DISTRICT SUPERINTENDENT'S REPORT

TO THE ILLINOIS DISTRICT CONFERENCE OF THE PILGRIM HOLINESS CHURCH:

God has brought us through another year with battles and burdens, but also with blessings and victories. With grateful hearts we should praise him together. Any advancement we have made has been under the Divine guidance of the mighty hand of God. In many ways, we feel the District is stronger, and is pursuing a course that if kept going will ultimately result in some substantial gains in churches and membership. The two years we have spent on the District has for the most part been spent in adjusting and rehabilitating the work, and we have seen some very gratifying results.

The Church at Jerseyville with a church and parsonage has been brought back to life, and is making some gains and bids fair to come back to normal life. Much credit is due Brother Jack Hysel and Brother Paul Meeks in getting this work back on its feet. Brother Stogdill has opened up a new work near Effingham, and has worked faithful at the job. Brother Dewey Barker has also opened up a new work at Shelbyville, and the Home Missionary Committee has been making some investigation as to some new property there. The church at Joliet has installed new pews and made some other improvements which has been needed for some time. It is a magnificent change and credit is due the fine property and Rev. Ralph Napier, the pastor. At Decatur Brother Riggs has been making gradual progress for the last two years until all the debt is cleared away and the church painted and also a great deal of other improvements have been made on the church. At Oblong Brother Cassady has just finished the complete renovation of the old church until it is one of the most beautiful churches in the community. Both the interior and exterior have been completely worked over. Brother Hall at Marshall has made some added improvements on the church. Brother Calloway at Palestine is in the act of making some very needed changes in the construction of the Church there. At Bloomington, Rev. Forest Adams has performed almost the inevitable. After about eight years on the field he has given the District a new church built out of very nice cement block material, and although not completely finished it is certainly a great piece of work. We have a very fine plant there. A nice parsonage next to the church and in very good location. A great amount of the labor was done by the pastor, and some donated by the community. At Springfield, Brother Beard has just about finished the parsonage, and has moved in. This is a very fine and creditable building, which adds much to the value of the District. This is not to leave out any and all other added improvements, which our good pastors have been so ardent in making an accomplishment, but we have given the most outstanding perhaps.

We have held three revivals on the District, and two off the District up until Camp Meeting season. We conducted a Ministerial Meeting in April which was held at the Argo Church. Some improvement has been made on the District parsonage, in adding metal awnings. A new power mower has been purchased for the Camp ground. Brother and Sister Hash, the efficient caretaker at the Camp Ground, have kept the grounds in better condition than it has ever been kept.

We have traveled about 20,000 miles on the District, and have received some help on our traveling expenses from the Dist., but no stipulated amount per mile. We have held meetings and put in our offerings on the mileage. At the beginning of the year our District finances were low, but we have come out at the end of the year in good shape, and out of the deficits.

We are retiring from the District to take a position on the faculty at Frankfort College and will be praying for the welfare of all.

Yours for a greater District in the number of churches and lost souls,
R. W. Wolfe

REPORT OF THE DISTRICT SUNDAY SCHOOL COMMITTEE

To the twenty-ninth annual conference of the Illinois District of the Pilgrim Holiness Church now in session at Charleston, Illinois.

GREETINGS: In the worthy name of Our Crucified and risen Lord. The District Sunday School Committee wishes to submit the following report of the Sunday School Work of the District for the past year.

During the year there has been added to the list of Sunday Schools in this district, three new names: that of Pleasant Hill, Ewington and Shelbyville. Also the work at Jerseyville that had stood inactive for some years, has been re opened. This gives us now a total of 28 active Sunday Schools as against 24 last year, or an increase in Sunday Schools of 16 2-3rds per cent. In spite of the worst winter that we have had in many years, the District still made a gain of slightly more than 7 per cent in average weekly attendance.

During the year the Committee has printed and sent out two field letters, and in co-operation with the other departments of the District work, has printed and mailed out eleven monthly Issues of the Illinois Conference Bulletin, each issue ranging in size from one to four pages. We farther sent out weekly reports of all the Sunday Schools of the District during the Sunday School Revival.

We held two committee meetings, four special Sunday School services in connection with the District Zone meetings and were favored with a very prominent part in the program during the District Ministerial meeting. It appears that this District is becoming increasingly conscious of the possibilities that lay ahead of us in the great work of building Sunday Schools.

IN MEMORIAM

LaVerne Wheeldon, 17 year old son of Elmer and Goldia Wheeldon, came to his untimely death on August 25, 1950 by an accident just two weeks after being saved and sanctified here at camp meeting. Surely "God's ways are above our ways and His thoughts are above our thoughts."

Sister Lola Wheeldon, pioneer mother in Israel of the Illinois District and wife of our beloved R. S. Wheeldon, was suddenly taken from this life to her eternal home on November 2, 1950. Truly it could be said of her, "She shall rest from her labors and her works do follow her."

Cora Catey, sister of W. E. Catey with whom she had made her home for many years, passed to great eternity after months of patient suffering on January 9, 1951. She had been a faithful attendant and loyal supporter of this camp meeting through the years. Yes, may we say with our Lord, "She hath done what she could."

Brother Henry Bonham, who will be remembered as a faithful worker on the camp ground went to be with Jesus on April 15, 1951. "Well done, thou good and faithful servant. Enter thou into the joys of thy Lord."

A vote of deepest sympathy from this conference is hereby extended to Brother Beard because of the death of his mother which called him from our midst Saturday, August 4, 1951.

"Not till the loom is silent and the shuttles cease to fly,
Will God unroll the canvass and explain the reason why
The dark threads are as needful
In the Weaver's skillful hand,
As the threads of gold and silver
For the pattern He has planned."

The following is recommendation No. 15 in the report of the Ways and Means Committee:

We recommend that each local and licensed minister taking his or her examination shall pay the examiner the amount of \$1.00 for each examination taken.

*Because of the overlapping of the Local Minister's Course with the Licensed Minister's Course, Ministers have been classified by "Parts" instead of "Years." There is no loss of credit by this arrangement.
