## **IN MEMORIAM**

### **HARRY T. SMITH**

Harry T. Smith was born March 8, 1886 in Tipton County, Indiana. He lived in Kansas for a short time, moving to California in 1917. He had lived in Pomona, California for thirty-eight years, rearing his family there and making many friends. He departed this life March 6, 1962.

Rev. Smith was pastor of the Holiness Church of San Dimas for some time and also preached in many other churches throughout the Southern California area. He was a member of the Pomona Pilgrim Holiness Church at the time of his passing. He contributed much to the spiritual progress of the church, and his faithful attendance was indeed an inspiration.

His family was very dear to him, and often he asked the church to pray about their problems and spiritual needs. He is survived by his widow, Mrs. Annie E. Smith; four sons, Walter and Thomas of Chico, California, Paul of Palmdale, California, and Lloyd of Upland, California; three daughters, Mrs. Mildred M. White of Chico, Mrs. Carrie H. Wright and Nellie F. Wright of Fontana, California; two step-daughters, a step-son, 25 grandchildren and 12 great-grandchildren, as well as a host of friends.

The poems and song which he wrote will continue to be a blessing, and his testimony, both in word and life, will continue to live on in the hearts of all who knew him.

## **DISTRICT SUPERINTENDENT'S REPORT**

To the 40th Annual Conference of the Pilgrim Holiness Church, California District, convened at El Monte, California, June 28, 1962, Greetings!

With the passing of another conference year, we are reminded that our day of Gospel opportunity is fast fading and the night is approaching quickly. May we in the twilight hours of this our day carefully chart our course and prayerfully strive to accomplish our mission.

### **Spiritual Condition**

The spiritual tone in the churches is good. This is evidenced in many of the churches that are showing an increase in Sunday school and church outreach. As a result of an active lay-visitation program several of the churches have seen new converts brought to Christ and into the fellowship of the Pilgrim Holiness Church. A personal devotion to God and an active interest in the lost of our communities is in essence true spirituality.

### **Church Construction**

A number of the churches are in building programs or in the process of starting.

*Sacramento*, one of our newest home missionary churches, started

their building program in June of this year. They have a choice location just off the freeway in southwest Sacramento. The District is placing \$16,000.00 of Home Missions funds in this promising new work which are to be repaid on a repayment schedule in the future.

*Corona* church is in the midst of an enlargement program which will give them a nice Sunday school assembly room plus additional Sunday school class rooms. The plans also include very adequate rest room facilities.

*East Pasadena* church has launched into a very much-needed sanctuary building program. At the present time the footings are poured, the rough plumbing is in and the concrete slab is the next item on the agenda.

*El Monte* church is planning to start their new sanctuary program this fall.

*Riverside* church is in the process of starting the construction of a new church parsonage.

*San Dimas* church is hoping to sell their present church property so that construction can start on their new proposed plant in a beautiful new location.

Shall we all join in gratitude and praise to God for this new thrust in church and Sunday school facilities to meet the needs of a swelling population in this our great state!

### **Church Improvements**

Some of the churches have made some very notable and worthy improvements on their properties.

*Oak View* church has installed new church window glass and stone work has been added to the front of the church. This greatly enhances the appearance of the church.

*San Diego* church has completely enlarged and redecorated the entire interior of their church. This has increased their seating capacity considerably.

### **New Church**

*Beaumont, California* is the location of our newest church. Over an acre of ground with a nice large educational building was purchased last fall in this growing city for \$18,500. This was remodeled and we now have a chapel that will seat 75 with 7 classrooms.

This city is a wide open field for the message of full salvation. There are no other churches of the Wesleyan persuasion in the city at the present time. The city has a population of about 5,000 at the present.

### **Concluding Remarks**

The records of the District Statistician show that we have realized a gain of 38 in church membership and a gain of 73 in Sunday school attendance the last year. Some churches showed commendable gains while others showed losses. I trust that the ensuing year shall find us with nets mended for a great ingathering of souls for the Master.

I wish to conclude by expressing my personal and sincere appreciation to the District Council for their counsel and help the past year. I should like to state publicly that where the district work has suffered in any degree, these men have faithfully performed their duties and any criticism is justly mine.

It has been a joy to work with the committees representing every department of the district work. Any degree of success can be easily attributed to the loyal labors of the consecrated men and women who make up the ranks of the Pilgrims of the California District.

## REPORT OF THE DISTRICT YOUTH PRESIDENT

June 1, 1961 to May 31, 1962

To the Members of the 40th Annual Conference of the California District of the Pilgrim Holiness Church, Greetings:

This year has been marked by some progress, but, more importantly, sound foundations have been laid for firm future growth for California Youth. The District Youth Council has been a very co-operative one, and special thanks is due our Vice President, Rev. Smalley, for the many fine contributions he has made throughout the year. Almon Pond also deserves special recognition for the fine leadership he has given the Eastern Zone with resultant inspiration and activity for that zone.

