In Memoriam

MRS. IDA GALIEL PALMER

Ida Galiel Palmer was born to Frank and Farrah Clifton near Sylvia, Kansas, April 22, 1908. In early life she gave her heart to Christ and became a worker for Him. When she was only a very young woman the family moved to Eastern Colorado, and settled in Bristol. There she met the Reverend Garnett L. Palmer, and in due time they were united in marriage. To this union were born nine children, all of whom survive.

She was an ordained Deaconess in this District, and worked here until her passing.

Like the Apostle Paul, her testimony rang victoriously to the very last: she had fought a good fight; she had finished her course; she had kept the faith; henceforth there is laid up for her a crown of righteousness. Many, many friends gathered to comfort her family at the coronation service proving that heaven's gain certainly is earth's loss. May the same challenge for souls that inspired her heart to a never-ceasing quest for souls also challenge the hearts of us who remain to labor on for Jesus until we meet her just inside "The Eastern Gate."

ROBERT CLEVELAND STALCUP

Robert Cleveland Stalcup was born October 14, 1885, near Dawson, Nebraska, and departed this life April 30, 1961, at El Monte, California, at the age of 75 years, 6 months and 16 days.

At an early age he moved with his parents to a farm near Sabetha, Kansas, where he grew to manhood.

On May 11, 1910, Mr. Stalcup was united in marriage to Pansy May Ralston. Three children blessed this union: twin sons, Walter and Raymond, and daughter, Elvis.

Although he was saved a little later in life than some, Brother Stalcup felt the call to the ministry and immediately made plans to attend Bible School in Colorado Springs. He preached the glorious Gospel more than 20 years. At one point in his ministry, he was called to Bible Training School, this time to serve in the capacity of Field Representative and to perform many other duties.

On his 65th birthday, in 1950, while Rev. Stalcup was pastoring at Bellevue, Colorado, he became ill with a cerebral thrombosis which forced him into semi-retirement.

He returned with his wife to Colorado Springs, where they made their home until 1955, at which time they moved to California.

On May 11, 1960, Rev. Stalcup and his wife celebrated their Golden Wedding Anniversary at their home in Cyprus, California. Later they moved to El Monte, where Rev. Stalcup was a member of the Pilgrim Holiness Church and had his preaching credentials from the Southern California District Conference.

DISTRICT SUPERINTENDENT'S REPORT

To the 39th Annual Conference of The Pilgrim Holiness Church, California District, convened at El Monte, California, June 29, 1961, Greetings!

At the convening of this 39th Annual Conference we find that we have already closed the books of another busy church fiscal year and are almost one month into the new.

Who can rightly judge his accomplishments by any set rule of measurement? I trust that each of us can truthfully say that he has done his relative best.

Spiritual Condition

The insidious forces of sin are still waging a heated conflict. As the battle rages, the forces of God are incessantly moving on to blessing and victory through the abundant power of the Spirit of God.

Several of the churches of the district witnessed Spirit-blessed revivals during the past year. A number of the churches report frequent altar services in their regular services. May this wholesome spiritual activity be a normal occurrence in our midst. For this purpose we do exist as a church. May God grant great times of Spirit visitation in our midst during this present church year as the Lord tarries.

Church Improvements

Bell Gardens church and pastor, Rev. Crowder, have made many improvements on the church property. Adequate restroom facilities have been installed, buildings painted and the church auditorium has a new tile floor.

Buena Park church and pastor, Rev. Fenton, have painted the church inside and out. This adds much to the appearance of the church property.

Chino church and pastor, Rev. Chamberlain, have redecorated the church interior. The Chino Pilgrims are presently looking for property to re-locate. They are crowding out their present facilities.

Corona church and pastor, Rev. Smalley, have been busy this past year. The parsonage has been painted on the outside and a hardwood floor has been put down in the church auditorium.

Dixon church and pastor, Rev. Cason, have been busy working on the new church parsonage.

East Pasadena church and pastor, Rev. Fillmore, are planning a building program in the near future.

El Monte church and pastor, Rev. Greene, have been busy in recent months building a new Sunday school unit. This building is a beautiful addition to the church. Plans are under way to build the new church auditorium in the near future.

Los Angeles First church and pastor, Rev. Tullis, have redecorated the church inside and out, and purchased a lovely new two-bedroom parsonage.

Oak View church and pastor, Rev. Robinson, have redecorated much of the church buildings. A beautiful new Sunday school unit was built and dedicated this year. This was a venture of faith and God marvelously supplied the needs all the way through.

