## REPORT

### RESOLUTIONS COMMITTEE

1. We recommend that the fiscal year close July 1st with the pastors changing the following Sunday after Camp.
2. Inasmuch as the District Treasurer has so much work to do at the year ending, be it resolved that the Treasurer have two weeks before closing his books.
3. Be it resolved that all delegates exceed the age of eighteen years.
4. Be it resolved that the Council make arrangement for a monthly bulletin of district interest to be sent to each church.
5. Whereas it is so expensive to buy new tents and we must conserve the ones we have, be it resolved that each time the tent is used for established churches the sum of \$5.00 be sent to the district treasurer, and that \$15.00 be paid for the use during district camp; also that each Sunday School with an attendance over 75 pay 20c per week and the school with an attendance under 75 pay 10c per week into the tent fund.
6. In order that we may conserve the Lord's money and give our churches the advantage of evangelistic meetings, be it resolved that we as pastors and churches consult our Superintendent in slating Evangelists and where it is possible and practical they be slated for two or more consecutive meetings which would keep down traveling expense.
7. Inasmuch as there is such great blessing derived from a ministerial and Christian workers convention, be it resolved that during the year we have a three-day convention in the district. The council shall be the committee to set the time and prepare the program.
8. We recommend that each local church promote a Home-Missionary campaign by holding revivals in nearby communities and establish a preaching point and a Sunday School where possible.

13. We recommend that the District Superintendent appoint all camp committees for 1942 at this camp.

14. Whereas it is quite a job to get ready for camp and to clean up after the camp, and as camp comes in a busy time, be it resolved that each minister come a day earlier, stay throughout camp and a day after camp unless excused by the District Superintendent.

15. We recommend that we have 125 copies of the minutes of the 1941 Assembly printed.

16. We recommend that in event any delegate elected to general assembly cannot go, the district council be empowered to appoint a substitute.

**DISTRICT SUPERINTENDENT'S REPORT**

To the Oklahoma District Assembly, convened at Hopeton, Oklahoma, July 22, 1941, I submit the following report of my labors for the past year:

This has been a good year on the district. It has been a time of fellowship and unification of objectives. In October, Brother Wolfe

made a trip over the district and in February Brother Surbrook was with us in a ministerial convention. Both these General men were a great blessing to us. We feel the Oklahoma District is in the best condition spiritually, and in fellowship among ministers and laymen, and in business methods since we have been on the field.

Our churches are doing well. God has given good revivals in all our churches. All departments of the church are receiving proportionate consideration in giving. Pleasant View and Hopeton have redecorated their churches. Fairview ceiled and papered the walls which means much to them. Newkirk has been working on a paint job which when finished will lift a note of \$200 on their church. Blackwell is raising a building fund.

Last fall Brother Klassen, with the Sand Creek people, got under a burden to establish a church in Pond Creek. They were able to buy the old legion hall for \$175. They borrowed some more money and went to work remodeling. Brother Klassen has done well at Pond Creek and God is blessing their labors. They have reduced their indebtedness to \$120 at the close of the year.

In November wife and I held a home missionary meeting at Devine, Texas. This meeting was held during a cold spell which cut attendance. However, we were able to organize with 12 members. We predict a good future for the Devine work inasmuch as there are no other Holiness churches in the Medina Valley.

In June we pitched the district tent in Tonkawa. Brother M. M. Conrad did the preaching during part of this meeting. This was a hard fought battle. Indifference seemed to be an obstacle we could not overcome. Bills were placed in nearly every house in town and calls were made and people expressed appreciation of the services but would not come regularly enough to get a deep interest in their own salvation. The results of this meeting will have to await the judgment.

We have another home missionary meeting planned for this fall.

We recommend to this assembly our present method of home missionary financing which is the district home missionary offering and evangelistic home missionary offering.

In January Texas became a district to itself. This we feel will be to the mutual benefit of both districts. Previously the distance required in travel handicapped both proper supervision and development of the field. We predict a future for Texas as it goes under its own leadership.

September 16 we will have been on the district 5 years. We had at that time in Oklahoma 3 churches supporting pastors with a membership of 116 in the three churches. The property valuation was \$7,898, indebtedness of \$698, equity of \$7,200; our present property valuation is \$12,750, indebtedness \$720, equity \$12,030.

The past year we have traveled 8,385 miles in district work and received \$167.02 mileage, \$68.77 of this was from Brother Wolfe. We have attended 1 General Board meeting in Indianapolis and 3 Bible School Board meetings. Last August we did deputation work for the general church visiting the Owosso, Mich., Springfield, Ohio, and Frankfort, Ind., camps in the interest of General Home Missions. We have made 77 visits and business meetings in the churches on the district. We have received for stationery \$17.94, salary from the district \$420, general church \$480, and from the Blackwell church \$335.34. The fellowship of pastors and churches have been blessed and we appreciate the cooperation of every one in helping to carry out the program of the General Church and District Assembly.

Respectfully submitted,

D. R. CLOSE, District Superintendent.

### MEMORIALS TO THE GENERAL ASSEMBLY

Whereas there is a need in some of our Home Missionary Districts for wider representation on the District Council,

Be it resolved, that when a district reaches 200 in membership, or when the Secretary of Home Missions deems advisable, that 2 additional members in advisory capacity be elected by the district assembly to the district council. These members shall be subject to the approval of and directly amenable to the committee of home missions as the other members of the council. "Oklahoma District."

2. Whereas there is need in our manual for clarification in regard to disposal of church property especially when a church has become disorganized,

Be it resolved, that where a church becomes disorganized any church property which shall exist may in no way be diverted to other purposes, but shall pass to the control of the District Assembly for the use of said district, as the district assembly shall direct. Any trustees holding property for the disorganized local church shall sell or dispose of the same only on the order and under the direction of the appointed agent of the District Assembly, and turn the funds over to such agent.

No board of trustees or church board may divert property away from the Pilgrim Holiness Church. "Oklahoma District."

3. Whereas there should be a knowledge of the ability of the District Treasurer by the District Assembly,

Be it resolved, that the District Council and Superintendent act as a nominating committee, to nominate not more than 3 for said office. The District Assembly to vote for a Treasurer from said nominations. "Oklahoma District."
