Whereas, there is an increasing need of maintaining ministerial study courses such as are provided for by the Manual and inasmuch as it seems advisable to conduct our study course in a more effective manner than is now operating, therefore be it Resolved, that the General Conference authorize the General Board to establish and maintain a central office at the denominational headquarters to conduct courses for the benefit of the ministry of the Pilgrim Holiness Church viz.:

1. Such Agency shall be known as the Ministerial Study Course Agency.
2. It shall exist for the purpose of assisting unordained ministers and deaconesses in completing the study courses required by the church.
3. This Agency shall provide a list of study course books as authorized from time to time by the General Board.
4. The Agency shall maintain contact by mail with each enrollee throughout each course of study and shall provide study outlines, examination questions and other appropriate information.
5. The Agency shall maintain adequate educational records as authorized from benefit of the enrollee and the church.
6. It shall be understood that this agency shall in no manner supplant the work of the examining and educational boards of the several districts, but shall cooperate with them by reporting annually on the progress of student ministers and deaconesses within their jurisdiction.
7. The Agency shall provide suitable transcripts and issue certificates upon the satisfactory completion of the work assigned.
8. The Agency shall make reports to the General Board as may be required by that body.
9. The Agency shall be authorized to take all necessary steps for the conducting of its work as indicated by this resolution and may be approved from time to time by the General Board.

## DISTRICT SUPERINTENDENT'S REPORT

To our General Superintendent, Dr. Wm. H. Neff; District Council; Pastors; Delegates and friends of our Ninth Annual Conference of the Pilgrim Holiness Churches of the Eastern District of Ohio at Bethel Camp Ground, Coshocton, Ohio: Greetings in the blessed name of our Lord.

### APPRECIATION

It has been a pleasure to have worked with each official within the church, General, District, and Local. Throughout the year thanks has been in our heart for the consecrated efforts of the brethren to the work of the church. The interest in the program of the district to make it possible for more to be at Camp Meeting we feel has been rewarded. The work of the Church Extension Committee, Sunday School Promotion, Youth Council, District Missionary Society, District Council, and right down to pastor and layman of the church has been much appreciated. Without all of you, there would be no church. Let us give praise to our heavenly Father this day for His manifold blessings.

### OUR STRONG EMPHASIS

If there be one thing above another, I am made to recall the words often heard from the lips of Dr. L. W. Sturk, — "Above all be spiritual." This is indeed admonition for our day as well. If you will allow me to personalize this report by recalling other days, I would say this. My beginning as an ordained minister was the Conference of 1943 with the challenge that was given by Dr. Sturk who was then General Superintendent. Twenty-years have gone by. I am still in need of Him who called me that the blessings of God be just as real today as they were then. We all must know the leadings of God in whatever our capacity may be in serving Him and the church. We thank God for our fellow ministers across the district. Perhaps the past year has had its adversities. This is not to spell defeat. If there has been a loss in your Sunday School or Church or your finances have run low, let us not console ourselves that someone else has lost too. We must be at our best in every work of the church. We properly claim ourselves a part of the body of Christ, His church, therefore as long as His Spirit is here the church must grow. We must, "pray at all times on every occasion, in every season, in the spirit with all prayer and entreaty. To that end keep alert and watch with strong purpose and perseverance, interceding in behalf of all the saints." Amplified translation Eph. 5:18.

### SUNDAY SCHOOL AND YOUTH

Both the District Promotional Secretary and District Youth President have been very active through the year. Their respective Councils have filled an important place both in the Sunday School and Youth work. The cooperation of every Sunday School Superintendent and Pastor is a must, to give accurate reports of the district's Sunday Schools. You will learn from our Promotional Secretary's report the standings of the district. Have we done our best?

As your District Superintendent, I am happy to report the gratifying results of two well conducted Youth Camps. It was a part of our schedule to be present. Rev. Duane Saylor and Mr. Neil Bailey with their respective staffs did an excellent job in conducting both the Junior and Senior Camps. We thank God for many of the young people finding help at the altar and grateful for those too, that came with victory in their heart. With the encouragement of this year's camp, there is inspiration on board for even greater camps as Jesus tarries.