Ojai church and pastor, Rev. Lee, have worked hard and a beautiful Sunday school unit has been built and dedicated. This beautiful unit is most certainly a credit to the work of God and the Pilgrim Holiness Church.

Sacramento church and pastor, Rev. Schletewitz, have been busy looking for a church building site. A beautiful site has been located and plans are to start the new unit as soon as funds are available.

San Dimas church and pastor, Rev. Silver, are busy formulating the final plans for their first new church and Sunday school units on their new building site. This new site is ideally located in the most desirable section of the city of San Dimas.

Santa Ana church and pastor, Rev. Park, have constructed a new patio behind the church parsonage. This will make a very suitable place for the church and youth activities.

Solana Beach church and pastor, Rev. Johnson, have painted the outside of the church and buildings. This has done much to improve the appearance of the church property.

Ventura church and pastor, Rev. Hogarth, have painted the outside of the church building. This has added much to the appearance of the church property.

New Church

A beautiful church building with a seating capacity of approximately 165 with seven classrooms, one large Sunday school assembly room and a good-sized nursery has been purchased in the beautiful and picturesque city of Los Gatos, California. The entire church and Sunday school plant has forced air heating throughout. This was purchased for \$25,000.00.

Rev. and Mrs. Gordon Parmenter and family are pastors of this new work. Shall we support them whole-heartedly as they carry the message of salvation and holiness to the north central section of California for the Pilgrims.

Churches Organized

Bell Gardens church was organized this year with 16 members. This church is among the older churches of the California District, but due to membership loss had become unorganized. Rev. and Mrs. James Crowder have done marvelously there this year. This is another proof of the effectiveness of the much needed system of house to house visitation and evangelism.

Sacramento church was organized this year with 19 charter members. Rev. and Mrs. Schletewitz have labored faithfully here for the past two and a half years and God has rewarded their faithfulness. They have been using rented facilities since the beginning of the work here and have out-grown every available space. Shall we all rally behind this pressing need and support the district arm of church extension, Home Missions, earnestly and sacrificially.

Camp Ground Improvements

Some changes have been made on the District Camp Grounds this past year. Two houses have been moved from the property which was sold from the east side of the district property.

The District Office has been remodeled, which offers a better appearance to the public and also proves to be more suitable in many ways.

The tabernacle has been changed somewhat to make more room and also to make the seating more accessible.

Beautiful new drapes have been placed in the cafeteria which have added much to its appearance. This gracious gesture came through the District Missionary Society and the wonderful cooperation of the Missionary Societies of the local churches of the district.

The cafeteria and dormitory buildings have been spray-painted. The district tabernacle has been freshly painted in the inside. This expense was kept at a very minimum due to the wonderful cooperation of the several pastors and laymen who faithfully contributed of their time and energy. Rev. Robinson, pastor at Oak View, did the spray-painting.

District Program

The emphasis for the past year has been on the major theme of Evangelism. A special emphasis was placed upon this during the month of December, 1960, when Dr. R. G. Flexon, General Superintendent of the Western Area, visited the California District and spoke in zone meetings on this all-important subject. I feel that much good resulted from this special evangelism emphasis.

A number of the churches have implemented the program of lay visitation-evangelism with most gratifying results. Several new converts have been won to Christ and the Pilgrim Holiness Church through this program.

Concluding Remarks

I wish to state at this juncture that the past year has been a very grueling one. The headquarters property has demanded more time than could be rendered to adequately take care of the many pressing needs. Had I been blessed with the experience which only years of service afford, the task would have undoubtedly been much easier and fewer mistakes would have been made. We stand amid the press of a world in conflict and error and in order to be able to conscientiously face God and man one must be governed by right and truth.

I wish to express my deepest heart-felt appreciation for the beautiful spirit which the pastors of this district have manifested. I feel to say that any degree of success which the Pilgrim Holiness Church may achieve must be attributed to the battle fields of the local churches where consecrated pastors and dedicated laymen are giving their all for Christ and the Pilgrim Holiness Church.

I have no time for compliments or praise which are motivated by a selfish purpose and political in nature.

I wish to state that there cannot be found a District Council which could have a better spirit and carry a greater love and concern for the lost of earth than the California District Council. The Council has been faced with problems which were difficult and trying. Amid every circumstance these men have been Christian in every way and their ultimate purpose has been to serve God and the Pilgrim Holiness Church as best they could. I wish to personally and publicly thank these men.

My Asst. Supt., Rev. Thomas E. Lee, has been very cooperative and helpful in every possible way. His advice and counsel have been deeply appreciated.

