REPORT OF DISTRICT SUPERINTENDENT

To the members of the 10th annual conference of the Louisiana District of the Pilgrim Holiness Church, to Reverend R. C. Hawkins our chairman and General Secretary of Church Extension, to our laymen and many friends, I greet you in the name of our Redeemer and coming King.

In the following report, whatever victories have been gained and the material progress we have made can be credited to the efficiency and hard work of consecrated pastors and laymen of our district.

GENERAL:

ALEXANDRIA: has remodeled the living room and dining room and also painted the parsonage outside. The church has been re-decorated inside.

BASTROP: The church floor has been covered with a beautiful tile and the nursery completed.

BATON ROUGE: We have rented the church for \$100.00 a month for one year with an option to buy at the end of the year. We will not quit at Baton Rouge. Plans are being worked out to send a man there soon after conference.

COLUMBIA, MISS.: The church has been completed on the inside and brick veneered outside. This church shows signs of great promise.

LAKE CHARLES: We have reopened our work here under the leadership of Reverend and Mrs. Don Fuller. At the present time a complete church program is being conducted in the parsonage with favorable results. The old church was sold and a new building is well under way. The new church is an L-type structure with laminated arches and an exposed tim-deck ceiling inside. The outside is a beautiful buff-color brick. The educational unit has six class rooms, rest-rooms and a nursery. God is blessing this fine young couple and the outlook is very good.

SHREVEPORT: Has built a new church this year. This project which seemed almost impossible has been accomplished by months of hard work and sacrifice by Reverend and Mrs. Horne and their fine people. I was privileged to preach the first sermon in this new building on Easter Sunday. The building is of block construction and is 36' by 70'. The floor plan provides for seven classrooms, restrooms, a nursery, and an auditorium 36' by 36'. The total debt on this new building is only \$2,800.00.

SIMMS: The church has been repaired and covered outside with an asbestos shingle. This has greatly improved the value and appearance of the property.

GENERAL:

TIOGA: This is our newest project and the building is nearing completion. With the \$1500 Helping Hand money that we received for this project we were able to buy the lot which is 80' by 200', move the portable tabernacle and erect it on a concrete slab and build a new roof. Brother and Sister Titus Creech are pastoring this work and services are being held in the homes of our people until the church can be finished on the inside.

WEST MONROE: Has purchased a new parsonage. This was made possible through the Easter Offering from our district last year. We anticipate a sale of all our West Monroe property to the state in the immediate future due to a new highway. This could be to our advantage.

PERSONAL:

I have visited each church at least twice and most of them three and four times.
