# JOURNAL OF PROCEEDINGS

The Second Annual Conference of The Central District of The Pilgrim Holiness Church convened June 15, 1964 at 2:30 P. M. at the Pilgrim Holiness Church in Springfield, Missouri. Rev. C. B. Colaw opened the Conference with warm words of greeting to the delegation. He then introduced E. W. Lewis, who led the congregation in singing, "The Solid Rock."

The Conference was led in prayer by Rev. D. R. Close, a visiting Pilgrim pastor from Lima, Ohio.

Rev. Colaw presented the General Superintendent and Chairman of the Conference, Dr. William H. Neff, who addressed the delegation concerning three things that were on his heart:

1. The critical shortage of ministers.

We were urged to launch a campaign for more ministers. Young people entering the ministry, come from live churches, where there is zeal for God, not from dead churches.

2. The merger of denominations.

There seems to be a mania for merger. We have a goal to reach for God, and we are not to be side tracked by this thought of merger. We are not merging because of weakness. By God's help we are going on.

3. Spiritual renewal and reform.

We need a revival. It doesn't matter where it starts, with young people or adults, just so it is a revival of spiritual renewal. God help that it might be so.

E. W. Lewis next favored us by singing, "Great Is Thy Faithfulness."

Upon motion, the sittings were arranged for beginning at 2:30, to recess at 4:30, reconvene at 6:30 and recess at 9:30.

#### DISTRICT SUPERINTENDENT'S REPORT

General Superintendent Neff, brethren of the District Council, other officers, fellow ministers, delegates, and friends of the Second Annual Conference of the Central District of the Pilgrim Holiness Church.....GREETINGS.

How pleasant to have this opportunity for fellowship with some of the finest Pilgrims on earth.

Many times I have traveled through Arkansas, Iowa, Missouri, and Oklahoma, the states which comprise our great new District. It has been a privilege to enjoy the hospitality of your homes. So often you have inconvenienced yourselves and your children to make a place for your District Superintendent. Your acts of kindness are deeply appreciated.

Coming into fellowship with our fine laymen, one can but rejoice as we observe their spirit of devotion. How faithfully they have labored through the years, how earnestly they have prayed, how liberally they have supported the work of the Lord. For all these evidences of the Christian Life we give thanks.

We would remember our pastors too. The evidence of sacrifice in the parsonage is with us in many places. Yet these servants of the Lord count it a privilege to labor in this great Vineyard, to see hungry souls seeking The Lord, to bring courage to the fearful and strength to the weak. Yes, there are many compensations for living in the parsonage that cannot be measured by the yard stick or entered in the bank book. We thank God for our dedicated pastors.

Our hearts are heavy as we remember those who were among us last year who are now in heaven. However, we must remember they have exchanged their sword for a crown, and rejoice with them as they praise their Redeemer. We must not languish in sorrow, we must catch the torch from their fallen hands and hold it high that a sin benighted world will know that our Redeemer liveth, and that He can give rest from the weary load of sin. WE WILL CARRY ON!

We have now completed the first year as the Central District. The eyes of the entire denomination were focused upon this venture. Many thought the problems of the merger were too great to surmount. Their fears were allayed as the problems failed to materialize.

It has been a year of adjustment, but it has also been a year of victory. In some cases the church membership rolls have undergone some revision, resulting in fewer members being recorded. However, we find no reason to believe there are any fewer "flesh and blood" Pilgrims than there were last year. Fact is, there must be more as I have met new folk in most of our churches with each visit, which prompts me to believe that many folk are now born again Pilgrims who last year were wandering in the paths of sin. To God be the Glory.

Two churches have been closed. The Fairview, Okla. church had four local members, three of whom were past eighty years of age. They felt they could not continue with the church. The property is for sale and the proceeds will be

used to further the work in another place. At Four Corners, Oklahoma, with a rural location, we held no property. The folk had mostly moved from the community, and it was decided there was little use to continue.

