## REPORT OF DISTRICT SUPERINTENDENT

To the forty-first annual conference of the Idaho-Washington district of the Pilgrim Holiness Church. Greetings in His love. "Other men laboured, and ye are entered into their labours."

It is indeed with profound humblesness of mind and soul that we report to you of the mercies and the goodness of our wonderful Lord. Other men have laboured, and sacrificed and have contributed in no small way to the blessings that we enjoy today. We have tried to carry on the responsibilities to the best of our limited ways. The fellowship, the cooperation and the good work of our brethren in the ministry have helped to lighten the load and given encouragement to the heart. We rightly know that the success of the work depends upon the stout hearts and broad shoulders of our faithful pastors and their good people. We thank God for the Pilgrim Holiness Church and for its ministry in the world today. We believe that we have a church and ministry that is second to none. We are confident that for the future that God has a greater work for our church and for our district.

1. Our people and preachers. We are thankful for the kind of people and preachers on the district. Our people are spiritual, loyal and sacrificing as a whole. Our preachers are stalwarts of the faith and a credit to the whole church. The morale is high and faith for the improbable marks each one. God bless every one. Some of the church's best preachers are labouring in small pastorates and home missionary projects. The size of the church does not signify the calibre of the pastor.
2. Our local churches. Many of our churches have made good strides this last year. It is thrilling to see some of the older churches catch the vision. Seven churches have raised the pastor's salary. Two churches have built completely new buildings. Many have remodeled. Benton City has erected new front and installed rest rooms and placed up church sign. Clarkston has remodeled Sunday school rooms and decorated the sanctuary. Coeur d'Alene has completed pastor's study and rest rooms. Hermiston has built a very lovely brick

veneer church which is a credit to our denomination. Kennewick has painted the church. Weippe has finished remodeling in the Sunday school department. Yakima has built a beautiful three bed-room parsonage which can be called a modern day miracle. Grandview, McCall, Post Falls, Spirit Lake and Weippe are now in a building program or making plans for one soon.

3. Our district meetings. We had a wonderful youth confention at Spokane and a fine district ministerial convention at Kennewick. Local men were the workers at Spokane. We were honored and blessed by having Rev. Melvin Snyder, now our First Assistant General Superintendent, as our speaker. The district camp was marked by God's presence and blessings. We thank God for the good ministry of the Felters and Salvadors.

4. Our new works. We conducted three home missionary campaigns during the year and God gave us two new churches, namely Yakima and Twin Falls. Yakima was organized with nineteen members. Rev. E. T. Meeks, from Indiana, came as the pastor and has done a very commendable work. Since December Brother Meeks has built one of the nicest parsonages that we have. Twin Falls was organized with thirteen members. Since then they have received two more. This was a community holiness work under the ministry of Rev. Bessie Crowson. The church has purchased the building they have been worshipping in. It is a 30 x 60 block building in a good part of the city. Rev. George Davis, from Indiana, came as the new pastor in November. He has proved to be God's man for the place and the church is moving forward. The Spokane church has closed negotiations for a new church and parsonage.

5. Our Camp Building Program. A lovely motel style dormitory 24 x 48 with eight individual rooms has been erected. Twelve double bunk beds complete with mattresses have been installed in it. Including the beds we have about \$1200 invested in this building. The dining room and kitchen has been remodeled by the good labours of Harley Briggs and Gene Hall of Clarkston. They have each put in over 250 hours on this one project. Some of the other ministers also donated some help on

the dormitory. We are grateful for all that was done. Rev. Carl Mansfield, an ordained minister from the Alabama-Northwest Florida district, came by and greatly assisted us in building the dormitory.

6. Our new personnel. The following pastors have come or are coming to the district this year. E. R. Snook, E. T. Meeks, George Davis, Perry Thomas, Lester Boone, Mrs. Bessie Crowson, Miss Betty Miller, Miss Evelyn Ritenburgh and C. O. Mansfield. Ralph Coy is coming back to us from Colorado Springs Pilgrim College to serve on the district. We are indeed thankful for these fine additional labourers for the district.

7. Our losses. The home going of our beloved General Superintendent, Dr. L. W. Sturk, loses to our church a great leader and to our district a great friend. Rev. W. J. Webster, pioneer missionary, district superintendent and pastor for many years in the Pilgrim Holiness Church, left us for his eternal home. His work still lives among us. We recommend that this issue of the district minutes be a memorial to Dr. Sturk and Rev. Webster. Rev. L. V. Tullis, our district youth executive secretary, councilman, and good pastor at Hermiston for the last four years, leaves us to go to Colorado Springs Pilgrim College as professor. We shall miss Brother Tullis but pray God's blessing upon him and his family as they go to their new field of labour. Rev. E. O. Rathbun and family are moving to El Monte to labour in our school there and we pray God's richest blessing to rest upon them in their field of labour.

8. Our gains. We believe that the reports will show a good gain in every department. No one of us can claim the credit. This is a cooperative enterprise. When one fails, we all fail. When one succeeds, we all succeed. Let us praise God for all his benefits and move forward into a greater work for His glory.

