ANNUAL REPORT OF
THE DISTRICT SUPERINTEND

In making my Annual Report to the Thirtieth Annual Assembly of the Ohio District, P. H. Church, I am pleased to say that the past conference year has been one of most gracious communion with our heavenly Father, and, as well, a year of delightful fellowship with the ministry and the laity on the District.

I am also glad to report that throughout the year I have been busily and happily engaged in the work to which Assembly of 1933 elected me.

I do not wish to leave the impression on the mind of this Assembly that the year has been without its battles and its burdens, but I am happy to say, that, in spite of the battles, burdens and many perplexing problems, grace has been freely and abundantly provided in every time of need.

I find that our churches on the Ohio District, are as a whole, in a fair spiritual condition and are pressing the battle, unitedly, for God and the salvation of never dying souls. All of them are reporting from one to three revival meetings for the conference year in which the church has been greatly helped and weeping seekers have become happy finders.

The ministry seems to have a clearer vision of future possibilities, the laity a brighter hope for the tomorrows, and, while I am not a prophet, neither the son of a prophet, yet if the P. H. Church in Ohio will keep filled with the blessed Holy Spirit and low at the foot of the cross, I dare to predict great things for her in the immediate future.
I would like to take the time and space here to say, The Pilgrim Church may never be a large church, numerically, but she may be a holy church. She may never be known for her material riches but she may be known for her spiritual riches. She may never be able to dictate the political affairs of the material universe but, thanks be to God, she may have power in the things that pertain to the spiritual. And after all, holiness of heart and holiness of life are the things that are absolute necessity if we expect to make the city of God our eternal habitation.

Since we met here a year ago five new churches have been added to our number. Through these new organizations better than one hundred and ten members have been added to the Ohio District. Also the prospects look bright for other new churches in the near future. We are still contending that it will pay us well to do something definite along the line of Home Missions.

These new churches were organized in the following places, Green-...dale, Mason, Williamsport, Good-Hope and Peebles.

This has been the busiest year of all that we have spent in this office. With but few exceptions the Lord has enabled us to visit each church on the District four different times. The Lord has been pleased to bless us with a few souls, helped us to administer the Lords Supper, to hold business meetings and to attend to such other matters as would naturally fall to the lot of a District Superintendent. In addition to this, we have been enabled by the help of the Holy Ghost to preach two hundred and forty six times.

In the way of salary the Lord has been pleased to give me the sum of $1,213.94. Of this sum I received from the Churches, in offerings $262.26 and from the District Treasurer the sum of $586.68. Of this amount we paid for rent the sum of $240.00. For traveling expenses the sum of $156.02 leaving a net support of $817.92. for which we truly thank the Lord and the good Pilgrims of the Ohio District.

In closing our report we want to thank one and all for the kind treatment and Christian spirit that has been ours to enjoy as we have gone up and down the District.

We also wish to give thanks to our Father in Heaven for His saving grace, His keeping power and His guiding hand throughout the year.

But as we render thanks to God for the blessings and victories of the past conference year, we do not want to forget the fact that there are greater things ahead to accomplish for Him in the future than we have ever been able to accomplish in the past. So, by His grace, we are going on.

Respectfully submitted
L. R. ROBERTS

REPORT OF THE WAYS AND MEANS COMMITTEE

1

We recommend that each local church raise the equivalent of $3.00 per member. Two dollars for Foreign Missions and one for General Interests.

2

Be it resolved that all our members tithe their income into the local treasury of the Church in which their respective memberships are held. That 10 per cent of all gross receipts with the exception of General Budget, Foreign Missions, Evangelistic support and the Building Fund, be forwarded monthly to the District Treasurer. 70 per cent of this to be applied on District Superintendent’s support, the remaining 30 per cent to go for District Expenses.

We further add that the District Superintendent pay his own traveling expenses, and receive an offering at each local church visit, the offering to be applied on his support and credited to the local church tithe.

3

Inasmuch as there has not been sufficient funds for Church Extension work, we recommend the following resolution:

Par. I. Be it resolved that we ask our Sunday School Superintendents of all our local churches to take birthday offerings to be forwarded to our District Treasurer monthly, the same to be forwarded to our Home Missionary Treasurer.

Par. II. We further recommend that all local, Licensed, and Ordained Ministers be requested to pay the sum of one dollar per year, the same to be applied on Home Mission.

Par. III. We further recommend that each local church be requested to purchase a motto especially designed to remind you of your coming birthday offerings. The same to be hand painted and in colors, the cost not to exceed fifty cents each.

4

In consideration of the work of our District Secretary and Treasurer, Be it resolved that we pay our District Secretary $25.00 per year and our District Treasurer $75.00 per year for their services.

REPORT OF RESOLUTION COMMITTEE

1

Left to memorial committee.

2

Inasmuch as we are yet in the throes of the depression and many corporations have taken losses, and that several of our churches have district monies borrowed.

Be it resolved that our Church Extension Board cancel all future interests providing said church now owing district money, raise an amount equal to the interest and more if possible.

The same to be paid quarterly or semi-annually, and applied on the principal.

3

Be it resolved that we extend a vote of thanks to our local churches for their splendid response in the Camp just completed and that Resolution No. 10 of last Assembly be adopted for preparation toward Camp and Assembly of 1934.

In order to expedite business in our next Assembly be it resolved that our District Superintendent appoint the resolutions and Ways and Means Committees for the coming year during this Assembly.

Referred to Camp Meeting Committee.

4

Resolved that each church sending donations of bed clothing or provision for District Camp and Assembly shall accompany the donation with invoice giving value of same.

Resolved that all donors of provisions to District Camp who desire the return of the containers shall place labels on the containers.

Resolved that 500 copies of the Assembly Minutes be printed and sold at ten cents per copy, and that we carry an announcement of camp meeting and brief statement of the Evangelist and workers on the cover of the Minutes, and send five copies to the General Headquarters.

Resolved that the District Camp Meeting be held Aug. 2-11, 1935 and the District Assembly follow on the dates August 12-14.

Referred to council.

11

In order to aid the Statistical committee in their labors: Be it resolved that our churches shall send through their delegate, or pastor all Assembly reports in one sealed envelope, the pastor is to see this is done and ready to hand in at the beginning of Assembly, and that the Pastor be responsible for these reports and that they be in at the beginning of Assembly.

12

 Whereas our Home Missionary work is making such slow progress and we are greatly in need of District tents, therefore be it resolved that each Sunday School shall give at least ten cents each Sunday, the same to be sent to the District Treas. monthly, to be held in trust for the purchasing of tents.

Whenever this fund is sufficient to purchase a tent the District Council shall be authorized to make the purchase.