It has been a genuine pleasure to work with Rev. Bruce Chamberlain, District Treasurer and with Mr. Edward C. Bickmore, District Secretary.

The District Youth President, Mr. Daniel Chamberlain, and Sunday School Promotional Secretary, Rev. Gene Daffern, have done a splendid work in the interest of the Sunday School and Youth Departments of the district.

The District Missionary Society under the leadership of Mrs. Gertrude Beck, has done a very splendid job this past year.

Rev. Park and Rev. Fillmore have done a wonderful job on the Campmeeting Board as chairman and vice-chairman respectively. I do appreciate the men who came day after day to work on the camp grounds to get things in readiness for the Conference and Campmeeting.

As this beautiful spirit of unanimity prevails in our midst the Spirit of God will work mightily in the churches of the California District.

REPORT OF THE DISTRICT YOUNG PEOPLE'S PRESIDENT

To the thirty-ninth annual conference of the California District of the Pilgrim Holiness Church, convened at El Monte, California, June 29, 1961, greetings in the name of our conquering Christ.

This last year has been marked by much activity and progress for California Pilgrim Youth. In keeping with the attempt to strengthen our local societies, each zone has been visited and helpful plans and suggestions were developed. Our financing has been made more realistic and, here, too, the needs of the local societies have had close attention. While much effort was made to improve our local societies each zone had more rallies and more effective program than the year before.

In addition to meeting with the leaders of each zone, I have visited 14 churches and traveled over 3,000 miles in the interest of Youth; attended seven board meetings, (serving as secretary of the Mile High Pines Board) five

Youth Council meetings, numerous committee meetings, and written several hundred letters. This year also saw the inauguration of all day youth rallies; these rallies will long be remembered for the good attendance and fine program; of special significance was the crowning service of the first rally when over 100 Pilgrim Youth pledged themselves to faithfully witness to at least one soul each month.

Throughout this year, the District Youth Council has worked closely with the Mile High Pines Board toward the reopening of Mile High Pines. The fine work of Board Chairman Bro. Richard Miller, Superintendent Hamon and each of the zone chairmen deserves high praise for the strides made toward reopening.

While this has been a good year, there is still much to be done: some churches have no youth society; few churches have chartered societies; there is a great need for better support of district and national projects; there is the continuing need for a well-planned, attractive spiritual program at the local level. We must continue to pray for the guidance to develop an effective program to save and serve our youth and the courage and wisdom to implement that program.

Respectfully submitted,
DANIEL CHAMBERLAIN

REPORT OF BOARD OF DIRECTORS OF MILE HIGH PINES

I am sure the most important news which could be reported to this conference is the reopening of Mile High Pines for the fall camp season of 1961.

The ministers of this district have labored for many work days. The laymen have equally provided many hours of labor and brought about pleasant changes toward meeting official requirements.

A program known as Pilgrim Youth Camp Fellowship has been launched and is being presented to each member of our conference, offering them an opportunity to invest in building youth.

There is a great future of Mile High Pines depending upon our individual acceptance of the opportunity of investing in Building Youth.

Respectfully submitted,
RICHARD S. MILLER

DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the 39th annual conference of the California District of the Pilgrim Holiness Church convened at El Monte, June 29, 1961 — Greetings!

While this past church year has proven difficult for some of our schools, many of them have taken on a new spirit of optimism, and have worked out programs which will enhance their effectiveness in their communities. We were privileged to conduct Sunday School staff meetings at our schools in East Pasadena and San Dimas. Both schools are organizing their efforts and resources for a sound, healthy growth in this coming year.

I am deeply indebted to Reverend Robert D. Rogers who worked very closely with me in Sunday School Promotion during this year. He not only served as Treasurer of the Sunday School Committee, but provided much of the written promotional material. In addition, he covered many of the churches in our District representing the District Sunday School Committee. The Cross and Crown Quartette which accompanied him on these trips was well received by our churches, and several expressions of gratitude for their fine singing and his inspired preaching have reached my office.

We have also appreciated the dedicated work of Mrs. Mary McCormick, who assisted Reverend Rogers in the work of Sunday School promotion in California. We have conducted five Sunday School Committee meetings, and wish to express our sincere appreciation to each member of the Sunday School Committee who served so faithfully. Mrs. Jean Hogle, the Recording and Corresponding Secretary for the committee, has worked long and hard for the cause of the Sunday

School. Brother Hinkle has served faithfully, and Sister Dooley as often as physically possible. May God bless them each one.

