## CONFERENCE PROCEEDINGS

### FIRST SITTING

The fifty third annual District Conference convened at 9:00 a.m. on Tuesday, June 28, 1966 on the campus of Eastern Pilgrim College in Wesley Chapel.

Rev. J. R. Mitchell, district superintendent, opened with appropriate words of welcome. Rev. Earl Wilson accompanied by Mrs. Paul Washburn, at the piano, led us in singing "Jesus Keep me Near the Cross" and "Here at Thy Table, Lord". Rev. E. S. Rutherford led us in prayer. Rev. Using as his basis I Corinthians 11:23-26, he spoke of the uncertainties of our day and age as placed in contrast with the certain truth estated in I Corinthians 16:3 "A sure Word". He very capably spoke of the depth of man's sin, the

breadth of the compassion of the purpose of God in Christ Jesus, the dimension of the length of his grace broken for you, and the measure of the height of our hope. He concluded by declaring that our God is not dead but alive and is remembered.

Brother Mitchell then served Dr. Elliott and Rev. Doyle; who in turn served the District Council. These brethren then served the elements to the conference delegates in a charged atmosphere bespeaking the presence of our living Lord. Using for a basis for his remarks Psalm 139:23 "Search me, O God, and know my heart: try me, and know my thoughts". General Superintendent Dr. Elliott related the thought life and the heart life to the ministry and christian experience. Among worthy remarks he said that if life is worthwhile for you it is not that you found it that way, but that you made it that way. He entreated the congregation to take a personal look at themselves. He declared our size may be measured by the way we take our failures, misfortunes and defeats. It is the attitude we take and not what happens to us that really counts. We were told that we are further measured by the way we react to criticism and by the disciplining of our heart life. He concluded by saying that it is not the duration of our life but rather the donation of our life that counts.

## CONFERENCE REPORTS

### DISTRICT SUPERINTENDENT'S REPORT

To the General Superintendent over the Eastern Area, Dr. Paul F. Elliott, delegates and friends of this 53rd Annual Conference of the Pennsylvania - New Jersey District of the Pilgrim Holiness Church:

We welcome to this Conference and to our District our newly elected General Superintendent, Dr. Paul F. Elliott. Dr. Elliott is in no sense a stranger either to the church at large or to the immediate area that he will be serving; having served the church in various capacities, most recently as President of Owosso College, Owosso, Michigan. He may be assured of our prayers as he assumes his responsibilities in this highest office in our beloved church.

Many of us have just returned from the International Conference at Winona Lake, Indiana, which Conference, I think it must be said, was one of the most significant Conferences in our church history. The approval of the Wesleyan - Pilgrim merger, after it had already been approved by their General Conference, was a step of far reaching, even revolutionary importance. Should this merger be approved by their Annual Conferences and local churches we will then move into an area of wider co-operation and fellowship. The Conference which just closed was marked by a spirit of brotherliness, of hopefulness and of courage as we faced the future. The possibility of merger admittedly overshadowed other issues.

The past year has been one of involvement not only in the work of the District, but also of the Merger Committee and in the work of the General Church through the General Board. It has been a rewarding experience to me to have some small part in the work of the merger to this date. Whatever the future shall hold I shall continue to believe that the pooling of the resources of the Holiness Movement will be essential to the meeting of the demands of the days before us.

It is my conviction that we have in the Pennsylvania - New Jersey District a group of dedicated ministers who are becoming increasingly aware of their responsibility to God and to the generation they serve. If the statistics are correct (and who would guarantee them?) it appears that there is a slight gain in membership in spite of the unfortunate loss of one congregation during the year. It would seem clear that many of our churches must bring a changed attitude to the matter of church membership if they are to survive to do effective work for God. We must certainly strive to save our youth to the life of the church through Junior membership.

Last summers' Youth Camp was one of the high marks of the year. It is my prayer that the attendance will be even larger this year. We have been promised improved facilities and, with a fine corp of workers, we believe that the coming camp will be the finest we have held. I would ask those pastors who have not seen the value of Youth Camp to discover the blessing it can be to your own boys and girls.

The last camp has been held on the historic Bald Eagle grounds. Many of our Pilgrims have hallowed memories of spiritual blessings received there across the years. The construction of a Government Dam has made it necessary to seek a new location. The Free Methodist brethren have graciously offered us the use of their facilities at Lamar, Pa. both for the Youth Camp and for the Zone Camp meeting. To the Camp President, Rev. Robert D. Addington, and to his dedicated Board I express the appreciation of the District for the perpetuation and strengthening of this camp.

