self-discipline and diligence are necessary. Rev. Abbott discussed a number of phases of the ministry, stating that any one phase could consume one's full time. Ministerial responsibility to the local, district, and denominational program was also emphasized.

District Superintendent Thomas Lee presented the ordinands; Rev. Abbott gave the ordination charge, after which Rev. Lee offered the prayer of dedication. As the ordination council lay hands on each candidate kneeling at the altar, prayer was offered for each and Rev. Abbott ordained individually the following: Ministers—Charles Horton, Eugene Lee, Dale Kelley, Dorothy Hall, Jacob Hwang; Deaconess—Jeanne Horton.

God's presence was unusually manifest as the congregation greeted the newly-ordained before the altar.

Thomas Hamon dismissed with prayer.

## **DISTRICT SUPERINTENDENT'S REPORT**

To our General Superintendent, Rev. J. D. Abbott, fellow ministers, delegates, and friends of the forty-fourth Annual Conference of the California District of the Pilgrim Holiness Church, greetings!

A realistic appraisal of our work for the past year reveals that there is no discharge in this holy war, and that every foot of ground taken from the enemy must be paid for by the life investment of every sincere follower of our Lord. However, increased opposition should only serve as a call to arms for every soldier of the cross.

The numerous changes in our pastorates the previous year have necessitated time for our new men to acquaint themselves with their new field of service, and to rally their forces for an aggressive program of evangelism. This they have been doing acceptably, and God is blessing their efforts. Numerous reports of the moving of the Holy Spirit upon local congregations indicate the desire of our people for revival, and God's willingness to satisfy every hungry heart. May we continue to be a truly evangelistic church, with a burden for souls, and be satisfied with nothing less than God's best in our personal lives, and in the progress of His church.

### **District Home Missions**

We have continued to fight a desperate, but winning, battle financially to keep our District Home Missionary churches solvent. In most cases the situation is much brighter than it was one year ago. The one exception is the work at Los Gatos. Though this church had been received as an organized work, it had never gotten beyond home missionary status. A series of unfortunate events made it necessary for the District Council to make the decision to close this work. It is presently listed for sale, and funds realized from its purchase should be re-invested in the District Home Missionary program.

SACRAMENTO is another organized church that has had to draw heavily on District Home Missionary funds for support. However, we are glad to report that under the able leadership, and spiritual ministry of Rev. Lundy Hill, it is prospering in every way. The necessity of District support has been greatly curtailed, and their church board at annual meeting voted to accept a plan that will phase out the necessity of District financial help completely within the next few months. The membership has a spirit of faith and optimism that is indeed refreshing. They are presently carrying all property payments, operating expenses, participating in United Stewardship responsibility, and carrying one-half of the pastor's support. At the rate of present progress this can be one of our strongest churches in the very near future.

BEAUMONT continues to operate under the leadership of Rev. Roland Lamb. The progress has not been spectacular, but the work is learning responsibility and going forward. They have needed some District financial assistance in addition to the payments on their parsonage of \$77.00 per month which the District has carried since its purchase. The loyal group of members are making their property payments on the church, carrying their operating expense, and endeavoring to reach the lost. Reverend Lamb, of necessity, is working full time at secular employment. Let us pray that

God will in some way make it possible for him to devote more time in the area of visitation. This is a "must" in every church, and is doubly essential in the growth and development of a new work. The coming year should be a decisive one in the establishment of this church.

RIALTO fellowship has become of age and is to be received into this Conference as an organized church. Pastor Fred Wells has done a splendid job of leading and training his people. They have carried the expense responsibility for the total operation of their church, besides contributing voluntarily to the District and General budget. There has been a bare minimum of pastoral support afforded by the District. Other than this, the loyal and sacrificial members have carried the full financial weight of this work from its beginning. We are proud to welcome this fine group into the fellowship of organized churches.

