JOURNAL OF PROCEEDINGS

The seventh Annual Conference of the Capital District convened at the First Pilgrim Church in Alexandria, Virginia, Friday May 29, 1959, at 7:30 P.M.

Rev. Dennis Godsey led the Conference in singing "What A Friend We Have In Jesus". The opening prayer was led by Rev. W. R. Dudley.

Rev. T. M. Weir introduced the President of the Conference Rev. R. C. Hawkins, Secretary of Church Extention. Rev. Hawkins responded with the reading of Colossians 1:1-29.

A motion prevailed that the first four rows of pews across the Church constitute the Conference Bar. The roll was called and all the members of the Conference moved within the bar.

The motion prevailed that the convened session of the Conference be adjourned at 10:00 P.M., and the Conference reconvene at 9:30 A.M. May 30, 1959.

Rev. T. M. Weir, District Superintendent gave his very challenging report. This report was received with the following expressions of gratitude:

The Secretary of Church Extention highlighted the progress which has been made in the Capital District under Rev. Weir's ministry as District Superintendent. He quoted from a letter written by Rev. M. C. Kittle, "that the spirit and action of the Capital District is what he has been looking for in the Pilgrim Holiness Church". Rev. Hawkins said, "in my estimation the work of the Capital District is more what Church Extention ought to be." "In the future we will look at Rev. T. M. Weir with pride and say, he was once our District Superintendent".

A love offering was received for Rev. and Mrs. Weir as an expression of appreciation for their labor of love among us. The members and friends of the Conference greeted the Weirs at the front of the Church. By these tokens of appreciation the District Superintendent's report was received.

The Secretary of Church Extention announced the appointment of Rev. W. R. Dudley as the District Superintendent of the Capital. In his response Rev. Dudley called for a united effort of cooperation in the spirit of revival as we face another year.

Journal of Proceedings (Cont'd)

Rev. Hawkins then appointed Rev. J. W. Kraus to fill the District Secretaries' position vacated by the promotion of Rev. Dudley. Rev. Kraus responded on behalf of the District brethren, "though we respect and admire our beloved departing Superintendent, Brother Weir we shall as a District respond to Rev. Dudley's challenge and unitedly give him our complete support, doing our best under God's help to make the coming year the best Capital District has ever known.

Rev. Hawkins reappointed Mr. E. L. Howard, District Treasurer.

The Auditor's report was read and adopted. (Recorded on Page 14 ).

The Treasurer's Report was read and gratefully received with a hearty Amen. Mr. E. L. Howard was heartily commended for the splendid job which he has done as Treasurer of the District. Rev. Hawkins pointed out for special recognition the world outlook of the District financial program. For future planning an estimated budget for the 1959 - 1960 fiscal year was presented by Mr. Howard. The proposed Budget was adopted by unanimous action of the Conference.

A grateful expression of thanks was given by Rev. and Mrs. Robert Evans for the love offering given by the united effort of the District in their hour of sore trial.

Attention was called to the outstanding work done by Rev. Charles W. Beach as the President of the District Camp. Under his direction the Camp is making good progress in every way, of special note is the method of raising Camp funds and the splendid results obtained.

The Reception Committee: Rev. J. D. Pence and Rev. Dennis Godsey presented the following visitors to the Conference: Rev. and Mrs. H. V. Mellott of Vincennes, Indiana, who are visiting the Alexandria First Church on Sunday May 31, 1959. Rev. Mellott will be preaching in the morning and evening service. Mrs. R. C. Hawkins and Judy, the wife and daughter of Rev. R. C. Hawkins our esteemed Secretary of Church Extension, from Lebanon, Indiana. Mrs. John Foster of Kentucky, wife of our Rev. John Foster. Rev. and Mrs. Consoloy of the Weslyn Methodist Church in Berlin, New Jersey. This fine group of visitors were welcomed with a hearty Amen and granted an honorary seat within the Conference Bar by a prevailing motion.

