JOURNAL OF PROCEEDINGS

The forty-sixth annual conference of the Idaho-Washington District of the Pilgrim Holiness Church convened at the District Tabernacle at Clarkston, Washington on Monday, July 18, 1960.

Reverend Charles Stewart led in the congregational singing of "Tis So Sweet to Trust in Jesus" after which Sister Laura Himmelright led our hearts in prayer.

The District Superintendent, Reverend I. G. Canary, introduced Dr. R. G. Flexon, General Superintendent of the Western Area of the Pilgrim Holiness Church, as

chairman over the conference. Dr. Flexon commented effectively about "A Planned Ministry" using I Corinthians 9:16-27 as the basis for his remarks. He urged the pastors to make the most out of their ministry, striving for greater leadership on the local level.

The chairman called for the reading of the roll, requesting each pastor of a church to answer his call by stating the number of Advocate subscriptions he would attempt to secure from his local congregation in the coming year. Ten ordained ministers, four licensed ministers, four ordained deaconesses and eleven lay delegates answered to the call of the roll.

A motion carried that all pews inside the first three posts of the tabernacle constitute the conference bar.

A motion carried that the hours of conference settings be the same as last year, i. e., 8:30-12:00 a.m.; 1:30-5:00 p.m. and 6:00-9:00 p.m.

The Chairman called for the report of the Examining Committee. Reverend Bob Meeks, one of our fine young district preachers, was received into the conference.

Dr. Flexon reiterated the necessity of each church hav-

ing their United Stewardship Fund paid in full to have voting privileges in the district conference.

Following the reading of the Scriptures, Dr. Flexon spoke to the candidate regarding loyalty in the ministry, in the home, to himself, to his congregation, and to the souls of lost humanity.

With the laying on of the hands of ordination committee, Dr. Flexon proceeded with the ordination ceremony, praying that God would truly lay His hands upon Reverend James Rosentrater and impart to him all the gifts and graces of the Spirit that must attend a successful ministry.

As the congregation sang with feeling, "Blest Be the Tie That Binds", well-wishing and blessings were conferred upon the candidate by the fellow ministers and laymen.

God laid it upon our beloved General's heart to make a plea for those who had lost the love for Jesus and His Word out of their hearts to come to the altar to which a large number harkened, weeping and groaning their way back to that sweet and irreplaceable position of joyful and present communion with the Lord of Glory.

The conference was dismissed with our souls constrained to say, "Hitherto hath the Lord helped us." Amen.

DISTRICT SUPERINTENDENT'S REPORT

To the 46th annual conference of the Idaho-Washington District of the Pilgrim Holiness Church, convened at Clarkston, Washington, July 18th, 1960.

Greetings in Christian love to Dr. R. G. Flexon, our beloved General Superintendent, our fellow ministers and delegates and friends.

Our thanksgiving and praise ascend unto our God for His providential care upon us all throughout another year of tears and triumphs. Sister Canary joins with me in thanking each of you for your generous gift on our 25th wedding anniversary which made possible the best vacation that we have ever had. I want to thank Brother Meeks, our fine Assistant, in the wonderful way in which he came to our rescue in time of need. Our appreciation also extends to our good Council and all the Brethren and our good people throughout the district. God has answered prayer and He has given us renewed strength in body and soul. We are also grateful for the help that Brother C. P. Pridgen, has rendered in our camp. Our

hearts were blessed over and over with the gracious ministry of the Felter Family. How we do thank God for the Holy Ghost manifestations throughout our camp.

Rev. W. L. Boone and the Ernie Lewis family were greatly blessed of God in their ministry of song and music.

—TEMPORAL.

There have been some good gains in our district this year. Clarkston has made improvement in the Sunday School rooms and decorated the church throughout. They have placed a new covering on the floor in the sanctuary. Coeur d' Alene has installed a stoker in the parsonage furnace and re-wired the parsonage. Grandview has completed the basement excavation and poured the cement floor. They are making other improvements. Hermiston has dry-walled and decorated Sunday School rooms and sanded the floor in the sanctuary. Kennewick has made improvements in the parsonage and church. Post Falls installed a very fine highway church sign beside their church. Walla Walla has installed a downstairs bathroom. Yakima is building much needed Sunday School rooms and rest rooms.

