DISTRICT SUPERINTENDENT'S REPORT

To our General Superintendent, Dr. William H. Neff, my fellow ministers, lay delegates, and visitors to the 43rd Annual Conference of the California District of the Pilgrim Holiness Church, Christian greetings!

It is our mutual privilege to praise God Who in His providence has permitted us to gather at this conference to reflect upon the year that has passed, and to gird ourselves anew for the holy conflict in which we are engaged. The moral and spiritual tides reflected in the conditions in our nation, and around the world, does not permit us the luxury of ease and complacency, but calls upon us to arouse one another to new heights of holy endeavor to meet the challenge of a world sick with sin, and with so few voices to herald the way to spiritual and moral health and happiness. It is hoped that a consciousness of this need has caused us to approach this conference with a heart-cry for divine guidance.

Spiritual Condition

This has been a year of numerous changes on our district. No less than 12 of our 31 churches have, or are seeking new pastors. We trust that this will not be a continuing pattern, but that pastors and people will project a long-range program for the building of strong, healthy churches. Some of our church reports will reveal a substantial gain in membership, while others will record a loss. Despite statistics, we know that only God has a record of the trials and triumphs of both pastors and people, and will see to it that honor is given where honor is due. Generally speaking, our constituency indicates a healthy desire for a spiritual awakening. We pray that this hunger will grow until it will move our congregations to humble themselves, and seek the face of God, until He comes to rain righteousness upon us. Every church must be a soul-saving institution or it loses all Scriptural reason for existence. We should be thankful for our accomplishments, but we should gird ourselves for the greatest soul-saving effort we have ever experienced. If this spirit prevails, all discord and lack of unanimity will vanish in a flood tide of love for Christ, the lost, and a mutual love and appreciation for one another.

District Home Missions

Due to limited income, and prior commitments, we have not attempted to enter new fields in District Church Extension. It was the judgment of the Council that it was best to relieve present financial pressure in this area before attempting to extend our lines. Capital investments in properties at

Sacramento, Beaumont, Los Gatos, and El Cajon, have made further expenditures impractical until we can do something to ease the commitments in these areas. Recommendations to the Conference for financial relief at this point are forthcoming, and favorable action is a definite necessity. In spite of this realistic picture of finances, there are some brighter things to report.

ARCATA, or more appropriately **McKINLEYVILLE**, the latest addition to our church family, has demonstrated a healthy aggressiveness that is indeed encouraging. Rev. Gilman Welch, and his people, have purchased two acres of ground with a two-bedroom house, and a large utility building, which they have converted into a place of worship. This property was acquired for \$10,000. The local membership has made a substantial down payment, and is keeping up the monthly instalments. Attendance in Sunday School has reached into the fifties, and God is adding to their church membership. There has been no cost to the District other than the Superintendent's mileage. Pray for this work.

RIALTO, under the able leadership of Rev. Fred Wells, continues to carry the burden of their own work without District support. They have secured the rental of a church facility in the heart of the city, and these accommodations should greatly enhance the success potential of their efforts for the kingdom. This faithful congregation not only carries the financial burden locally, but has voluntarily assumed stewardship responsibility in support of the District and General Church.

BEAUMONT has undergone a period of reversal in getting settled as a working unit, but it appears they have reached a point where attendance and interest are again on the increase. Rev. Roland Lamb has recently been placed here as pastor, and the people are rallying to his leadership. This coming year will be a decisive one for the future of this work. Pray much for pastor and congregation.

District Home Missions "500" Club

This year has not produced the response from all of our churches that we had hoped for in our 500 Club, though we believe the treasurer's report will reveal a slight increase over last year's giving. Since the District Missionary Society did not feel able to assume responsibility for this program as recommended at last Conference, it was necessary for the Council to implement other means for its promotion, and for the collection of funds. The Council requested Rev. Bob Smalley to assist the Superintendent in the keeping of records and communications. Due to the press of many problems, the Superintendent was not able to give necessary attention to raising funds for the "500 Club" in the local churches. This item is on the agenda, with high priority, for the coming year. We wish to express appreciation to the pastors and local representatives of the "500 Club" who are largely responsible for the funds that have been raised. Special thanks is due Rev. Bob Smalley for his valuable assistance.

