DISTRICT SUPERINTENDENT'S REPORT

To the New York Assembly of the Pilgrim Holiness Church
Convened at Binghamton, N. Y.

Dear Brethren:

Greetings in Jesus Precious Name.

Another conference year has come to a close and as we look back over the year with its peculiar trials we are sure that God has led us as a district.

The most of our churches report good revivals during the year and despite the depression and hard times financially our brethren have worked faithfully.

The missionary and other departments of the district have been well looked after as the various reports will show, and I believe as a whole we have taken advanced steps.

Several of our churches are doing church extension work under the supervision of the pastors and find it a great blessing to the church and a means of soul saving. New churches have been organized at Speculator, N. Y., and New York City. Brother Philips is caring for the church at Speculator in addition to his work at Wells and Brother Joseph a native of the West Indies is in charge of the work in New York City. His work is among those who come from our Missions in the Islands seeking work in the city. This is a very needy field and is worthy of our support as a church.

The Ministerial convention at Ravena was a great blessing to the church and community and should have the loyal support of our ministerial brethren. Our opportunities for advancing were never better than at the present. May God help us to push on. I received in offerings for my services as Superintendent, \$209.43.

Respectfully,

A. H. WILSON

LETTER FROM SETH C. REES

Indianapolis, Ind., April 14, 1933

Pilgrim Holiness Church Annual Assembly
New York District, New York.

Dearly Beloved:

It is a great disappointment to me that I am not able to be with you in the sessions of the 1933 Assembly. There are some reasons why I specially wanted to be with you on this occasion, but it has been ordered otherwise.

With brief reference to my own sickness, I have been sick since August, and much of the time very sick. Four times I thought I was going to Heaven, and my friends thought the same thing. But it has been five days since I have had a sinking spell and really I seem to be gaining in strength.

I must say to you that you have my most cordial and hearty co-operation in all the efforts you are making to extend the Kingdom, especially in Missionary activities. One of the chief mistakes of the Pilgrim Holiness Church is that we have made missions and missionary work a department when we should have made it our objective point—first, last and always.

Education is good but we are no where commanded to educate the world; human ethics is important, but ours is a greater job than to teach people how to behave themselves. In fact, we are honored with the privilege of bearing the noblest message and the most resultful story ever carried by humanity, and that ever fell from human lips. If we as a Pilgrim Holiness Church, do no more we must evangelize the world. And in evangelizing the world we honor the beautiful romance of the Cross, the greatest story ever told, we fire and qualify our own souls to carry out the command of Jesus in the great commission. The great

asking to you like this is because I feel the evangelization of the heathen is the crowning theme of the Christian church. In whatever else the Christian church succeeds, if she fails in evangelizing the heathen she has made a most lamentable and deplorable failure in life.

I rejoice in the reports that are read to me in the Advocate of your progress in the homeland, but this is only incidental—a sidelight. The salvation of a thousand million heathen who have never heard the story of the Christ and the Cross is our calling.

If other denominations are called to politics or any other incidentals, I am not taking the time to find fault with them. I am saying to the Pilgrim Holiness Church that we have another job, and that the greatest job ever laid on human shoulders or human heart, the job of getting the Gospel to the heathen. If you are not interested in this, you have missed the calling of a true, loyal Pilgrim. Ours is to preach the Gospel of Jesus Christ to the ends of the earth at any cost.

I have never heard so much said of any subject as I have of the financial depression; it is strange that it was not foretold in the Book of books. We are led to believe that God himself is not interested in it. He transacts the greatest business with the smallest capital of any corporation on earth or in heaven; and the sooner we get our eyes off the ideal conditions and see Jesus only and teach the people God's word as it comes to us in such clarion tones, the better off we will be.

I sincerely hope in your coming assembly, the financial depression, the political conditions will have no place, and that the brethren will make no mention of them. Magnify God, hold up Jesus, honor the Holy Ghost, and send the message to the people and to those who have never heard.

Don't take this as something severe. It is comparatively mild, but it is the positive truth.