The President of the District Camp Rev. Charles W. Beach gave the report of the 1958 District Camp and the proposed program and projects for the 1959 Camp. The \$1.00 per member per month of the Camp Meeting Association membership plan was highlighted and the fine results noted in that the District Camp Fund deficit has been erased in a one year period. The following proposals for the 1959 Camp were presented:

- June 16- Organizational Meeting.
- June 27- Work Day at the Camp Grounds.
- June 30- Work Night at the Camp Grounds.

Rev. R. C. Hawkins called for any announcements.

Conference reconvened at 9:30 A.M., May 30, 1959.

The Ordination Service was held at 7:30 P.M., May 30, 1959.

The Secretary of Church Extension met with the District Superintendent at the close of the afternoon session of May 30, 1959.

The first session of the Conference was adjourned with prayer by Rev. H. V. Mellott at 10:05 P.M., May 29, 1959.

SECOND SITTING

The second sitting of the Conference convened at 9:30 A.M., May 30, 1959 with the singing of "All Hail The Power Of Jesus Name", led by Rev. Don Pence. The Conference was led in prayer by Rev. E. L. Foot.

The Statistical Report was read and accepted. (Report recorded on Page 27). Gains in Sunday School attendance, error in the Sunday School attendance of a year ago were pointed out, gains in Church membership and tremendous gains in property holdings were highlighted. Rev. T. M. Weir called attention to the need for men to step forth into the many opportunities presented to us and can be ours if we but respond to them.

Rev. T. M. Weir called on Mrs. Dupell to explain the work and success of the Home Department of the Sunday School of the Alexandria First Church. This department is the arm of the Church that reaches into the homes of people who are not able to attend Sunday School and Church. This provides shut-ins with instructions in the Gospel. This work was started with three members and the Home Department has reached as many as 25 in one week. This work requires much prayer, labor and walking. The question was asked "What do you do on your visits to these people?" We read the Bible, have prayer, teach the lesson, take the offering and talk over any spiritual problem they might have. We do everything to edify

Journal of Proceedings (Cont'd)

these people that we can. We have had many gratifying experiences for our efforts: souls have been enlightened hence saved. Many openings have been made for the pastor to call in new homes and make new contacts for the Church. The rewards are great. This is a grand opportunity to do God's work. What supplies are needed for this work? Besides your Bible you should have Home Department Quarterlies and handbooks. Mrs. Dupell's splendid report was accepted with appreciation and enthusiasm.

The Sunday School Report was given by Rev. Jack O'Donnell and a motion prevailed to accept this report. (Report recorded on Page 21). Brother O'Donnell urged the Capital District Sunday Schools to forge ahead.

The District Youth Society Report was given by Rev. O'Donnell and by prevailing motion was accepted. (Report recorded on Page 22). Brother O'Donnell highlighted the District Youth Rallies noting the marked increase in attendance. The latest Youth Rally was attended by over 300 people mostly teen-agers.

The report of the Educational and Examining Committee was given and by a prevailing motion accepted. (Report recorded on Page 15).

The Resolutions Committee was given as follows:

Resolution #1 - Regarding Local Preachers was adopted by a prevailing motion. (Recorded on Page 43).

Resolution #2 - Regarding the Pilgrim Book Room referred to the District Council for appropriate action by a prevailing motion.

The Ways and Means Committee report was given and by prevailing motion accepted. (Report recorded in the Conference Rules "Ways and Means" Page 39). The chairman of the Ways and Means Committee Mr. E. L. Howard called attention to Conference Rule #6, Re: Eastern Pilgrim College 25 cents per member per month. This rule is mandatory. Capital District has sent \$426.00 to Eastern Pilgrim College this year. This amount came from two sources: former pledges and the National Pilgrim Church compliance to the 25 cents per month per member budget.

The President of the Conference Rev. R. C. Hawkins read the appointments of the officers of the Capital District as follows: Rev. William R. Dudley, District Superintendent; Rev. J. W. Kraus, District Secretary; Mr. E. L. Howard, District Treasurer.

The Conference proceeded to the election of the Advisory Members of the District Council. The election resulted in the election of Rev. Charles W. Beach and Rev. Edwin L. Foot.

The District Superintendent nominated Mr. Raymond L. Campbell for a three year tenure on the District Board of Trustees. The Conference ratified this nomination.