The work of the Zones show that our churches desire these times of getting together. The United Zones Rally was very splendidly attended. Many have remarked of the good day and the messenger of the day, Rev. R. K. Storey.

The talent hunt has been an opening up new areas for our children and young people to participate in the church. May their God-given talents ever deepen to calls into some field of service for the Master.

### CHURCH EXTENSION WORK

You who have heard the report of the Committee on Church Extension have a great appreciation for their fruitful labors. They are worth more than this brief mention. The committee and its program has become a must in the strengthening and growing program of the church.

## NEW MOTEL

The two years of effort for the second motel has made it a reality. This new structure is already filled. The committee spent many hours in all the necessary paper work and letting out of contracts to make it possible. We are thankful for the fine cooperation of the many who have purchased leases so the outstanding bills can be cleared away. The much needed new fence has been installed, also with some work yet to be done on it.

Thanks to the cabin owners for their part in beautifying the grounds. A walk about Motel #2 will be a future project. The Lord helping, other projects on the camp ground will be undertaken in another year.

## CAMP MEETING

We thank God for the increased interest and attendance for this year's Camp. The registration has shown a substantial increase, the dining room workers and cooks have realized it and the attendance in the tabernacle has spoken for itself. The gracious response of every camp attendee has made it possible for every camp expense to be met. The splendid shares that many have taken for camp meeting of 1964 suggests even greater camps as Jesus tarries.

We thank God too, for each of our evangelists that have so ably presented the word in song and in sermon. We feel the rich truths have been precious to every listening heart. May there not only be rewards that have been seen, but many in store because of those who shall yet see the light of His word.

## WHERE TO?

The new conference year has begun, camp meeting is history, soon our Conference will be as we remember it. Your new officers will fill their place and lay plans for another outreaching effort. What we have done for yesterday will be the ground work that we have to begin with tomorrow. The interest of every church would certainly be more souls for God this coming year. Every Christian must be a soul winner. Our admonishment is to pray, pray every day, if it takes all year to win one soul, win that individual for Jesus's sake. It would seem that all who have been to camp meeting cannot be the same after hearing the freighted words of our brethren and feeling the presence of the Holy Spirit. We have a job that must be done.

The Lord willing, plans are in the making for the Whipple-Marino Party to be in this district from September 1965 through February 1966. This is several years away but these brethren must be scheduled ahead. Churches desiring this Personal Evangelism Team are to contact the District Secretary. Let us not wait until then to pray one for another, pray for your pastor, pray for a soul. The Lord could come before that time arrives.

A joint Ministerial Convention is being planned with the Western Ohio District for this conference year.

Be alert to every branch of the church. Do not allow it to become second place in your thinking. There are times of special emphasis that come to you. Stand behind your church locally, district and general wise. We must see results that can be known now, for it is certain they shall be known in eternity.

## PERSONAL REPORT

We are grateful to God for the strength he has given us to endeavor to carry out the work of the church assigned us. We cannot say that all we desired has been accomplished. We feel our task is much greater than we are, but accept our bit of report as we have labored for the District. We indeed thank God for His presence and help this past year.

## ASSISTANT SUPERINTENDENT'S REPORT

To Dr. William H. Neff, General Superintendent; Rev. O. M. Awe, District Superintendent; and delegates of the Ninth Annual District Conference of the Eastern Ohio District, now in session at Coshocton, Ohio:

Greetings in the name of our blessed Lord and Saviour, Jesus Christ!

Today we wish to join with one of old and say, "Bless the Lord, O my soul, and all that is within me, bless his holy name."

