CHURCH IMPROVEMENT PROGRAM

Last year following the District Conference, a church improvement program was introduced for the purpose of creating greater spiritual activity and growth on the local church level. The plan was for each of the churches to zealously strive for the honor of being selected as "The Most Improved Church" in their particular zone of the District. The selection was to be made on the basis of a very accurate point system that reflected outstanding improvements and growth in the following areas of church activity: seekers for Divine grace, Sundays school and church membership growth, holiness evangelism, payment of denominational budgets, prayer and fasting league, vacation Bible school, pastoral calls, special youth week activities, teacher training course, Advocate subscriptions, and building improvement. And then, from the four zone winners in this program, the church with the highest rating was to receive the distinguished honor of being named "The Church of the Year" of the Pittsburgh District.

The following churches and their staffs qualified for the respective honors:

DISTRICT SUPERINTENDENT'S REPORT

GENERAL SUPERINTENDENT SNYDER, DELEGATES AND FRIENDS OF THE PITTSBURGH ANNUAL CONFERENCE:

Luke, the historian, opens his Gospel with these words:

"Inasmuch as many have undertaken to compile a narrative of the things which have been accomplished among us, just as they were delivered to us by those who from the beginning were eye witnesses and ministers of the word, it seemed good to me also, having followed all things closely for some time past, to write an orderly account for you, most excellent Theophilus, that you may know the truth concerning the things of which you have been informed."

It is our sincere desire that this report to the Pittsburgh Conference of the Pilgrim Holiness Church may also be a narrative of the things accomplished among us, written in orderly fashion, that our friends may know the truth about what has been attempted for our Lord in this District during the past year. It is written, we trust, with the honest knowledge of our failures in mind, but also with sincere gratitude in our hearts over what God has done for and through each of us as we have yielded ourselves to be used as the channels of His abundant grace.

GENERAL PERSPECTIVE

As we survey the work of the year, from the vantage point of the superintendency, we feel that we can easily affirm that this has been a very good year in the Pittsburgh District. It seems as though the Spirit that called the early churches of Sardis and Philadelphia to be spiritually alert has spoken to many of our churches in a strikingly similar tone. The various reports that we have received from the pastors and churches have evidenced optimism and zealous activity. Almost all of the churches have witnessed times of spiritual refreshing from the Presence of the Lord. Outstanding progress has been made in membership, attendance, finance, and property improvement. We know of only one area in which we have encountered a loss this year, and that is in the number of churches. This year we have one less church than we had last year. The Lisbon Church discontinued her relationship with the District.

Coming to serve as co-workers with us this year were the following pastors: the Reverend Melvin Lockard from the New York District, and the Reverend Daniel Gehman from the Pennsylvania-New Jersey District. We have already learned to appreciate these men for their cordial fellowship and spiritual devotion.

Perhaps some attention should be given to a few of the leading activities and accomplishment of the year. These will of necessity be brief in form and content.

United Stewardship Fund: Significant, indeed, is the increase in our contributions to the United Stewardship Fund. Last year, according to the report of the General Church Treasurer, we paid 50.1% of our apportionment of the United Stewardship Fund; this year our percentage was 65.4% — an increase of 15.3%. This is a splendid advance, and reveals that the Pittsburgh District is in a move forward in her total church support. However, though definite progress is here noted, we have not yet attained the percentile point that we desire. We, therefore, recommend that each church that has failed to meet their full quota of this Fund during this past year give careful study to Section 149 of our Church Manual.

District Grading System: It is very evident that one of the great needs of our District is the strengthening of many of our local churches. This was the prime reason for the formulation of our grading system. It was promoted for the specific purpose of creating a greater incentive for activity and growth in certain important areas of church activity. Frankly, I believe that it has been a grand success! The

basis for this statement is that at the beginning of the church year about two-thirds of our churches were grouped in the lower grades, but right after the grading system was introduced, several of these churches moved out of the lower grades into the higher grades and remained there during the rest of the year. It is our desire to see this system continued with some needed revisions. Another measure that was used to supplement the efforts of the grading system was the plan to select at the end of the year the **MOST IMPROVED CHURCH** in each zone of the District. This plan has created much interest among many of the pastors and congregations. The selection has been made on the basis of a point system that covered everything from evangelism to property improvement. Later in the Conference we will name those who have been selected to this honored position.