Camp Grounds—Five major projects have been completed on the grounds this year. The walk-in cooler installed, buildings built around cooler and for book room and registration office, dining hall tables and benches built, new dorm built with rest rooms and showers, and cement floor poured in the tabernacle. Much of this work was done by Andrew Amos, James Rosentrater, Gene Hall, Charles Stewart, Lester Boone, Keith Jones, Ronald Benjamin and E. L. Pullman. Several others also helped. The Boones, God bless them, took their vacation time to work at the camp grounds. Sr. Amos did most of the cooking for the workers. Delores Boone also assisted. Brother Amos is to be highly commended in the wonderful way in which he has managed the building projects and in the renting of the grounds to other groups. Hundreds of dollars have been saved and made through his efforts. Brothers Meeks and Cameron moved the cooler from Wapato to Clarkston. We are grateful to all our people and preachers who have given of their time and effort to make these much needed improve-

ments. It is imperative that a boys' dorm be builded before another camp. The framing materials are on the ground and paid for.

The Benton City property has been sold and the money is to be used in district church extension in a much more suitable and larger field. Wenatchee Sunday School is continuing under the leadership of Sister Eslinger. A new Pilgrim Sunday School was organized at Noxon, Montana. Gordon Hall, a good Pilgrim layman, is our leader there. We need a good couple to go there as pastors. The opportunity is challenging.

A Word to our Laity—

Most of our laity are God fearing, cooperative and loyal Pilgrims. We thank God for you and pray that your tribe shall increase. However, some things in some of our churches need to be pointed up and corrected. 1. Pastoral Respect and Cooperation. Whatever our pastors' weakness and shortcomings, almost all of our churches are getting much more than you are paying for. How many of our laity would work all day at your regular job and then drive a school bus or do other work in order to do the work of "God's called Man"? Some, and I say this to your shame, seem to want a slave instead of a "Servant of God". Instead of exploiting your pastor's weaknesses, you ought to pray for him and hold up his hands. To withhold your tithes and support simply because you do not agree with your pastor, is purely carnal. To oppose "God's Servant", with carnal gossip and maneuver, is devilish and will cause you to lose your soul and go to Hell, unless it is repented of and restitution is made. The same is true in regard to district work. Our laity needs to show the same spirit of sacrifice and work as the pastor is required to do. If we do this, we will all make progress together.

A Word to our Pastors—

Fellow preachers, our high calling is second to none in this world. We dare not allow anything or anybody to sidetrack us in our God-called mission! Another affection, another job, or debt or burden or any other thing that would separate us from our Calling or dilute our Gospel must be

accounted as sin. The true Gospel must be our "Trumpet". In "That Day", Jesus Christ will not in the least be impressed with all the gadgets and tinsel that you may have collected. He will be tremendously interested in the souls of men which have been committed to your trust. We must be after souls and true Kingdom building. Holding some so-called lines and self opinionated standards can be as damning in final results as flagrant and sinful worldliness. We must be prayerful, God-filled men, and rightfully dispense the Gospel of Jesus Christ in its glorious realities.

A Respectful Observance to Our General Leaders—

As one of the small districts, we speak with a small voice and few votes. However, our hearts are warm and we love our church. We are burdened about some fixed patterns.

1. The small average salary of about \$33.00, per week over the church and the loss of quality personnel is cause of serious consideration. It is no secret that we have lost scores of pastors who were of the best in quality. We have heard much about the need of better trained pastors, but we have heard no certain voice about the need for a better supported ministry. Too often our good pastors are called upon to be the "sacrifice", instead of the "Shepherd".

2. We are perplexed over the continued avalanche of demands from different departments of our church in our camps, over the district and in our struggling churches. Are we trying to do too much with too little? Do we need a policy of quality work more so than a quantity work? We feel that we need a General Voice speaking at the local level in behalf of the "Key" man in our whole church structure; the Pastor. The vehicle of church loyalty should travel on a two-way street.

Personal report—

We do thank God for the privilege that we have had in serving God and the church during the last six years. Some times have been of stress and strain. This is to be expected. Most times have been those of blessings and helps. We thank God for it all. We seek God's will in our life and in the work of the district. Never have we enjoyed greater co-operation from the Council and the pastors of our district.