During the days and even weeks that I have lived right down close to the line of worlds, God has given me visions, has let me see things of the other country; things of the most importance to us in both this world and the next. And I feel I have a right to say (however it may be received) that we are too disinterested in the most interesting matters of this world, that is the giving of at least one chance to the heathen for him to accept Christ. I am confessing to the New York Assembly of the Pilgrim Holiness Church that these visions have led me to believe that as a minister of the Gospel of Jesus Christ, I have been too tame, though I have been branded with being too radical. If ever God allows me to preach again my message will be less acceptable to the ordinary Protestant professing Christian than before. If I have seen anything sufficiently clear to warrant me to announce it to the public, it is that a vast number of people professing holiness (not only in other holiness movements, but in the Pilgrim Holiness Church) are deceived, and will without repentance wake up in Hell. Hell is awful, and one never sees it as it is until one nears the line of worlds.

It may not be out of place for me to say right here that my burning heart is ablaze for the salvation of a single tribe of Indians in the mountains of Mexico, the Aztec Indians. They number 300,000 and are receiving the Gospel almost as fast as it reaches them. And the Aztec converts are making such manly men, such successful soul winners that we might cry by day and by night that this tribe might all come to at least the knowledge of the story that we hold so dear.

This communication may be too long. I am warned not to deplete my strength, (though I lie on a comfortable bed), in dictating at too long a period.

Let me assure you every one that you have my sympathy, love, confidence and cooperation in anything that will reach a lost world.

In tenderness and in tears, I am His and yours to make Him known to the world,

SETH C. REES,
General Superintendent

LETTER FROM GRACE M. ROBINSON

532 Shotwell St., San Francisco, Cal.

To the New York District of the Pilgrim Holiness Church.

Greetings in Jesus' name:

Another year has gone into history. I suppose I can truthfully report it has been the hardest year we have had since coming to the city, but,

"Our God is enough, the source of all good,
He keeps us from sin, He said that He would
The foe would destroy, He would if he could,
But God is enough, enough, enough!"

He has supplied our needs, allowing us to be tested but never failing to meet us right on time. Many times it has seemed as if all Hell was set in array against us on the waterfront. Mockers and scoffers—men whom it has seemed have no regard for Christ and His Gospel have withstood us on the street. In spite of all this many have heard the "Old Old Story" and some have been saved as a direct result of the open air service. Our mission reaches many nationalities, making us feel like we are foreign missionaries sometimes.

During this past year we have seen two men marvelously delivered from Devil oppression. One, a Norwegian, had been a seeker in a "tongues" Mission and was in awful darkness. Thru much prayer and pleading the precious Blood, he was delivered. He told us he could not sleep at night and any attempt to read the Bible made him worse but the Lord gave him a clear testimony that he was saved. The other man's condition was very similar though he was mixed up in Spiritualism. This last man was Polish.

Quite recently one of our Christian boys was healed of hernia.

Some backsliders have been reclaimed. One a young man who was a graduate of the Nazarene College in Pasadena and had been licensed to preach, had become discouraged and lost God out of his soul. He knelt at the altar and in tears of sorrow, got back to God. As quickly as he was restored he began to seek to be sanctified. A few have been sanctified during the year—some have seen their need but failing to go thru have lost out entirely. Many have been seekers whom we have not seen again. About four weeks ago a Portuguese woman was saved. Her testimony in broken English would bless your hearts if you could hear her.

June 8th, 1932, our precious sister, Mrs. Ferguson went to be with Jesus. For nearly forty-five years she had carried Peniel's burdens and had worn out in the service of the King. We miss her sorely but look forward to meeting her above the clouds.

We are expecting to leave San Francisco within a week for two months rest. During that time 1555 Atchison St., Pasadena, Cal., will reach me. Would like to hear the reports of Victory at the Assembly and trust the Lord will graciously pour out His Spirit.

Yours to be true,

GRACE M. ROBINSON

LENA M. ROY'S LETTER

Netcong, N. J., April 18, 1932

Pilgrim Holiness Assembly,
Binghamton, N. Y.

Thank God for the privilege I had of attending one day's session at the Assembly!

I am so glad there is a day coming when we shall meet in the General Assembly in the skies, where there will be no breaking up to go back to live in the midst of sin.

I want to thank God for His dealings with me this past year. In the way along I see His hand. If, sometimes, dark places come, we

... there just the same. Were there no dark places, we should not
... how marvelously He can work. Praise His Name!