It is through the goodness and mercy of God that we are permitted to meet once again in the capacity of a district conference. This has been a very busy year, however, it has been a most wonderful year in the Lord. From day to day there has been such a deep consciousness of His presence as we have labored for Him in the great vineyard. Without Him we can do nothing. It has been my pleasure to assist in the various phases of the work of the district. The report of my activities is as follows:

- 21 Meetings with the Building and Promotional Committees and business firms in the interest of the motel, plus several days of labor on the motel.
- 28 Church Extension meetings (including 7 meetings with churches), 18 with the committee and 10 additional meetings in the interest of church extension.
- 8 District Council meetings.
- 5 Trips with the District Superintendent in the interest of district work.
- 2 Meetings with the Educational-Examining Board.
- 1 Meeting with the District Board of Trustees.
- 3 Annual business meetings conducted.
- 1 Automobile dedicated to the Lord, purchased by Columbus 2nd church for their pastor.

Served on three special committees which were appointed by the district council. Edited, published, and sent out 10 issues, totaling over twenty thousand copies or eighty-five thousand pages, of the Pilgrim Review.

Traveled 7,358 miles.

## MEMORIAL COMMITTEE REPORT

*"Precious in the sight of the Lord is the death of his saints." Psalms 115:15.*

**RAY PIDCOCK**, son of Frank and Mary Barnes Pidcock, was born in Athens County, Ohio, July 16, 1904. He was called to his eternal home November 8, 1962

He was united in marriage to Minnie Snyder in 1925. To this sacred union were born two children, Mrs. Sylvia Walton of Chauncey, Ohio, and Mrs. Adrain Russell of Huntington, West Virginia.

Bro. Pidcock gave his heart to the Lord at Mineral, Ohio, in 1934. He was called to preach and the unsearchable riches of Christ in 1940. He was ordained in 1947.

Rev. Pidcock was a dedicated and devout servant of the Lord. His pastoral labors were at Stewart, Union Furnace, and Coshocton, Ohio. Under his leadership the churches at Carbondale and Chauncey were built.

Bro. Pidcock lived the scriptural admonition, "He that hath friends, must show himself friendly."

Although his last days were filled with suffering and pain, he was always ready to cheer his friends when they visited him.

His funeral service was conducted in the beautiful new church which he had built at Chauncey. The funeral sermon was delivered by the District Superintendent, Rev. O. M. Awe, assisted by other members of the District Council. The attendance at the funeral was estimated to be over five hundred, an evidence of the high esteem and respect of neighbors and friends.

As his friends would visit him in his last illness he would repeat the words of the words of the familiar song,

"If we never meet again this side of heaven,  
As we struggle thru this world and it's strife;  
There's another meeting place somewhere in Heaven  
By the side of the river of life."

It is not hard for us who knew Ray Pidcock to visualize and hear our blessed Lord say— "Well done thou good and faithful servant."

ROY C. HILL was born June 6, 1895, near Portsmouth, Ohio. He passed from this life May 1, 1963, at the age of 68 years.

In October of 1914 he was united in marriage to Ethel Ash. To this union were born thirteen children.

He leaves to mourn his absence, his wife, children, and many other friends.

He united with the Pilgrim Holiness Church in September, 1944, and became an ordained minister. He organized and built the Wheelersburg church, where he pastored for twenty-five years.

Brother Hill was a great worker in the community and helped many souls to Christ.

Just a few days before his passing he attended a revival at the church and shouted the victory.

His godly council and help will be missed by all.

Be not aweary, for labor will cease,  
Some glad morning;  
Turmoil will change into infinite peace  
Some bright morning.

Labor well done shall receive its reward,  
Some glad morning;  
Thou who art faithful shalt be with the Lord,  
Some bright morning.

Wearisome burdens will all be laid down,  
Some glad morning;  
Then shall our cross be exchanged for a crown,  
Some bright morning.

Some bright morning, Some glad morning,  
When the sun is shining in the eternal sky;  
Some bright morning, some glad morning,  
We shall see the Lord of Harvest by and by.

## SUNDAY SCHOOL PROMOTIONAL SECRETARY'S REPORT

To the General Superintendent, Dr. Wm. H. Neff; District Superintendent, Rev. O. M. Awe; Pastors; Delegates and Friends of this Conference.

Greetings!

Another conference year has passed and we are preparing records of the history of our church...many things we would desire to have recorded differently. However, IF WE SERVE THIS PRESENT AGE, we must deepen our dedication to this field. The best way to bring people under the influence of the church is thru this door.

