DISTRICT SUPERINTENDENT'S REPORT

To the General Secretary of Church Extension, Rev. R. C. Hawkins, fellow ministers, delegates, visitors and friends: Greetings in the Name of our Lord Jesus Christ and welcome to the Annual Conference of the South Carolina-Georgia District of the Pilgrim Holiness Church.

As we are convened to report our activities, to prepare plans for the future, and to receive blessings and inspiration to carry out the Heavenly directions of our Risen Lord; our world struggles in the grip of a sinful, Satanic power that strives to crush God and true righteousness. These days call for our best. We can have no divided loyalties. We must quicken our pace. Forces are closing in on the Church that will do all in their evil purposes to hinder the spread of "true Holiness." As ministers and laymen of the South Carolina-Georgia District we must not fail in this hour. We must work and pray as one. None of us can isolate himself and stand alone. We dare not be divided in these tragic times. As God has said, "We are laborers together," and He has promised strength for the day.

This past year has been one of many new things. The matter of District Administration after years of pastoring; the work of two Districts and the many hours and miles of travel, plus the many adjustments for me and my family, has been interesting and an exciting year to say the least. But to see souls seeking God, new churches opened and established churches strengthened is worth all that may come to us as we labor for Christ and the church.

My predecessor, Rev. A. I. Wise, is to be commended for his efforts to establish and help this District. We have a long way to go, but praise God we are headed in the right direction and we have come a "right smart piece."

I have found some of the most gracious laymen and ministers in this District that I have met anywhere. Our gains are largely due to their efforts and prayers.

OUR PROGRESS

The churches and Sunday Schools of Columbia, Easley, Greenville and Killian have made commendable gains.

Greenville has lead the way with a Sunday School gain of 29 or about 66 per cent and a membership gain of 15 or about 65 per cent. It is hoped this year we may see the rest of the churches showing progress. Our over-all giving increased almost \$7,000.00. Our membership gain is a little over 11 per cent. Our District Treasurer received almost \$1,100.00 on District Budget. All churches but two did well on the District budget. We hope to see an increase in our United Stewardship fund this next year. Pastors, it can be done, but we must plan and work our plan. We are grateful for the wonderful gain in our Sunday Schools. According to the Minutes of last year, the Sunday Schools have reported a gain of 85 or almost 33 per cent. This gain has been realized in spite of the fact that three schools reported losses.

NOTES OF PRAISE

The debt of our churches is being slowly paid off. Kilian is paying on the settlement of the loan to Church Extension loan fund. We welcome the new Pilgrims who have joined our ranks this year. We rejoice for the number of seekers, for spiritual help at our altars. Our churches have received visitations of God and we are grateful and say "Praises be to our God." But let us not be content, may this next year be greater in all respects for God.

PROPERTY IMPROVEMENTS

Pastors and people have worked to improve parsonages and churches. Listed are some of the major accomplishments.

Columbia—completed the re-decorating of the church and purchased a new parsonage. The erection of a fine Sunday School unit is now in the planning stage.

Easley—re-decorated the church sanctuary and are continuing to expand the facilities of the Sunday School.

Greenville—completely re-decorated the church interior and the Sunday School rooms in the basement. In-

stalled a new heating system in the church. Many improvements have been made in the other churches and parsonages for which we are grateful. May we always strive to keep the House of God in good repair and presentable at all times.

GOALS FOR THIS YEAR

1. Strengthening of local churches spiritually and financially.
2. A wholesome effort for our Youth work.
3. Personal visitation in our churches.
4. A faithful honest effort to build the work of God and the church.

A NOTE OF THANKS

I am grateful to the pastors, especially for their kindness and understanding and co-operation in our District work. We rise to great heights and bigness of understanding and soul when we can adjust to circumstances that may not be ideal. But we make the best of what we have for God's glory and the salvation of souls.

It is a privilege and a pleasure to work in the church Extension department under Rev. R. C. Hawkins. He is a gracious, noble leader and the least we can do is give our best in our labors of love together.

Respectfully submitted,
H. C. Rickner

REPORT OF SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the Annual Conference of the South Carolina-Georgia District of the Pilgrim Holiness Church.

Greetings:

There are now seven (7) schools in the South Carolina-Georgia District.

The year has been a period of progress in some schools, due to the fact of the re-awakened interest of the pastors. A few have made nominal progress while possession a real potential for expansion.

As Pastor and Superintendent, may we stress teacher training, Sunday School organization, and Vacation Bible School. Plan now for the advancement of your school.

Start now, as Jesus said, "Go ye into the world," this year we are launching a massive offense; it will require the help of every Pastor, Superintendent and teacher.

1. A record breaking Rally Day which will provide a new source of raw material that we can develop into scholars, Christians, and Church members.

2. Teacher training to provide a skilled, trained cadre capable of accomplishing the aims of point I.

3. Well-organized schools that will efficiently move ahead to hold and exploit every gain made in 1959 and 1960.

May God give us a burning vision is our prayer!

It must be recognized and realized that in this day every legitimate method must be used to reach souls for Christ and that the S.S.-V.B.S. combination is being owned of God all over the world. Fearful conservatism can only mean our defeat and the eternal loss of untold multitudes. While great throngs refuse to hear the message by traditional means of presentation, we can by God's help use new methods and explore constantly other means of fulfilling the Master's great commission of Matt. 28:19.