My worker's report is brief. I have made a few calls and prayed
with a few people. Had charge of children's services at Victory Grove
camp for which I received \$10.00.

Continue to pray for me. I think I need it nearly, if not quite, as
much as when I was in Africa.

Thank God for His presence with me just now.

Yours till Jesus comes

LETTER FROM AUGUSTA ENGWER

Netcong, N. J., April 17, 1933

To the Annual Assembly of the Pilgrim Holiness Church at Bingham-
ton, N. Y.

Greetings through Him who loved us, and washed us from our sins
in His own Precious Blood; and is soon coming to take us to "The Place
Prepared for us".

Am glad I can report "I have a deep, settled peace in my soul", mid
all the uncertainty and changing things of this present time, the Everlast-
ing arms are so consciously holding and enfolding, and I feel so secure!

There is not much coming under head of report blanks to report; have
only had a few services during the year, and sent in four new subscrip-
tions to Advocate; taken care of Missionary work for district and written
a few reports for Advocate reporting Camps and Missionary activities and
such matters as I have been acquainted with, have been too far away to
report all or know all that has been going on.

While we have missed the fellowship of God's Children in services,
etc., we are grateful for the privilege of "Living for Jesus" in as wicked
a place as N. J. is conceded to be and believe He has helped us to let
our light shine right here.

Am praying that this will be a wonderful Assembly, and God's pres-
ence will be manifest in a very marked manner.

Yours in Him,

AUGUSTA ENGWER

LETTER FROM REV. AND MRS. EJNAR L. LARSON

Hong Kong, South China

I'm glad to report victory through the blood. We have got settled
and are busy in our work which consists of teaching, preaching and
other duties connected with missionary work.

God's blessing is upon the work. Souls are seeking and finding God.
A dear Chinese Bro. from the north who had been traveling in different
provinces helping in gospel work wherever he goes, stopped over with us
about ten days at the time of the Chinese New Year. We enjoyed his
fellowship, preaching and testimony. The last evening in his testimony
he said: "I have been a Christian eight years, have traveled in different
provinces, been in many churches, but never before have I seen a prayer
room above the pulpit where prayer goes up night and day." He thought
it was wonderful, as well as scriptural, for it says, pray without ceasing.

My wife and I are glad to be back in the work again and our two
babies are doing well, and we want your prayers that God will keep us
all well so that we can keep on with our work.

The other day the thought came so blessedly to me about Joseph
when he answered his brethren: "It was not you that sent me here but
God." How blessed it is to be able to recognize God to have sent us
here to Peniel Mission. I am sure God has a real purpose in it,
... His name.

Yours in His service,

EJNAR L. LARSON

RESOLUTIONS ADOPTED

Resolution No. 1—Be it resolved that. Any licensed Preacher who fails to stand examination on at least one book of the course of study for licensed preachers during any one year shall be demoted to the standing in the course of study one year below the standing he now occupies, except he be excused by the District Council on account of sickness or for other justifiable reason.

Resolution No. 2—In order to safeguard one another as Churches, and recognizing the Ecclesiastical governing body be it therefore Resolved that no property, such as Churches, Parsonages, or any other buildings, or Land, shall be sold of any of our Incorporated churches without first conferring with the Trustees of the District Corporation.

Resolution No. 3—Resolved that, Sec. 16 of Article 2 of the Religious Corporation Law be enforced in our District, in regard to Churches who have discontinued holding services, and where are less than seven resident attending members.

That such temporalities and property be managed by the District Council of the Pilgrim Holiness Church, Inc. Our Ecclesiastical Governing body, or may, in pursuance of the provision of Law relating to the disposition of real property by Religious Corporations, sell or dispose of the same, and apply the proceeds thereof to any of the purposes to which the property of such Governing Religious body is devoted, and shall not divert such property to any other object.

In no case shall property be sold or disposed to support the Preacher who may claim this as an out appointment.

Due notice shall be given by the District Secretary regarding the action of the District Assembly in declaring a church extinct, within 30 days, to the remaining members, if any.

Resolution No. 4—Resolved, That when money is sent direct to any Fund the church Treasurer shall obtain a receipt for same and forward this to the District representative.

Resolution No. 5—Be it resolved, that all departments of our church shall upon receipt of moneys immediately forward receipt for same to sender.