Personal Report

This past year I have visited each church at least twice in official capacity, and have appreciated the gracious manner in which I have been received by the pastors and their people. Following is my personal report:

Sermons Preached	128
Church Board Meetings	66
Church Business Meetings	38
District Council Meetings	19
District Committee and Board Meetings	15
Central Pilgrim College Board Meeting	1
Central Pilgrim College Executive Committee Meetings....	3
General Board Meetings	2
Revival on the District	1
Miles Traveled in District Work	25,121
Miles Traveled to Central Pilgrim College	9,600
Miles Traveled to General Board Meetings	9,248
TOTAL MILES TRAVELED	43,969

My salary, as provided by Conference, is paid in full.

The Conference was good to give me a fine group of dedicated men on the District Council with whom to work. It has been a pleasure to serve with them. The Assistant Superintendent, Rev. Lundy Hill, has been both considerate and helpful in his service to God and the church. Rev. Joseph Fillmore, Secretary, and Rev. Paul Beck, Treasurer, have been most helpful in processing many legal items for the local churches, and discharging duties incidental to their offices.

Under the leadership of Rev. David Eaton, the District Youth Committee has cooperated as an integral part of the District program. This unification of effort is essential for the success of our work. After laboring this past year with these young people we have high hopes for the future.

Rev. Ellis Morrell has served at the helm of our District Sunday School program. The Sunday School Committee, acting jointly with the Youth Leaders, conducted a very beneficial conference at Oak Glen Pines. This Committee has had some difficulty functioning because of conflicting interests, but we are looking expectantly for a forward move during the ensuing year.

The District Missionary Societies have made their usual splendid contribution to kingdom interests. The District Missionary Committee, under the able leadership of Mrs. Gertrude Beck, has functioned effectively and efficiently. A balanced vision of the needs of missions at home and abroad is reflected by the splendid contributions of this society in both areas.

This has been the busiest year of my life. I deeply regret that there is so little to report in the way of progress, but have no apologies to make insofar as expenditure of time and effort is concerned. If I have made mistakes, and it is certain that I have, it has been with right motives. My goal has been to realize a spirit of unity and cooperation for the total program of the church on the part of our constituency.

We must be ready to accept responsibility in the giving of ourselves, our finances, and our very best effort for God. May He be pleased to give us MEN — strong men — faithful men — men who have knelt at the foot of the cross, and have died to self and worldly ambition, and are hidden away with Christ in God. If we can have this type of leadership, we can have anything we want in Kingdom building. May God bless His people with a holy enthusiasm to accomplish the task entrusted to us by our blessed Lord.

Respectfully submitted,

Thomas E. Lee

DISTRICT YOUTH PRESIDENT'S REPORT

To the members of the Annual Youth Conference of California District of the Pilgrim Holiness Church, convened at Hermosa Beach June 4, 1965.

California District Pilgrim Youth have completed another fiscal year. We wish to express our deepest appreciation to the District Youth Council, whose faithful labor has undergirded our every effort to promote District Youth work. They have been helpful, thoughtful and productive, making our task a pleasant one. We also express a grateful "thank you" to the District Superintendent and District Council who have afforded us every possible courtesy.

Each zone has demonstrated an active and fruitful year. The Western Zone has had excellent attendances at their rallies and a good spiritual emphasis. Typically, the Eastern Zone rallies have been well attended with a spirit of enthusiasm. The Central Zone has had a variety of programs creating much interest. Congratulations are due to the Capitol Zone which has recently been organized. Not only have they been active on their zone but always put forth special effort to participate in the major activities of District Youth. Special recognition is due Rev. Charles Cooper, who has led the zone these past several months. The Northern Zone, the smallest on the District has had a good year also. A warm thank you to Jim Crowder, Roland Lamb, Marianne Troyer, Rose Meldner and Charles Cooper for the faithful work they have done as zone chairmen.

