the larger denominations, many a field is left without missionaries and with no one to fill the gap and whereas: The cry for men and money is more urgent than ever, be it resolved: that we pray more fervently that the Lord of harvest will put a great compassion within us for the millions in heathen darkness and that He will see fit to thrust out more workers from our midst.

May God help us as a Pilgrim Holiness Church to abound unto every good work at home and abroad not forgetting that Christ's last commission was "*GO YE INTO ALL THE WORLD*" preaching the gospel to every creature.

Respectfully Submitted,
FOREIGN MISSIONARY BOARD.
Mary Grace Frisk, *Secretary*.

We recommend that immediate steps be taken to answer the urgent calls that have come to us from Santa Barbara, San Francisco, Medford, Ore., also Roseburg, Myrtle Creek and Portland, Ore. We should respond to the call from Tuscon, Ariz., and from points near at home in the San Gabriel Valley.

BE IT RESOLVED: That we are profoundly grateful to the "Father of Mercies" for preserving the lives of our brother and his dear companion, Sister Hodgins, through dangers, toils and sufferings and bringing them safely home, and that we convey to Brother Hodgins our sincere appreciation of his efficient, courteous and spiritual leadership in this Assembly. In the capacity of presiding officer, Brother Hodgins has demonstrated the spirit of Christ and has given helpful counsel which has greatly benefitted us. Carried.

to obey this command. That we purpose to do all within our power to 'disseminate the full gospel, believing that the "—night cometh when no man can work." We realize as never before the urgency of the time and resolve to press into every open door, and to provide whenever possible, opportunities for those who shall have the call of God upon them to be active in the service of the Lord. To press our young people, our ministers and all who feel the burden of souls into service and endeavor to take new territory during the coming year. Carried.

REPORT OF COMMITTEE ON MEMOIRS

The Ninth Annual Assembly of the California District wishes to express its deep sense of loss in the removal by death from our ranks of Dr. Phoebe Stone, of Shanghai, China.

Dr. Phoebe Stone was the second daughter of a sanctified Chinese couple. Her father was a Methodist minister and she was reared in the nurture and admonition of the Lord, early giving her heart to God.

Phoebe Stone felt called to the ministry of healing through medical missionary work. She graduated from the medical school of John Hopkins University, Baltimore, Maryland, and afterward engaged in hospital work and general medical practice with her sister, Dr. Mary Stone, in Shanghai, China.

Here her capable and sacrificial services to the souls and bodies of the sick and poor were crowned with an unusual degree of success and she was greatly loved and revered by her own people as well as many of other nationalities with whom she came in contact. She was brilliant, devoted, and Spirit-filled.

In the year 1929 she became a member of First Pilgrim Holiness Church of Pasadena, California, and shortly after this was ordained to the ministry in her native land, by Rev. G. Arnold Hodgins.

On May 29, 1930, she departed to be with Christ.

This Assembly desires to express gratitude to God for having had as a member of this district such a beautiful example of His grace, and to perpetuate her memory as one whose faith we shall all do well to follow.

Respectfully Submitted,

MARY H. AUGSBURY.
