CONFERENCE SUPERINTENDENT'S REPORT

To the 24th annual conference of the Pilgrim Holiness Church in session at El Monte, California, July 8, 1946, greetings!

We wish to express our appreciation of our brethren in the ministry; the comradeship and co-operation throughout the past year has been impressive indeed. We believe we have been "workers together with God."

Spiritual Advancement. Several churches have had exceptional revivals, among others Phoenix, Ventura, Los Angeles; and throughout the conference the saints are heartened and faith is multiplying.

Numerical Growth. The numerical increase over the conference has been sizable yet the turnover in membership is such as to show only a small increase. We would do well as a Church to ask ourselves what in our policy is causing such a large turnover in membership? God help us to build a family church!!

Amalgamation. God in His providence has seen fit to bring together in one fellowship "The Holiness Church" and the "Pilgrim Holiness Church." Throughout the committee meetings and in the entire proceedings there has been the manifest presence of the Lord. There has been a splendid spirit of co-operation and a desire of both groups to serve this present age as God would have us.

However, real unity does not depend on wearing the same label and subscribing to the same set of doctrinal principles; these are earthly things and may or may not be of the Spirit. For example, the atonement is a fundamental doctrine to be subscribed to but never yet has doctrine been able to realize oneness—unity is only obtainable on the basis of experience inwrought by the power of the Holy Spirit—this is heavenly and effectual.

Let us in our new relationship recognize the power and virtue of the blood as sufficient against all that Satan might attempt in the line of schism or division.

God grant that we as a unified body may be of greater usefulness in the gospel ministry, and if we are to be successful as He counts success, then we must be a holy people—separated from the world and separated unto God in loving fellowship and service for Him.

New Churches. We have a new church to present to the conference, organized during the past year at Prescott, Arizona. Rev. and Mrs. Pyles are the pastors. Rev. Pyles comes to us from the Wesleyan Methodist Church and Mrs. Pyles from the Free Methodist Church. Thank God for a splendid nucleus of saints at Prescott.

There are two strong preaching points at Dobbins, California and Show Low, Arizona; both of which are eligible for organization. Bro. and Sis. C. T. Meyer of Eloy, Arizona have given the church two lots for a church in that city and construction is expected to begin next September.

Building Program. Parsonages have been builded at Rosemead, California and Long Beach. The parsonage will soon be available at Rocklin, California. Extensive reconditioning has been accomplished on several churches and the El Monte Tabernacle.

Youth. The Youth Work for the conference year began with a splendid conference held in Pasadena's Oak Grove Park. Youth rallies have been conducted in many churches throughout the year, with seekers at the altar in every service. A young man who was converted in one of the youth rallies is now Riverside's Sunday school Supt.

Pilgrim Pines, the new youth camp in the Barton Flats area, is another accomplishment of the year.

Ministerial Meetings. Ministerial meetings have been held during the year, with guest speakers chosen from among those who have made a success in some line of christian endeavor. "The Fine Art of Public Worship" and "Preaching from the Bible" were among the texts studied. Also the fellowship and inspiration of the meetings have been beneficial.

Camp Meeting. We have just concluded one of the largest and best camps of our movement in this area. It pleased the Lord to give us Rev. S. I. Emery and Rev. M. L. Goodman at their best. The Minister's Seminar conducted by Rev. Thatcher and the many splendid missionary addresses by Rev. and Mrs. Solter and Rev. R. K. Storey all combined to give us a feast of good things long to be remembered, and afford both ministers and laymen a wonderful background for courage, inspiration and vision for the coming year.

Respectfully submitted,

George A. Moran

REPORT OF THE PRESIDENT OF THE HOLINESS CHURCH

Fellow Pilgrims, greetings in the precious name of Jesus Christ our Lord, by whom we have redemption through His blood. With much joy through the comforting promises of the Holy Word, I take great pleasure in addressing the Annual Conference of the Pilgrim Holiness Church met in El Monte, California; and bring with me the good will of the saints scattered abroad throughout the constituency. In the fear of God, and under the direction of the precious Holy Ghost, my Sanctifier, I hereby tender my report for the past period beginning August 1, 1945, and ending June 30, 1946.