I have presented all promotional letter and rallies under the theme "A PERSONAL INTEREST PLUS" to strengthen the previous stated realm of thinking. (A personal interest in every scholar and every person in the area of your church.)

Our average Sunday School attendance for the year was 5,192 revealing a loss of 64 from last year's average of 5,256. (64 churches reporting—22 showing gains.)

The following churches have reported to me that they have set new records in average attendance.....

Columbus First — Rev. W. V. Gilkerson, Mr. Pearl Bennett — 325.  
 Barberton First — Rev. Roy Ankrim, Mr. Walsin Pierce — 277.  
 Fostoria — Rev. Ronald Travis, Mr. Duane French — 105.  
 Barberton Second — Rev. W. E. Honeycutt, Mr. R. D. Wright — 73.  
 Sandusky — Rev. Howard Kuhn, Mr. Ken Mitchell — 69.

#### PERSONAL REPORT

It has been a privilege and a pleasure to serve you in this capacity and I want to express my heart-felt appreciation for the cooperation I have received.

I attended the Promotional Secretaries Conference held at Indianapolis, addressed the West Virginia District Ministerial Convention, spoke at two Zone Rallies, conducted one Zone Institute, spoke at five Staff Meetings and prepared the Monthly Report as well as several promotional letters.

I have tried to answer every letter or inquiry as quickly, soundly and prayerfully as possible and trust that my assistance has been helpful.

I have tried to encourage a monthly staff meeting in every Sunday School and am happy to report that the records show a substantial gain throughout the district.

I trust during the next conference year every School will have a "PERSONAL INTEREST PLUS" in every scholar.

Humbly submitted,  
 Duane Saylor, Promotional Secretary

## DISTRICT MISSIONARY SOCIETY PRESIDENT'S REPORT

General Superintendent, District Superintendent, and delegates of the Ninth Annual Conference of Eastern Ohio District, we give account as fellow-stewards of the manifold grace of God.

It has been a pleasure to work with the District Missionary Committee, not by constraint, but willingly. Mrs. Leola Dozer, Secretary, handled many pieces of mail besides the letters I answered. Mrs. Maxine Rittinger is a capable treasurer. Mrs. Violet Thorne and Mrs. Clair Parsons are faithful advisors.

Christ, by His Holy Spirit, has ruled supremely among us. Fellowship has been harmonious while our hearts and hands were stirred to action.

There are in existence, in our district, thirty-seven adult missionary societies, one of which is new this year, namely: Jacobsburg, where Mrs. L. F. Knight is president. One of the seven Junior societies is new. Its president is Mrs. Duane Saylor of Mansfield.

We are grateful to all officers, pastors, council members, and others who are co-operating with the district missionary interests. As we become more acquainted with this new organization and its efforts, we believe the volume of cooperation will substantially increase. In this initial year, your committee has tried to build carefully and prayerfully. We trust we have not lagged behind nor run ahead of God's guidance. We are reminded that "Satan pushes", but "God leads."

We have presided in seven district missionary committee meetings; have planned and presided over a one-day district missionary convention; conducted entirely, or represented the work, in six zone rallies; and conducted seven local society missionary meetings, not counting Columbus First, of which society I am president. As a committee, we also furnished and fortified a district missionary booth on the camp ground at the United Zones rally on May 30th.

We helped arrange the services of missionary concern during camp meeting; and maintained a missionary booth at the inner edge of the tabernacle.

Throughout the year, a district prayer-band kept the time of 10:00 A. M. on Wednesday for lifting mission needs to God, especially Brazil and its missionaries.

In our November committee meeting, we set up the "sugar-bowl-savings" campaign to gather funds for a district camp dishwasher. That is still in motion with increased velocity from pennies to dollars for this necessary district project. The fund at present contains \$810.15, approximately one-half of the goal. For this we're grateful, and are working expectantly toward its completion.

Fair cooperation has been given to the financial arrangement the committee made for an expense account for items such as postage and printing. This year, we asked only an amount of twenty-five cents per month from societies having twenty-five or fewer members. Some have not paid; however, some societies paid promptly; and Waverly society tripled the requested amount.