It is unfortunate that more of our Sunday Schools are not participating in the "Decade of Progress" sponsored by the general church. Those who are participating are enjoying a real introspection into the reasons their school is not making better, faster progress, and are finding out ways to advance their program.

The highlight of the year was our first annual "VICTORY NIGHT" Banquet, last March 17th. With over 225 in attendance, Sunday Schools of our District were honored, ways and plans were discussed, and warm fellowship was enjoyed by all. Bell Gardens took top honors for average attendance, while El Monte excelled in the Easter attendance. We are looking forward to the second annual "Victory Night" later this year.

With a spirit of optimism and victory, we shall go forward in California to win souls through the Sunday School.

ROBERT D. ROGERS,

ANNUAL REPORT OF PRESIDENT DISTRICT MISSIONARY SOCIETY

June 1, 1960, to May 31, 1961

To the Annual District Conference, Greetings:

This will constitute the third annual report for our district organization, and we thank God for the help He has afforded us throughout the year. This has been a busy year, but God's grace has been sufficient.

In October we served two meals for the District Workers Meeting at Rees Memorial Church.

In January of this year, we were privileged to arrange and conduct a Missionary Convention at East Pasadena Church, during which Rev. and Mrs. C. G. Keith, from Africa, and Miss Naomi Greer, from Peru, were the special speakers.

At the request of the District Superintendent, the committee arranged lunch for the C.P.C. Choir, during the Easter vacation. A number of the churches assisted by bringing in food.

Other projects sponsored by the committee this year include:

Furnishing and hanging drapes in the District Cafeteria.

Providing a venetian blind for the District Office (from the balance of the drape fund). The churches cooperated in these two undertakings.

The committee purchased and placed the American flag and Christian flag in the District Tabernacle.

Cleaned and replaced the overhead curtain on the Tabernacle platform, provided a couch covering for the District Office, and paid the balance on the venetian blind mentioned above.

A number of the ladies worked in preparing the cafeteria and cottages for Camp Meeting, on the scheduled work days.

We have prospects presently of sending a quantity of used books to the Philippines, to help satisfy the spiritual hunger of the people of the islands. Our latest project is the Missionary Room, which includes a display of the work done by the various churches. All are invited to visit the missionary room and inspect the work that has been done over the district.

Eighteen individuals have finished the required number of books in the 1960 Reading Course, and have qualified to receive their certificates.

I wish to express my appreciation for the other members of the committee who have worked so faithfully. Sister Mildred Wengert, who is generally distinguished for her cooking, has been incapacitated for some time because of an auto accident. How thankful we are that the Lord spared her, and we are asking the Lord to fully restore her to health. Sister Ruby Tschinkel has been a good secretary, mimeographing and sending out letters, and otherwise making herself useful. Her ingenuity may also be discovered in the arrangement of the missionary room.

I am likewise grateful for the assistance of Sister Hamon, in the purchase and hanging of the cafeteria drapes.

The missionary societies of the district are to be commended for the work which they have accomplished this year. Together they have paid out the following amounts:

| General Church Extension | 437.21 |

RESOLUTIONS OF THE 1961 CONFERENCE**Resolutions Committee**

No. 1—BE IT RESOLVED THAT: This Conference elect a committee of three to investigate the advantages of renting or selling the District Conference grounds. This committee shall report their initial findings to the District Council not later than the regular council meeting of October, 1961. The District Council shall present a specific recommendation to the District Conference of 1962, regarding the renting or selling of the District Conference grounds. This committee shall be made up of the assistant district superintendent and two additional members of the conference not serving on the District Council.

No. 2—BE IT RESOLVED THAT: This conference authorize the District Council to appoint a District Scholarship Committee, for the purpose of raising finances for a District Scholarship Fund. This committee will also serve in the examination and recommendation of worthy students to receive help from such funds. This committee is to be amenable to the District Council, and all final appointments are to be subject to Council approval.

No. 3—BE IT RESOLVED THAT: Standing resolution number 35, page 34, of the District Minutes be changed to read "the District Superintendent call a meeting of all District leaders and pastors for the purpose of introducing the programs of the various departments for the coming year, this meeting to be held during the month of September. The time and schedule of such meeting is to be worked out by the District Superintendent."

No. 4—Whereas in the past there have been program conflicts between District, Zone and Local activities, therefore, be it resolved that a new district office be created. Said office to be known as the District Program Coordinating Secretary, appointed by the District Council. The duty of said secretary shall be to assist all departments in arranging program dates, thus avoiding conflicts where possible.

It shall be the duty of said officer to arrange calendars for each department of the District and Zone leaders. Said officer shall notify the District officers of scheduled activities affecting each department, keep zone leaders and pastors posted as to activities affecting each.