On the positive side, a new church has been opened at Bartlesville in cooperation with the Christian Service department of Central Pilgrim College. A very nice property was acquired in the west part of Bartlesville, completely across town from the First Church location. Rev. Bruce Chamberlain served as pastor for some time, then Rev. E. R. Snook came, and now Rev. Jim Adamson is serving as assistant pastor. Many victories have been won in this new venture, and we feel it will be ready to organize in a few months. So far this church has cost the district no money. We thank God for this victory.

Several Pilgrim families from across the nation are locating in Tulsa, Oklahoma. A plan is being formulated to open a church in Tulsa soon. Central Pilgrim College is cooperating in this challenge. A church and parsonage are available, with personnell prepared to go. In this case financial assistance must be given by the district. We need your prayers and help.

According to the information available as this report is prepared, the churches have paid some seventy seven percent (77%) of the budget, with at least thirteen (13) churches paying in full. One church missed by less than ten dollars (\$10.00). Some thirty percent (30%) more United Stewardship Fund was paid to the General Church than was paid by this area last year. The General Superintendent should give a little shout at this point. May God richly bless every one for their effort with the budgets!

Also according to available information, the ministers tithe was about eighty three percent (83%) paid. We thank you for this. All of us believe this can be paid one hundred percent (100%) next year.

Much could be said about the work in the local churches, physical improvements, financial gains, spiritual victories, but this should be left for the pastors to include in the reports which they will read to this Conference.

As we look to the future, we immediately face the Camp meetings. We hope everyone will share in the wonderful spiritual fellowship found at the Camps. Much planning has gone into the Youth Camp to be held at Springfield in conjunction with the Family Camp. Whether at Hopeton or at Springfield, everyone go to Camp meeting.

The resolutions Committee has worked on a plan for a district wide Ministerial fellowship for the coming year. A time when the pastors and companions will meet for a time of fellowship and spiritual refreshing. It is hoped the conference will pass this resolution. Other important resolutions will be brought for your consideration.

The Ways & Means Committee will bring us the proposed financial plan for the ensuing year. We trust it will be adopted.

We are not asking this Conference to clutter up the Conference journal with meaningless trivia. After all, true progress will be found in revival. And revival will come as we depend more on God and less on the arm of flesh. We will organize, plan, and work as if success was dependent on these very things. Then plan as if everything depended on God. Our churches and our district will have growth commensurate with the extent to which our ministers in any position become Shepherds. Spirit filled Shepherds who will find a way to minister to the entire community, bringing wholeness, through Christ, to the total person. No program or plan can long succeed unless administered by a genuine Shepherd.

There are so many who have cooperated to make this a profitable year. We can't name them all, but special thanks to Assistant Superintendent John Wilson, Treasurer G. H. Jenewein, Secretary Dale Kessler, Councilmen Bottenberg, Haltom and Schloeman. Youth President Wayne Lyon, Sunday School Promotional Secretary Ben Bebermeyer, Missionary President Mrs. P. E. Brown, and all the other officers and Committee members who labored faithfully to see success in our work this year.

We also want to thank our General Superintendent M. H. Snyder who presided over this area for the past two years. He is appreciated and loved by all who knew him. We wish him the best in his new area.

To General Superintendent Neff...Welcome to the Central District. Come as often as possible.

The report of the District Superintendents activities are as follows:

1. Visits to churches..... 54

#### ASSISTANT SUPERINTENDENT'S REPORT

To the second Annual Conference of the Central District of The Pilgrim Holiness Church, Greetings.

I count it a great privilege to have served The Lord and the church this past year. I have attended all District Council meetings, and have, to the best of my ability, cooperated with the District Program and District Superintendent, C.B. Colaw, to make this first year, a great year for the Central District.

Humbly Yours,

John F. Wilson

#### SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

Rev. William, H. Neff, General Superintendent, Rev. Colaw and other members of the Central District Conference, Greetings.

It is a pleasure to have a part in the accomplishments of our Sunday School for the past year. Most of the pastors have expressed feelings of growth in their churches, some of which, will not show as yet in the yearly Sunday School average.