**A FORWARD LOOK.** Little has been done in the past two years to establish any new work. The reason for this has been largely a financial one. Not only has it been necessary to consolidate our latest investments in new work, but we have made considerable investment each year to supplement property payments, pay delinquent taxes, and care for other financial shortcomings of some churches which have been organized for years, and should be carrying their own burdens. Friends, this must come to an end if we are to make further progress in the area of District Church Extension. A parcel of ground large enough to start a church in any California city of size will average \$20,000, and the cost continues to rise. It is no small project when we talk about a new work on our District. I say this, not to discourage, but to awaken and challenge our churches to pay their budgets, learn to carry their own financial obligations, and to take some realistic steps to meet the challenge that is so obviously ours. Expensive though it may be, this is our vineyard, this is our responsibility, **THIS IS OUR OPPORTUNITY.** Let us stir the coals of our devotion to Christ and His program and create a blaze of faith and enthusiasm that will produce desired results.

**THE "500 CLUB".** We are indebted to those who have faithfully contributed to the District Home Missions "500 Club". I believe this was initiated to give full support to a Home Missionary worker in starting a new work. However, due to a shortage of funds it has not been possible to use it for this purpose entirely. The man for the work is ever bit as important as the work itself. A little more emphasis on the local level and we could easily realize an income of \$500 per month for this very important item. A little more urging by our pastors; a small sacrifice by our people — 25 cents per week — would work wonders for the support of this phase of the work. The plan is good, the objective is worthy. We urge pastors and people alike to get behind this project.

**DISTRICT WORKERS.** My report would not be complete without mention of my deep appreciation for the fine pastors and District Leaders who have served the District this past year. The District Council has labored long hours to care for the interests of our Conference. The co-operation of Rev. Lundy Hill, Assistant Superintendent, his service, and his counsel, has been a valuable asset. The District Secretary, Rev. Joseph Fillmore, and the District Treasurer, Rev. Paul Beck, have served well and faithfully in the discharge of their duties. Only those who serve in these various offices truly know the time and energy involved in performing these duties.

*Charles McKay* and the District Youth Council have given themselves unstintingly to the Youth work of our Conference. They are doing a fine job, and are leading our youth into a realization of total involvement in our District program.

*Rev. Ellis Morrell* and the District Sunday School Committee have worked faithfully to inspire and challenge our schools into a bigger and better sphere of influence. They are worthy of commendation for their sincere efforts in this very important field.

*Mrs. Gertrude Beck* has continued to serve the Conference well as our District Missionary Society President. Her leadership over the years has given our Society national recognition. We appreciate the labors of Sister Beck and her District Missionary Committee.

## DISTRICT SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To our General Superintendent, District Superintendent, Fellow Ministers, Lay Delegates and friends of the 44th annual conference of the California District of the Pilgrim Holiness Church, greetings.

To say my heart is satisfied with the accomplishments of the past year would be an incorrect statement. I am never satisfied, but always wish more could have been done.

I appreciate, more than I can express, the cooperation of those who served with me on the Sunday School Committee. Without them, their ideas and their earnest activities, very little would have happened. These fine people, Mr. Mervin Wright, Mrs. Marianne Troyer, Rev. Eugene Lee and Rev. Fred Wells, have a true burden for the Sunday School work within our District.

As a committee, we were able to conduct nine special meetings throughout the year. Our first event was a seminar conducted for the eastern zone and held in the Rialto Church. The next feature event was a D.V.B.S. seminar conducted in the Rees Memorial Church and was well attended by representatives from most of the churches within the district. In the early spring it was our privilege to have on the district, Rev. John Blann, a representative from the Headquarters publishing department. We at this time conducted four seminars at which Rev. Blann was the special speaker and he gave a very inspirational message on the art of teaching. These meetings were conducted in the Riverside, Rosemead, Long Beach and Ojai churches.

Of course we appreciate the interest shown in our Superintendents' banquet of last fall and the Victory Night banquet in the spring. We were pleased to see 201 in attendance at the Victory Night banquet.

It was my privilege to speak in eight of our churches this year in the

interest of Sunday School revival. These were interesting meetings, to me, and I trust they were inspiring to those who attended. All these engagements were by invitation and each church treated me royally. I wish to express my thanks to these churches who invited me to be guest speaker: Solana Beach, Escondido, Rosemead, Los Angeles First, El Monte, Pomona, Long Beach and Fresno. I also appreciate the invitation extended to me by other churches, but due to heavy schedule I was not able to accept the invitations.