No. 5—BE IT RESOLVED THAT: Standing resolutions numbers 22 and 38 be deleted and the following resolution be substituted in the place of these two: Be it resolved that there be a Camp Meeting Grounds Committee appointed by the Council. Responsibilities: 1. The responsibility for the preparation of the district camp grounds for annual conference and camp meeting be delegated to this committee; 2. The secretary of this committee shall be responsible for notifying all pastors and all other ministers of the District as to the dates for any work days set for the preparation of the grounds; 3. The camp meeting committee be empowered to hire such help as is necessary to have the delegates' accommodations properly arranged and cleaned.

No. 6—Be it resolved THAT: The second paragraph of standing resolution number 39 be changed to read: "Any church providing the labor or funds set forth above, the active members of that church shall be entitled to meals at one-half price."

No. 7—Be it resolved that standing resolution number 28 be changed to read as follows: "Be it resolved that the ordination service be conducted at the evening service on the first day of conference. This to be effective for the 1962 conference." (This resolution makes obsolete a previous resolution passed by this conference.)

No. 8—Whereas our District Superintendent has untiringly given himself to the work of building the District, therefore be it resolved that we give Rev. Thomas Hamon a rising vote of appreciation for his labors of love during the past year.

No. 9—BE IT RESOLVED THAT: The Conference give its presiding officer, Dr. R. G. Flexon, a rising vote of thanks for his labor of love among us.

No. 10—BE IT RESOLVED THAT: This conference give a rising vote of thanks to Rev. Park, Rev. Wells and to the kitchen and dining room crews for the magnificent manner in which they have entertained this conference.

No. 11—BE IT RESOLVED THAT: Greetings be sent to all the Missionaries now serving under appointment abroad, who hold membership in this District.

Ways and Means Committee

No. 1—Be it resolved that Resolution No. 2, page 29, be replaced with the following:

Whereas the Board of Directors of Central Pilgrim College has requested that each conference in the zone shall accept and adopt a goal of five dollars (\$5.00) per member per year in support of Central Pilgrim College.

Therefore, be it resolved that this conference accept and adopt said goal. The basis for determining membership responsibility for the above-mentioned goal is to deduct ten per cent (10%) from the total voting membership of the church.

No. 3—Be it resolved that Resolution No. 3, page 29, be deleted.

No. 3—Be it resolved that paragraph 2 of Resolution No. 1, page 29, be replaced with the following:

Each and every local church in the district shall send to the district treasurer once each month a budget assessment in the amount of ten per cent (10%) of all offerings received by the church, Sunday School, Youth Society and Missionary Society; except all specified funds raised for the construction or acquisition of church buildings or property, Sunday school units, and parsonages, and except specified funds raised for the retirement of indebtedness on same. (This resolution makes obsolete Committee Resolution No. 1 passed by this conference.)

STANDING RESOLUTIONS FROM PREVIOUS CONFERENCES

(1)

Be it resolved that the District Council shall be informed of all **matters of major legislative change** prior to presentation to the conference.

(2)

We recommend that Section 92, paragraph 4, and Section 149, paragraph 8. of the 1958 Manual of the Pilgrim Holiness Church, which reads as follows, be enforced:

"Any church or pastor failing to raise the United Stewardship Fund without good reason shall be **denied a voice** in the annual conference."

(3)

Be it resolved that the local churches pay the **traveling expenses and entertainment** of their delegates for the Conference business sessions. This does not include camp meeting.

(4)

Whereas, the General Conference has made provision that newly organized churches in districts assume one-fourth of their United Stewardship Fund the first year after being organized; one-half of their budget the second year; three-fourths the third year, and beginning with fourth year pay in full:

Therefore, be it resolved that on this district we apply the same percentages in regard to our **district budget**.

(5)

Be it resolved that the following items be paid out of the **District Expense Fund**:

1. Utilities for the home of the District Superintendent.
2. Publication of the Pilgrim News.
3. District office expense.

(6)

Be it resolved that the **cafeteria and lunch stand** be considered part of the camp meeting operations and all monies pertaining thereto be held in the Camp Meeting fund.

(7)

Be it resolved that **ministers** coming to this district **from other denominations** be interviewed by the District Council before their **credentials** are presented to the Conference.

(8)

Whereas in the past important papers have been lost and a considerable loss of time and finance was necessary to secure new papers, therefore be it resolved that all local churches of the district forward to the District Council for filing, all **legal papers** pertaining to the ownership of the local church property.