Advocate Subscription Campaign: We have 416 subscribers to the Advocate this year. This is a net gain of 78 over last year. If we could have obtained 22 more subscriptions this year we would have reached one-half of our quadrennial goal for Advocates that we set at our last Conference.

Church Membership: With a net membership gain of 61 it is very evident that our pastors and people have been reaching out through evangelism and visitation programs to bring others to Christ and His Church. Our membership goal for the quadrennium is 200. This means that we have 139 new members to win to our Church within the next three years!

Year-End Program: The program that was promoted during the last quarter of our conference year proved to be very beneficial. As you remember, each month was given a particular emphasis—February was “**STEWARDSHIP MONTH**”, March was “**MEMBERSHIP MONTH**,” and April was “**EVANGELISM MONTH**”. The total results of the diversified endeavor cannot be statistically determined.

OUTSTANDING ACHIEVEMENTS OF THE CHURCHES

Remodeling and building have been very much in evidence throughout the District. New church buildings are planned for Andover, Armbrust, Emlenton, Force and Washington. A new educational unit is to be erected by the McKeesport Church in the near future. A new parsonage is being constructed by the Donora Church.

Hundreds of dollars have been spent in the general improvement of church property at Armbrust, Twin Rocks, Geneva, Linesville, Franklin, Bentleyville, Strattanville, Titusville, Force, Emlenton, Brookville, Josephine, New Castle, Belle Bridge, West Newton, Elizabeth, McKeesport, Richeyville, Clinton, Donora, Homestead Park, and Warren.

A very nice parsonage was purchased by the New Castle Church.

New organs have become the property of the Elizabeth and McKeesport Churches.

The Waynesburg Church gave nearly \$3000.00 to foreign missions this year.

The Belle Bridge Church has enlarged their parking facilities.

The Donora Church did an outstanding job in liquidating their indebtedness during the few months of the conference year.

A new furnace was installed in the Geneva church parsonage.

SUGGESTIONS FOR THE DISTRICT

There are a few suggestions that we would like to offer in behalf of the future work of the District. They are as follows:

1. **An Inter-Church Leaders Conference.** No doubt, one of the primary reasons why many of our churches are not more responsive and effective

in carrying out the plans of our District and General Conference is because we have utterly failed to adequately enlighten them regarding the procedure and value of the same. There is a definite break-down in the matter of communications between our Conferences and the local churches.

On the basis of this very condition, we would like to suggest that we began to do some thinking about the possibility of conducting an Inter-Church Leaders Conference in each Zone of our District sometime during the first few weeks of our church year. The various leaders of each local church would be called together at these conferences for the purpose of orienting them to the total program of our Pilgrim Holiness Church. A special session would be conducted for each particular group of leaders. The anticipated result of these meetings would be that the leaders of each local church would receive some perspective as to our plans and objectives for the year.

2. **An increase In Pastoral Salaries.** Even though better than one out of every three of our churches raised their pastor's salary this year, and even though one out of every four of our pastors receive a salary of \$70.00 or more per week; yet we firmly believe that we are still lagging far behind in this area of Christian responsibility. The salaries of the majority of our pastors have not kept pace with the rising cost of living. We would suggest that each church take this matter under serious consideration.
3. **A Unified Church Budget.** We would like to suggest that each local church consider the matter of preparing a church budget for presentation at the annual church business meeting. Mimeographed copies should be made for distribution to each member. After discussion, the budget should be adopted by the membership. This would enlighten each member as to the total financial obligations of the local church for the coming year.

IN MEMORIAM

Just recently we suffered the loss of one of our ordained ministers in the home-going of the Reverend Floyd F. Fehr. We feel that it would be very improper for us to conclude this report without making some reference to his life and ministry. He was a most faithful and devoted pastor, greatly loved by the people among whom he labored. His radiantly happy spirit always made him a welcomed guest.

