DISTRICT SUPERINTENDENT'S REPORT

To the twenty-fourth Annual Conference of the Illinois District of the Pilgrim Holiness Church, Greetings: Grace be unto you and peace from God our Father and from the Lord Jesus Christ.

Another milestone has been passed, another years' activities recorded, and we are being hurried on to meet life's problems, encounter other difficulties, face new tasks and travel unbeaten paths filled with many end-time anti-Christ obstructions. The only hope of the world lies at our door. We have the message that they need, with the commission to proclaim it and the command to "be instant in season and out of season." We must be earnest, faithful, prayerful laborers together with Him who is ever in the midst of His seven Golden candlesticks and who also has said "Fear not, I am the first and the last, I am He that liveth and was dead; and behold, I am alive forevermore, Amen, and have the keys of hell and of death." Our task is momentous. We dare not become factious or divided. We cannot stand still, we must go forward. The position we occupy is vital, and our outlook full of promises; for bright are the promises of God.

This has been a good year on the District. Every church has had at least one, and most of them two and three good revivals. I am sure there never has been a time of greater need for the preaching and living this Gospel of full Salvation than in this very hour. The District has been blessed financially this past year. Debts have been decreased and paid. Joliet paid off parsonage; Chicago sold old church and purchased a much better building in better location. Argo has purchased a splendid building site. Marshall sold old parsonage and are building new. Decatur built new parsonage. Several other pastors made necessary improvements on both churches and parsonages.

I am not quite satisfied with our Home Missionary Plans; however, our accomplishments the past year has by no means been in vain. What has been spent by us as a District I believe will bring fruitful dividends. Galesburg church debt has been liquidated by assistance of District Home Missionary Fund. Our work at Paris, pastored by Sisters Dice and Deardorff, has been supplied with some financial support. This appears to be an opportune field. Brother Friend Glendenning and Brother Abernathy each donated some ministerial labor to the Paris work. The pastors were worthy of more than we were able to give.

The Argo work under Brother Ashley's efficient pastoral leadership has become very promising. The District Home Missionary Department has helped some in this field; yet on the account of the lack of funds, the District has not thus far fully kept her promise of support. Because of the serious housing and living facilities it is hard to know what to recommend as plans for our Home Missionary Work. It does appear that our District Home Missionary money should serve a two-fold purpose; namely, 1st: To support salaries for chosen qualified Home Missionary workers and, 2nd: To create a loan Fund to be administered and loaned under the supervision of the District Council where and when building projects are deemed wise and promising. At present we need a church building at Bloomington, Streator, and Argo.

The Reverend A. L. Luttrull Trinity Tabernacle work at Olney has con-

sidered of coming in with us. I have made three trips to Olney in the interest of this work. Our brother Breen has a nice Tabernacle work at Mattoon and they have shown good evidence of courtship. Brother Teiffel, who lives at Effingham, has a community in which he has a preaching crowd every two weeks. Brother Thompson is still holding the fort at Lerna. Also Brother Catey has conducted two revivals in Greenup with Brother Abernathy and Brother Wheeldon as the evangelists. In these meetings a few souls sought and found God and I am sure these efforts were a Gospel seed-sowing time. Don't you think it would be good if we could swing back and have a blaze-hitter Frontier Home Missionary man like Brother Wheeldon use to do? Possibly Brother Wheeldon is not too old to do it again if we would give him a lift. As the darkness of the great Tribulation settles down upon this old world I find it is getting harder to have revivals, yet the possibilities of growth in grace and occupying till He comes is our Glorious privilege. Only through the grace of God, the good advise of the District Council members, the never-failing loyalty and co-operation of the true-hearted pastors and evangelists and the many words of encouragement from our laity, have I been able to face the task and problems of this past year. Hitherto hath the Lord Helped us.

I have visited all the churches three times with one exception, and several I have visited four and five times. Was honored in having a mortgage burning service at Joliet and a church dedication service at Galesburg. Conducted one ministerial convention, held all the annual business meetings of the District and several church board meetings of which I failed to keep a correct number. Have had three special-called District Council meetings, attend the General Conference; and remained over more than a day for a General Board Meeting. Have held three revivals in the District; Traveled a little over 14,000 miles, preached 156 times, worked at least three weeks on camp grounds, taken up several offerings for various needs and have had a goodly number of seekers which the pastors have reported. I have been paid more than I am worthy.

Salary from the District, \$3029.53, traveling expenses \$220.00, love offering \$77.27, revivals \$59.56. Total \$3386.36.

Also compiled one issue of the District Bulletin. There was supposed to have been ten. Please don't ask me where are the nine?

Respectfully submitted,
Howard J. Beecher