I traveled somewhat over 2500 miles in the interest of Sunday School work.

I appreciate the confidence, understanding and cooperation shown me by each of you and your churches.

May God bless you is my prayer.

Sincerely yours,

 Promotional Secretary

## DISTRICT MISSIONARY SOCIETY PRESIDENT'S REPORT

To the Annual District Conference, Greetings:

At the close of this year we can report that we are steadfast in the faith. We do praise the Lord for the quiet times and for the confidence of His near presence.

As I look over the record of the past year's activities of the missionary societies, as reflected in their reports, I believe they have given of their best for the work and have responded to meet every need that has been suggested.

The year opened with our Camp Meeting at Rees Memorial, and it was a joy to have our National Secretary of World Missions, Rev. Ermal L. Wilson, with us on the District Missionary Day. We do appreciate his wonderful spirit and zeal for the great work which he represents.

We were also privileged to have Miss Flora Belle Slater speaking at each morning service. Miss Slater is one of our wonderful missionaries from the Philippines, who is laboring to open up a new school in the mountains.

One of the outstanding events of the year was the Missionary Convention at Fresno, November 11th, with our own missionaries, Rev. Paul Miller and family. Rev. R. G. Flexon, who was holding a revival meeting in the church at the time, added much to the success of the convention with his true missionary spirit and message.

The convention for the southern area, which was held in January, was appreciated by all who were in attendance. The workers were Rev. and Mrs. G. C. Avery and Rev. Karns.

The missionary reading books have proved to be a great blessing to the ones who have perused them. There were 66 individuals who completed the course and received their certificates.

With the help of Mrs. Ruth Horine, we are sending 100 copies of the Sunday School Messenger each month to Rev. Knupp for the college students in Antigua.

We wish to say thanks to our District Superintendent, Rev. Thomas E. Lee; to each one of our Missionary Committee; and to every one else who has helped with the work, or given encouragement throughout the year.

## MILE HIGH PINES YOUTH CAMP REPORT

To the Delegates of the California District of the Pilgrim Holiness Church convened at Pasadena, July 19, 1966, Greetings:

The following is the official report to the conference from the Secretary of the Board of Mile High Pines, I quote:

March, 1966

"To the Pacific Regional Conference of the Brethren in Christ and the

California District of the Pilgrim Holiness:

Dear Fellow-laborers:

This past year has been one of getting acquainted in this joint project of the Brethren in Christ and the Pilgrim Holiness churches. Terms of agreement, by-laws, and policies were written and approved by the Board of Directors. The newly-formed Board of Directors elected Dan Chamberlain, chairman; Eber Dourte, vice-chairman; Nelson Miller, secretary; Paul Green, treasurer; and Ben Lenhert, advisory member.

The major activity of the year was the rehabilitation of the camp, which included many improvements which brought the camp up to Forestry, Health Department, and Building Department codes. Among these improvements were the following:

The Fellowship Hall was completed with siding on the outside, plaster-board and paint on the inside, lights, and a new roof; the cabins were repaired, new doors installed, and some new roofs; the nurse's cabin was remodeled, including new bathroom fixtures; the showers were repaired, all new plumbing and a new hot water heater installed; the kitchen and dining room were remodeled and painted, with some new equipment installed, and a new roof; the new pantry-storage room was completed; the water system "mainline" was installed, with the tank nearly completed; general clean-up and repairs were accomplished.

The Board of Directors met Oct. 29-30, 1965, and elected the new Executive Committee, which resulted in Nelson Miller, chairman; Paul Green, vice-chairman; Charles Rickel, secretary; David Eaton, assistant secretary; J. E. McCoy, Jr., treasurer; and Amos Buckwalter, advisory member.

Also, plans were made for the following construction and improvements for the 1966 camping season: A new cabin housing 30; sleeping facilities and restrooms in the east end of the Fellowship Hall; bathroom for the staff cabin; craft area patio on the south side of the kitchen; sanitation and sewage facilities increased.