When such a servant of God is called home, the note is not of sadness, but of triumph. It seems to me that the words of the Hallelujah Chorus apply with special appropriateness: "Hallelujah, for the Lord God Omnipotent reigneth. And he shall for ever and ever. Hallelujah!" Surely death is swallowed up in victory!

IN CONCLUSION

We would like to express our gratitude to our beloved General Superintendent, the Reverend Melvin H. Snyder, for the leadership, inspiration, and encouragement that he afforded us in our work. To our Assistant Superintendent, The Reverend Jay L. Clark, we are indebted for his efficiency and loyal cooperation. Then there are the parsonage families, whose kindness and generosity are constantly in evidence. Likewise, we count it a joy to work with so many devoted and loyal laymen in our churches. Above all, we are grateful to God for the opportunity of being co-workers with Him, at a time when men everywhere are yearning for the security and hope that can be found only in our Christian Faith.

Luke closes his Gospel with these words:

"Then he lead them out as far as Bethany and lifting up his hands he blessed them. While he blessed them, he parted from them. And they returned to Jerusalem with great joy, and were continually in the temple blessing God."

It is our sincere prayer that this Annual Conference shall be to each of us a "spiritual Bethany"—a place of rich blessing from the uplifted Hands of our Lord. And when it comes time for adjournment, that we shall return to our "Jerusalems of service" with new joy and inspiration to accomplish more for Christ and His Church during this coming year.

PERSONAL REPORT

During this conference year I have made 131 visits to our churches, have met with all the local church boards to make inquiry regarding the general condition and progress of the work, conducted all of the annual business meetings, preached 156 times, presided at two District Council meetings, one Home Missionary Board meeting, one ministerial convention, four ministerial convocations, and attended to other matters and committee meetings that are incidental to the office. I conducted one revival meeting and three week-end meetings. Attended two meetings of the Board of Directors of Eastern Pilgrim College. I traveled approximately 15,908 miles in the interest of District work. We have received our salary in full.

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the Chairman, Rev. Melvin Snyder, to our District Superintendent, H. E. Williams, and to the members of the Twenty-first Annual Pittsburgh District Conference:

Greetings in the Name of our Lord Jesus Christ:

It is with gratefulness to God, who in His kind providence has overshadowed each of our lives and souls with grace and mercy, that we submit this resume of activity incidental to the office you chose for me to fulfill at the last Conference.

To have been privileged to serve as an aide to our alert, competent, resourceful and godly Superintendent, the Rev. H. E. Williams, has been indeed a wholesome and beneficial experience to me, personally. The warm fellowship of my fellow ministers in Kingdom building has been inspirational and challenging.

To the best of my ability, I have endeavored to discharge the assignments handed me by the Conference, the Superintendent, and the Council to the glory of God and in the furtherance of His Kingdom on the Pittsburgh District. These activities have included among other assignments: accompanying the Superintendent on some occasions to District churches; serving as the compiling editor of the Pilgrim Messenger; attendance at two meetings of the Eastern Pilgrim College Board of Directors and present at each of the District Council meetings.

Respectfully submitted,

J. L. Clark

REPORT OF SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the Twenty-first Annual Conference of the Pittsburgh District of the Pilgrim Holiness Church:

Greetings:

This year has been a year of advancement and wholesome growth in the Pittsburgh District Sunday Schools. Twenty-seven of our schools showed gains for the year totaling an average of 225. Seven were in the loss column with a total average loss of 30. This gives us a net gain of 195 for an average percentage gain of better than 10%. This commendable progress was made possible by the help of God and the untiring efforts of our many hard working pastors and their capable staff of Sunday school officers.

Our schools now number 32. This is a loss of 3 schools, but is countered by the wonderful growth of the majority.

The Sunday school work of the District has been going forward as was outlined in our Conference journal by my predecessor, H. James McClure. His work was so well laid out that it made it quite easy to step in and take up where he left off.