Most of our people are loyal and sacrificing and spiritually minded. I trust that all of our churches will realize the true worth of a "God Called Man" to minister to them the fruit of everlasting life.

In the Pastoral-Superintendent relationship we have attended the Church Leaders' Conference at Indianapolis; have attended two College Board meetings; worked at the camp grounds eight days; have traveled 6,698 miles in the interest of the district, preached 34 times in district interests; visited the churches and annual meetings 26, organized one new Pilgrim Sunday School at Noxon, Montana; conducted the youth conference; assisted in district camp and two conventions. All our salary and expenses are paid in full. Our chief desire is to see souls won to Jesus Christ and His Kingdom builded on earth. God bless you every one.

Respectfully submitted

I. G. Canary, District Superintendent

WESTERN PILGRIM COLLEGE PRESIDENT'S REPORT TO CONFERENCE

To the 46th annual conference of the Idaho-Washington District of the Pilgrim Holiness Church.

It is with pleasure that I report to you at this conference something of what the Lord has helped us to do spiritually and financially this year. We are grateful for a wonderful year in every way.

Progress of the work in general

This has been a wonderful year spiritually. We have had many times of gracious refreshings from the presence of the Lord.

Our Spiritual Emphasis Week, Fall Revival, and Holiness Emphasis Week, were spiritual highlights long to be remembered. Prayer meetings in the early mornings, at noon-day, in the classes, and in the evenings, have been great assets to keeping up the spiritual tide. Most of our students in our upper division of high school and in the college seem to have had definite victory, and most of them plan to give their lives to some form of full-time Christian service.

Our Gospel team workers in the churches, missions and elsewhere have been blessed of the Lord. Various types of services have been rendered by a number of our students in several of the nearby churches.

I. Statistical report

We enrolled for the entire year 46 in college, 50 in high school, and 25 in the seventh and eighth grades. We made about 21 percent gain in college enrollment this year over last, but we lost some in the high school, due to the late re-opening.

We graduated 21 young people from high school and college this spring and 13 from junior high school, making a total of 34 graduates from all departments. Several of the college and high school young people are definitely going into full-time Christian service.

II. Financial report

The financial picture has also been most encouraging this year. Miss Coy has proven to be an excellent Business Office Manager. She has helped me much in financial matters concerning the School. We have been able to pay teachers' salaries in full as well as all of our current bills. Besides, we have reduced teachers' back salaries from \$8,700 last year at this time to just over \$1,600. We have also paid almost \$3,000 on other bills. For example, we have paid \$600.00 back taxes, reduced the Warner Press bill to \$300.00, reduced the Pilgrim Publishing House bill by about \$200.00, \$200 has been paid on the sewer bill, the fire alarm system has been installed and paid for, costing about \$1,300, and \$1,300 was paid on the local church debt of \$5,000 which was being purchased for our permanent chapel.

We have met our obligations consistently, and have finished the year in the black. As of June 15, current bills were paid and there was a balance of about \$2,100 in the bank. This is the first year I can recall of late when we have been so prospered.

This condition is attributable to the fact that we have cut out extra discounts and scholarships, raised tuition in the junior high, high school and college, and that we operated a more successful collection program for student funds.

The Zone giving was actually below last year's income. A few items of saving also may be noted, such as Miss Coy's new dish-washing method whereby students did their own dishes to the saving of about \$1,000 during the year. Also Mr. Tullis took over management of the grounds with student aid, saving a considerable amount of money. Careful management by others was helpful, too. It has been done largely by the blessing of God and the assistance of a fine staff and Faculty who aided the President wholeheartedly.

III. My Personal Report

During the year I have attended to all duties incident to the office of President and have also held a number of revival meetings. Offerings from three of these have been turned back to the school, amounting to over \$300.

We have covered most of the churches in the California district twice in deputational work. The response has been most gracious. Last summer we covered the Northwest districts with good results. A good number of fine students came to W.P.C. from this area.

I have preached 109 times, prayed with 88 seekers. I have conducted during the year 5 school services, traveled 11,350 miles in the interest of the School, and attended two General Board meetings. For all purposes, I have traveled about 25,000 miles.