With these plans completed, the capacity of the camp will be about 120 overnighers.

Approval has been granted to the camp by the Government for the placement of 1-W workers. Plans are for the placement of a couple in the near future.

The camp was in use four weeks, plus three week-ends through the summer. A number of groups have used the camp on week-ends through the winter. A major portion of the summer camping season has already been reserved for 1966.

The Board of Directors wants to express their sincere appreciation to the many who have donated their time working at the Camp. It is because of the spirit of giving that the camp succeeds. Also appreciation and thanksgiving is expressed for the dollars that have been invested in this project. May God continue to bless these investments for Him."

*Charles M. Rickel, Secretary*

Supplemental to the above report I wish to add that most of the proposed work, and the work then in progress, has now been completed, or very nearly so.

Completed is a new dorm, sleeping facilities in the east end of the Fellowship Hall, Cabin 1, staff quarters, and Cabin 2, clinic, have been completely finished inside with partitions, bathroom, heat, and flooring. Sanitation and disposal lines have been completely and adequately enlarged. Almost all buildings have been reroofed and Cabins 5 and 6 have been lined with sheetrock and painted inside. The dining room and kitchen have received further improvements and have been given another painting. The dining room floor has been covered with linoleum, and the snack bar removed to the Fellowship Hall. The present phase of the water system is complete with the erection and installation of the 50,000 gallon water tank and the four-inch main line. All buildings in the entire camp have received a uniform painting on the outside.

The new idea of a "Youth Work Camp" during the Easter holidays was inaugurated this spring which proved to be highly successful and of great benefit to the camp. The young people of both the Brethren and the Pilgrims were enthusiastic and hard working. An average of over 35 youth were

present for each day of the week and a great deal of thanks is due the young people and the staff that worked with them.

Of particular significance has been the most faithful service of our Camp Manager, Mr. Virgil Feaster, who has devoted the largest portion of his full time during this past year looking out after the affairs of the camp. We are grateful to him and grateful too for the continued capable leadership of the Chairman of the Board, Nelson Miller.

It is worthy of note that at this time, just two short years after the noteworthy action of the California Conference, which in June 1962 declared itself wholeheartedly in support of Mile High Pines Youth Camp, that instead of having a property on our hands with a net minus value, we now have a going institution in which you may take justified pride, serving the Lord and our youth, with an estimated conservative net evaluation in excess of 90,000 dollars. Praise the Lord!

As we look ahead, having reviewed the past, we see God's hand still directing and leading. We are indeed grateful for His guidance and we are assured of His continued blessing as we look to Him while seeking to build for Him in this great investment for our youth. We look optimistically to the future counting upon the continued interest and support of all the California Pilgrims.

Respectfully,  
*Paul C. Green,*  
 Chairman, Pilgrim M.H.P. Board

### Purpose

1. The California District of the Pilgrim Holiness Church shall maintain a fund to be known as the CALIFORNIA DISTRICT LOAN FUND. The purpose and use of this fund shall be to lend money to churches in the California District under the supervision and jurisdiction of the California District Council for the purpose of construction, relocation, improvement, and repair of church buildings and parsonages. No loan shall be made for a period of more than 12 months except upon approval by a  $\frac{2}{3}$  vote of the Board of Directors.

### Control

2. This fund shall be under the control of the District Council, also known as the Board of Directors.

3. The District Treasurer shall maintain this fund in the Crown Savings and Loan Association of El Monte, California, in a separate account from all other funds of the church. The District Superintendent shall be Chairman of the Board of Directors. He shall carry on all correspondence relative to this fund. All monies shall be paid through the office of the District Treasurer, and he shall keep all records and papers of same.

4. The District Council shall govern the size of the loan by the funds available and the value of the property on which the loan is to be made.

### Composition

5. This fund shall be accumulated from monies received from the sale of the District Headquarters property, sale of other district properties not otherwise designated for other purposes, special contributions and low interest loans, or investments by individuals. No gifts shall be made from this fund for any purpose, nor shall it be used except for making loans.

Loans shall be made only when title to such property is written according to the Manual of the Pilgrim Holiness Church or is vested in the California District of the Pilgrim Holiness Church.