(9)

Whereas, the District owns shares in the **Lexington Blvd. Mutual Water Co.**, therefore be it resolved that the following five district **officers**, by virtue of their office, be appointed to represent our shares in the Water Co.; District Superintendent, Assistant Superintendent, Treasurer and Secretary and the President of the Board of Trustees. And be it further resolved that the representatives vote the shares as a block as instructed by the District Council on matters of policy.

(10)

Be it resolved that the **District Council** and following **committees and boards**, meet one day prior to the annual Conference to take care of such work as they have on hand. The Resolutions and Ways and Means Committees, and the Educational and Examining Boards.

(11)

Be it resolved that all plans for the **construction or remodeling of church buildings** be presented to a District Building Committee on which there shall be an architect, a builder, and a financier for their suggestions.

(12)

Resolved that before licensed or ordained **ministers** coming from other churches shall be received into the local churches, the pastor shall consult with the District Superintendent and Council regarding said minister.

(13)

Be it resolved that our district **Educational and Examining Boards** be instructed to secure a set of questions covering the course of study prescribed

by the manual and make the same available to those desiring to take the Study Course.

(14)

Be it resolved, that each **pastor** be granted the privilege of holding at least one **revival** each conference year.

(15)

(16)

Resolved that when recommendation for **credentials** is presented to the Conference the candidate be present, or send a written testimony to accompany the recommendation.

(17)

Be it resolved that the part of the **District Superintendent's** and other district officers' **expense**, relating to the propagation of district home missions, be so designated and paid for out of district home mission funds.

(18)

Be it resolved that the Conference form a **committee** of four which shall have charge of the Old Folks' Home buildings and **grounds**, said committee to be comprised of the District Superintendent, the pastor of the El Monte Pilgrim Holiness Church, the President of the Board of Trustees, and one member to be appointed by the District Council.

(19)

Be it resolved that the **District Superintendent** be given an annual **vacation** with pay, not to exceed two weeks.

(20)

Be it resolved that each local church be urged to raise a **subscription** list to the **Pilgrim Holiness Advocate** equal to its total membership.

Be it resolved, that the **Conference Minutes** be sold at 75¢ per copy. Be it further resolved, that each church remit from local funds for the minutes ordered, and then sell them to the members for the stipulated price.

(22)

Be it resolved, that in lieu of the Annual District Home Missions offering received the last Sunday of Camp, we adopt a system known as the **District Home Missions Reserve Call System** to operate as follows. The District Superintendent be privileged to ask for a special offering toward the needs of any mission project, not to exceed the equivalent of three \$5.00 calls to each voluntary member per year.

(23)

Be it resolved that our pastors be urged to secure Pilgrim Holiness **Evangelists** as much as possible. And be it further resolved that evangelists from other denominations be secured under the District Superintendent's approval.

(24)

Be it resolved that the **financial records of all departments** of the District be submitted to the District Auditing Committee at least **THREE** days prior to the District Conference. This includes District Treasurer, District Youth, Sunday School Committee.

(25)

Whereas in order that the pastor may be at his best and the church may be served better by the **pastor** receiving an **annual vacation**, therefore, be it resolved that each church of the District give its pastor a two weeks' vacation with pay.

(26)

Be it resolved that the **time of sittings of future Conferences** be set as follows: 9:00 a.m.-12:00 noon; 2:00 p.m.-4:30 p.m.; and 7:00 p.m.-10:00 p.m., respectively.

(27)

Be it resolved that the ordination service be conducted at the evening service on the first day of conference. This to be effective for the 1962 conference.

(28)

Be it resolved that the District Sunday School Promotional Secretary, or his representative, shall have the privilege of holding two **services** annually in each of the churches of the District **in the interests** of the work of the **District Sunday School Committee** and that an offering shall be taken in said service and forwarded immediately to the District Treasurer being specified as an offering for the District Sunday School Committee.

(29)

Whereas, the **funds** received by the District from pledges for construction of a **camp dormitory** are not sufficient to cover the costs of construction, and whereas, these funds could be of a great help in developing churches in our district, now therefore be it resolved that the District Council shall continue to promote the raising of funds for a campgrounds dormitory, and be it further resolved that until such time as sufficient funds are received to cover the costs of construction of a campgrounds dormitory that the District Council be authorized and is hereby authorized to use said funds for short term loans on properties for the development of our district.

(30)

Be it resolved that the District Secretary be informed immediately upon the **death of a pastor or pastor's wife** of the District, and that he notify by telephone all pastors in the District and that proper notification be given to the editor of the District publication.

