DISTRICT SUPERINTENDENT'S REPORT

Pineville, La.,
August 28, 1941.

To the Second Annual Assembly of the P. H. Church of the La.-Miss. District—Greetings:

We are glad to report that God has brought us safely through another year with good victory. The battle many times has been far from easy and sailing everything except smooth, but through it all we have been conscious of the ever guiding hand of God.

This has been a strenuous year in many respects, with so many souls lost, and so few to save them. We have been compelled to work under great handicap, for want of funds and equipment in which to reach out and advance on the strong holds of the enemy. Still we have been enabled to make some progress. Our pastors and people have for the most part done about all that was possible to be done under the circumstances in which they have had to work.

During the year each of the churches has had at least two revivals. The church at Bogalusa has recently made some nice gains and has reduced their debt considerably and now have the debt to where the local congregation can take care of it. The Baton Rouge church has finished up their parsonage inside, which has added much to the appearance and comfort of the work there, and the nice thing about it is, that it is all paid for. The local church here at Pineville has gone to considerable expense and sacrifice to move the church from Alexandria to Pineville, and have built a nice church and parsonage that will be a credit to our work when completed. They have so sacrificed and arranged to have this nice property of approximately $7,500 and when finished will only have approximately $1,200 of indebtedness which is surely commendable for such a splendid property as we now have.

The past year we have organized a new church at Shreveport with twelve charter members, also we acquired a nice church building there, all free of debt, which has been a very fine addition to this district. The Shreveport church is now arranging to do some repair work that will cost them approximately $100, but will sure leave the property there in splendid condition for several years to come.

Personally during the past twelve months we have organized and pastored the Shreveport church six months, held three revivals on the district and three off, made from five to eight visits to all the churches, preached 167 times, made 305 pastoral calls, prayed in over 200 homes, anointed and prayed with for healing 27, have had 164 seekers, baptized 12, received into membership of the P. H. 20 members, traveled in interest of the district 8,247 miles, traveled in evangelistic work 4,488 miles, I received for support, from Shreveport church $66.44, for my evangelistic work $188.85, from the district for traveling expense $92.87, my salary from the general church $720. I have paid my own rent, utilities, moving expense, postage, telephone, telegram bills and paid my tithe to the district treasurer.

We are looking for a great year in the harvest field of souls if Jesus tarries.

Respectfully submitted,

W. E. HONEYCUTT, Dist. Supt.
