DISTRICT SUPERINTENDENT'S REPORT

Greetings to the twenty fourth annual conference of the Tennessee District.

As I think of the many thousands of lost souls in this state of approximately four million people, of the cities and towns with no Pilgrim Holiness church and often no church of like faith, of the death dealing whirlpool of sin, this plain and yet meaningful statement from the lips of the Saviour, "I must work the works of Him that sent me while it is day for the night cometh when no man can work" stirs my heart.

God has a work for our Tennessee Pilgrims. It is not all in building new churches, parsonages, etc. while this has a place. But it is a work of soul winning, of getting out the message of Holiness and truth, of letting our lives, through love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, temperance, speak louder than our words. God help us to do more than just mark time. Let us not be among those who feel all is lost, that nothing can be done, rather let us sound a note of victory. Get the forward movement spirit in our hearts and by His grace "win some" before the night cometh.

We are thankful for what God has helped the faithful Pilgrims of this district to accomplish this year. Following is a brief report.

"Report of Forward Movement Committee"

The council has this year acted as our Forward Movement Committee. We can not boast of great accomplishments but we give God praise for what has been done. Each zone has given time to this program. Impressing our people of it's meaning and usefulness. Our district Sunday School and youth paper has highlighted forward movement. A district tour was made and pledges taken for home missions with good results. Prayer pledge slips were sent out and many over district pledged to pray daily this conference year. We had two representatives attend the general meeting at Indianapolis for district forward movement committees. It is our prayer that with Him we shall go forward. Three new works have been started in the district this year. Lake View, Elizabethton, and Oak Ridge. God has blessed this effort and we are looking for good reports from these churchés. They are depending on your prayers and support.

Respectfully Submitted,
Forward Movement Committee

MEMORIAL TO THE 1958 GENERAL CONFERENCE

In as much as Television is so similar to moving picture shows, and its effect so detrimental to spiritual life, we, (the Tennessee District Annual Conference), recommend that the coming General Conference go on record as being opposed to Television, and due to influence ministers are not to have Television sets.

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

Read a paper, "What the District can do in the interest of branch Sunday Schools," at the Ministerial Convention at McEwen. Attended three Zone Rallies in Zone No. 2, speaking at one of these rallies on the subject, "Going forward with our "Forward Movement" in the interest of our Sunday Schools." Printed eleven bulletins, one a double header. Bulletins were sent to each church, also to each Promotional Secretary of each District. Eight Sunday Schools show a gain, while five show a loss. The district percentage gain was sixteen.

3. Since it is a matter of importance for all pastors to attend Campmeeting and Conference, be it resolved that all pastor's support at the church he is serving continue over the two weeks that he is away.
4. Be it resolved that each pastor read all the resolutions and also recommendations of the Ways and Means Committee to the church at the earliest convenience, and also a few weeks before compmeeting.

financial support, be it resolved that our local church boards, with the help of the District Superintendent, impress on the deacons the fact that it is their duty to see that monthly donations are brought to the pastor.

Recommendations of the WAYS AND MEANS COMMITTEE Local Church Financial

1. We recommend that all evangelists, song evangelists, pastors and conference ministers are to send their ministerial tithes to the District Treasurer the first of each month. Where their ministerial tithes do not average as much as \$2.00 per month, they are to send that amount monthly, except ministerial students while attending Bible School, or those physically unable to work or pastor a church. When husband and wife are both pastoring a church or both traveling together in evangelistic work, they shall be assessed a minimum of \$2.00 per month. This money is to be divided as follows: 60% District Administration fund; 20% District Home Missions fund; 20% District Campground fund.

2. We recommend that each evangelist, song evangelist, pastor and conference minister pay their general budget through the local church.

3. We recommend that all members tithe into the local treasury, except ministerial tithes from church salary, and that 10% of the regular offerings, (Sunday morning tithes and offerings) or its equivalent, from each church or mission be sent to the District Treasurer not later than the fifth (5th) of each month. This will then be divided as follows: District Administration 60%; District Campground 7½%; District Home Mission 17½%; General Conference 10%; Bible School 5%.

4. We recommend that each church or mission take one free will offering each year for the Bible School at Kernersville, to be sent to the District Treasurer.

5. We recommend that our churches and missions be assessed the following amounts for traveling expenses of our District Superintendent: Chattanooga, Jamestown, McEwen, Monterey, Clinton and Paris \$2.50 per month. Lake City, Jellico, West LaFollette, Gordon Lake and Morris-

town \$1.50 per month. Moss, Nashville, East LaFollette, New Providence, Elizabethton, Oak Ridge and Lake View 50c per month. This money is to be sent to the District Treasurer the first of each month to be placed in the District Superintendent's traveling expense fund. Also it is understood that any church calling the Superintendent for a special meeting shall be expected to give him the equivalent of 5c per mile for the expense.

6. We recommend that the District Council have charge of the printing of the minutes and make provision for the paying for the same; and that sale of the minutes be made at the first quarterly meeting under the direction of the District Superintendent.

Sunday School Work

1. We recommend that all birthday offerings be placed in the District Home Missions fund, and that all pastors co-operate with our Sunday School Superintendents in urging those attending our Sunday Schools to bring in their birthday offerings, explaining to them that the money is used for District Home Missions. This money is to be sent to the District Treasurer the first of each month.