This report would not be complete without offering special recognition to Charles McKay, a vice chairman who indeed was a co-chairman; Evangeline Deal's hard work as secretary was above and beyond the call of duty;

J. E. McCoy was a most efficient treasurer; Emily Wheeler effectively served on several committees. The main activities of the past year have been: planning youth activities at our camp meeting held at Azusa College, helping with the camp program at Camp Evangel, holding three district rallies, again, this year, cooperating with the District Sunday School Committee in conducting the Christian Education Conferette, and concluding the year with the District Graduation Banquet. We are pleased to report the camping program will return to Mile High Pines this year. The newly organized board of the Brethren in Christ and the Mile High Pines Board has been successful in reopening the camp.

STATISTICAL REPORT

During this past year I have presided at 11 meetings of the District Youth Council; attended several committee meetings; conducted three district rallies; conducted five zone organizational meetings, made seven visits to district zones; preached at two zone rallies; and performed the sundry duties peculiar to the office of District Youth President.

As a new District Youth President and Council will soon step into office and commence a new fiscal year, let us determine to give them our loyal support by attending district youth functions, responding to communications, and praying for the work.

In conclusion may I repeat that I have deeply appreciated the privilege of serving our District as Youth President. I have enjoyed the full support of our District constituency and District leaders making the task joyous. Let us join in the spirit of St. Paul who wrote, "Now thanks be unto God, which always leadeth us in triumph in Christ . . ." II Cor. 2:14.

Respectfully submitted,
David Eaton

DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the 43rd Annual Conference of the California District of the Pilgrim Holiness Church convened at East Pasadena, June 29, 1965—
Greetings:

While this past year has proven difficult in some respects, yet it has been an eventful year in Sunday School work.

The major difficulty of the past year, as far as the Sunday School Committee was concerned, was their overload of responsibilities by serving on too many committees, saying nothing of local church activities. This served as a tremendous handicap in conducting committee meetings.

Our first endeavor was an organized visitation program. The committee introduced at the superintendent banquet a program of visitation in which your District Sunday School Committee were to conduct in the local church a Friday night training program followed with a Saturday spent in visitation, led by the Sunday School Committee. This program did not materialize due to the fact no Sunday School extended an invitation to the committee for visitation work.

By the time we recognized that the visitation program was not materializing it was too late to enter into another program due to the fact the time had arrived to make plans for the conferette. Again there was much overlapping in responsibility. Three of the Sunday School Committee were members of the conferette committee by virtue of office on the Sunday School Committee and the remainder of our committee were members of the conferette committee by virtue of their office on the District Youth Committee. We felt the only thing to do was expend all energy in the interest of our conferette. The conferette was a definite success.

The other major plans of the year were our Superintendent and Victory Night banquets. Both proved to be successful and well attended.

I am deeply indebted to Mr. Mervin Wright for his tireless efforts in promoting the C.Y.C. work within our district. He traveled 2033 miles and

visited 21 churches seeking to stir up interest in the C.Y.C. program. His efforts are producing fruit and interest is on the increase.

The committee purchased two items this year which will be of great help in the future. We have a good used A. B. Dick mimeograph machine and a complete line of samples of C.Y.C. materials.

The committee is to be commended for their willingness to do all they possibly could in the past year. By God's grace, I am certain the coming year will be marked with greater success than the past.

Respectfully submitted,
Ellis Morrell

DISTRICT MISSIONARY SOCIETY PRESIDENT'S REPORT

To the Annual District Conference, Greetings:

Another year has become history and only what has been done for the Lord will stand the test of eternity.

This has been our busiest year, as you will note by the reports we have compiled.

We were placed in charge of the missionary hour during the last camp meeting at Azusa. Rev. and Mrs. John Newby were the speakers, and they were an inspiration to all who were present. Rev. and Mrs. David Eaton added much to the service with their music.

Two conventions were held in October: one in Sacramento for the four northern churches, followed by another at Rees Memorial Church in Pasadena. Representatives from the Missionary Department were Rev. Charles Lewis and Rev. Wayne Wright. Their messages were really appreciated.

The local missionary presidents reported for their respective societies in each convention.

