Committee on Minutes appointed by District Superintendent A. H. Wilson: Alvin Young, Oscar Lawrence, W. J. C. Vanoss.

As we come to the closing hours of the Assembly it is with reluctance that we contemplate the ending and the separating as we return to our homes and fields of labor. Surely we can claim the privilege of having sat together in heavenly places, the complete absence of anything that would sound like friction or contention has been noticeable during the entire Assembly. The outlook for the coming year seems freighted with possibilities of advancement equal to the expectations and desire of the most energetic and optimistic. Let us return with the report that Caleb and Joshua brought back to the children of Israel (We are abundantly able to go up and possess the land). In leaving the City of Gloversville we would feel entirely undeserving of the hospitality which we have received if we did not give some token of appreciation for the generous and adequate entertainment that has been accorded us. Let us each one feel the personal responsibility of rendering to those under whose roof we have been sheltered our heartfelt gratitude and appreciation. To the Church and Pastor and to all who have contributed in a temporal way we desire to call down upon you God's rich blessing that is promised to those who give even a cup of cold water in His name. We feel that to attempt to measure the extent of benefit and blessings of the sermons and exhortations of Our Beloved General Superintendent are not within our power of expression. To God be all the glory. May He be spared to us for many years, and may we each one endeavor to make use of the same in proportion to our ability to comprehend and absorb. We bid good bye to the people of the Church at Gloversville with hearts rejoicing for this privilege that we have been permitted to enjoy.

Moved and carried that 700 copies of the Minutes be printed and distributed as heretofore.

The following poem written by Rev. S. N. Bennett was read and it was voted to spread same on the Minutes and a copy be sent to the Advocate for publication:

Do we love, revere and honor,
 Those who do a blessing prove?
 Do we heed the admonitions
 That are brought to us in love?
 Though they pierce as doth an arrow
 We should welcome to our breast,
 Every shaft though sharply pointed
 If our souls we would keep blest.
 Listen then to God's own message,
 Though it come from lips of clay,
 If you covet ripened fruitage
 Welcome light in brightest ray.
 We may never know the conflicts,
 Or the prayers and growns and
 tears,
 That precede a God sent message
 E'er it falls upon our ears.

Though to God be all the glory
 For the blessings of His word,
 But how highly we should value
 Those who wait upon the Lord.
 Bringing fruit so ripe and luscious
 That we ever cry for more,
 As we sit in heavenly places
 And on us rich blessings pour.
 Oh, dear Lord, enlarge our vessels
 That we may this treasure store,
 And, as we go forth as sowers,
 Oh enlarge it more and more.

—S. N. B.

It was moved and carried that we extend to Bro. Rees, our General Superintendent, a rising vote of thanks for his efficient service in the business sessions, his helpful spiritual advice, as well as his unctious messages during the evangelistic services.

There being no further business the Assembly adjourned in due form. The Assembly is history. Unity prevails. The work is progressing. Christ is exalted.

REV. ALVIN YOUNG, District Secretary

Resolution No. 1—Resolved: That our class leaders give a report of their activities on the blank provided for the same, and that the same be read and included with the other church reports at our District Assembly.

Resolution No. 2—Resolved: That we recommend that our churches of the New York District observe the Sacrament of the Lord's Supper at least once every three months. Due notice to be given from the pulpit on the previous Sunday, or not less than a week in advance.

Resolution No. 3—Because of the ever growing menace to vital Salvation of the divorce and remarriage evil, we feel that some definite position should be taken by the Pilgrim Holiness Church regarding the same, that honest hearts may be protected and warned, and inasmuch as the Manual does not declare itself definitely on the subject; therefore, be it

Resolved: That until such time as the General Church does take such definite position, that people who are divorced and remarried, except to be remarried to the one from whom they were divorced, shall be denied membership in our Pilgrim Holiness Churches of the New York District.

Resolution No. 4—Recognizing that missionary interest is vital to the deepest spirituality of a church, we recommend and urgently request that each Pastor see that a freewill offering be taken once each month and that the congregation be notified a week in advance that said offering will be taken. The day and date of offering to be determined by the local Church. This offering to be sent before the 20th of each month with the report to the District Secretary of the Missionary Board. This offering shall not be taken from the Pastor's support.

Resolution No. 5—Resolved: That all moneys intended for District Secretaries, Treasurer, etc., of the various departments of the District be sent them so as to reach them not later than April 10th.

Resolution No. 6—Resolved: That the New York District be subdivided by the District Council so as to include small groups of Churches, which shall meet together for conventions, same to be in charge of the District Superintendent or his assistant, or some one appointed by him.

Resolution No. 7—Resolved: That all monies given to Missionaries visiting our local Churches be reported to our District Foreign Missionary Treasurer, by means of a receipt showing amount given them; and be it further

Resolved: That all other moneys intended for the various mission fields etc., be sent through the District Foreign Missionary Treasurer, either specified or unspecified.

Resolution No. 8—Resolved: That all activities for the benefit of the Bethel Orphanage work be reported direct to the representative of the orphan work for the District, and that a report be sent in from each Church at the end of each quarter of the Conference year; and be it further

Resolved: That each Church give at least one service during the year to the interest of the orphanage work at which the representative of the same shall be invited to have charge.

Resolution No. 9—We recommend that each Sunday School in the District establish a birthday box for the benefit of the Bethel Orphanage work, the contents of which shall be sent at the end of each quarter of the Conference year to the District Representative.