2. We recommend that our pastors see to it that on the last Sunday of each month the Sunday School raise the equivalent of 2c per member average attendance for the month, the same to be sent to the District Treasurer the first of the following month. This money is to be divided equally between the District Home Missions fund and the District Camp-ground fund.

3. We recommend that our District Sunday School Secretary send monthly news sheets to each pastor for distribution. Said Secretary is to receive \$5.00 per issue to take care of the expense. The money is to be paid from District Sunday School and Youth fund.

Young People's Work

1. We recommend that the District Young People's Secretary put an article in each issue of the news sheet.

District Financial

1. We recommend that our District Superintendent be paid a salary of \$140.00 a month. If the salary cannot be paid from the District Administration fund, because of lack of funds, it is to be paid from the Home Missions fund.

2. We recommend that the District Superintendent pay his tithes to the District Treasurer, the same to be placed in the District Administration fund.

3. We recommend that our District Superintendent be allowed the privilege of holding five revivals a year off the District, and that he be permitted to keep his offerings, but he shall pay his own traveling expenses.

4. We recommend that the District Treasurer pay our District Superintendent's light and 'phone bills, also his 4% pension plan dues, same to be paid from the District Administration fund.

5. We recommend that our District Superintendent's traveling expenses to the Superintendent's meeting in Indianapolis be paid from the District Administration fund.

6. We recommend that all pastors receiving district assistance make a full monthly report to the District Superintendent.

7. We recommend that our District Superintendent visit each church three times during the year if possible, and that he inform the churches of the progress the District is making, and also inform each church as to what progress that church is making in keeping their budgets paid. If they are behind, he is to meet with the board and try to work out a plan whereby they may do better.

8. We recommend that our District Superintendent appoint some one to launder all campmeeting things needing washing, at the close of the camp, the party doing this work to receive \$20.00. This money to be paid from the Campmeeting fund.

9. We recommend that our District Secretary also be the Statistician, and that he receive two dollars (\$2.00) per month for his services. This amount is to be paid from the District Administration fund.

10. We recommend that the District Treasurer be paid \$10.00 per month from the District Administration fund and that he mail out once a quarter to pastors, church treasurers and active evangelists a report of monies received to date. Also that he inform the District Superintendent as to how the churches, pastors, evangelists and unstationed ministers are meeting their District obligations.

11. We recommend that the District Treasurer pay the 4% contribution to the pension plan for the evangelists who are co-operating with the District in sending their ministerial tithes monthly and who desire to sign with the pension plan. This payment is to be made from the District Administration fund.

12. In as much as it is with real difficulty and hardship that the camp is prepared each year, we recommend that each conference licensed and ordained minister work two days on the campground or pay \$10.00.

13. We recommend that at each zone meeting an offering be taken in one of the services, this money to be sent to the District Sunday School and Youth Treasurer to be placed in this fund.

14. We recommend that the District Superintendent appoint a committee of three to be in charge of all District Home Missions work and monies to be spent for that work.

15. We recommend that we have a campground and lot committee, consisting of the District Superintendent, the District Treasurer and one man elected by the District Council. This committee to be in charge of all lots, the upkeep and improvement of the buildings and to have oversight of all rooms. The chairman is to get the consent of at least one other member of the committee before paying out any monies for improvements.

16. We recommend that we have a campmeeting committee consisting of the Campmeeting Treasurer, the person in charge of the kitchen, the person in charge of the lunch room and the person in charge of the book room. The duties of this committee shall consist in the purchasing of food, books, etc., necessary for the campmeeting, to receive and count all offerings and money given during the campmeeting and to post the Superintendent from time to time as to the additional amount of money needed to close the campmeeting without debt. Also, that everything to be sold on the campground during the camp be under the jurisdiction of the committee.

17. We recommend that our District Superintendent be paid 5c a mile traveling expenses when traveling in the interest of the District. When traveling especially in the interest of District Home Missions, travel expenses are to be taken from the District Home Missions fund and to be reported along with the regular travel expense.

18. We recommend that in our camp there be a charge of \$1.00 registration fee for each person over ten years of age, or 50c for each person staying less than five nights. A charge of \$5.00 per room for ten days, or \$1.00 per night. All dormitory beds free. A charge of \$5.00 for ten days for meals, or 40c a meal. All children under ten years of age, one half price. We further recommend that those desiring to work out expenses be permitted to do so.

19. We recommend that all active gospel workers be entertained free, but shall pay registration fee.

20. We recommend that we use the money needed from the Knoxville fund to finish the district parsonage. Each church to take an offering in August 1957 to help pay same back.

DISTRICT LOAN FUND

1. We recommend that the District Loan fund be placed under the supervision of a committee of three; The District Superintendent, District Treasurer and one other person appointed by the District Council, said committee to be under the direction of the District Council.

2. We recommend that each loan be limited to \$500.00 payable in eighteen monthly installments at 4% (percent) interest rate until loan fund shall reach such amount as would merit increase.

3. We recommend that each church be limited to one loan at five hundred dollars until said church has paid principal and interest down to \$250.00; after which the church will become eligible for additional loan of \$250.00.

4. We recommend that when regular monthly payment cannot be made that the church be penalized \$2.50 for each month behind with payment.