9. Our personal report.

## REPORT OF DISTRICT MISSIONARY SOCIETIES

Our Idaho-Washington district of the Pilgrim Holiness Church is especially blessed with ministers, laymen and laywomen who know how to sacrifice and carry a burden, and they are endeavoring more and more to carry out the great Commission: "Go ye into all the world and preach the Gospel." The Missionary Societies of this district are endeavoring to operate for the express purpose of being a spiritual and material help to the local church, the district, and general home and foreign missions.

We have 14 organized societies, 3 of which have been organized this year. There are also 8 organized Junior Missionary Societies, and it is believed that the effort with the children will reap rich dividends in the days to come. Except for one church we would have a 100% missionary organization on our district - and by the next camp meeting this church will, no doubt, have an organized missionary society.

All societies did not report, but those reporting show 152 members and cash offerings for the year in the amount of \$1943.71. This amount does not include 20 boxes of S.S. literature, 50 boxes of clothing, Christmas boxes, food and clothing for needy local families, canned goods and various items for the camp ground, as well as local church interests too numerous to itemize. Many of the societies are using the study course.

Special commendation is extended to the officers and members of the missionary society of the Southwick Community Church who have made a very fine contribution to the missionary program of the Pilgrim Holiness Church, in their prayer, their study, their work and their giving.

What has been accomplished by all the missionary societies, both materially and spiritually, can only be evaluated by our blessed Lord, but we believe that He is helping us to unite our efforts as one - to promote the salvation of the lost. It has been my privilege to conduct 8 missionary services, organize 2 new missionary societies. I have received \$10.00 for traveling expenses, from one group.

Humbly submitted, Mrs. Marguerite Canary

## REPORT OF PRESIDENT OF WESTERN PILGRIM COLLEGE

To the members of the forty-first Annual Conference of the Idaho-Washington District of the Pilgrim Holiness Church assembled at Clarkston, Washington, July 25, 1955: Greetings!

It is with a deep sense of humility and gratitude to God that I come before you to report on the work of Western Pilgrim College and its high school and elementary departments for the 1954-1955 school year. At conference time we stand, as it were, in the midst of the years, looking back over the past year in retrospect, and looking forward to the new year with great anticipation.

I feel as did our beloved Bro. Sturk in his last report to the General Board when he said, "We feel our complete and utter dependence upon the Holy Spirit for guidance and direction as we strive to perform the business necessary to the advancement of the work of God at this time. We trust at these extraordinary times characterized by unrest, perplexity, economical and political uncertainty, we shall proceed with caution, candor, and conscience, looking to our great God for help and blessing. Truly, no one can predict with any degree of certainty what a day may bring forth. It is enough, perhaps, that we strive to the best of our ability for the furtherance of Christ's kingdom and leave the unknown and unpredictable future in the hands of the Master."

I rejoice in the progress that has been made during the past year; surely the Lord has been with us each step of the way. Our new Administration building has been a great help and blessing, and I am sure it will continue to be for many years to come, if the Lord tarries. The paved streets, sidewalks, and other improvements made during the past year have not only proven to be great assets in carrying on our work, but have greatly added to the beauty of the campus as well. We appreciate these physical assets greatly but we appreciate much more the presence of the Lord in our midst as He has so graciously helped us throughout the entire year. In many ways, especially financially, this has been a very difficult year, but we have found God's grace sufficient for every need.

The prospects for the coming year are very

encouraging. We will have the strongest administrative staff we have ever had with Bro. Clinton Jones as Vice President, Dr. G. Arnold Hodgins, Dean of the College; Bro. Robert Simonds, Registrar, Bro. Daniel Chamberlain, High School Principal; Bro. Harvey Johnson, Elementary Principal. In addition to this fine group of godly, well qualified men who make up our staff, we have a fine faculty in each of the three departments of our school. Add to this the return of most of our students of last year plus a fine group of prospective new students, and you see we have a wonderful group of God's people to work with to make next year a great one. As I contemplate the possibilities of this faculty and student body with the facilities God has provided us, and the continued prayers and support of the three districts that comprise our school zone, I feel like saying with the Apostle Paul, "If God be for us who can be against us."

Personal Report. This year completes my seventh year as President of this Institution. I wish to express my appreciation to all of you who have helped us in this great work. It has been a pleasure to work with our fine Board of Directors, Faculty, Student-body and all our co-laborers throughout the school zone. I appreciate the confidence and cooperation that has been given me personally.

I have served as a full time teacher in addition to my administrative duties as president. I have attended all the Board and Faculty meetings throughout the year. I have also attended the Leadership Conference of our general Church, held in Indianapolis, Ind. I have visited all three of the conferences and camp-meetings and most of the churches in the school zone. I have traveled over 20,000 miles and have spoken in 52 different services in interest of Western Pilgrim College.

To God be all the glory for what may have been accomplished and may He forgive me for all my many errors and short-comings.

Respectfully submitted, Clifford W. Thomas