Our driving mileage totaled 2,272 miles. The total amount of cash travel offerings was \$68.64.

Thank you for your prayers, cooperation, and assistance. Wherever we have tried to help, the warmth of reception has been encouraging. A spirit of unity exists among the current missionary societies. Their prayers and labors are kindling concern among others, who will soon take heed and become lights that shine in darkness.

Our district convention theme was "Workers Together With Him". Some people, as you know, are together against Jesus Christ. It's blessed to be together with Him; but even more blessed to be workers together with Him, "looking for and hasting unto the coming of the day of God".

Submitted respectfully,  
Ada M. White

## DISTRICT CHURCH EXTENSION COMMITTEE REPORT

This has been the first full conference year in which our new District Home Missionary Policy has been in effect.

The full text of this Policy is printed in the District Minutes. Our program, stated very briefly, is that due to the fact that 50% of the churches on our district have 20 or less members that our primary goal and emphasis is to strengthen and establish existing, weak, organized churches which have a real potential for growth if proper assistance would be given. Our secondary goal is to organize new churches in communities where the need and potential for a strong Pilgrim Holiness Church exists.

This program as outlined in the Policy is administered by the District Superintendent in co-operation with the District Extension Committee, which consists of E. E. Leadingham, Chairman, C. L. Fletcher, and C. E. Jones, Secretary. This committee is sold on this program and have their hearts in it.

33 churches have 20 or less members and therefore are a part of this program and come within the interest of this committee. 16 of these churches have been included in the personal attention, program and plans of the committee during the year. Definite programs have been developed for 6 of these churches.

This has been a working committee. We have had 18 committee meetings this year, most of them have been lengthy—one was 3 days long, another was 2 days long. 247 hours have been spent in committee meetings. About 80 additional hours have been given by each member of the committee to this work. This committee has collectively given about 1,000 hours to this work during the year.

Three basic forms have been developed and put into use this year by the committee.

1. Information Form—For the purpose of evaluating the need and potential of existing churches.
2. Evaluation Form—for the committee's analysis of the Information Form.
3. Pastor's Monthly Report Form.

Time will not permit us to report the details that have been involved in our consideration of 16 churches. However, I would like to give you some of the interesting and at times thrilling details of the programs that have been developed for four of these churches. (The Secretary then proceeded to give concise information concerning the programs developed for Perrysburg, Tiffin, Wellston, and Shreve.

Our Policy provides that there shall be one primary project developed on the district-wide level. The committee has given considerable time to evaluating the various churches and we are still in the process of working out the details involved in choosing a church to become the district project.

The following program has been developed as the type of program we plan to use in such a district project:

1. Personnel placement: A spiritual pastor of proven ability who we feel will fit into the local situation and give the church a strong and aggressive leadership.
2. Give whatever attention is needed to local problems and situations to put the church on a sound basis for growth.
3. Financial assistance: Supplement the amount the local church can pay to enable the pastor to put as much time as possible into pastoring the church.
4. Closer supervision: Monthly reports to committee and closer supervision by area committeemen.
5. As the financial strength of the local church increases, our portion of the total financial program will decrease as it is arranged with the local church.

The annual District Church Extension Offering which will be received September 29, will be of great importance to this program. \$2,000 is urgently needed in this offering to help strengthen the weaker churches on our district. Please pray much for this important phase of our district program.

Respectfully submitted,  
C. E. Jones  
Secretary

# **DISTRICT HOME MISSIONARY POLICY**

## **EASTERN OHIO DISTRICT OF THE PILGRIM HOLINESS CHURCH**

### **Section 1 — Object**

The object of the Pilgrim Holiness Church, as stated in our Manual is: First, to glorify God, our Father, to exalt Jesus Christ, our Saviour, and to honor the Holy Spirit.

Second, to carry out the Great Commission of our heaven-ascended Head by publishing the full gospel to every nation.

