### First Day—Thursday, July 23, 1942—Afternoon Meeting

The twenty-ninth Annual Session of the Pennsylvania and New Jersey District Conference of the Pilgrim Holiness Church convened at 1:30 p. m., in the auditorium on the campus of the Allentown Bible Institute, Allentown, Pa.

The Conference was called to order by the District Superintendent, Rev. R. G. Flexon. The members of the Conference joined in singing, "The Comforter has Come!" and "'Tis Burning in My Soul" led by Rev. W. E. Schaltenbrand with Mrs. E. Liden Adams at the piano. The Conference was led in a season of prayer by Rev. Mrs. Bessie Hatcher and Rev. David Gorman. While still bowing before the Lord, the chorus, "Where He Leads Me" was sung with feeling. "Onward, Christian Soldiers!" was sung with the Conference standing.

The District Superintendent made brief remarks of appreciation for the privilege of meeting in the newly constructed, but yet unfinished auditorium, whereupon he introduced Rev. W. L. Surbrook, the General Superintendent, and asked him to preside over the Conference.

The General Superintendent spoke briefly with reference to the place provided for the meeting of the Conference. He read a Scripture from I Peter 5, basing his remarks upon the second verse. He admonished the Conference with special reference to ministerial responsibilities which he divided into three classes: Devotions, Doctrine, Duties. In brief he declared, "that to feed the flock of God, one must keep well-fed. You cannot impart to others spiritually what you do not yourself possess. One will not progress spiritually above the doctrines he believes. As Pilgrim ministers, we are out to preach salvation, heart purity, and holiness. In our teaching and preaching be sure you have Scripture for what you say." He admonished all ministers further, "Live your convictions, but preach the Word." He closed with the declaration that we need to take more time to indoctrinate our people.

The secretary called the roll of ministerial and lay delegates.

The Conference bar was fixed to include the first nine rows of seats across the auditorium.

By motion the time for meals was set for 7:00 a. m. breakfast; 12:00 noon dinner; 5:30 supper.

## DISTRICT SUPERINTENDENT'S REPORT

To the District Conference of the Pennsylvania and New Jersey District of the Pilgrim Holiness Church, greetings!

We are no doubt living in the most momentous days in the history of our world. During the past year our own country has entered a war which will bring about national and international changes that will no doubt revise our way of living. The church has been and will be affected by it in many ways. Many of our young men will be called to the colors. Our people employed in defense work will be greatly hindered in their spiritual activities. There will possibly be more empty pews in our churches, and smaller numbers of people will have to carry the responsibility and keep up the spiritual life. Before the world conflict ends there may be darker days for the church but we cannot lessen our efforts but must occupy until He comes. He has promised us final victory for He has declared He will build His church and the gates of hell shall not prevail against it.

I believe the past year has been one of the best in every way for this District since I have been connected with it. The spiritual advancement has been very gratifying. I believe our people generally have deepened in God. A spirit of unity exists such as I have not seen before. Financially we have gone beyond anything in the history of the District. Numerically we could wish for greater advancement; however, as a District we are holding strictly to the standards of the church as set forth by its founders and endeavor to keep our church membership rolls clean of inactive and undesirable members.

During the past year I have preached 310 times, held seven revival meetings, eleven week-end conventions of from three to five days in length, ten missionary conventions in which altogether we had fifty services, dedicated four church buildings, visited our mission fields of Mexico, written an article a month for the Advocate and an article a month for the American Holiness Journal. Helped to paint one church and paper two others. Prepared for and presided over one Ministerial Convention. Presided over fifteen District Council Meetings, and numerous Home Missionary Committee meetings. Looked after

the home missionary work of the District, given time to general church work such as attending General Board Meetings, Executive Council Meetings, Foreign Missionary Committee Meetings, Bible School Board Meetings, and the General Conference. I have served on several committees of investigation and carried out the instructions of the District Council relative to many matters which the Council can tell you has taken much time this year. I have visited each church in the District twice during the year and a number of them several times, have annointed 25 for healing, ordained fifteen young people either to the ministry or as deaconesses, visited and prayed in 118 homes, have written about 1200 official letters and 400 post cards, traveled approximately 43,000 miles and have seen 1,326 souls seeking God.