There have been extensive building and/or remodeling projects on the District this past year. One always runs the risk of overlooking some worthy endeavor, but I will call attention to those that have either been completed or soon will be completed.

Within a matter of weeks the Boothwyn Pilgrims plan to occupy their beautiful, colonial type church, located in the midst of a populous and needy area. This church is serving an area that has had no Pilgrim witness and, with a strong evangelistic emphasis, will make a real impact on the community. We congratulate both pastor and people for their vision and faith.

The Williamsport Pilgrims have razed their old church and are in the process of erecting a beautiful and spacious new church on the site. It is my conviction that this act of faith on the part of pastor and people will result in a growing witness in that city.

At Jersey Shore a new parsonage has been purchased and plans are being laid for a new church on a beautiful lot overlooking the city.

The Bridgeton church has purchased the other half of the double house occupied by the parsonage and will convert it into Sunday School facilities.

The Ashland church has been remodeled and redecorated by pastor and people. The resultant building is both attractive and comfortable.

Beech Creek has added new Sunday School rooms and a new furnace.

Cherryville Bethany is in the process of building a large Sunday School and overflow annex that will add greatly to the utility and comfort of their church.

Coleville has brick veneered their church and added other improvements.

Flemington, Hillview has completed a lovely new parsonage that completes a building program that is a credit to the community and to the entire church.

Lots have been purchased at Hyde for parking and future expansion.

A new organ has been purchased and paid for by the Brookside Pilgrims. This is a wonderful addition to their church.

The Pocono Lake church has enlarged and remodeled the kitchen of the parsonage. This is a fine improvement.

The Pilgrims at Mt. Union are remodeling their church with new walls, new pews and wall to wall carpeting.

The Pine Grove congregation has remodeled their church and have added a new study, Sunday School rooms and rest rooms.

Sunday School rooms have been added to the State College basement. This work was completed and paid for by the congregation.

The Sunbury church has taken a step forward in the purchase of the adjoining lot for parking facilities. Two old buildings were torn down and a large lot has been resurfaced for parking.

The Woodbury congregation are in the process of remodeling their church. The old parsonage is being sold and plans are being made to construct a new parsonage on the lot adjoining the church.

There have been other improvements in many of the churches that are worthy of mention and commendation. To pastors and people alike we say, Thank You!

Two veteran pastors are retiring from the active pastorate this year.

Rev. Harley Hoffman, who for the past several years has pastored the Middleburg church, has relinquished his pastorate as of this Conference. Brother Hoffman and his faithful companion, who is herself an ordained minister of the District, have given many years of dedicated service to the church, and have served with integrity and devotion. Our Brother still serves as President of Sunbury Camp and will, I am sure, be available for preaching engagements throughout the District.

Rev. William C. Bloom has retired from the pastorate at Milroy. Brother Bloom has served the District on several pastorates and has endeared himself to many of our people. We hail these comrades of the Cross, and hereby express our appreciation for the contribution they have made. We pray that they shall enjoy a full and rich life in Christ's service.

There are changes which inevitably take place each year. It is with deep regret that we witness the transfer of Rev. George R. Harris to Rees Memorial Church in Pasadena, California. Brother Harris has, through his able ministry and wise counsel made a lasting contribution to the Pennsylvania - New Jersey District. His excellent work at Glassboro and at Eastern Pilgrim College has endeared him to many people. He has been a tower of strength on the Council, and we say a regretful farewell and assure him that he will be welcomed to the District any time he wishes to return.

#### Personal Report

During the year I have traveled approximately thirty-five thousand miles in District work and ten thousand miles in General church and evangelistic work.

I have preached 175 times, held forty board meetings, made one hundred and twenty church visits, and have held twenty annual meetings. I have held many personal conferences both with preachers and laity. I have attended two General Board meetings, and three Merger Committee meetings. Until recently I was a member of the Eastern Pilgrim College Executive Committee and attended several meetings throughout the year. My mileage and salary have been paid in full. I have received approximately \$900.00. for evangelistic services.

I have received the finest co-operation from my assistant, Rev. P. R. Doyle and from the brethren who served on the District Council

I am humbled at the little that has been accomplished during the past year, yet I am grateful that a compassionate Saviour has sustained and guided me. The promises are true; He has been to me a covenant keeping God.

