REPORT OF DISTRICT SUPERINTENDENT

To the chairman, Rev. P. W. Thomas, ministers and lay delegates of this 32nd. annual conference of the Illinois district, now in session, greetings in the dear name of our Lord Jesus Christ. Truly these are pressing days, but praise God they are good days. We have enjoyed working with the brethren this year. We put forth every effort to see the district go forward we could. First, we urged the members of the district to be more spiritual, second to contend for an old fashion revival in their church, and third to reach out unto open fields to help others to hear the Gospel. We are praising God for past,

and present blessings and expect greater ones in the future. We truly thank our God for His many blessings to us.

Home Missions

The district council asked that I should with the assistance of the Roller quartet cover the district in interest of district Home Mission. About \$2200.00 was pledged in this canvas. The Illinois District is a fertile field for us. Many doors are open. The need is great, but the workers are few.

We have assisted some of the smaller churches from this fund. Canton: A crowd of folk here interested in a Pilgrim Holiness Church visited the Galesburg P. H. C. for some time. Later they had a revival meeting and I was asked to come and organize. This work was supported by the folk there.

MT. VERNON—Some months ago Rev. D. E. Winemiller moved to the city of Mt. Vernon. He felt the need of a Pilgrim Holiness Church there. They started a cottage prayer meeting. Some were sanctified in these services. They had a revival, Rev. Sherman Deisher was the evangelist. Several were helped in this meeting. Bro. Winemiller purchased a house. It has a large room where 50 chairs or more can be placed and they are having their services in it. They soon expect another revival, looking forward to soon organizing a Pilgrim Holiness church there.

LAKE BLOOMINGTON AND HOLDER—There were two projects promoted under the direction of the Pilgrim Holiness church at Bloomington. Local preachers were used here. These were only feeders to the Bloomington church. We feel meetings like these are very profitable.

GIBSON CITY—Here we have rented a building for worship. It has been re-decorated inside and a lot of other work done. Rev. H. B. Carter and Rev. Glen Dyer being responsible for this work. A revival was held prior to this camp meeting. A good prospect for a Pilgrim Holiness church.

New Churches

CHICAGO—A band of people here felt the need of organizing a church. We were asked to come and organize. They have rented a building for worship and also a place for the pastor to live. Under the direction of their pastor Rev. Morris Berry, they are planning on building a church in near future. We are praying that God will give us a real old fashioned Holiness church here.

TUSCOLA—A band of people here has been having regular services for some time. They felt the need of a Pilgrim Holiness church. They rented a house where they are having services at this time. Just prior to this camp I went up and organized a Pilgrim Holiness church. Under the leadership of Rev. Robert Ethridge we are expecting this work to grow.

CANTON—Here too was a band of folk that desired an old fashion Holiness church. In above remarks about the work we stated the desire for us to come and organize. Some few weeks ago I went and organized. We are expecting this work to grow and Holy Ghost fire to spread.

Property Improvements

Many of our churches have made needed improvements this year.

ARGO—This church has installed fiber glass awnings on their parsonage, bought two lots that were needed badly, re-decorated the inside of the church, and bought 100 folding chairs. The estimated cost was \$3550.00.

CENTRALIA—The folk here have re-decorated their church inside and painted the outside. The estimated cost \$75.00.

COFFEYVILLE—The church has installed new gas furnace in the church.

LAWRENCEVILLE—On Feb. 3 this year the Lawrenceville church was badly damaged by fire. This required nearly a complete rebuilding inside. New furnace, rewiring, re-decorating of the inside, and they have purchased new pews. The estimate cost was \$8000.00.

MARSHALL—The folk here has re-decorated their parsonage which was badly needed.

MARTINSVILLE—The folk here have re-decorated the inside of the church and refinished the pews.

ONARGO—They have painted the outside of the church which was badly needed.

PALESTINE—The folk here have added fourteen feet across the East side of the church, to take care of the increasing attendance. This changed the arrangement of the inside. The pulpit was placed in the center on east side with accordion doors used to make Sunday School rooms on either side. The entire auditorium has been redecorated, hardwood floors laid, Sunday School rooms in basement to care for crowded classes. A special day for dedication is planned in near future. The estimated cost was \$5000 00.

PLEASANT HILL—These folk have re-decorated their church building inside.

ST. MARIE—These folk have changed the appearance of the church auditorium, by lowering the ceiling and re-decorating inside. The estimated cost being \$450.00.

BRIDGEPORT—These folk are lo king forward to building a new church to care for the increased attendance. Funds are being raised for this purpose.

WOODRIVER—A fine basement church has been completed at Woodriver. The estimated iost being \$6600.00.

ZION—The folk here have rented a building on the ground floor in which to have their services.

OBLONG—The folk here have finished three rooms in the basement of their church to care for the crowded Sunday School classes.

JOILET—The church here has been re-decorated inside and new floures-cent lights installed.

GALESBURG—The parsonage has been re-decorated inside.

OTTAWA—The interior has been re-decorated, parsonage papered, double sink, gas furnace, hot water heater installed. A new piano bought, roof repaired and the building insulated

CAMP GROUND—A new addition has been made to the stand, this being used for book stand and registration office. A walkin cooler also has been built for the use of the camp. Much of the electric wire on the ground has been changed to meet the need of camp. A new power mower also has been purchased for the camp ground. We are very grateful to our caretaker Bro Frank Hash for the condition of the camp ground. We are also grateful for those helping to make these improvements.

REPORT OF THE DISTRICT SUNDAY SCHOOL COMMITTEE

August 1, 1953 to July 31, 1954

During the past year the S. S. Committee has been engaged in a strenuous endeavor (and part of the time under difficult circumstance) trying to promote a worthwhile Sunday School program. Early in the fall we secured the services of Rev. Paul F. Elliott for a tour of the District and four Sunday School Conventions. These conventions were conducted in four of our centrally located churches. Bro Elliott's messages were received in a most gracious manner; and we are sure that much lasting good was accomplished.

The members of the Sunday School Committee traveled a total of 1946 miles, conducted four S. S. Conventions; printed and distributed twelve monthly Bulletins, and one field letter.

The District S. S. attendance has reached an all time high with an average attendance of 1989 thus showing a numerical gain of 271 or 15.7% over last year.

The following is recommendation No. 15 in the report of the Ways and Means Committee:

We recommend that each local and licensed minister taking his or her examination shall pay the examiner the amount of \$1.00 for each examination taken.

*Because of the overlapping, of the Local Ministers' Course with the Licensed Minister's Course, Ministers have been classified by "Parts" instead of "Years." There is no loss of credit by this arrangement.