Th program for Sunday schools was laid out at the meetings of the District Stewardship Committee, held in each zone, and the response to the program was gratifying. The teacher training program was instituted in many of our churches as a result of these meetings, and according to our records, well over half of the churches participated in this effort to provide better trained teachers in this all important work of instructing souls in the things which pertain to the kingdom.

The matter of vacation Bible schools also was stressed at these zone gatherings, resulting in some churches sponsoring schools for the first time.

Rally day was the greatest ever conducted in the history of the Pittsburgh District. We topped the previous high by four. There were 16 churches that reached the goals set for them by the Sunday School Board. Three schools received plaques for their splendid efforts; with first place going to the Elizabeth Sunday School, pastored by G. D. Snow, with a numerical gain of 118. McKeesport, under the leadership of J. L. Clark, was second with a gain of 84, and Armbrust, led by H. James McClure, was third with a gain of 52.

Many schools entered into contests with other District churches, and as a result, many new prospects were added to their respective schools. Others used some very worthwhile and productive campaigns in their local churches. "Rockets to the Moon", "Gushers for God", and "Show your Faith" were among the ones used to good success.

Some of our schools deserve a lot of credit for the way they have worked during this year, but time will not permit the mentioning of all. We do have some that should be listed because of outstanding gains made over the past year. McKeesport tops the list in numerical gain with 28. Elizabeth is close behind with 25, and Armbrust is third with 20. Bentleyville, pastored by James L. Kinnan, is next with 17; Titusville, led by Wayne Musgrove, with 16; and Franklin, under the leadership of Andrew Slozat, with 14. Brookville, West Newton, and Strattanville are on the honorable mention list.

Percentage wise, Titusville is the leader with 39%. Brookville is second with 36%, with McKeesport in third place with a gain of 34%.

With sincerity we say "thank you" to each of the faithful pastors, and all others who helped to make our task as pleasant as possible.

The response with the monthly attendance cards has been gratifying with few exceptions.

We earnestly solicit your support for the year ahead. According to the District Treasurer, the receipts for the Sunday school work of the District have been quite low, with about 40% contributing. With increased costs in every area, it is needless to say, we cannot operate on this amount.

For the year ahead we offer the following program:

1. A new record Rally Day with a gain of 6% for '60.
2. A gain of 6% for all schools in '60.
3. All schools participating in a teacher training program for '60.
4. Active visitation program instituted for '60.
5. All schools conducting a vacation Bible school in '60.
6. All churches cooperating in providing this department with added funds in '60.

Above all, we solicit the prayerful support, backed up with real work in each local church by both pastor and laymen as we face the uncertain future with the message of salvation for a lost world. We must remember that the great percentage of church members that are active in the work today came from the ranks of the Sunday school. We must keep before us the aims of the Sunday school. We must progress spiritually—if we progress at all! The tragedy of our day is that so many of our scholars are being lost to the church. May God help us to see our responsibility with a greater sense of burden and concern. We **must** win them. We **must** not fail.

The commission is ours to get the gospel to them. The task is great, but our God is able for our day.

Our fear is that we are not being as faithful as we should be in the matter of our stewardship—that we excuse ourselves as too busy, when in reality, we are trying to cover our indifference. We are too heavily worked when in reality we are down-right lazy. We profess deep spirituality, but possess little zeal that characterizes a Spirit-filled life. The work will grow if we will work. The hearts of men will be moved if we will pray.

This is our hour! Time is running out! Let us give God, the Holy Spirit, an open channel through which to operate as we “go out into the highways and by-ways to compel them to come in.”

Respectfully Submitted,

MEREDITH W. TWINING

Promotional Secretary of Sunday Schools

STEWARDSHIP COMMITTEE REPORT

To our Chairman, Rev. Melvin Snyder, to our District Superintendent, Rev. H. E. Williams, and to the members of the Twenty-first Pittsburgh District Annual Conference:

Greetings in the Name of our Master Steward:

The action of the last District Conference enacted legislation providing for the institution of a District Stewardship Committee of three members to be appointed by the District Superintendent for the purpose of promoting Christian Stewardship on the Pittsburgh District.