Journal of Proceedings (Cont'd)

The nominations for the Educational and Examining Committee were: Rev. T. M. Weir and Rev. Charles W. Beach. Rev. T. M. Weir declined the nomination and moved that the District Superintendent be a permanent member of this committee and as such be the chairman. This motion was seconded and carried. Rev. Charles W. Beach declined the nomination to the Educational and Examining Committee.

The Conference was recessed in order to allow the Council time to nominate a member for the Educational and Examining Committee.

The Conference reconvened and ratified the Council nomination of Rev. Charles W. Beach for the Educational and Examining Committee.

Rev. Jack O'Donnell was elected the District Executive Secretary of Sunday Schools.

Rev. J. D. Pence was elected the District Executive Secretary of Young Peoples Societies.

The District Superintendent made remarks in regards to the good work of Rev. and Mrs. Robert Evans and the splendid group Christians who were brought into the Capital District under their ministry. Rev. Evans is moving to the New York Conference of the Wesleyan Methodist Church, near Horton College to make it possible for him to further his education.

In response to a prevailing motion the Conference stood as an expression of appreciation for the faithful ministry of Rev. and Mrs. Evans. A bid of God's speed and blessings was extended the Evans as they depart for new fields of labor for the Lord.

Rev. Evans responded with words of appreciation for the kind expression given by the Conference. "The years spent on the Capital District have been some of the best years of my life", said Rev. Evans. He noted the highlights and sound advice given in Rev. T. M. Weir's District Superintendent's Report.

The Second Sitting of the Conference adjourned at 12:45 P.M., May 30, 1959.

THIRD SITTING

The Third Sitting of the Conference convened at 2:00 P.M., May 30, 1959.

The report of the Pilgrim Book Room was given by Rev. Edwin L. Foot. Rev. Foot stated that he has a stock valued at \$8,000.00 at present and needs new stock in order to meet the needs of his customers. A new street

Journal of Proceedings (Cont'd)

level store is desirable at this time. A street level store would attract transit trade, this trade along with the 100 Churches now on account would make it possible to carry all expenses even if the street level location cost \$250.00 per month rent. The motion prevailed to refer the subject of the Pilgrim Book Room to the District Council for further study and appropriate action.

Rev. R. C. Hawkins requested that the monthly reports be sent directly to his office, 230 East Ohio Street, Indianapolis 4, Indiana. He urged that the pastors send in news worthy and human interest articles for the Church Extension Echoes and the Advocate.

The general atmosphere of the Conference was noted by Rev. R. C. Hawkins as "one filled with the Holy Spirit". He further noted, "that there is true Pentecostal work being done here. In this spirit you will back Rev. Dudley in addition to my personal support".

Rev. Burcham and Rev. Weir will team together for Church Extension Public Relations to hold Home Missionary Conventions and represent this Department throughout the States. The task is great and Pilgrims everywhere need to see that the Department is getting the job done by God's help. This team will need our prayers and support.

Rev. Hawkins urged the Capital District, that there is so much that is popular religion, catch banner of true salvation and accomplish the task of winning souls for Christ and thus attain the smile of God's approval.

The Seventh Annual Conference of the Capital District expressed its appreciation for the kind and efficient way in which Rev. R. C. Hawkins conducted the Conference by a rising vote of thanks.

The Conference was adjourned with prayer by Rev. R. C. Hawkins.

The Ordination Service of the Seventh Annual Conference of the Capital District was conducted by Rev. R. C. Hawkins, Secretary of Church Extension and assisted by the Ordination Council, Mr. John Gray, Revs. W. R. Dudley, T. M. Weir, J. W. Kraus, and E. L. Foot. In an appropriate service and under the blessing of God, Rev. Charles W. Beach was ordained.

## DISTRICT SUPERINTENDENT'S REPORT

Given to the District Conference of the Capital District  
of the Pilgrim Holiness Church, Alexandria, Va., May 29, 1959

To the General Secretary of Church Extension and brethren of the Capital District.