The past months have been filled with many responsibilities due to amalgamation proceedings, which through the help of the Holy Spirit, have been completed. We feel that the Lord has been pleased with this union, and we are trusting that He shall guide until every detail shall be completed, and the blending of the two groups will have been accomplished. During the proceedings of amalgamation, there has been the sweetest fellowship and love manifest in all of the committee work. May God cause this to continue.

I have covered the district to the best of my ability, and have held business meetings in all of the churches on the district, during the months past. In some of these meetings things were accomplished which we feel will tend to the furtherance of the work. We have also preached in most of our churches and many souls have been seen at the altar of prayer. We trust that they have found definite help from the Lord.

The work on the home mission front is somewhat at a standstill, perhaps due to the shortage of material, and proceedings which have caused some delays.

We have held revival meetings in some of the churches with results which we trust will stand for eternity. We also held a few day meetings in our School; there was manifest the presence of the Lord, and we praise God that some souls were reclaimed and sanctified.

I have received from all sources for the past eleven months, \$2,204.15, or an average per month of \$200.04.

Prayerfully yours in Jesus' Name,

Fred K. Wells

REPORT OF WAYS AND MEANS COMMITTEE

(1)

Inasmuch as the young people of the former Holiness Church have had a successful Penny-a-day plan for financing new home missionary projects; therefore, be it resolved that we recommend this plan be adopted by each Young People's Society.

Be it further resolved that all funds be sent monthly to the Conference Treasurer to be held by him in a separate fund. Work and distribution of funds to be under direct supervision of Conference Council in co-operation with the Young People's Council.

(2)

Minister's Retirement Plan

Inasmuch as the Minister's Retirement Plan was adopted at the General Conference, requiring the payment of two percent of the weekly salary by the pastor and four percent of the weekly salary by the local church; therefore, be it resolved that local church treasurers deduct the two percent of the pastor's weekly salary and add to this an additional four percent from regular offerings, forwarding these amounts to the Conference Treasurer monthly.

REPORT OF THE RESOLUTIONS COMMITTEE

(1)

Be it resolved that the conference council and all committees meet for final preparation on the Wednesday preceeding conference; and that the annual conference convene on the Thursday and Friday preceeding camp meeting; and that the Conference Young People's Society conduct its annual business meeting and hold its annual election and installation of the officers on the Saturday following Conference; and camp meeting begin on the Sunday following the Young People's Conference continuing for eight days.

(2)

Be it resolved that our Conference Superintendent appoint an editing committee comprised of the Conference Secretary and one or two other members to edit and publish our Conference Minutes in order to expedite publishing of same.

(5)

Be it resolved that the Board of Trustees of the former Holiness Church shall legally function in behalf of these properties until their transfer to the Pilgrim Holiness Church is completed.

(6)

Inasmuch as the Ministerial Directory in the Conference Minutes does not differentiate between missionaries in foreign lands and ministers in the homeland, therefore, be it resolved that in the future these be shown in two separate lists.

(9)

Be it resolved that the necessary data for the General Statistician be placed in our Conference Minutes.

(10)

Be it resolved that the 6:30 p.m. service of the Conference Camp be devoted to a young people's service, to be arranged for by the Young People's Council.

(11)

Be it resolved that resolutions 3, 4, 5, on page 11 of the '45 Minutes and, 6, 7, and 10 on page 12 be deleted.

(12)

Be it resolved that the Conference Superintendent be given a month's vacation with pay.

(13)

Be it resolved that this Conference give its presiding officer, Asst. Gen. Supt. Rev. Wm. H. Neff, a rising vote of thanks for his labor of love among us.

(14)

Be it resolved that we express our gratitude to God for His wonderful outpourings of divine grace that have welded our two separate bodies into one body in Christ.