Your Brother in Christ,

J. R. Mitchell

### **ASSISTANT SUPERINTENDENT'S REPORT**

To the General Superintendent Dr. Paul F. Elliott, delegates and friends of the 53rd Annual Conference of the Pennsylvania - New Jersey District of the Pilgrim Holiness Church,

Greetings:

Again this past year it has been my privilege and pleasure to serve the District as your Assistant Superintendent. As in the past, it has been a blessing to me personally to serve under the capable leadership and spiritual direction of Rev. J. R. Mitchell. My labors for the year have been somewhat as follows:

I have attended 8 District Council Meetings; sat in on 7 Church Board Meetings with Rev. Mitchell; conducted 6 Annual Business Meetings and the Annual Business Meeting of the Bald Eagle Camp; attended the Eastern Regional Superintendents Retreat held at Mt. Vernon; attended one Court Hearing on the sale of a church property; represented the Pennsylvania - New Jersey District at the Funeral of Rev. James McClure, District Superintendent of the Pittsburgh District; gave moral support and assistance to Rev. Mitchell in several local church affairs and the visitation of some of the pastors.

In all I have traveled about 5,000 miles for the district.

I have conscientiously tried to do my best in the office to which I was elected. May God bless this Annual Conference and the program of the District for the coming year.

I remain your servant in the Lord,

P. R. Doyle

### **REPORT OF THE AUDITING COMMITTEE**

Twenty of our churches reported for the Standard of Excellence. There are 2 Sunday Schools receiving a four star rating, Bethany of Cherryville with a score of 85 and Bridgeton scoring 83. Three Star ratings go to Sunbury 75, Port Matilda 74, Augustaville 73, Jersey Shore 70, Mount Union 70 and Muncy 70. My personal report is as follows: I was appointed to this office effective as of October 1, 1965 which means my predecessor, the Rev. W. Earl Watts served four months of this Conference Year. I owe him a debt of gratitude for his assistance and direction.

I have compiled the monthly reports and prepared the Sunday School page for the Pilgrim Action eight times, have sent out about 650 pieces of mail and presided at one District Sunday School Board Meeting. I have spent about 75 hours in District Sunday School Work.

May I urge you as leaders of Pilgrim Sunday Schools in the Pennsylvania-New Jersey District to pray, plan, and promote Pilgrim Sunday Schools with an eye single to God's Glory until Jesus Comes.

Respectfully submitted,

## **DISTRICT MISSIONARY SOCIETY REPORT**

General Superintendent

District Council

And Members of the Pennsylvania - New Jersey District:

In September of 1965 Bro. Addington, the Secretary of the District, notified me that Mrs. Myron Campbell and Mrs. Lester Zehner were joining me in the missionary work of our District.

We are happy to report that we have 40 organized Adult Missionary Societies, 10 active but not organized and approximately only 8 with no missionary work at all in the

Pennsylvania - New Jersey District. We have out of these 58 churches 9 organized Jr. Missionary Societies.

We have conducted two District Missionary Society Board Meetings and held four Missionary Work Shops in Woodbury, Cherryville, Pocono Lake and Levittown. Mrs. Campbell and Mrs. Zehner conducted the Work Shops at Harrisburg, Bethel; Lebanon; Port Ann; Rebuck; Lock Haven; Port Matilda and Muncy. Out of these Work Shops we have a Zone Leader for each Zone.

In addition to these activities we have held four services and showed missionary slides of Jamaica and Grand Cayman.

We have traveled 1,886 miles in the interest of missions in the Pennsylvania - New Jersey District.

"But when he saw the multitudes, he was moved with compassion on them, because they fainted, and were scattered abroad, as sheep having no shepherd." Matthew 9:36.

Truly the multitudes are scattered, the task is great - let it send us forth!

Respectfully submitted,

Thelma F. Parker

#### JOINT RESOLUTION

In view of academic and economic factors which make it increasingly difficult to maintain a strong theological school for the Eastern zone of the Pilgrim Holiness Church as the essential heart of Eastern Pilgrim College, and inasmuch as the District has sponsored and supported the College primarily as a ministerial center;

Further inasmuch as the College board of directors has on various occasions sought on its own initiative solutions to these problems which involved merger with other colleges to secure a strengthened center for ministerial preparation;

Further that the following action is also vital to the possible merged situation with the Wesleyan Methodist Church in providing facilities useful to such possible merged bodies;

Therefore be it resolved that this Pennsylvania - New Jersey District Conference hereby asks the board of directors of Eastern Pilgrim College to immediately pursue again the possibilities of merger with another college or colleges of the denomination for the purpose of preserving and enlarging the facilities for preparation for the young men and women for the ministries of the church. Such merged center shall preserve the Biblically centered program represented by the present curriculum of Eastern Pilgrim College together with the assets, records, and the historic entity and purposes of the college.