Resolution No. 6—No Preacher, or Evangelist coming from another denomination shall be received into our Conference until one year shall have been spent as "Supplying a church, or sufficient Revival work done in the District to prove the ability and sincerity of the Candidate".

Their names shall not appear in our Minutes as regular stationers, Preachers but as "Supplies", and the Church which they serve as "Temporarily Supplied by".

An exception may be made to this rule when the preacher or evangelist is fully known to the District Council, they may hold membership in the Church they supply.

Resolution No. 7—Resolved, that our Conference Assessments be fixed to \$1.25 this year and that the extra 25 cents be kept for the expenses of the Delegates to the General Assembly in 1934.

Resolution No. 8—Inasmuch as it has been a practice in other years for some delegates to leave the business sessions of the Assembly one or two days before its close, be it resolved, that all delegates and Preachers shall attend each business session of the entire Assembly unless excused by the Presiding Officer.

Resolution No. 9—Resolved, that resolutions Nos. 4, 6, 7, 8 of the minutes of 1932 be dropped.

Resolution No. 10—Resolved, that the District Superintendent receive for his services an amount equal to 4% of the Pastors salary of the previous year. The same to be raised before or at the time of his visit.

Resolution No. 11—Resolved, that Resolution No. 21 of the minutes of 1932 be dropped and the following resolution be adopted: That the Board of Trustees of the Pilgrim Holiness Church, Incorporated, turn over the management of the Chenango Valley Cemetery Plot to the Local Board of the Pilgrim Holiness Church at Binghamton, N. Y.

Resolution No. 12—Resolved, that in compliance with Sec. 16, Article 2 of the Religious Corporation Law. We, the Conference of the Pilgrim Holiness Church, Inc., declare the following Churches extinct, namely: Grosvenors Corners, Conesville and Union Valley, and that the District Council shall take possession of the temporalities and property of said Churches and manage the same, or may, in provision of said Law, sell or dispose of the same and apply the proceeds thereof to any of the purposes to which the property of Our Church is devoted.

Due notice shall be given by the District Secretary of this action within 30 days to the remaining member or members, if any.

Resolution No. 13—Inasmuch as the resolutions contain matters of vital importance to our lay members, and inasmuch as not every member reads the resolutions, we recommend that our pastors read the Resolutions before the church, as soon as possible after the distribution of the Minutes.

Resolution No. 14—Be it resolved, that each Church of our District give \$2.00 or, more per month, if possible, to Church extension work.

Resolution No. 15—Be it resolved, that we the New York District of the Pilgrim Holiness Church in convention assembled at Binghamton N. Y., April 22, 1933, place ourselves on record as being unalterably opposed to the modifying or repealing of our national prohibition laws and deplore and condemn the present sale of beer throughout the nation in restaurants, hotels, railway dining cars, grocery and drug stores.

And furthermore we advise and strongly urge our people not to encourage such sale of beer, refusing to patronize grocery stores and restaurants and other places where such sale is permitted.

Resolution No. 16—Again, we are reminded how swiftly the hands of time are speeding by. While it does not seem to be but weeks or perhaps a few months since last we met, yet we are confronted with the fact that we are abreast of another mile-stone of our Church History. As we look out in retrospect, we are pressed down in humiliation and unworthiness, for the goodness of God to usward doth lead us to exclaim, "What is man that thou art mindful of him?"

While the conditions in the temporal world are almost chaotic, yet the foundations of the Lord standeth sure. Earth's banks have declared a holiday; Heaven's bank is still open, honoring checks, declaring dividends, and guaranteeing a surplus that is inexhaustible. There cannot be any possible failure if we continue to draw from the fountain that never runs dry. Our ranks or workers have not been broken into by the grim reaper; our needs have been supplied according to His riches; the depression has brought benefits and verified that Scripture that says, "He will cause the wrath of man to praise Him" and now as we look out in prospect, let us catch inspiration and courage from that intrepid lad who with his sling and stones marched boldly out feeling certain of victory because he came in the name of the Lord of Hosts.

We would not be unmindful of the cooperation, labor and sacrifice of the people of Binghamton, both in and out of the church, which has made this assembly one long to be remembered as a helpful and beneficial season. May the continued blessing of God attend you is our prayer.