(31)

Be it resolved that the Conference adopt the following **method of pastoral recall**:

- 1—That each church shall vote during the last full week of March on the recall of its pastor.
- 2—That each local church secretary shall forward to the District Superintendent the results of such vote within five days following the time of voting.
- 3—That each pastor shall forward to the District Superintendent his reply relative to his recall, within 15 days of the time of voting. (See 1958 Manual, Section 53, Paragraph 3).
- 4—That each pastor who does not plan to be a candidate for recall shall notify the District Superintendent on or before the 15th day of March.

(32)

Be it resolved that the District Conference follow the method prescribed in the Manual, Section 45, which reads as follows: "Each **delegate** shall be provided with a **certificate of his appointment**, signed by the pastor and secretary."

Be it further resolved that a **Conference registrar** be appointed by the District Council, the registrar to assume his duties at the entrance to the district tabernacle one hour prior to the opening of each session of the Conference, and further that the duties of the registrar shall be to register all members of the conference and all duly certified lay delegates, presenting each member or delegate with a badge admitting him within the Conference Bar.

That the Conference registrar shall receive and record the certificates from the lay delegates, and shall present the list of registered delegates to the conference secretary prior to the opening of each session of the conference.

(33)

Whereas there seems to be considerable misunderstanding relative to the **listing of inactive ministers**,

Therefore, be it resolved that the Conference adopt the interpretation of the General Board with reference to Section 178 of the Manual.

"We understand by the term 'active and regularly engaged in the work of the ministry,' to mean pastors with a regular appointment and full time evangelists and to ministers who are under special appointment. With reference to the aged ministers we suggest that only those above 65 years may be so classified."

(34)

Be it resolved that the District Superintendent call a **meeting of all District leaders and pastors** for the purpose of introducing the programs of the various departments for the coming year, this meeting to be held during the month of September. The time and schedule of such meeting is to be worked out by the District Superintendent.

(35)

Whereas it seems necessary to have a uniform method of **computing Sunday School attendance** in the District so as to make the comparison of statistics on an equal basis between each and every Sunday School, thus permitting the enjoyment of equal opportunity in said comparisons,

Therefore, be it resolved that only those attending Sunday School who arrive for at least 15 minutes of class participation be counted in reports to the District Conference or to any of its committees or officials.

(36)

Whereas there seems to be considerable misunderstanding relative to the Department could be better co-ordinated and better results could be achieved within our individual churches and within our District as a whole through the help of a **District Missionary Society Committee**,

Therefore be it resolved that the District Council shall nominate and the District Conference shall elect from the nominations of the District Council a Missionary Society Committee of not less than three members whose number and terms shall be for such periods as the District Council shall provide.

Be it further resolved that from among those elected the District Council shall appoint one to serve as District Missionary Society President. It is intended that this Missionary Society Committee shall operate under the same rules and organization as the District Sunday School Committee.

(37)

Be it resolved that each church be responsible to furnish two man days labor or \$25.00 for **preparation of the Camp Meeting buildings and grounds** at least three days prior to Camp Meeting upon the call of the District Superintendent.

Any church providing the labor or funds set forth above, the active ministers of that church shall be entitled to meals at one-half price.

Each individual who at the call of the District Superintendent works three man-days or more preparing the grounds and buildings for Camp Meeting shall be entitled to free board during Camp Meeting.

(38)

Be it resolved that **members of all standing committees** shall be members of the annual district conference with voice and vote.

(39)

Be it resolved, that **licensed ministers and deaconesses be notified in advance of conference** to meet with the Educational and Examining Boards on the Saturday previous to Conference and in event it is impossible to do so, they shall notify these boards in writing. If there is no response it will indicate to the Educational and Examining Boards that the licentiate is not interested in his, or her, credentials.

(40)

Be it resolved that an **honor system** for recognition of **churches who pay their budget** be established and that a chart shall be compiled by the District Treasurer and displayed at the District Camp and Conference.

(41)

Be it resolved that an annual **Pastors' Retreat** be established and that the District Superintendent arrange for such meetings.

(42)

Whereas some resolutions have far reaching ramifications and thus demand the careful attention of the delegates, therefore

Be it resolved that the **Ways and Means and Resolutions Committee** meet 30 days prior to Conference, and

Be it further resolved that **mimeographed copies listing all resolutions** with committee recommendations be placed in the hands of all delegates no later than 10 days prior to said District Conference.

And be it further resolved that **each local church** be limited to **two resolutions** each to be sent to the chairmen of the respective committees no later than the 15th of May.

