DISTRICT SUPERINTENDENT'S REPORT.

My report as District Superintendent covers but five months of the Assembly year.

It was after much consideration and prayer that I accepted this responsible position. It was urged upon me by your retiring former Superintendent, Brother H. B. Jackson, as well as by our General Superintendent, Brother W. L. Surbrook.

My services began upon my return from my visit with Brother Jackson to the General Board in Indianapolis, the last of April and the first of May.

My first campaign in the District was at Powasson. Though the busy season of seeding was on, we were blessed with good attendance and interest. We had some gracious seasons of blessing, and witnessed some real good victories in the salvation of sinners, and the sanctification of believers. The Church was greatly encouraged and blessed. We enjoyed very much the fellowship of Brother and Sister Sam Short.

From here we went to Massey Station for a tent campaign with our good pastors, Brother and Sister Shaw. We had previously assisted them in a revival in the winter when we organized the little group into a Pilgrim Holiness Church. The Lord gave us a good tent campaign. Several more were saved or sanctified and some more new members added. In these meetings, quite a number of Indians from the Indian Reserve across the Spanish River visited our meetings and several prayed through to good victory - among them was the Assistant Chief. They asked us to come to the Reserve with the tent, and our closing campaign with our tent in the North was used on the Reserve. Brother Shaw, assisted by our Brothers Hobbs (Harold and Frank) had a great salvation time among the Indians. You will hear their reports. It looks as if this will prove an open door to reach the Indians on other reserves with the Gospel.

From here we took the tent to Blind River. Sister Hunt had been labouring in Paton, near Blind River. We were unable to give them longer than one week, but God blessed and we had a few pray through. We hope to follow this up and eventually see a work established in this needy field. Blind River is a town of about 2,500 inhabitants, and the majority of these are Catholic. The North country seems to be a wide open door that we should enter.

From here we crossed ^{to} the Manitoulin, the largest island in fresh water lakes in the world. There are one thousand Indians here, and I trust that we may try and get the Gospel to them ere long.

My next meeting was just a few days with Brother McGuire in Tobermory. This was a hard meeting due to the fact that but few people would come into the tent. This is a wicked summer resort and the prospects are not bright.

We next paid a short visit to Crawford. The workers, Sisters Myra Watson and Lily Johnson, and Brother Alvin Jackson, will give you the report for this place.

We paid a hasty visit to Fordwich, where Brother and Sister Robert Gordon labour in a Mission, arranged for a tent meeting, and then hurried down to Toronto, where we spent a couple of days looking over the ground and planning a tent campaign there.

We hurried back north and assisted Brother Allan McGuire in a tent meeting at Dyer's Bay for a week. Then Sister F. White came and relieved me.

From here we went to assist Bro. Alvin Jackson and Sister Christena McLennan in the tent campaign in Fordwich. We remained there for a week.

From Fordwich we went to Toronto, and located our tent on a fine lot on Rogers Road, close to where our Brother Rossiter lives. We were blessed with splendid interest from the start. Brother Tompkins came August 12th, and continued the meetings through the month of August. Interest increased to the close with a splendid expression on the part of the people to see our work established. In this great City of almost one million people we already have fifteen or twenty of our Pilgrims living and working here, which makes a very good nucleus for our Church.

We were unable to locate a place of worship. It seems evident we will have to build. The location of our tent seems to be the desired spot for our work. Brother W. J. Tompkins has promised to come and take the work in Toronto as soon as we can locate a place to carry on. Pray that this need may be supplied.

We spent the last week in Toronto closing out this month's campaign. The Brethren, there, in charge of Brother Rossiter, are carrying on cottage prayer meetings. We have some splendid talented young workers in Toronto.

We then came to Wiarton, where we have been engaged in a splendid tent campaign with Sisters F. White and Lily Johnson and Brother Irwin McIntyre. This is a new field for our work. We had some friends here who invited us to come. God has blessed the meeting from the beginning to the close and quite a number have been seeking and getting through to God. We have located a fine hall to carry on in, a fine home has been opened to our workers and the outlook is most encouraging. It is full of promise and prospects.

I am fully convinced that there are many towns and cities in Ontario that will welcome our coming, and where we can establish a work if we have the mind to do so. We have numbers of splendid, sanctified, gifted, God-called workers who are anxious to get into the work and we must, by God's help, if Jesus tarries, get into these other cities and towns and villages with our message of Full Salvation.

In closing, I will give you a brief summary of my summer's work. We have travelled about 1500 miles, preached 105 times, between thirty and forty professed to be saved or sanctified. We have held two Annual meetings, all pastors recalled but one. We have received for our services from the District \$36.02, after paying expenses for the five months. Personally, I feel that our people have not been wide-awake enough to our opportunities and responsibilities in getting the message to others. I trust that the Lord will help us all to gird ourselves to the task and do our best for God and the Church in the coming Assembly year, if Jesus tarries.

Respectfully submitted,

Geo. Beirnes,
District Superintendent.