The school group has always been graciously received everywhere we have gone. May I thank each pastor and layman for every kindness shown us in this work. We sincerely appreciate all you have done and will yet do for W.P.C. Our last year here on this campus has been a most fruitful and happy one in the Lord.

Respectfully submitted,

William S. Deal, President

**REPORT OF THE DISTRICT SUNDAY SCHOOL
PROMOTIONAL SECRETARY IDAHO-WASHINGTON
DISTRICT**

Dr. Flexon, members of the Idaho-Washington District, and friends:

It is with gratitude that I bring to you another report as Promotional Secretary of the Sunday School work.

The project which your District Sunday School Board promoted this year was the 4-star program. Perhaps the phase of this program which was the most successful was the visitation. Each school did not report each month, but every school reported a good number of calls part of the time. The two churches who made the greatest number of

calls were Spokane and Coeur D'Alene.

Eight schools made a gain in average attendance this year, while four schools made a loss.

The District made a total gain in average attendance of 133. Coeur D'Alene led the District with a numerical gain of 10 in average attendance. Southwick came second with a gain of 6.

We have been very grateful for the faithfulness of our pastors and Sunday School officers in reporting their attendance each month. Cooperation has been almost 100%.

Sincerely yours,

Frank Evans

REPORT OF THE DISTRICT MISSIONARY SOCIETIES

To the forty-sixth conference of the Idaho-Washington District of the Pilgrim Holiness Church, greetings:

tinuing interest, a vision and burden for the lost, and, as a whole, a beautiful spirit of unity. Statistics are compiled as follows: (12 churches reporting)

Members	149
Number business & devotional mtgs.	122
Number work meetings	115
Boxes shipped to the field	116
Weight of boxes (approximate)	1291 lbs.
Valuation of boxes	\$1144.73
TOTAL OFFERINGS RECEIVED	4741.26

For General Church Extension	5.50
For District Home Missions	215.10
Local Church Projects and Postage ..	1107.85
 TOTAL DISBURSEMENTS	 4407.46
 CASH ON HAND	 233.80

This report cannot include the enthusiasm, the zeal and constant prayer for missions, as well as many "Helps" on the local and district level. Two main projects include payment of the automobile for the British West Indies, and the walk-in cooler now installed adjacent to the dining hall.

Personally, I have conducted 9 missionary society meetings, and attended 17 others. I have prepared and mailed report forms, received quarterly and annual reports from most of the missionary societies, and have endeavored to assist the presidents in every possible way.

We again wish to say a particular "thank you" to the Southwick Community Church Missionary Society for their cooperation, gifts and interest in Pilgrim Holiness Missions, and to all who have made possible this report. May we all be "workers together with Him" in this great enterprise of missions at home and abroad.

Respectfully submitted,
Mrs. Marguerite Canary
Dist. Missionary Society President

REPORT OF THE ASSISTANT SUPERINTENDENT

To the Forty-sixth Annual Conference of The Idaho-Washington District of the Pilgrim Holiness Church:

It is a privilege today to greet this conference in the wonderful Name of our Lord and Saviour Jesus Christ. His abiding presence during these past twelve months has meant more to my soul than all else. Nor do we minimize the wonderful fellowship of the saints of the Lord. His people are my people. This has been the best year of my life and I have found a deeper experience than I have ever had in the twenty-four years that I have served Him. The enrichment of our own life through the fellowship with the Saints and the Spirit of the Lord will only be revealed by Eternity.

The highest honor that has ever come to my life is that of being counted worthy to work in the harvest of the Lord. Our fellowship with the District Council has been the very best. I feel that these are among the finest men that can be found in the Pilgrim Holiness Church. Especially have I appreciated the fine supervision, untiring labors, sacrifice, and unselfish leadership of our District leader, I. G. Canary. I have tried to be of service to him wherever possible. I have been present for all of the District Council Meetings and Bible School Board Meetings. God has given times of tearful consideration for the work of the Lord as these men have weighed the issues confronting them. We feel that greater things lie ahead for us as we move forward under the Lord, and with those who carry the loads of administrative responsibility.

Respectfully,

E. E. Meeks