We hereby further ask the General Superintendent over Higher Education to present the above action to the other Conferences of the Eastern Zone for their recommendation in view of the zonal organization of the school, and to assure proper transfer of total assets and Conference support of the present institution to such a merged center.

#### Council and Delinquent Ministers

3. BE IT RESOLVED, that this Conference require the District Council to deal with those holding Credentials from our District who do not support the Conference with their personal assessments, nor send in their statistical and financial reports, regardless of their field of labor.

#### Recommendations for First District Ministers' Licenses

4. INASMUCH, as the responsibility for the execution of all Conference action rests primarily on its entire ministry.

BE IT RESOLVED, that this Conference instruct its Examining Board to recommend for their first district licenses, only those who give evidence of intention to take a permanent place in our ministry.

#### District Building Committee

5. WHEREAS, much difficulty arises with pastors and lay leaders in various types of building programs, BE IT RESOLVED, that a committee shall be appointed by the District Council to be known as the District Building Committee. This Committee shall consist of three (3) members, not more than one to be a member of the District Council. The duty of this committee shall be to assemble data and general information relative to church building, and shall make the same available to any church or pastor. The term of office on the Committee shall be up to the discretion of the District Council.

BE IT FURTHER RESOLVED, that any congregation considering the erection of a church building and/or parsonage, or the making of extensive improvements, and remodeling of church property costing more than \$2,000.00, submit their tentative plans for the same to the District Building Committee for approval, before final action by the local church board and the beginning of said construction.

BE IT FURTHER RESOLVED, that all actions of the District Building Committee shall be subject to ratification by the District Council.

#### Tabulation of Branch Sunday Schools and Mother Churches

6. WHEREAS, there has been no official method of tabulation of attendance of branch Sunday Schools and the mother churches;

BE IT RESOLVED, that this method be adopted:

1. The attendance at the mother church should be recorded in the usual manner.
2. All persons present, including members of the mother church, shall be counted as attendants at the branch Sunday School.
3. These figures of attendance shall be reported separately.

#### District Superintendent's Revival Schedule

7. BE IT RESOLVED, that the District Superintendent be permitted to conduct only two revivals a year outside of the bounds of the Conference.

#### Candidates for Ordination

9. BE IT RESOLVED, that all candidates for ordination be examined a year in advance of their ordination.

Said candidates shall be passed upon by the Examining Board and the District Council.

The final approval of the Conference shall be reserved until the first session of the Conference, where they are to be ordained. Said Conference approval shall be the order of the day immediately after the roll call of the first sitting.

A list of said candidates shall be announced in the final sitting of the Conference preceding their ordination and such list shall be published in the Conference Journal.

Any default in spirit or practice during the intervening year or failure to carry out any prescribed program of Council or Examining Board shall cancel out the possibility of the final approval of the Conference.

#### Time of Call Pastor Meeting

10. INASMUCH, as the dates for Annual Meetings, at which time pastors are called, cover such a long period of weeks.

THEREFORE, BE IT RESOLVED, that to facilitate matters the calling of the pastor be separated from the Annual Meeting and that all of our churches have a call pastor meeting sometime during the period from the first Sunday in April through the second Sunday in April. (As amended by the 1956 Conference.)

#### Procedures for Calling a Pastor

11. INASMUCH, as there seems to be considerable confusion in the placing and calling of pastors due to the diversity of methods and procedures being used and insisted upon by the churches,

THEREFORE, BE IT RESOLVED, that a form of procedure for the calling of pastors be established as follows to serve as a guide for the future:

(1). Let all of the call pastor meetings be held during the period involving the first Sunday in April through the second Sunday in April.

(2). If the pastor is not recalled, resigns or does not submit his name for a vote, the result of the meeting should immediately be forwarded to the Superintendent by the Church Secretary.

(3). If the pastor is recalled he can have the legal time established by the manual to accept or reject the call. If he does or does not accept the call he shall immediately inform the Superintendent of his decision.

(4). In the event of the pastor's leaving, whatever the circumstances, the Superintendent shall present either in person, writing, or through an authorized representative the list of available ministers, with recommendations that naturally fall within his jurisdiction.

(5). It shall be the privilege of the local board and the church to immediately call a man on the basis of recommendation, without having a trial message.

(6). In the event a board and church desire a trial message, the board shall make a choice of a candidate. If two or three candidates are chosen they should be designated as first, second, and third choice.