It is my deep conviction as District Superintendent of the Capital District that the God who has led us thus far will safely see us through to the realization of His best: if we are willing to shoulder the responsibilities that are providentially ours and which can be carried appropriately by none other than ourselves. It is only proper that our hearts should be filled with gratitude toward our Heavenly Father, who has brought to pass through a multitude of providences, these fine things which we have witnessed in the development of our District, and are now verily and truly ours. Gospel work has never progressed without there first having been someone or some group with courage enough to step ahead.

One of the scarcest commodities of our time is the "pastor - leader". Good men are plentiful, but the gap between being competent in a specific operation and successful in the administrative leadership of the pastor is hard to bridge.

At times, I have been tempted to believe that a man either "has it" or he doesn't. Recently I have been forced to change my views somewhat. Pastors can become better leaders and they should work at it continually. Basically, there must be manifested a willingness to lead. I have discovered that all pastors are not wholeheartedly ready to accept responsibility and to carry the burden of guiding others.

Leadership involves higher responsibilities and more complexities. These are expected by those who are ready, willing and able to accept them. The careful sidestepping of responsibility by placing every problem "squarely" up to the church board is to be abhorred. The "Advisory Board" of a church cannot be expected to solve every problem unless a plan or program is set before them by the pastor-leader! His program must be considered whether it be financial, promotional or spiritual! The pastor's leadership is expected and valued by every conscientious board member. When once the leadership has been established, then the team goes forward!

In a perspective for christian action there is a standard procedure.

The first factor is finding the people. In our allotted area of a 25 mile radius of the Capital, we have them in abundance. Over two and a half million people reside in this tight little circle. They are there and they are receptive to the truth. I do not feel that I go astray when I say I am not among those who feel that revivals are past. Our spring camp meeting disproved this once and for all. Our gains over the period of years give it the lie. Our faith in God, our leadership and ourselves will prove again and again that if we lift Him up, He will draw all men unto Himself.

The second factor is reaching the people. The organizational leadership of the pastor is revealed at this point. It is not how much time he has, (whether he is on full time or not) but rather how he organizes the time that he has. It is not what he does himself, but rather what he is able to do

## District Superintendent's report

through organizing his church that counts. Under his direction the church influence reaches far and wide. The Men's Fellowship - The Youth Organization - Boy and Girl Scout Troops - The Missionary and Dorcas Societies - The Choir and Sunday School - The Personal Evangelism Groups - The Home Department - are the all important arms of the church. To the extent that you do not have these arms functioning in your church to that extent you are crippled in your organization and failing in leadership. The pastor is responsible for the programming, coordinating and directing of these groups, always working through their elected leaders. Many times at this point, the tail wags the dog because the pastor has abdicated his place of leadership.

Inasmuch as we have the truth of God's Holy Word to preach - as the church organization begins to function smoothly, gains will be automatic. It is characteristic of human nature to want to go with something that is going; to stand in awe of those who seem to do difficult things well.

Perseverance in everyday tasks is actually far more important than a spectacular burst of accomplishment. Many times conflicting factors come into play and it takes stamina and patience to properly analyze and continually push - relentlessly, pressing toward the objective.

In our district, the steady work of a dedicated group of men and women has brought gratifying results. We must never forget that our district is a team. Every man is indispensable. We must always think in terms of the District, not in terms of the individual church. There is no place in the Capital District for prima donnas. As a team we are strong, and with Christ as our Captain, nothing can touch us. Working shoulder to shoulder with men of like faith inspires confidence and a secure knowledge that we have what it takes to do the job. "The difficult we do at once. The impossible takes a little longer".

The third factor is convincing the people. Because of manifested leadership in the previous factors, the pastor-leader's ministry has unbounded influence. The people will follow him in his spiritual program because they respect him as a man of God and a leader. His ministry is a success, his church is healthy, each and every member has found his or her place in God's great plan. As new members are added and each is incorporated into the organization, the pastor becomes more secure. This is true, because these men and women are learning to do a better job.

Again, this year we are happy to note the gains. Many of them have been in the nature of consolidation and this is in keeping with sound principle. Next year, as in other years, and under the leadership of our District Superintendent, Bro. Dudley, we are trusting God for even greater gains.