Third, to conserve the holiness work by forming churches and aiding in placing over them Spirit-baptized pastors, who will feed the flock of God and in every way possible help to get souls ready for the coming of our Lord.

In carrying out this objective, our District Home Missionary Program shall strive to strengthen and establish existing home missionary churches and to start, organize and establish new churches as outlined further in this policy.

### **Section 2 — Basic Goals**

Whereas, there are countless needs and opportunities for the investment of our efforts and finances in the general area of district home missions, it is essential to a sound policy that we establish our basic goals and determine the type of projects that shall be given priority in our program.

Our primary goal and emphasis shall be to strengthen and establish existing home missionary churches. The term "home missionary churches" as here used does not refer only to those churches which are as yet unorganized or which has less than seven members as outlined in the Manual, but shall also include weak organized churches which have a real potential for growth if proper assistance would be given.

(Due to the fact that 50% of the churches on our district have 20 or less members, we feel that the strengthening of these churches should be given priority over new projects except as outlined below.)

Our secondary goal shall be to organize new churches in communities where the need and potential for a strong Pilgrim Holiness Church exists. Our policy shall not be the indiscriminate starting of new churches. However, we realize that if we are to fulfill the Great Commission we must not lose our vision and interest in reaching new areas with the gospel of full salvation. We shall, therefore, strive to take advantage of outstanding opportunities to start churches where the need and potential for a strong church exists. Such a project could be deemed to be of sufficient importance to take priority over our primary goal.

### **Section 3 — General Procedures**

It shall be our policy to analyze the total picture of the needs and potential of home missionary churches as well as new opportunities in order to determine the best investment of our time, personnel and finances.

Our emphasis on the district-wide level shall concentrate on one primary project at a time. This project shall be determined as a result of the survey and analysis mentioned in the above paragraph.

It shall be our policy to initiate programs on the local and area level that will promote the strengthening of the weaker churches by the stronger churches of their area.

A careful evaluation shall be made of opportunities to start new churches. Whenever possible, approval and assistance shall be given to proposed projects which are consistent with this policy.

### **Section 4 — Administration**

The District Superintendent has general oversight of the work throughout his district. He, therefore, shall have the responsibility of the general administration of this district home missionary policy.

In accordance with the Manual provision that "the (district) council shall assist in planning the work of the district superintendent, and shall also lend its advice to local churches in the various problems which arise from their financial and spiritual necessities," (Section 112, P. 8), there shall be a District Home Missionary or Church Extension Committee consisting of three members which shall be appointed by the district

council. The members of this committee shall not necessarily be members of the district council.

This committee shall be delegated authority from the district council to carry out the district home missionary program as outlined in this policy in co-operation with the district superintendent. They shall advise and assist the district superintendent by suggesting programs and making recommendations for action to be taken concerning individual churches and situations in the process of reaching the objectives of this policy.

It shall be the responsibility of this committee to approve district home missionary projects and to promote the special projects, the September Offering, the annual camp meeting District Home Missionary Service and the district home missionary program in general.

They may make recommendations to the district superintendent concerning financial or other needed assistance, personnel placement, closer supervision or any other remedial actions which they feel should be taken to help and strengthen the weaker churches.

No program or recommendation of this committee shall be put into effect without the knowledge of the district superintendent. Decisions of this committee shall be final subject to the approval of the district superintendent, with the exception that any program or recommendation of the committee which would involve the expenditure of more than \$2,500, shall be approved by the district council. Recommendations of the committee may be taken to the full district council for consideration.

The Church Extension Committee shall make a report to the annual Conference, and to the district council when requested to do so.

In order that there be a co-ordination of all activities in this phase of the work, the district superintendent will work in co-operation with this committee and in harmony with this policy.

#### Section 5 - Amendments

This home missionary policy may be amended from time to time by the district council in consultation with the church extension committee.

This is commendable and more should be done in this direction which falls under the designation of Home department. But in order to avoid any discrepancies in the Sunday School attendance count in any of the churches, and in all fairness to every Sunday School in the District. Be it resolved that only those present in the Sunday School classes in the church be counted in total attendance for that Sunday.
