REPORT OF THE DISTRICT SUPERINTENDENT

To the Seventeenth Annual Assembly of The California District of The Pilgrim Holiness Church, Greetings:

First of all, I want to testify to the saving and sanctifying and keeping power of God, which has kept me throughout the year. I find within my soul one desire, that is to do the whole will of God always.

We are now up to the close of another year which has been filled with many hard-fought battles, but thank God he has given victory in the midst of battles.

Our District pastors have worked hard, and we have appreciated the sacrificing spirit which they have shown. The type of which we believe cannot be excelled anywhere.

We have investigated several new fields, with the thought of starting new works, and made some contracts which we trust will enable us to enter new doors.

Several good revivals have been held over the District during the past year, and souls have been saved and sanctified.

Numerically, there has been a gain of almost 10 per cent in membership. The records also definitely show a substantial increase in our Sunday School attendance.

I have visited every church at least two times, and many of them three or four times. Held Annual meetings at all of the Church but two and in these the membership was too small to warrant holding Annual meetings. Have preached 60 times, and have seen a number of seekers bowing at an altar of prayer.

Have traveled approximately 15,000 miles in the work of the District, and have received, for my support, \$1121.70 which includes \$50.00 back salary from last year.

We have tried above everything to stress Spirituality, and hold the standard of the Bible and the Church where we believe God would have them.

Respectfully submitted,
(Signed) C. J. MEYERS,
District Superintendent.
