COLORADO

District Superintendent's Report

A great year of my life has just gone into history; new experiences and battles have come our way, but we have found the blessed Holy Ghost present in every time of need.

Have held revivals in the following places:

Oshkosh, Nebr.	Center, Colo.	Sheridan Lake, Colo.
Haigler, “	Lamar, “	Alamosa, “
Colorado Springs, Colo.	Wiley, “	Sugar City, “

In the last two places we organized Churches. The Sugar City Church bought themselves a nice little hall in a good location. The Wiley Church is doing fine.

The Lord helped me to preach 201 times. There were 119 saved and about 50 sanctified. I travelled 25,000 miles by auto and 5,000 on the train. Visited each Church twice, and can say God has given most of our Churches good revivals this past year.

The Church at Pueblo has built an addition to their church building which they needed so badly. The Campo Church built a small parsonage. The Plainview Church is getting ready to build a new church in the new town of Walsh, on a lot the Santa Fe R. R. Co. donated to them for that purpose.

Have held about forty business meetings with the Churches; secured forty subscribers for the Pilgrim Holiness Advocate; prayed in a good number of homes; read 27 books, 6654 pages; took 18 members into the Church. Received on my salary \$1100.00 and \$150.00 in love offerings. My tithe and offerings amounted to \$200.00.

The District bought a new tent this year and it is being used in the Home Missionary department. Our District now has three tents and they will be busy this summer.

Our workers and preachers are pulling together fine and the entire District is expecting a greater year, and more to be accomplished for the coming year if Jesus tarries.

For all that has been done, we bow our heads and say that God did it.

L. D. Sharp

NEBRASKA

District Superintendent's Report

To the Annual Assembly of the Combined Colorado-Nebraska Districts of the Pilgrim Holiness Church, convening at Colorado Springs, Colo.

GREETINGS:--

We have very much felt our inefficiency and our unworthiness for the work you have entrusted to us the last ten months, although we feel we can conscientiously say we have done our best and that the last year has been the best year of our lives.

Our helping to carry the pastoral work at Madrid, Nebr., has deterred us much and we have not been able to give ourselves wholly to the superintendent's work as we had wished to do.

We have had two Ministerial Conventions, visited all the Churches twice, and some several times, endeavoring to hold three services at each visit. We have travelled in line of duty 10,145 miles, preached 108 times, held 16 church prayer meetings and 12 cottage prayer meetings, visited 151 homes, prayed with 15 for their healing. We have assisted in four revivals in the Pilgrim Holiness Church and one revival elsewhere. Professions of regeneration 10, sanctification 11, outside of revivals we have assisted in, they having been reported elsewhere. Funerals 2; subscriptions to the "Advocate" 5. Expenses \$239.26. Received for support above our expenses \$396.14. Gifts and donations \$9.00. Gave in tithes and offerings \$89.22. We tithe into the Pilgrim Holiness Church, and subscribe to the Pilgrim Holiness Advocate.

Opportunity has presented itself favorably for the organizing of two more Churches. One of these places has an attendance of over 50 and have rented a hall and furnished it with piano and seats. A Mission has been opened in Omaha this year. The Wyoming Church has been built. The Lewellen folk have built a new parsonage; the Spring Valley folk moved to town and have purchased a fine hall there in Wauneta. The Oshkosh folk were given a \$500.00 lot in Oshkosh and they have started to erect a church building. The Cozad folk succeeded in moving a church building from the country to a fine site in Cozad, and the Eustis Church has been dedicated free from debt. To God be all the glory!

We feel the union of the two Districts will prove a success and we are more than willing to turn the leadership of the work over to more competent and experienced hands and we are willing to take the least place anywhere in the combined District, or any place God sees fit to place us.

Humbly submitted,

Chester W. McCarty