This committee was duly appointed and on July 17, 1959 met to lay its ground work. It is believed that this was the first such committee in the Pilgrim Holiness Church. It is far too early to justly appraise the merit of the endeavors of such a committee as yet. However, even a casual glance of the field convinces us there is a definite need for concerted instruction and guidance in this exhaustless area of Christian Stewardship. Scriptural Holiness and Christian Stewardship are harmonious in their expression. A study of our brief history as a church reflects a sad ignorance and neglect of our Stewardship in the practical expression of our sanctified experience.

In addition to other stewardship proposals, the committee, at the request of the Superintendent, assumed the role of advancing the program adopted by the District Conference as per outlined by the recent General Conference. The various areas of the program was divided among the three committeemen. In special Zone Rallies, with the cooperation of the Youth Council, the committeemen submitted information and material for use in each church to aid them in their achievement of the proposed goals. The response in these four Rallies was encouragingly gratifying. In three of the Rallies capacity audiences were in attendance. The offerings in these four Rallies amounted to \$78.96. The total expenditures came to \$73.86, leaving a balance on hand of \$5.10.

During the month of February special emphasis was devoted to Christian Stewardship among our churches. Each pastor was asked to give special attention to the matter from the pulpit. The committee distributed a small booklet entitled “ABC’s of STEWARDSHIP” to the churches and encouraged the pastors to provide other printed material of the subject.

Throughout the year the committee has vigorously encouraged each church

to organize a GALILEAN FELLOWSHIP. At least four of the churches (Pittsburgh, Elizabeth, Donora, and McKeesport) have organized their men into such a fellowship and a number of others are contemplating the move.

The committee on one occasion was asked by the Superintendent to serve with him in offering guidance to a District church in a financial dilemma. The joint committee acting with the local board was able to establish an apparent operative budget for the congregation.

At the Ministerial Convention in DuBois the committee set up a Stewardship booth which was designed with the idea of acquainting our constituency with some Stewardship materials and books that are available.

For the coming year the committee would like to propose that the date for our District Stewardship Month be advanced from February to September for the purpose of granting more time for the development and effectiveness of Stewardship in the current fiscal year. The participation of our pastors and churches during this month could greatly enhance our ability to yield "more abundant fruit" for the Master.

Secondly, we would like to recommend that each local church board appoint a local Director of Stewardship who would be responsible to keep the congregation "Stewardship conscious and enlightened." The district committee could then work directly through this local director.

Lastly, for the benefit of the local congregation, we would like to suggest that when any church is unsuccessful in raising at least 50% of its budgets during the first quarter that the Superintendent in agreement with the pastor be authorized to invite the Stewardship Committee to join him in consulting with the local congregation with the objective of establishing an operative budget.

Respectfully submitted,

REPORT ON MEMOIRS

"Verily, verily, I say unto you, the hour is coming and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live." (John 5:25)

Inasmuch as God in His wise providence has taken some from our fellowship, we solemnly submit the following names:

THE REVEREND FLOYD F. FEHR

The Reverend Floyd F. Fehr was born in Bethlehem, Pennsylvania on May 10, 1904, and received his summons to enter the Holy City of God on Monday, June 15, 1959.

He faithfully pastored churches in four Pennsylvania communities, namely Quakertown, Pine Grove, Geneva, and Bellebridge. Brother Fehr was competent, wise, and helpful in his ministry as he presented the everlasting gospel with gentle simplicity to meet the needs of the souls he shepherded. His pastoral ministry was especially graced with a concern for the sick and needy. Truly, in him was found the essence of fidelity. When a thing seemed honorable and right to him, he would support it without reservation; when he thought it was wrong, his opposition to it was inevitable.

Brother Fehr will be remembered for his joyful and optimistic spirit. His loyalty and consideration towards his brother ministers has made a lasting impression. For those who knew him intimately, he has brought the Homeland nearer. So near,

in fact, that we would say with the poet:

"It seemeth such a little way to me
Across to that strange country Beyond!
And yet not strange, for it has grown to be
The home of those of whom I am so fond;
They make it seem familiar and most dear
As journeying friends bring distant countries near."