At Rees Memorial, Rev. Charles Lewis presented the Reading Course Certificates to a class of 30 who had completed the reading assignment. Another reader who had completed the course had passed on to receive a greater reward.

Considerable time and effort are required each year in compiling semi-annual reports for Miss Meeks, covering the 30 societies on the district.

Another area of activity has been that of locating needy pastors serving in the home fields and arranging for certain societies to prepare Christmas boxes to supply the needs of certain of these families.

This is no small item, but the joy of bringing relief to the distressed far outweighs the hours of toil and labor. The societies which have responded to these appeals have shared in the blessings, as well as the recipients.

Rev. C. J. Knupp and Rev. Paul Phillippe were the missionaries who covered the district in January, and they were an inspiration to the societies.

During the month of March, Rev. Wayne Wright and family stopped off here enroute to the Philippines from Saturday until Monday. It was a real pleasure for my husband and me to be with them these few days and to join with them in two services.

It was likewise a privilege to assist our own missionaries, Rev. and Mrs. Paul Walborn and family, to get ready to embark for their first term in the Philippines. They left from International Airport on Pan American Lines May 31st.

I have appreciated the faithful support of the members of the Missionary Committee this year.

We have traveled over 3000 miles in the interest of the missionary work. Four barrels were shipped to the Philippines. Sixty stamp books have been given by the societies toward a new car for headquarters. The Junior Societies have remitted \$155.75 for the Junior Projects. The value of boxes sent to the missionaries amounted to \$700.17, and those for local needs were valued at \$204.87.

MILE HIGH PINES YOUTH CAMP REPORT

To the Delegates of the California District of the Pilgrim Holiness Church convened at East Pasadena, July 1, 1965,
Greetings:

As one of its final actions, the District Conference of 1964 voted an appropriation of \$10,000.00 to be used in the rehabilitation of Mile High Pines Camp. That Conference action set in motion a chain of activities that continued to present expanding needs and challenges. The following summary highlights some of the more significant actions of the past year.

In July of 1964 it appeared that one of several buyers might be ready to purchase the camp. Each of the prospects ultimately withdrew his offer and the stark alternatives faced by the Board were rehabilitation or loss of the entire past investment in the camp; besides losing this past investment it appeared there might be a sizable charge for clearing the land and returning it to its native condition.

At this point, the Board was reorganized and a study was made of the cost of complete rehabilitation. It soon became apparent that the \$10,000.00 appropriation would not do half the job. By this time the Special Use Permit had been canceled and processes were well underway to make future use of the camp impossible. At this juncture the Board determined that \$30,000.00 was needed to guarantee successful rehabilitation and meet past obligations. Reinforced with this decision, the Forestry Service agreed to reactivate our Permit if our goal could be reached.

The Board further agreed with unanimous approval from the District Council that present operation and future development would be facilitated if additional constituency and support were obtained. Thus, various partnerships were pursued. After much study and effort a partnership was consummated with the Brethren in Christ Church. Together, the Pilgrims and the Brethren were able to reach the goal of \$30,000.00 and rehabilitation is now underway.

Much has already been accomplished. The \$10,000.00 that the camp has owed the District for several years has been repaid in full. The fellowship hall has been inspected and approved by the Building Department for structural soundness. Commercial power has been secured and is now being used for our building projects (no more generator trouble!). The siding of the fellowship hall will be completed this week. Plumbing is being repaired; the kitchen is being enlarged, and every day brings change and progress. The contract has been let for installation of a 40,000 gallon water tank and for the necessary upgrading of the sewage disposal system. A great deal remains to be done. The cleanup begun last fall must be completed. Roofing, electrical work, painting, plumbing, and general repair work will require much donated time and effort. Pilgrims need to supply at least \$1,500.00 of additional financing to cover their share of these costs.

Barring unforeseen problems, California Pilgrims will be using the facilities of Mile High Pines for the camping season this year.

Continue to pray and support the work of Mile High Pines. This has been a very effective means of evangelical outreach for our District. I am confident that this new beginning for Mile High Pines may signal a revitalization of many other aspects of our District program.

Respectfully submitted,
Daniel R. Chamberlain,
Chairman, Mile High Pines Board