(15)

Inasmuch as we have been so graciously entertained by the El Monte Pilgrim Holiness Church, be it resolved that this Conference give the cooks, dining room and kitchen help, dishwashers and custodians a rising vote of appreciation for their untiring efforts to make it comfortable for the entire camp.

(16)

Be it resolved that the "Pilgrim News" be placed on a subscription basis.

(17)

Be it resolved that the Board of Trustees be enlarged to a Board of five (5). And that two (2) members of this Board be nominated by the Board of Elders of the former Holiness Church.

RESOLUTIONS IN EFFECT FROM PREVIOUS CONFERENCES

(1)

Be it resolved that all conference rulings regulating the financial affairs of the conference be brought forward and spread on the pages of the Minutes.

(2)

Be it resolved that the emphasis being placed on the work among the children of the Sunday schools shall not be lessened but that a greater stress shall be placed on the work among our young married folk and adults, thus building into our Sunday school program a definite place for the family as a complete unit.

(3)

We recommend that our Conference Superintendent or his Assistant shall, when possible, conduct Quarterly Meetings at each church, at which time he shall preach a gospel sermon and administer the sacraments.

(4)

We recommend that, Whereas we now have a standing Statistical Committee to function during the Conference Year, Be it resolved that all reports be made in full and sent to the Statistical Committee not later than one week before the Conference date.

(5)

Resolved that since some of our Churches seem to have no definite system of raising their General, Conference and Local expenses, therefore be it resolved that each Church adopt the Budget System and make an effort to raise the same.

(6)

Resolved that no Pastor employ an evangelist without the endorsement of the Conference Superintendent.

(7)

Resolved that love offering be taken monthly for the Pastor of each Church, and that the delegate see that this is done.

(8)

Resolved that before Licensed or Ordained Ministers, coming from other Churches, shall be received into the local churches, that the pastor shall consult with the Conference Superintendent and Council regarding said Minister.

(9)

We recommend that each self-supporting Church put forth a home missionary campaign and try to establish at least one new church.

(10)

Whereas it is already our practice to alternate our Home and Foreign Missionary offerings throughout the year, We recommend that the months of August, October, December, February and April be designated as our Home Missionary offering months.

(11)

Resolved that we have a Camp Meeting Association with membership dues of \$1.00 per year, and that our Conference Superintendent present this Association to the people on his first visit to every church in the Conference, and get as many members as possible.

(12)

It is recommended that the Conference create the office of Conference Sunday School Secretary, which person is to be nominated by the Conference Sunday School Committee, the nomination to be ratified by the Conference Council, and said secretary shall be an ex-officio member and responsible to the Sunday School Committee.

(13)

Be it resolved that all plans for the construction or remodeling of church buildings be presented to a committee on which there shall be an architect, a builder, and a financier for their suggestions.

(14)

Whereas the stress and strain of the times in which we live are such as to tax the strength of the busy pastors of our conference, be it resolved that each church of the Conference give their pastor a two weeks' vacation with pay.

(15)

Whereas our Conference is scattered geographically, be it resolved that the Conference Superintendent edit a Conference Bulletin, to be published monthly at the expense of the Conference.

(16)

Resolved that when recommendation for credentials is presented to the Conference the candidate be present, or send a written testimony to accompany the recommendation.

(17)

Whereas the devastating influence of the liquor traffic in America is gaining such momentum, Be it resolved our church and ministry take a more militant stand against the sale of same.

(18)

Resolved that an offering be taken when Conference Minutes are distributed at the various churches that will be equivalent to the amount of 15c per copy.

Resolutions Concerning Certain Financial Obligations

(19)

Resolved that ten per cent of church offerings after deducting Building Fund, rent for church or payment for purchase of church building, be sent to Conference Treasurer.

(20)

Resolved that each member pay the amount of \$1.50 to the support of the Conference Superintendent per year.