As we close twelve wonderful years of working together, I feel wonderfully blessed and privileged and just a trifle emotional. I could never recount the many happy experiences, tough places and glorious victories, so please indulge me a word or two more to my co-workers - the pastors. I have hammered on the theme until I hope it rings in your minds until Jesus comes. Please always remember - Nothing happens unless you make it happen.

District Superintendent's report

My personal report is as follows: During the past year I have supplied as pastor at McLean from July through December 1958. I have supplied as pastor at Alexandria from March through May. I have held one revival, five funerals, three weddings. I have made 680 pastoral calls on the charges I served. I organized and operated two District camps; presided at two District Youth Camps; attended Board of Directors meetings at Eastern Pilgrim College. I have acted as builder and general contractor of North College Park Church. I have held seven annual meetings and visited the churches on occasion. I have travelled 42,000 miles in the carrying out of my duties. I have received \$1,920.00 for my services.

May God's richest blessing rest and abide with us continually.

Respectfully submitted,

Thomas M. Weir,  
District Superintendent

## REPORT OF COMMITTEES

### Report of Auditing Committee

To the members of the annual Capital District Conference, Gentlemen:

We, the members of the Auditing Committee, have audited the District Treasurer's books and have found them to be carefully kept and properly in order.

Respectfully submitted,  
Rev. Dennis Godsey, Chairman

### Report of Ways and Means Committee

The Ways and Means presents the following Resolution and recommends its adoption: Resolution #1

Whereas the 1958 General Conference of the Pilgrim Holiness Church adopted legislation giving the Capital District Conference fully organized status by 1962, and requiring this district to begin paying the United Stewardship Fund at the rate of \$2.00 per member the first year (1958-59 Conference year) and increasing \$2.00 per member each year until the full amount of \$8.00 per member to be paid beginning with the fourth year, and

Whereas, a goal of eight (8) new churches during this quadrennium has been established for the Capital District, and

Whereas, although the objectives of Ways and Means Resolution V of the Conference Rules are still valid, it seems desirable to adjust the amount of the assessment in view of paragraph 1, above, so that the total amount due from each church will not be unreasonable.

Therefore, be it resolved that the following be substituted for Ways and Means Resolution V of the Conference Rules.

Whereas, the Capital District is now required by General Church action to pay the United Stewardship Fund, which will be \$8.00 per member per year after two more years, and

Whereas, new churches must be established on the Capital District and young churches strengthened, and

Whereas, preparation for assuming full responsibilities of an organized district is desirable and will be gained in this manner,

Therefore, be it resolved that each church of the Capital District shall pay \$8.00 per member per year to be designated as the United Stewardship Fund offering. Be it resolved, also, that the District Treasurer shall use these funds, first, to pay the annual United Stewardship Fund assessment to the General Church Headquarters, and then shall credit the remainder, if any, to the

Report of Ways and Means Committee (Cont'd)

District Church Extension Fund for use in furthering Home Mission projects in the Capital District, and

Be it further resolved that 50% of the United Stewardship Fund be forwarded by each church treasurer to the District Treasurer within the first 90 days after Conference and that the balance be due and payable six months after the Conference date. In any event, the full amount of this offering to be paid in full by January 30th of each Conference year, and

Be it resolved further that a semi-annual conference meeting be held each fall to review District progress and arrange plans for the future gains of our Church.

Ways and Means Committee  
E. L. Howard, Chairman

ANNUAL REPORT OF THE PROMOTIONAL SECRETARY  
CAPITAL DISTRICT SUNDAY SCHOOLS

Wonderful progress has been made in Capital District Sunday Schools this conference year. As it is with any favorable progress, the improvements and attendance gains are the fruition of serious prayer, well-organized schools, and a continuous visitation program.

Churches in Virginia have taken the initiative in making some remarkable gains in pupil attendance. Rev. N. G. Wilson of Franconia has had steady growth through the year. At the last conference, Franconia reported 45 average attendance. This conference time they report 58 average attendance. That is a 35% gain for the conference year.

Rev. Godsey has shown equally fine growth in Sunday School attendance. Last conference Yorkshire reported 69. This conference year they report 97 average for the year. However, the percentage gain for the conference year while only about 10% the present weekly attendance is running almost 100% over what it was running last year at conference time.