During this past year, I have had the privilege of organizing three chartered societies with several other societies indicating they are now ready to take this fine step forward. I have made 12 visits to churches, conducted seven Youth Council meetings, attended 12 Mile High Pines Board meetings, participated in six zone rallies and met on numerous occasions with district and local youth committees.

Again this year we held an All Day Youth Rally with fine attendance and high interest. For the second year, District Youth sponsored a Senior Banquet with an attendance double that of last year. Several issues of *Picayo* (a district youth paper) were published, this coming year should see this paper become a fine means of direct communication for California Pilgrim Youth.

An important aspect of future planning has been the adoption of a well worked-out plan indicating the relationship of the District Youth Council to the Mile High Pines Board. A further forward step was taken when the Youth Council adopted a plan for the development of a series of doctrinal programs suitable for use in presenting our basic church doctrines in an attractive and interesting manner. Already, four of these programs are ready for duplication, and several others are in the planning stage.

Because it has been such a privilege to serve with our District Superintendent and District Youth Council, I regret that responsibilities at the local church level make it impossible for me to serve in this office for the coming year. It is my ardent prayer that Pilgrim Youth shall march ahead and that we may never praise as stability what is in actuality stagnation or condemn as compromise what is in reality necessary change.

Respectfully submitted,  
Daniel Chamberlain

## DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the 40th Annual Conference of the California District of the Pilgrim Holiness Church convened at El Monte, June 28, 1962—Greetings!

I wish to express my thanks to God for His divine help and guidance during these past four years I have served this office.

In 1957-58, we suffered a rather severe loss in the district Sunday schools, and felt there was a need to attack this problem at its "grass roots".

The Sunday School Committee set up a District Teachers' Training course, functioning on the zone level, and appointed professor Paul D. Beck as instructor. This effort proved highly successful, and many new teachers as well as those who have served the church for many years received much help. We showed a district gain in 1958-59 of 108.

The demand was so great, that in 1959 we offered an advanced course which also proved highly profitable to our district. In 1960 we ventured our first District Sunday School Superintendents' Banquet, which has become a great success, and in 1961 the first annual "Victory Night" banquet, in which we pay tribute to all the Sunday Schools of the district which have excelled during the church year. This year, with 228 in attendance, we had all but five churches of the district represented. Ojai received the greatest numerical and percentage gain trophy; El Monte, the greatest Easter attendance trophy, and Sylmar the 1st Decade of Progress award. We feel "Victory Night" has lifted our morale, and has made a fine contribution to the purpose our district serves.

The Sunday School Committee owes a great debt of gratitude to Mr. Martin Horine, and the Sunday School trio, Mr. and Mrs. J. F. Garst, Jr., and Miss Evangeline Deal. They have capably represented the committee to almost every church on the district. Mr. Horine has given of himself in other areas of the Sunday School work as well. He has authored a Sunday School Teachers' and Superintendents' report which has served our schools splendidly, and has been acclaimed by those outside our church. His management and organization rendered "Victory Night" the success it was this year. Mrs. Horine prepared a banquet meal of superb quality. Words of praise have continued to reach my office as recently as last week.

I cannot express the joy I have known in serving this office the past four years. It has been a great personal blessing, and I have been thankful for the opportunity to serve my church in this capacity. I feel it necessary that I resign from the Sunday School Committee this year in order that I may give more time representing our zone school, Central Pilgrim College, and more time to my pastoral responsibilities.

I shall be much in prayer for the Sunday School Committee, and that God shall give them continued guidance and direction.

Respectfully submitted,  
GENE DAFFERN

## REPORT OF MILE HIGH PINES BOARD OF DIRECTORS

To the 1962 Annual California District Young Peoples' Conference of the Pilgrim Holiness Church — Greetings in the wonderful Name of the Lord Jesus Christ!

At the beginning of this Conference year, the Mile High Pines Board of Directors, determined by God's help to complete two difficult but important tasks — the construction of a huge water storage tank and the completion of the Fellowship Hall. God has been helping us to reach these high goals in a way that has often surprised us. The Board was able to secure a loan for \$6,000.00 and at present it appears that the Lord will help us make this \$6,000.00 do the work of \$10,000.00 and thereby finish both of these projects. One man has used his equipment free of charge to prepare the site for the water tank and at present a \$250.00-a-day iron crew is donating its time in erecting the tank. Thus we will be getting a 40,000-gallon water tank for about \$2,000.00 which is less than half of the normal cost.

A contractor has, free of cost to us, prepared the blueprints for completing the Fellowship Hall and work will soon begin on this project. By God's continued help we will be able to dedicate both the water tank and the Fellowship Hall at this year's Labor Day Camp. The reaching of these goals will make it possible for us to use our Camp for 12 months out of the year instead of the present three months. We are also taking steps to rent the camp for all the time when it is not used by Pilgrim groups, thus making it largely self-supporting.