8. All applications are to be made by the local trustees and pastor on behalf of the local church after they are instructed to do so by the local church board. The application shall then be submitted to the District Council for consideration and disposition. A committee from the District Council shall investigate the property on which the loan is to be made. The investigating committee shall then report their findings to the District Council and a two-thirds vote of the entire council shall be necessary to grant a loan. All checks drawn on this fund must bear the signatures of both the District Superintendent and the District Treasurer.

# IN MEMORIAM

## Laura E. Hall

*Laura E. Hall* was born August 1, 1894 at Horace, Kansas, and went to be with the Lord she loved and served on September 6, 1965.

She was raised by Godly parents and at an early age became a devout Christian. Later she engaged in Peniel Mission work in Stockton and San Francisco, California.

On June 9, 1920, she was united in marriage to Rev. Elmer R. Hall and became the mother of two children.

In July, 1931, she was wonderfully reclaimed in her own home, and on March 29, 1940 was gloriously sanctified and the same year was ordained a deaconess.

She lived a victorious, joyful Christian life and had a ringing testimony for her Lord. Her first love in God's work was the Sunday School and she served in the capacity as superintendent in various Pilgrim churches for about 25 years.

She used every available opportunity to do personal soul winning even during her last fatal illness. We expect to meet her in the heavenly world.

## Beulah Loretta Weaver Morgan

*Beulah Weaver* was born August 17, 1912 in Hickman County, Kentucky, and departed this life at El Monte, California, September 10, 1965. She was converted at age 17 in a tent meeting conducted by Rev. James R. Adams and Rev. Lloyd Dixon. Less than one year later she was sanctified under the ministry of Rev. John T. Hatfield. On August 6, 1930, she was united in marriage to Rev. Clifford L. Morgan. To this union were born three children, James, Donald and Darlene.

Over thirty years Brother and Sister Morgan labored together in pastorates at Redlands, El Monte, Ojai, Laguna Beach, Rosemead, and Bell Gardens, California. Brother Morgan also served as District Superintendent of the Pilgrim Holiness Church in California.

Sister Morgan was especially interested in youth and Sunday School work in which God blessed her ministry. When extended poor health curtailed her activities, she interceded in prayer for her husband and his work, and for others for whom she was concerned. She was greatly loved as a wife and mother; in return, she was devoted to the best interests of her family.

## Edward Clifton Bickmore

*E. C. Bickmore* was born July 13, 1907, and departed this life at his home in Upland, California, December 26, 1965. Brother Bickmore was converted in early childhood. About the year 1927, he was re-dedicated and united with the Holiness Church in Chino where his membership remained until he passed away. For several years he served as treasurer of the denomination; he also was superintendent of the local Sunday School, and was strongly devoted to youth work. After the amalgamation of the Holiness Church with the Pilgrim Holiness Church, he was for seventeen years District Secretary.

Brother Bickmore was possessed of an astute mind as well as a steady experience in holiness. His counsels were repeatedly a blessing to the church and district council. Many friends, seeing his good works, esteemed him and glorified his Father in heaven.

Left to bear their loss are his wife, Vira Jean, and four children, Edward Clifton, Jr., Jean Adele, Marilyn Marie, and Judith Lynne.

## Jennie McLaughlin Thompson

*Jennie Thompson* was born June 30, 1878, and passed away January 26, 1966. In the fervency of her Christian youth she became a singing evangelist, blessing many with her songs. She was married to Rev. G. A. McLaughlin, an outstanding exponent of Christian holiness, teacher, preacher, and author of a commentary and other books. He served as President of Huntington Park School for training Christian workers for fourteen years and was killed by falling stone in the earthquake of 1933.

Mrs. McLaughlin was united in marriage to Rev. C. A. Thompson, evangelist. Together they pastored the Pilgrim Holiness Church of Ventura, California for eight years. Rev. Thompson preceded his wife in death.

Those who knew Sister Thompson remember her as one possessing an effervescent joy in the Lord and one who gave a strong witness to the work of entire sanctification.