We wish to express our appreciation to those who have helped to publish the District Bulletins.

I have traveled 1900 miles in the interest of Sunday Schools, 700 of which was at my own expense.

The trip to the Western Regional Convention was very helpful to all that could attend. I believe that workshops are a necessary part of the future growth of all Sunday Schools.

May I say in closing that we appreciate the reports that have come in. This has helped to make for good news, and an informative bulletin.

Finally, let me say that it has been a pleasure to serve God in the capacity of Promotional Secretary of Sunday Schools for the past year. May God bless you in your work for bigger and better Sunday Schools.

Yours for the lost,

Ben Bebermeyer

## MISSIONARY PRESIDENT'S REPORT

To our chairman, Dr. William H. Neff, General Superintendent, Rev. C. B. Colaw, District Superintendent and to the members of the Central District Conference: Greetings.

As we hear our missionaries' reports from the field, and also by the news we read in our World Missions' literature, we realize that we are living in a very needy world. Thousands have neither heard the name of Jesus, nor of his power to save from sin. We, as Missionary Society members, have the privilege of helping the missionaries, who are on the field, to carry the wonderful gospel message to the heathen.

Our missionary societies have worked very faithfully during the past year. They have collected used clothing and Sunday School literature; made layettes and awards and rolled bandages, all of which have been sent to various fields.

At Christmas, the missionaries were remembered with gift boxes and cash gifts. The societies have sent native worker support, given money to help on the monthly missionary projects, the equipment fund and the District Missionary Society Expense Fund.

We appreciate each society member's faithfulness in working, praying and giving for the cause of World Missions. As we begin our work for the coming year, let us strive to work harder, pray more and give all we can to help promote the work of our Missionary Department.

Respectfully submitted,

Mrs. P. E. Brown

As adopted by The Conference

1. Be it resolved that our Conference Year close June 30th. Be it further resolved that all reports be completed and sent to the proper District Committees and all District Monies be sent to the District Treasurer by the fifth of July. Be it further resolved that the first quarter of this new Conference Year consist of four months.

2. Be it resolved that resolution # 2 be revoked by this Conference, and that it be replaced by the following: Be it resolved that there be an official District Camp Meeting held in the Springfield Area during the summer of 1965, and further, that the District conference shall immediately precede and be held in conjunction with the Camp Meeting. The dates and times are to be set by the District Council.

3. We recommend that each Pastor be permitted to conduct at least one two-Sunday revival each conference year away from his church. We further recommend that the pastor be given a two weeks vacation. The church will pay the expense of a supply speaker and the pastor's salary in both cases.

4. Be it resolved that the District Council appoint all District Conference and District Camp meeting committees for the ensuing year, immediately after the current District Conference, and further, that the District Secretary shall immediately notify all committee appointees by letter, and that their names be printed in the District Minutes.

5. The District Secretary shall issue credentials to those entitled to them, during the Conference.

9. In accordance with the Manual, Section 54, Paragraph 1, item 5, which reads as follows: "To report monthly to the local church board his (the pastors) activities related to the local church; his calls to members and non-members, at hospitals, sermons preached, etc.", Be it resolved that the District Council prepare a form to be used for this monthly report to the local church board, and that the pastor be asked to send a copy of the report to the District Superintendent each month.

14. Be it resolved that this year's (1964) Ordination Service, be scheduled for the Sunday Morning Service August 2 at the District Camp Meeting, instead of this District Conference.

15. Whereas the resolutions that are presented to the delegates assembled for Annual District Conference by the District Resolutions Committee and the District Ways and Means Committee have far reaching ramifications, and the time does not always permit the delegates to think them through sufficiently, therefore creating unnecessary unintelligent voting many times, therefore. Be it resolved that: The Ways and Means and Resolutions Committees shall prepare prior to Conference and mimeograph copies, listing all resolutions with committee recommendations, and shall place said copies in the hands of all delegates no later than ten days before said District Conference.

16. Be it resolved that the Conference express it's appreciation to the Pastor and people of the Springfield Church, by a rising vote of thanks.