We thank God for past, present and future victory in this part of His great kingdom.

Respectfully submitted,  
BRUCE CHAMBERLAIN,  
Executive Secretary, Mile High Pines  
Board of Directors

## ANNUAL REPORT OF DISTRICT MISSIONARY SOCIETY PRESIDENT

June 1, 1961 to May 31, 1962

To the Annual District Conference, Greetings:

This has been a very busy year and one quite different from the usual. I have found our adult societies wonderful to work with. The co-operation of the presidents has been splendid. I could not ask for better, I am sure.

A number of our adult groups are working on new uniforms for our African Bible women. The societies that were not able to do the sewing paid for the material for those that could sew. We anticipate that a number will have their uniforms completed and ready to send in a few days.

The significance of the various colors incorporated in the Bible Women's uniform will be the theme for a portion of the Missionary Society Service which is to be held in the tabernacle Tuesday, July 3rd, from 9:30 a.m. till noon. Many other phases of our missionary endeavor will also be presented in that service.

I have met with the officers of 26 societies and have done my best to be a help and an encouragement to them. In several of the societies I have been able to supply materials and ideas for their sewing activities. We have sent out over 200 letters on our new Missionary Society letterhead, so beautifully printed by Brother Parmenter, of Los Gatos. Also some 36 postal cards, also many packages have been sent to various mission fields. Approximately 500 pounds of soap, gathered by the Riverside society, has been sent to the Orient. The Lord has opened up a channel for the transportation of missionary supplies to the Far East, through a nonsectarian organization of young men, called the Order of De Molay. The operation is called "Project Handclasp", and the motive is to establish better relations between the United States and the peoples of these countries by supplying food and clothing without cost. They have encouraged us to send all that we wish to our missionaries by this means without charge. The west coast director is the Commandant of the 11th Naval District of the U.S. Navy, and the materials are transported aboard Naval vessels. A recent letter from the Commandant indicates that the operation has included the loading and manifesting of several hundred tons of supplies for the Orient during the last month, and yet they are ready to receive another shipment for the Philippines at any time in their warehouse.

We were enabled recently to haul a trailer loaded with six barrels and one bale of clothing, four boxes of Sunday school literature and three boxes of selected religious books to San Diego, for shipment to the Philip-pines, through the courtesy of "Project Handclasp".

The above materials were supplied by the societies at Adams Me-morial, Corona, El Monte, and Rees Memorial, with the exception of the books, which were from the former W.P.C. library.

It was the desire of many of our societies to express their apprecia-tion for the labors of our retiring General Missionary Society Director, Miss Annie Eubanks (now Mrs. Annie Carlson), by pooling their donations for a wedding gift. The amount of \$50 was sent to her, so that she might select for herself a gift by which to remember the district. Her letter of thanks, describing the gift she purchased, may be read by any who desire to do so. There have been many hours of preparation and miles of travel in the interest of organizing Junior Missionary Societies over the District. Twenty-six churches have been visited in this regard. Twenty actually started a Junior society, but some of these have failed to continue through the year. We have had to retrace the miles several times, due to changes in Junior leaders; but with all the drawbacks we have encountered, we do have some very outstanding Junior groups. Taken as a whole, I believe that our junior leaders are some of the very best. There remains yet much work to be done with some groups.

At the beginning of the year, we mimeographed 300 copies of a chorus book for juniors. These were furnished to the participating groups. Sister Palmer furnished and cut the stencil.

Twelve individuals have finished the prescribed Missionary Reading Course and these will be receiving their certificates during the appointed missionary service, during the camp meeting.

We have traveled more than 1,000 miles this year in promoting the missionary work throughout the district.

I wish to publicly thank the District Superintendent and the District Council for the help and counsel they have given. I wish also to express my appreciation for the splendid help of all who so faithfully assisted in preparing the rooms for camp meeting last year.

I am grateful for the help of the other members of my committee, and also for my husband, who has helped cheerfully wherever needed.

As revealed by the statistical report, the societies of the district have disbursed the following amounts:

Local projects .....	\$1,498.67
District Church Extension .....	164.57
General Church Extension .....	120.33
Foreign Missions .....	3,474.50

Total Disbursements .....\$5,258.07

The value of gifts of material amounted to \$1,919.10. Number of S.S. awards sent, 16,583.

WHEREAS such a meeting of Pilgrims for the purpose of Sunday School instruction, study and inspiration with guest speakers, workshops and displays can be of invaluable benefit to our work, and

SINCE in a meeting of the district superintendents and promotional secretaries of this area with Rev. J. D. Abbott, Secretary of General Sunday Schools, last February a financial plan was agreed upon for this purpose, therefore

BE IT RESOLVED THAT: we in the California District give 20 cents per Sunday School member on active enrollment in the 1962-63 conference year for the purpose of financing our First Western Regional Sunday School Convention and that said monies as collected shall be mailed monthly to district headquarters clearly designated for that purpose.