For my labors I have received from all sources including gifts and donations, \$3,419.46, from the churches on my traveling expenses \$656.20. I have paid out for traveling expenses \$861.66.

Respectfully submitted,

R. G. FLEXON.

(2) That each pastor shall raise an offering upon the visit of the Superintendent for his expenses and that the rent, telephone, postage and telegrams shall be paid from the District Treasury.

No. 4, 1942.

5. *WHEREAS*, A general gift of \$500.00 has been received by the District Council with which to establish a fund from which loans may be made to new and needy churches, be it

*RESOLVED*, That we create a fund to be known as the Church Building Loan Fund. The fund is to be held in trust by the District Council, and

That 5% of the total Home Missionary Offerings be appropriated by the District Treasurer to the increase of said Church Building Loan Fund.

Loans can be made from said fund by the Council to congregations endeavoring to erect new church buildings, but only after a thorough investigation of the financial status of the congregation by the Council.

When a loan is granted, the congregation to which the loan is made shall give a note to the District Treasurer signed by the local trustees.

The principal shall be paid back in installments, with interest at 5% in advance, monthly, except that the minimum charge for interest shall not be

less than 50c per month. The amount of the monthly installments shall be determined by the District Council.

In the event that a congregation which has made a loan according to this plan, fails to meet its installments for a period of three months, its financial standing shall be investigated by the District Council. No. 5, 1942.

6. *RESOLVED*, That 7% of the total church receipts, excepting General Budget, money for indebtedness, Building Fund, Sunday School, Young People's Society Funds, and Special Funds raised for the departments covered by the District Budget, be paid monthly to the District Treasurer to be apportioned by him as follows: 50% Bible School, 20% Home Missions, and 30% District Expense. No. 5, 1941.

7. *WHEREAS*, The General Board has ruled that each church should raise a minimum of one dollar per member for General Budget and all Foreign Missionary money to be raised separately; be it

*RESOLVED*, That each local church divide its apportionment: one-third for General Budget and two-thirds for Foreign Missions. All money raised for general work above the apportionments may be designated as the local church desires. If for any reason a local church does not divide its apportionment according to above specifications the District Treasurer is hereby authorized to divide the same. No. 4, 1937.

8. *RESOLVED*, (1) That the carfares be equalized on the basis of 1½ (one and one-half) cents per mile, using road mileage; such mileage to be worked out by the Committee on Equalization using official American Automobile Association maps and information to determine shortest routes over paved main and connecting highways; and

(2) That the mileage thus determined shall be put on permanent record, such record to be used as a basis of equalization from year to year, and

(3) That the Committee from year to year shall determine the mileage of the new churches in the same manner and from the same sources of information. No. 5, 1935.

## A TRIBUTE TO OUR FOREIGN MISSIONARIES

Those members of our District Conference who are faithfully laboring for God and souls in the dark heathen lands need our prayers and continued support.

With a global war raging and spreading into almost every country and every province makes foreign missionary work a doubly hazardous undertaking.

The Pennsylvania and New Jersey District Conference is justly proud to make special mention of those of her number who have braved the storm of a three-year war and stood by in far away places.

---

Rev. L. C. Hiles in South America, Sister Hiles just returned safely after a long term in active service. We were privileged to have her present in our Conference. Rev. and Mrs. R. R. Miller whose furlough is long overdue in South Africa. (Since the Conference Rev. L. C. Hiles has arrived safely in the States. Ed. Note.)

There in these dark places, far from home, they labor for the Master. Patiently they wait. We pray God's best upon them and ask for His protection for each of them in all of their labors.

When this terrible war shall have ceased we hope to see them again. In the meantime may God be their Buckler and their Shield.