(43)

Whereas the manual states—"any church or pastor failing to raise the budget without good reason shall be denied a voice in annual conference," and whereas a number of our churches have failed to raise their budgets for the past year, now therefore be it resolved that this Conference authorize the District Council to appoint a **committee** from its membership to visit these churches

early in the fiscal year for the purpose of counseling and assisting them in working out their budget problems.

(44)

Be it resolved that local and district youth finances or monies given for youth activities be listed separately in district and local reports.

(45)

Be it resolved that the District Young People's Executive Secretary, or his representative, shall have the privilege of holding two services annually in each of the churches of the district in the interest of the work of the District Young People's Committee and that an offering shall be taken in said service and forwarded immediately to the District Treasurer, being specified as an offering for the District Young People's Committee.

(46)

Whereas there is an urgent need for further education on the subject of tithing and whereas many of our people are contributing all or part of their tithe to other areas of Gospel work, within and without the church, and whereas Section 69 of the Manual specifically stipulates that the tithe should be paid into the treasury of the local church, therefore be it resolved that the District Superintendent, the District Sunday School Promotional Secretary, the District Young People's Executive Secretary, and the President of the District Missionary Society be appointed, by virtue of their office, a permanent committee to investigate and provide material for the education of our people in this area of tithing and that they make a report of their activities to the Annual Conference.

(47)

Be it resolved that the District Secretary give written notification to all appointees to standing District Committees within thirty days after District Conference.

Be it further resolved that the chairman of each standing committee be notified by the district secretary sixty days prior to District Conference to activate his committee.

(48)

Whereas the report of the Statistical Committee consumes much time, and gives more detail than can be readily understood or appreciated, therefore be it resolved that the chairman of the Statistical Committee present orally only the following highlights from the report: total number of seekers; membership; Sunday School attendance; and the financial summary of totals by departments.

Be it further resolved that the entire report be posted before the fourth sitting of the conference.

(49)

Be it resolved that the names and addresses of the following officers of each local church be submitted to the Editor of the California Pilgrim for publication with or in the August issue of each year: Sunday School superintendent; Youth Society president; Missionary Society president.

(50)

Whereas we have an obligation as Christian citizens and members of the Pilgrim Holiness Church to oppose legislation detrimental to evangelical Christianity and whereas lobbying is a most effective method of influencing legislation, be it therefore resolved that the governmental committee of the Sacramento Holiness Association be authorized to speak for the California District of the Pilgrim Holiness Church on all legislative matters that are of vital interest to Christian citizens.

(51)

We recommend that the following system of finance, which shall cover the total district and general budget obligations of the local church, be adopted:

Each and every local church in the district shall send to the district treasurer once each month a budget assessment in the amount of ten per cent (10%) of all offerings received by the church, Sunday School, Youth Society and Missionary Society; except all specified funds raised for the construction or acquisition of church buildings or property, Sunday School units, and parsonages, and except specified funds raised for the retirement of indebtedness on same.

This system of finance shall be designated as the District Unified Stewardship Fund and each and every church in the district shall remit each month a tithe of its income to the district treasurer for the account of said Unified Stewardship Fund.

The district treasurer shall distribute within thirty days after receipt the funds received in the Unified Stewardship Fund as follows:

(1) 62% to District Budget, said 62% to be distributed as follows:

| | |
|---|-----|
| Superintendent's Account | 51% |
| Operational Expense | 20% |
| Home Missions | 15% |
| General Conference Reserve | 4% |
| Sunday School Promotional Committee | 4% |
| Young People's Executive Committee | 4% |
| Missionary Society Committee | 2% |

(2) 38% to General Budget; and if the said 38% shall exceed the annual general budget responsibility of this district, then the amount received over and above our annual General Budget responsibility shall be used for District Home Missionary work.

(52)

Be it resolved that the following sums be allowed to the **District Secretary** and the **District Treasurer** for their services.

District Secretary—\$25.00 per quarter.

District Treasurer—\$100.00 per quarter.

(53)

Whereas many of our ministers and their wives who are eligible for membership in the **Ministerial Benefit Association** are not members, and whereas the General Board of the Pilgrim Holiness Church has made the following recommendation relative to this matter, therefore:

Be it resolved that each church pay the assessment fees of the pastor and wife if they are members of the Association, it being fully understood that this will apply only to those pastors and their wives who are eligible for membership in the Association.

(54)

Be it resolved that the **District Superintendent's salary** be \$4,500.00 per year in addition to his residence, utilities, traveling expenses, and automobile mileage at seven (7) cents per mile.