## 1966 Annual Report

### DISTRICT YOUTH PRESIDENT

To our General Secretary of Sunday Schools and Youth, Rev. O. D. Emery, delegates and visitors to the Annual Youth Conference of the California District of the Pilgrim Holiness Church convened at Buena Park, June 4, 1966.

California District Youth are on the move! Not because of one person, one group, one church or one program — but because they are answering the challenges of today. These are exciting times and this has been an exciting year. The opportunities that we have missed are gone and the time spent in activities in the will of God will determine how profitable the year might be. We have been pleased with the support of the District Council, as well as pastors all over the state, for each effort that has been made by the Youth Council. We have been impressed and encouraged by the evidence of prayers made on behalf of youth activities and the good wishes that have come our way.

Each zone reported enthusiastic and successful rallies. Both the Central Zone with 4 rallies and the Northern Zone with 3, set new attendance records for their zones. The Capital Zone had 3 outdoor rallies and the Eastern and Western Zones held 2 rallies each. Let this Conference go on record with an expression of wholehearted appreciation for the leadership efforts of Raymond Wells, Central Zone; Lee Sorenson, Western Zone; Lyle Riggins, Northern Zone; Charles Cooper, Capital Zone; and Roland Lamb, Assistant Chairman of the Eastern Zone, who assumed the duties of leadership for that zone when Sid Cox enlisted in the U.S. Navy.

To many of you here and to many others I say, "thank you — for your support and participation during this past year." Every function that has been enjoyed by District Youth this year has been the results of group effort. With the usual risks entailed in expressing appreciation to some and not others very much in mind I feel that there are those who have been outstanding in their willingness and diligence — these include: Rev. Lois Barefoot, Youth Camp director, with the other members of the staff directed a highly successful camping program in our own Mile High Pines Youth Camp. Kitty Crowe and Susan Fillmore, co-editors of the Pilgrim Pilot with Evangeline Deal as editorial representative from the Youth Council accepted the challenge to start a Youth publication and continue it through the year. This quarterly news piece served an important part in our emphasis on better communications. Marianne Troyer served as chairman of the New Year's Rally committee as well as secretary of the Conferette committee. She also served with Evangeline Deal, Kitty Crowe and Jeannette McCoy on the Graduation Banquet Program Committee. Evangeline Deal (our Youth Secretary), Margie Artz, Lucretia Greene, J. E. McCoy (Youth Treasurer), and Ray Wells gave of their time, talents and energy unstintingly as members of Operation Task Force — a response to the challenge of reaching a soul for Christ. My love and appreciation for these dedicated young people grew with every purposeful trip, and I am sure that I have been personally touched — and blessed — as much as anyone in the district by their fine ministry.

#### STATISTICS

We are unable to determine the effects of our labors for the cause of Christ and, therefore, statistics must always deal with the efforts expended. With the prayer that these efforts might be translated into effective action on the parts of those who participated we offer the following accounting of your Youth Council's activities:

We published a Calendar of Events for the year to start the "Better Communications" program.

We had 13 Council meetings — 9 of which were breakfast meetings. Council members were very faithful in attendance.

Operation TASK FORCE visited 12 churches in the district — driving 4000 miles in the process. Conducting 5 zone organizational meetings required an additional 1200 miles of travel.

We enjoyed 3 successful district rallies and several zone rallies.

Other activities included Camp Meeting participation and the third

Christian Education Conferette — a mountain-top experience by any measurement! Sponsored jointly by the Youth Council and the Sunday School Committee, the theme was Christianity's Challenges in Today's World — a fitting battle cry for our graduates to project into "My Tomorrow" for the Graduation Banquet which completed the Youth Conference Year.

It has been a joy for me to observe and participate in the stirring response to today's challenges by our District Youth. Let us resolve that the coming year will be a better and more active year in the Great Cause before us. Let us covenant here today to give our initiative and our energy wholeheartedly to God that we might be powerful instruments in His service and that we might stand shoulder to shoulder with Paul as he says, "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love His appearing." (II Timothy 4:7, 8.)

Respectfully submitted,  
*Charles A. McKay*, President  
 California Pilgrim Youth