DISTRICT YOUTH CONFERENCE

HELD AT

BUTLER, PENNSYLVANIA

MAY 16, 1959

DR. PAUL F. ELLIOTT

PRESIDING OFFICER

* * * * *

REPORT OF DISTRICT YOUTH PRESIDENT

To our National Youth Director, Dr. Elliott, the members and friends of this Youth Conference of the Pittsburgh District of the Pilgrim Holiness Church. Greetings:

Once again God has graciously blessed us with the privilege of attending and enjoying another District Youth Conference. We humbly submit the following report.

On July 14-18, 1958, the third annual youth camp was held on the camp grounds at Mt. Pleasant, Pa. Fifty-five teenagers were registered and the time spent at the youth camp was a time of christian training. I would like to express my appreciation to all those who helped make this encampment a success. The date of our youth camp this year is July 27-31. Rev. Tommy Holshouser, Public Relations Director of Eastern Pilgrim College is the youth evangelist.

This year many of the societies conducted special youth week activities with excellent results. A District-wide contest conducted during youth week produced enthusiasm and activity among the societies. The McKeesport society with Willard Kleppinger as president and Rev. J. L. Clark as pastor emerged from the contest as the winner. The West Newton society came in second with Clinton in third place.

The young people of the Pittsburgh District are responding well to the National Youth Quiz Contest. Many societies report that enthusiasm is running high as the youth compete in this great quiz.

I shall not report on the activities of the various zones as the zone leaders will give their own report. The following is a personal report.

During the year I visited each zone along with Rev. and Mrs. Tommy Holshouser in the interest of the Pittsburgh District Youth and Eastern Pilgrim College. These rallies proved to be very profitable. I spoke in one rally in the Southeastern Zone, served as youth camp director and evangelist, wrote the youth page of the Pilgrim Messenger, attended the National Youth Leader's Conference in Indianapolis, Ind., presided at three youth council meetings and had charge of the youth services at the District camp meeting. Also served as evangelist in the Titusville and New Castle churches.

And now a word of exhortation. As we enter this missile age with all its mysteries potentialities and dangers we are stirred and challenged by the words of the great apostle in Romans 13. "And that, knowing the time, that now it is high time to awake out of sleep; for now is our salvation nearer than when we believed.

REPORT OF DISTRICT YOUTH PRESIDENT (CONTINUED)

The night is far spent, the day is at hand . . ." It is time that we as pastors and youth leaders awaken to our responsibilities to our young people. We as leaders need an old fashioned revival to take place in our hearts. We are dead, dry-eyed and unconcerned about lost youth. A spiritual awakening would clear our vision and supercharge our hearts with a boundless compassion for our young people. A spiritual awakening would result in a united effort to add scores of young people to the ranks of the redeemed. Friends, we are losing our young people in many areas. Could it be that we are largely responsible for this tragic condition? O Lord stir our hearts! This is a day for action, a day for doing big things for God and youth. Lets contend for the faith and stand true to our convictions. Young people, the world is looking for something real. exhibit a Christ-centered life, and God will use you to win a great host of others.

In closing this report let me suggest some goals to strive for during this conference year of 1959 and 1960.

1. An average of three new members in each society.
2. Each society to sponsor some local project during the year.
3. Every society a chartered society by '60.
4. Sixty six campers for youth camp in '60.
5. Sixty new subscriptions to the Pilgrim Youth News.
6. An average attendance of 666 in '60.
7. Each society to faithfully send in their activity fee to the Dist. Youth Treas.
8. Each society sponsoring youth week activities in '60.
9. A great host of Pittsburgh District youth to attend the National Youth Conv. at Winona Lake, Indiana, June 22-26, 1960.
10. A revival in every society resulting in the youth being converted and becoming members of the Pilgrim Holiness Church.
11. Every society standing 100% behind the District Youth Program.

Respectfully submitted,
W. F. Kinnan,
District Youth President

YOUTH ACTIVITIES FOR THE YEAR