Resolution No. 10—Resolved: That our Church Extension work be continued for another year, and the evangelist so engaged and supported by the District as heretofore.

Resolution No. 11—Resolved: That an offering be taken by each Church to help defray the expenses of the District Assembly, the same to be brought to Assembly by delegate.

Resolution No. 12—Resolved: That each Church throughout the New York District, if possible, shall have a Young People's Society, as set forth in the Manual, and that same shall report at Annual Assembly.

Resolution No. 13—Because of the fact that the Pastor's conference year closes with the Annual Assembly, be it

Resolved: That said Pastor's farewell service will be on the Sunday following Conference.

Resolution No. 14—Resolved: That each Church sending a delegate or delegates to the District Assembly pay the traveling expenses of said delegates and Pastor. The same to apply to this Assembly and hereafter.

Resolution No. 15—Resolved: That the Treasurers of the various departments of our work carry their accounts at the bank in the name of the department they represent and not in their personal names.

Resolution No. 16—In as much as it is impossible according to State law for the District Council to borrow money for any purpose unless a special corporate meeting is called, therefore be it

Resolved: That this Assembly authorize said Council to borrow at its discretion not to exceed \$2,000.00 if need require.

Resolution 17—Resolved: That one half of the Conference claims shall be sent to the District Treasurer by January 1st and that the District Treasurer be authorized to notify each Church.

Resolution No. 18—Sensing the confusion existing today in the so-called religious world because of the repeated attacks of the enemy of souls on the fundamentals of Christian religion, and because we realize the need of the day to be ministers of the Gospel, alive to the situation and competent under God to cope with the assault being made against Christianity and feeling that by conferring with ministers of like mind a more concerted and efficient campaign may be promulgated, therefore be it

Resolved. That an annual three day ministerial convention for the discussion of subjects relevant to the situation be held. The subject matter to be discussed to be determined by the District Superintendent.

Resolution 19—Realizing the need of keeping our cemetery lot in proper condition we hereby

Resolve: To enter into a contract with the Chenango Valley Cemetery Association for perpetual care of the same. The financial help for the expense of the same to be provided for at this Assembly.

Resolution No. 20—Resolved: That we of the New York District of the Pilgrim Holiness Church assume the responsibility of the tuition and clothing of Allen Reed, son of Brother Reed, Missionary in Africa, while he is completing his high school education in the United States.

Resolution No. 21—Since our Manual provides that a representative shall visit our Churches once a year in the interest of the various departments of our Church, and since it is our desire to contribute to the support of these departments, but with a proper proportion, and as we have our District and local obligations to take care of, be it therefore

Resolved: That none of our Churches shall make arrangements with said representatives nor respond to solicitations by mail or for such services without the indorsement and co-operation of the District Superintendent.

Resolution 22—Resolved: That children under the age of 14 years who are members of our Church be excused from conference claims.

Resolution No. 23—Resolved: That each Church take monthly offerings for Church extension work, said offering to be sent to Secretary-Treasurer of Church Extension work.

Resolution No. 24—Since the support of the Foreign Missionary Department needs constant and regular attention and that occasions of great enthusiasm do not last, be it therefore

Resolved: That each local Church organize some definite and systematic plan by which regular monthly offerings shall be given to the support of Foreign Missionary.

In connection with this department of our work I would say by way of information that meetings have been held at Port Jervis, Herkimer, Syracuse and other places. Two churches have been organized, one at Port Jervis with 15 members, and one at Syracuse with 12 members. In both of these cities the outlook for our work is very bright and promising; Local work along church extension lines has been done by several of our churches, among which might be mentioned Lake Placid, Albany, Brushton, North Troy, Union Valley and Binghamton. The saints at Sydney are putting forth efforts to establish a Pilgrim Holiness Church there. Some of our brethren in connection with their regular work have given of their time in seeking to extend our borders and reach hungry hearts, receiving but little for their labor. This labor and sacrifice is to be appreciated. The response of the local churches to appeals for funds for this department of our church is also to be appreciated. It will be remembered a resolution was passed at Schenectady District Assembly which proposed that monthly offerings be taken for this work and forwarded to the Sec.-Treas. It is to be hoped this may be continued this coming year, and that there may be a yet better response from all the churches of the District, that our activities in this department may be continued and pushed with greater vigor. Given adequate, systematic support this department wisely conducted must result in great blessing to our entire Pilgrim Holiness work. It is to be hoped that this Assembly may devise some plan whereby this department may be thus adequately and systematically supported. Humbly thanking God for all that has been accomplished and praying for His continued blessing on this necessary department of our work, I am your servant and His,

REPORT OF THE DISTRICT SUPERINTENDENT

To the Annual Assembly of The New York District of the Pilgrim Holiness Church:

The following is my report as District Superintendent for the year ending April 15, 1929: I have visited all of the Churches twice during the year and find them as a whole pushing ahead and reporting some gains in membership. New Churches have been organized at Port Jervis, Syracuse, Fredonia, N. Y., and East Athens, Pa., and several new places are calling us to help establish a Holiness work in their communities.

I trust this Assembly will help the Church Extension Board to perfect plans for carrying on their work. We should as a District do something to finance in a systematic way the Church Extension work. Never were the needs greater and calls more urgent than at present.

The Foreign Missicnary interests have been well taken care of. Most of our Churches had a missionary convention which proved a great blessing and aroused them to greater activity along this line.

I received for my services as District Superintendent \$213.97. For evangelistic work \$350.00.

Respectfully submitted,

A. H. WILSON, District Superintendent
