DISTRICT SUPERINTENDENT'S REPORT.

Once again the clock of time has passed the year mark, in the annals of the now Pilgrim Holiness Church of the Pennsylvania and New Jersey District. Many have been the battles to fight and the questions to solve, but God has been with us, and is still with us. Praise His Name. And without a doubt there

has been an eye single to the glory of God for the safeguarding and advancement of His work on real Scriptural Holiness lines in every thing that has been done. Our borders in the numbers of churches has not been enlarged, but we do believe that the individual churches have strengthened their stakes and lengthened out the cords. A few new church buildings have been dedicated during the year. We are glad to report that one of the oldest churches, and practically the mother church of the District is back in the fold again. To this we all say, "Amen". And is progressing nicely. Tent meetings and camp meetings were the order of the day during the summer months, and revivals have been in progress in the churches in the recent months. Victories in the salvation of souls have been won for our Christ. And we would not forget to mention that good reports are echoing out from OUR BIBLE SCHOOL at Beulah Park. May God continue to bless the faithful workers, and the prayerful band of students.

The future of the work is bright and prospective, only as we look the present situation with its grave questions squarely in the face in this Assembly, and in most earnest prayer for the wisdom that cometh from above formulate plans for the advancement of our Church. Let it always be remembered that we are confronted by a most bitter foe with the greatest of reluctance to yield to us in the least: but, "Through God we shall do valiantly, for He it is that shall tread down our enemies." The obligations of God are upon us, and the demands of dying men and women about us calls, not for child's play but for the very best there is in us through the Grace of God. Perseverance of the strongest character and a faith that will not shrink, but laughs at impossibilities, and cries it shall be done is the great necessity. God grant that we may have it.

We regret that as superintendent we were unable to do what should have been done, but we have done the best that we could. We are praying and trusting that something shall be done in this Assembly that will be for the betterment of the church in this matter for the future.

Respectfully Submitted,
H. A. SANEHOLTZ.

Referred to committee.

(11)

That whereas the Report Blanks are not at present satisfactory be it resolved that the Chair appoint a committee of three persons to frame Report Blanks for the assembly to adopt.

(12)

Beleving it would be a great spiritual benefit to the preachers of our District, be it resolved that we have a Ministerial Convention at least once a year at such a time and place as the Assembly may decide.

Be it resolved that as soon as our Publishing Board can supply us with Sunday School literature satisfactory to us as a Holiness Church standing for the Wesleyan Doctrine and practice of holiness, we urge our Pastors to comply with the Manual Page 52, Para. 129, and that until such time orders for Light and Life literature be given to our Headquarters in Kingswood Ky.

(16)

That the Assembly hear a verbal report from our Gen. Supt. in connection with general Church expenses and that we urge our pastors and people in this District to give prayerful attention to our General Church needs.

(17)

Whereas there is a growing laxity among us in connection with Sunday work, be it resolved that we go on record as strictly opposed to all forms of Sabbath desecration and we therefore urge our preachers to refrain from taking into their Churches anyone who habitually works for a living on the Lord's Day.

(18)

Resolved that those who have Sunday workers in their churches be urged to take immediate steps in advising such to find other employment.

(19)

Resolved that we by a rising vote extend to our Gen. Supt. our hearty appreciation of his presence and kindly advice and that we extend to him a pressing invitation, and assure him of a loving welcome to our next Assembly.

(20)

Whereas the Preachers and Delegates of this Assembly have been so lovingly entertained by the Beulah Park Bible School be it resolved that we by a rising vote extend to them our hearty thanks and may the God and Father of our Lord Jesus Christ bless each and everyone and that this token of appreciation be read in a night Service.

(21)

Resolved that we by a rising vote express our appreciation and hearty thanks to our retiring Dist. Supt. Bro. H. A. Saneholtz for his faithful service.

SHORT REPORTS

Sermons Preached fourty four, Baptisms twenty seven, open air meetings sixteen, villages visited twenty six, tracts distributed 350. My wokr in Korea was much different than it is in the Homeland, so it is impossible to give a vey definite report. There were several that showed a desire to follow Jesus, but I cannot report a definite number.

JOHN CRKNEY, Missionary, Seoul, Korea.

It is impossible for me to give you a statistical report as my work was of such a character on the field I could not keep such a report, however, I found myself busy daily with the work in hand which all ultimately meant the salvation of souls and advancement in the work.

We are trusting for speedy deliverance in body so we can again be in active service. Our hearts burn with longing for the sake of those to whom the Lord has called us. Please remember us in prayer.

District Assembly of Penna., & N. J.

Pilgrim Holiness Church.

Beloved in the Lord:-

Greetings in Jesus precious name from your missionaries in the West Indies. The time for the District Assembly is fast approaching and although we cannot be with you, we are writing this brief note to let you know that we are thinking of you and ask that you will kindly remember us and the work in Barbados in special prayer.

We are glad to report victory in our souls and God is blessing our labors and giving souls, Glory Hallelujah! We are now in our fourth year on the Field and believe God for still greater things in this New Year.

I am in the Campaign through the Islands and British Guiana, South America with our General Foreign Missionary Supt. Bro. Finch and Bro. C. L. Slater and the tide is rising high and the revival spirit is on. Glory to God.

At St. Kitts the first night there were nineteen souls seeking. Next day we sailed for Saba, Dutch West Indies and the Holy Ghost honored us with around sixty souls at the altar. Hallelujah!

We are now in Nevis with Bro. Taylor. Many of our saints in Pennsylvania will remember Sister Irene Blyden Taylor when she visited the churches a few years ago. She is still on fire and the Lord is giving her souls.

Each of the party has visited our four stations and a revival is on at each place. The Glory of God is in evidence on every hand and reminds one of a victorious camp meeting in good old U. S. A.

Do pray for our Field also the family. Praying God's richest blessing upon the preachers, saints and the Assembly.

We are, Yours in glad missionary service

BRO. & SISTER R. WINGROVE IVES.
