REPORT OF THE DISTRICT SUPERINTENDENT

To the Fifth Annual Assembly of
The Pilgrim Holiness Church of Colorado—

Greetings:—

The two Churches coming together at our last District Assembly has made this a very busy year for your District Superintendent. This past year can truly be called "The year of adjustment." However, I am glad to report that the Churches are pulling together smoothly, and God has helped us thus far.

I have traveled about 9,000 miles, have preached 201 times. God has blessed me with 123 souls at the altar to get saved or sanctified; have taken 48 into the Church; held seven revivals; have visited all the churches, and some of them several times on business.

We have done some good work in getting into new fields of labor, and were successful in organizing two new churches, and we have a greater opportunity to do more of that kind of work this coming year.

Pueblo Church has bought them a nice little tabernacle; also Rocky Ford has purchased them a fine little mission hall located right on Main Street. We trust our Churches will continue to buy halls and Church buildings and quit paying rent.

I read twenty books which had 4602 pages, and called and prayed in many homes. We have made a good gain on every line.

Received \$1000.00 in salary, \$240.00 for house rent.

Gave General Superintendent \$100.00, and gave offerings elsewhere amounting to \$75.00.

With a deep sense of my limitations and a consciousness of my inability. I have done my best for God and for the Church.