A third Virginia church deserves mention. The Alexandria Pilgrim Church, now pastored by our District Superintendent, Rev. T. M. Weir, reports an all time high in attendance of 204 pupils on one Sunday this month of May, 1959.

All local churches are striving for more effective Sunday schools. Every congregation is making commendable efforts toward strengthening their Sunday school staffs and improving their facilities for Bible teaching. Many churches hold at least a monthly Sunday School Board meeting where ideas are exchanged and courses of action decided upon. Wherever a Sunday school staff meets for such a meeting it invariably runs late. Our schools are beset with many problems but the devoted teachers and pastors are tireless in their determination to solve the problems, to win the lost, and to instruct the Christians.

A district Sunday school promotional meeting was held at Floor Memorial Pilgrim Church in April. It was our privilege to hear Dr. P. F. Elliott speak. The attendance was excellent and indicated a need for more meetings of this kind.

The year ahead appears as a tremendous challenge. New houses are being added to the areas we are serving. Elsewhere, new communities are springing up. The number of school age children is increasing at an astounding rate. All of these factors can mean Divine opportunity for our Sunday schools.

We live in a land that is only as strong as its moral and spiritual fabric. Our Lord and Saviour Jesus Christ is the only source of spiritual and moral help sufficient for the day in which we live. As the shadows of sin and violence lengthen across our lovely land, only the church of the "born again" can lead our fellow citizens to the Source of all greatness and strength, our Holy God.

ANNUAL REPORT OF THE DISTRICT PRESIDENT  
CAPITAL DISTRICT YOUNG PEOPLE'S SOCIETY

The local youth societies have shown excellent gains this year in attendance and in spiritual vitality. Significant gains have been especially noticed in those churches where an active youth program is held in high priority. The wisdom of a number of pastors in delegating to lay members certain aspects of their youth programs has been proving itself increasingly fruitful.

The Summer months of 1958 were times of spiritual lifting as reports of victory over sin came back with different young persons returning from the youth camps held at Lake Sherando, Va.

The youth services at the District camp meeting at Franconia, Va. and the district-wide youth rallies between September and May have proven progressively more popular from month to month. The rally programs through the year were unique in that they were planned to attract a maximum number of youth and to include as many of them as possible in the programs. The opinion prevails that this is the kind of program that the pastors and people found helpful in interesting new youth in the activities of their young peoples' societies.

Most every district-wide rally has been attended by crowds in excess of the available seating. The most recent meeting, held at the Pilgrim Church in Alexandria, Va., is estimated to have been attended by 300 persons, a major portion of whom were in their teens. Thanks be to our Saviour that our preachers and Christian parents have a burden for the youth. We can say with conviction and joy that this has been a year in which the District Young Peoples' Society has been "In Conquest with the Conquering Christ".

## DISTRICT CAMP MEETING PRESIDENT'S REPORT

### To the members of the Annual District Conference

The Capital District Camp was held July 11th through July 20th at the Pilgrim Camp Ground at Franconia, Va.; Rev. M. C. Kittle was the evangelist. Special music was rendered by local talent. Highlighting this was the fine poems and inspirational songs by Rev. J. W. Kraus.

From the opening prayer until the final benediction God's presents was real in our Camp meeting. Many souls were saved, sanctified, reclaimed and strengthened. All of this was accomplished, by much prayer, the excellent messages brought by God's servant, and splendid cooperation from all pastors.

The past year has enabled us to eradicate the deficit on the Camp Ground.

Each year we have enjoyed a bigger and better camp. If Jesus should tarry we are anticipating greater things in the future.

Respectfully submitted,

Rev. Charles W. Beach  
Camp President

PILGRIM YOUTH CAMP REPORT  
SUMMER 1958

Last summer was the greatest youth camp we have witnessed in the Capital District. A complete new idea proved to be very effective, namely, the dividing of the Junior Camp and the Senior Camp. In the first camp, or Junior Camp, eighty-six young people aging from nine through thirteen enjoyed the full program given by Rev. D. B. Godsey. The second camp, with ages ranging from fourteen through twenty-one had fifty-eight present giving a total of one hundred forty-four for the two camps. There was a full program every day climaxed each evening with a campfire service where many of our youth, too numerous too count, received real spiritual help. This year we have added one more week which we are calling Family Week. It is our prayers that this will be the greatest year we have ever had both in spiritual and numerical gains.