(7). After the trial message of the first candidate there shall be a vote on the candidate within a reasonable length of time, preferably immediately.

(8). If the first candidate is not called, or refuses to accept the call, the same procedure shall be followed with the second candidate or third.

(9). In no case, however, shall a second candidate be called to preach a trial message until a vote has been taken by the board and the church on the first candidate.

(10). Let all retiring ministers consider their ministry to a church as ending, according to manual, the Sunday following Conference, and all moving take place the following week. (As amended by the 1956 Conference).

zone committees shall promote the interest of home missions in their respective zone; however, in the event there is no Home Missionary project in the zone, upon the request of the Zone Committee, and with the approval of the District Home Missionary Board and the District Council, the zone may assume the obligation of helping a struggling, organized church within its boundaries.

Each zone committee shall present through its chairman any and all home missionary projects, and/or assistance for a struggling, organized church, to the Conference Home Missionary Board and the District Council for approval.

The Zone Committees shall be authorized to raise their funds for special projects over and above budget apportionment in the zone churches through the plan authorized by the District Council, and further, that a record of these zone apportionments to the churches be placed in the Conference Journal. All funds shall be sent to the District Treasurer by the local treasurer specified for said zone.

Should additional funds be necessary in establishing home missionary projects, that said funds be paid out of the District budget home missionary fund. This supplemental financial assistance shall require District Council action and approval.

4. That the election of zone chairmen and the appointment of zone committee members shall be for two years. If for any reason vacancies should occur in zone chairmanship or committeemen, that the vacancy of zone chairmen shall be filled by the District Council, and the vacancy of zone committeemen shall be filled by the conference Home Missionary Board.

5. That each zone chairman shall submit a quarterly report of the zone committee's activities to the District Superintendent.

6. That the District Council shall review any home missionary endeavor of the conference Home Missionary Board and the zone committees. 17. In view of the large number of liceniates carried by this Conference and the difficulty encountered by the Examining Board in interviewing all of them, BE IT RESOLVED, that the Conference remind the liceniate that it is his responsibility to present himself before the Examining Board annually. Amendment: A questionnaire is to be mailed stating time, date and place where he is to meet the Committee.

## ELEVENTH ANNUAL DISTRICT YOUTH CONFERENCE

The first sitting of the eleventh annual District Youth Conference of the Pennsylvania-New Jersey District of the Pilgrim Holiness Church, convened in Trinity Pilgrim Holiness Church, Allentown, Pa. on June 4, 1966 at 10:00 a.m. at the call of the District Youth President, Rev. John Wiktorchik.

Rev. Wiktorchik led the conference in singing "Christ is the Answer", and "Faith in God"; Mrs. Wiktorchik accompanied at the piano.

Rev. Miss Thelma Parker led us in prayer.

Rev. Wiktorchik introduced our District Superintendent, Rev. J. R. Mitchell as the presiding officer in the absence of Rev. O. D. Emery.

Rev. Mitchell introduced Dr. M. E. Dieter as the devotional speaker.

Following a few words of warm greetings he brought to us a message from his heart on Psalm 91. Highlights of the message were--

There is pictured here a young man leaving home with a three way conversation between the Father, Son and God. Verse one tells us that only in God can we find refuge in any age. The only thing in this world that really matters is our relationship with God. The young man says I trust in God, not in my own abilities. Sooner or later we come to the place where we will find the only place to turn is to God, and this time comes early in life sometimes.

If we trust in the Lord it doesn't mean that we will always succeed or never suffer physically, but it does mean we will win in the end of life.

God solves the problem not every problem in life (some songs and Preachers indicate a false reality in life).

We need to pray that we be adequate for this life, not that we be spared the conflicts of life.

If we stand by God he will not deliver us from troubles but from The trouble.

Rev. Mitchell conveyed to us greetings from Rev. O. D. Emery.

Rev. Holshouser was introduced to bring greetings from Eastern Pilgrim College.

**A BIBLE COLLEGE EDUCATION**

A Bible College education gives today's youth a solid foundation and background to meet the demands of life.

Modern educational institutions do offer a highly recognized scholastic standard. We feel, however, that EPC gives that **Plus** in your pursuit for a solid, sound, and approved education. On E.P.C. campus you will associate with young people of high ideals and moral character. The wise guidance under competent counsellors will prove most helpful. The stimulating challenge to develop your talents to their fullest extent is another **plus** in your E.P.C. training.

Plan now to attend the college that will make the difference between "just an education" and "an education with a dedicated purpose" . . . Eastern Pilgrim College.
