#### DISTRICT SUPERINTENDENT'S REPORT

Another year has passed and gone into history, and we do know God has indeed been faithful to us all. We have faced some most perplexing problems, but have proven the power of God's Grace to be sufficient. Our pastors and workers have shown a spirit of self-denial and sacrifice of the cause. We have not been in the field as much as we desired on account of our position in the school. But we thank God for His Love and goodness and that we have seen at least a measure of some things our hearts have longed for.

We have visited all the different points once and some more, during the year. Our remuneration financially has been small, but we thank God he has kept us safe during all our travelling for which we have great reasons to be thankful. We are looking forward to a greater victory if Jesus tarries.

We thank the brethren and co-workers for their spirit of co-operation, and trust God to keep on us the passion for the lost about us.

Signed,

H. B. Jackson.