(21)

Resolved each member be assessed the amount of 30c for the General Conference.

(22)

Resolved that the Sunday School, Birthday and Thank Offerings be used for Conference Home Missions.

(23)

Resolved that 10% of Sunday school offerings be sent to the Conference Treasurer.

(24)

All assessments are based on total membership with exceptions provided for regularly engaged christian workers on the church roll who are in active missionary or evangelistic work elsewhere. In no case is this exemption to exceed 10% of total reported membership.

1946 CALIFORNIA CONFERENCE MEMORIALS

W. Frank Hooker was born June 21, 1889 in Bangor, Iowa. He was reared in an old-fashioned Quaker home where stress was laid on things of eternal value. He was a faithful member of the Rees Memorial Pilgrim Holiness Church of Pasadena from 1923 until 1939, at which time his letter was transferred to the Rosemead Pilgrim Church, when the family moved to El Monte. The positive evidence that Brother Hooker gave through song, testimony and consistent daily living, leads us to the comforting conclusion that through Jesus, on November 8, 1945, our brother dropped anchor in that final harbor, God's haven of rest.

Rev. Carl Henry Dauel, on the evening of May 3, 1946, laid down his implements of earthly warfare and went home to be with his Lord and Saviour. Rev. Dauel was born in Hanover, Germany, February 13, 1878. He came to America in his youth. During a period of industrial strikes and unrest, he became a bartender in the city of Chicago. Here he was converted to God in a Rescue Mission conducted by the late Seth C. Rees. Under the call of God and the watchful guidance of Rev. Rees he immediately began a glorious and successful career of soul winning. At his first street meeting twenty-one hands were raised for prayer; fourteen men knelt at the curb to pray, four of whom became ministers of the Gospel.

After spending sometime at God's Bible School in Cincinnati, Ohio, he began to blaze a trail back and forth across America with a message that reached the lowest of the low and the highest of the high.

He served the Pilgrim Church as evangelist and pastor. He served as Supt. of the California Conference and of the Oklahoma Conference and Asst. Supt. of the Rocky Mountain Conference. He was also Supt. of Rescue Missions and of City Missions. More than forty churches owe their existence to his pioneer work. He had a gift for developing talent and many fine workers of the church began their ministry under his influence and guidance. He was a man of principle and a soul winner to the end. God was real to him and he had an ability to make God real to all he met.

On the evening of his home-going he was enabled of the Holy Spirit to enter a last time into a wonderful season of prayer and soul burden for the needs of an entire world. Soon after he went to sleep to awaken at home with God whom he loved and whom he served. A broken and bleeding world has lost a friend and lover; the church militant, a mighty warrior and many of us in this conference a very personal friend and christian brother.

Sister Ida Martin was one of the pioneer members of the Fresno Church. Her work for the Kingdom was tireless as she held our standards high. Sister Martin's zeal for missions was outstanding, as her will revealed in leaving most of her sizable estate to the cause of missions. God grant the mantle of this rare soldier of the cross may fall on us all, that we may continue to carry on the work which was so dear to her heart:

John C. Will was born in Chicago, Ill., August 8, 1878, and fell asleep in Jesus November 9, 1945, while pastor of The Holiness Church at Highland Park, Los Angeles. His wife and six children survive him.

He was in the Gospel ministry over thirty years, twenty years of which were spent in The Holiness Church. He served on the Board of Elders from 1934 to his death. He was noted for his faithfulness and optimism. He wrote articles for the Standard Bearer for many years, and was a good pianist and singer as well as preacher.

Leonard A. Clark was born in Salinas, Calif., March 25, 1862, and died April 1, 1946, at Eagle Rock Calif. In childhood he joined the Methodist Church; later was sanctified and identified himself with the holiness people in Los Angeles in 1884. In 1888 he became editor of "The Pentecost," which became the official paper of "The Holiness Church" when it was organized in 1896. He served this church for many years as editor, pastor, elder, and for several terms as president.