## CONFERENCE RULES

### Ways and Means Resolutions

1. Each church in the District shall pay to the District Treasurer 7% of all offerings received by the church except those offerings designated for a specific purpose or activity (other than local church) such as: Missions, Church Extension, S. S. Extension (Rally Day), Colleges, and District projects.
2. All regular offerings of the church such as: tithes, building fund, S. S. and young people's offerings shall be subject to this assessment.
3. Two sevenths (2/7) of this budget shall be credited by the District Treasurer to the District Resolving Fund.
4. The remainder of the budget shall be credited to the District Administration Fund for use as required for District Administration.
5. All offerings received at District Rallies, Conferences and other meetings shall be credited to the District Administration Fund unless otherwise specifically designated or directed by the District Council.

#### III

#### IV

Conference Rules (Cont'd)

The Ways and Means Committee presents the following resolutions and recommends their adoption:

V

Whereas, the 1958 General Conference of the Pilgrim Holiness Church adopted legislation giving the Capital District Conference fully organized status by 1962, and requiring this district to begin paying the United Stewardship Fund at the rate of \$2.00 per member the first year (1958-59 Conference year) and increasing \$2.00 per member each year until the full amount of \$8.00 per member to be paid beginning with the fourth year, and

Whereas, a goal of eight (8) new churches during this quadrennium has been established for the Capital District, and

Whereas, although the objectives of Ways and Means Resolution V of the Conference Rules are still valid, it seems desirable to adjust the amount of the assessment in view of paragraph 1, above, so that the total amount due from each church will not be unreasonable.

Therefore, be it resolved that the following be substituted for Ways and Means Resolution V of the Conference Rules.

Whereas, the Capital District is now required by General Church action to pay the United Stewardship Fund, which will be \$8.00 per member per year after two more years, and

Whereas, new churches must be established on the Capital District and young churches strengthened, and

Whereas, preparation for assuming full responsibilities of an organized district is desirable and will be gained in this manner,

Therefore, be it resolved that each church of the Capital District shall pay \$8.00 per member per year to be designated as the United Stewardship Fund Offering.

Be it resolved, also, that the District Treasurer shall use these funds, first, to pay the annual United Stewardship Fund assessment to the General Church Headquarters, and then shall credit the remainder, if any, to the District Church Extension Fund for use in furthering Home Mission projects in the Capital District, and

Administration to continue to give the best education at the least possible cost to the student and

Whereas, other districts of the Eastern School Zone under Resolutions adopted by the individual districts now support E.P.C. by means of a small levy of 25¢ per member per month.

REPORT OF THE WAYS AND MEANS COMMITTEE

The Ways and Means Committee presents the following resolutions and recommends their adoption:

RESOLUTION I

Whereas the 1958 General Conference of the Pilgrim Holiness Church adopted legislation giving the Capital District Conference fully organized status by 1962, and requiring this district to begin paying the United Stewardship Fund at the rate of \$2.00 per member the first year (1958-59 Conference year) and increasing \$2.00 per member each year until the full amount of \$8.00 per member to be paid beginning with the fourth year, and

Whereas, a goal of eight (8) new churches during this quadrennium has been established for the Capital District, and

Whereas, although the objectives of Ways and Means Resolution V of the Conference Rules are still valid, it seems desirable to adjust the amount of the assessment in view of paragraph 1, above, so that the total amount due from each church will not be unreasonable.

Therefore, be it resolved that the following be substituted for Ways and Means Resolution V of the Conference Rules.

Whereas, the Capital District is now required by General Church action to pay the United Stewardship Fund, which will be \$8.00 per member per year after two more years, and

Whereas, new churches must be established on the Capital District and young churches strengthened, and

Whereas, preparation for assuming full responsibilities of an organized district is desirable and will be gained in this manner,

Therefore, be it resolved that each church of the Capital District shall pay \$8.00 per member per year to be designated as the United Stewardship Fund Offering.
