## DISTRICT SUPERINTENDENT'S REPORT

Dr. Hawkins, Ministers of the District, lay delegate and friends: I greet you in the name of our wonderful Lord, who has called us to be saints, commanded us to preach the Gospel to every creature and assured us that we can be more than conquerors thru Him!

As we give this report to the Conference, one word has gripped our thinking, that word is "time". Time as it applies to children is seemingly exhausted and meaningless. To youth it presents unlimited possibilities and challenge. To the middle aged it's realities are first faced and appraised. To those who are older it becomes infinitely precious.

A. In Luke 21:24 we read these sobering words, "until the times of the Gentiles shall be fulfilled. It is of course a prophetic utterance but is surrounded by unmistakable signs that we clearly understand characterizes our day.

B. In Eph. 5:16 we read these words "redeeming the time because the days are evil". As we see the measure of iniquity and evil in the world today it should certainly help us to properly evaluate and appropriate time on an eternal basis.

C. In II Tim. 3:1 "This know also that in the last days perilous times shall come." Mr. Moffat renders the word perilous as hard---Hard times shall come. Epitaph---"Here lies Robert Shirley, He did the best of things in the worst of times."

Assuming that we are in the LAST days,

Assuming the Hard times are here,

Assuming that the times of the Gentiles are

Almost at an end,

Assuming that OUR time is limited,

What shall be our response in our duty to God in the need of the people?

## I. INDIVIDUALLY---C:

Can I say I am determined to win souls?

Can I say I am determined to do what God has called me to do?

Can I say I am determined to be a success?

Figure are cold hard facts yet they speak a truth. All progress starts locally and individually. Our day demands our best.

II. MATERIALLY: All of the Churches have made some improvements.

Birmingham has paid the indebtedness on their Church furniture.

Warrington has put a new roof on the parsonage and ceramic tile in the bathroom.

Crestview has added a steeple to the parsonage and put a steeple on the church.

Lynn Haven has completed a very fine parsonage with a minimum of outside finance. Rev. Huff and some of his laymen have worked untiringly to make this possible, at the same time Bro. Huff was on a very small salary. Several of our District preachers rendered valuable help on this project.

Mobile has painted the outside of their church and done some interior decorating in the parsonage.

Huntsville has completed extensive redecorating.

Magnolia Springs has done extensive redecorating on the parsonage, also inside finishing, and has added some recreational facilities to the grounds.

Selma has beautified their grounds with shrubbery and flowers, also some redecorating.

Brownsville

### III. SPIRITUALLY:

I feel we are in grave need of a district wide revival. We are not reaching the people!!! Consequently we are not seeing the converts. Not having converts we are not gaining members. We are an Evangelical Church depending on revival fervor rather than religious education. I know that this is a matter of great concern to all of you, and I stand ready to help you secure some good workers who are interested in Church extension work, and this without prohibitive expense. Perhaps we need to carefully review and evaluate our evangelistic efforts. In the light of the ever increasing pressure of Lay Evangelism. Lay Evangelism is the contact, the door opener but **GOSPEL EVANGELISM** brings the harvest and the increase.

### IV. STATISTICALLY:

We will show a loss in some departments, some have made commendable gains, some have had regrettable losses. Here again figures give no more than cold facts, some of your inheritances have resulted in your losses. Some losses may have come from a lack of preparedness, some from monotonous programs, some from lack of talent, but still they are losses, and we must correct them. Excuses are not enough. If we are called to do a task for God, we have every reason to expect Him to help us to be successful and there is no excuse for continued losses. For you or for me! The statistical reports will give us the true picture.

### V. RECOMMENDATIONS:

1. Believing that we must as a District feel our responsibility in starting new Churches in this District and knowing that after 12 years of help from the General Church, we cannot expect

continued help in this department therefor; I recommend that we adopt the penny a day per member plan. All money to be used in founding new churches in this district, and that this Conference enact this legislation.

2. I recommend that each pastor on the District be responsible for the assigned financial obligation of the District on a monthly basis, this to be a sacred obligation on his part.

3. I recommend that each pastor make clear to the members of his congregation the financial plan adopted by this conference the first Sunday following this Conference.

4. I recommend that one prayer meeting a month be given over to praying for souls, new churches and revivals.

5. I further recommend that the first day of each month be known as a day of fasting and prayer, a time of soul searching as to our fervor, soul burden and consecration.
