DISTRICT SUPERINTENDENT'S REPORT

To our General Superintendent, Rev. R. G. Flexon, delegates and friends assembled at this, our 26th annual conference of the Tennessee District, I greet you in Jesus' name.

At the General Conference in 1958, three General Superintendents were chosen. Rev. William H. Neff, Rev. R. G. Flexon, and Rev. Melvin Snyder. The General Board then designated the area over which each should serve. The Tennessee District fell within the area assigned Rev. Flexon. At our last District Conference Rev. Flexon had duties that prevented his attending, but we were privileged to have as chairman, Rev. Melvin H. Snyder. We are thankful to God that even though Rev. Flexon is carrying the heavy burden of a comp meeting at this time, he is able to preside at this conference. On behalf of the District, may I assure him of our prayers and concern.

The reports of this conference represent at least twenty six years of activity by the Pilgrim Holiness Church in Tennessee. We have nothing to be ashamed of. God through many of his good and faithful servants, has made it possible to hear the message of Holiness. Some of our Churches have been small and often humble places of worship, but we as a District have tried to lift up Christ, being careful to give this message of Christ the preeminence and keeping material gain in proper perspective. The men and women of this District have been sacrificial. These are not idle words, for one needs only to browse through the conference journals of past years to see that what I say is true. Thank God for every victory won and we are ready to admit our humanity and weakness in every defeat.

I trust that no minister or layman is satisfied. If we are satisfied with past achievements or the present status quo, we can expect little more than a stalemate for the coming conference year. I refuse to believe that the Tennessee District is ready to accept a stalemate, with such apparent need of truth among the people of our towns and cities. The brief report following should only serve to challenge us to do more for Christ.

Church Improvements

We could never cover in detail all that has been accomplished, but allow me to mention a few of the improvements.

CLINTON—The parsonage interior has had some work completed and other improvements made.

ELIZABETHTON—The Church floor and platform have been painted and trim work done on the church exterior.

JAMESTOWN—The front porch of the parsonage has been torn out and a substantial concrete porch put in its place.

JELLICO—Made a number of improvements on the parsonage and much of the basic work has been done on the new church. Blocks have been laid to floor level with much done on the furnace room. Floors have been poured in the Sunday School annex.

LAKE CITY—Plans have been drawn and approved for a new church and the foundations are in for the first unit. The lots have been cleaned up with improvement of the property in general.

EAST LAFOLLETTE—The rooms being used for a parsonage were sealed with used sheet rock and made ready for decoration.

MC EWEN—Has installed a bath room in the parsonage.

GORDON LAKE, GA.—The closing in of the church front porch has made possible a nursery and an additional Sunday School room.

MONTEREY—Painted the church floor and parsonage and church exterior.

MORRISTOWN—Almost has the brick up on their new church building, also window and door frames installed and painted.

MOSS—Is now worshipping in their new church building. While the building is not fully completed, it is a tremendous improvement over the old.

NASHVILLE—Is now worshipping in their new church. Both church and parsonage are a credit to the District. The most recent improvement is a good substantial parking lot.

District Home Missions

This is a field of labor in our State that needs our continued prayers, interest and support. We must reach out if we expect to have normal growth.

LAKE VIEW—Though only three years old, was organized on October 19, 1958 with ten members. Consideration is being given to the construction of a new auditorium.

NASHVILLE—While Nashville is not to be considered a new work, it was reorganized June 8, 1959 with seven members. It seems a miracle but they now have twenty two members while worshipping in the recently completed church.

POPLAR RIDGE—This work presents an open door in a rural section near Ashland City. Success will depend upon your prayers and the sacrificial labor of the appointed pastor.

NEW WORK—The goals set by our General Conference and General Superintendent can only be reached by the combined efforts and support of all. Every effort is being made by the District leaders to accomplish these ends.

District Superintendent's Personal Report

Traveled not less than 18,101 miles in the interest of the District and gospel work. Presided over six council meetings. Worked at least 85 days on the District parsonage and camp ground. Worked at least ten days for District churches. Had the privilege of covering the District with the General Superintendent, Rev. R. G. Flexon, on the Zone level and local level. Made trips in the interest and purchase of the Elizabethton Church. Had part in two organizational and one dedicational service. Held six revivals and one week end meeting. Made at least three visits to each church and some more where especially needed. Conducted all District annual meetings. Had the privilege of attending our General Conference at Winona Lake, Ind. I met with our camp ground and lot committee. Assisted in the purchase of the District duplicator, purchased through our Youth project and assistance. Assisted in the publications of "Volunteer Views." Had wonderful fellowship among God's people and feel keenly aware of my inabilities and unworthiness. Salary and traveling expenses paid in full.

Respectfully Submitted,

L. E. Galyon

REPORT OF DISTRICT SUNDAY SCHOOL SECRETARY

I assisted in printing ten District bulletins, one of which was a "Three in One." We were late with the first bulletin because of the delay in the purchase of our new mimeograph machine.

I assisted in the Zone meetings of our own Zone, including one special meeting with Brother Flexon, also the Ministerial meeting, both of which were carried on in the Jamestown Church.

We truly appreciate the work of our pastors and Sunday School workers, which as a result gave us a good gain in our District this year, and wish to say we have had good cooperation this year.

Our gain in Sunday School attendance this year was close to one hundred per month over the previous year, yet we hope and pray that it will be five times that by next camp meeting.

I have enjoyed working with Rev. Galyon and Rev. Fletcher in getting out the District Sunday School bulletin.

Our prayer is that the District will grow in leaps and bounds, both numerically and spiritually, but especially spiritually.

Your Humble Servant,

George H. Vance

Recommendations of the

WAYS AND MEANS COMMITTEE

Local Church Financial

1. We recommend that all evangelists, song evangelists, pastors and conference ministers are to send their ministerial tithes to the District Treasurer the first of each month. Where their ministerial tithes do not average as much as \$2.00 per month, they are to send that amount monthly, except ministerial students while attending Bible School, or those physically unable to work or pastor a church. When husband and wife are both pastoring a church or both traveling together in evangelistic work, they shall be assessed a minimum of \$2.00 per month. This money is to be divided as follows: District Administration fund 60%; District Home Missions fund 20%; District Campground fund 20%.

2. We recommend that each evangelist, song evangelist, pastor and conference minister pay their general budget through their local church.

3. We recommend that all members tithe into the local treasury, except ministerial tithes from church salary, and that 10% of the regular tithe offerings (Sunday morning tithes and offerings) or its equivalent, from each church and mission be sent to the District Treasurer not later than the fifth (5th) of each month. This will then be divided as follows: District Administration 60%; District Camp Ground 10%; District Home Missions 20%; General Conference 10%.

4. We recommend that each church and mission take one free will offering each year for the Bible School at Kernersville, and if offerings do not total as much as \$75.00, the District Treasurer is empowered to supplement from the District Administration fund.

5. We recommend that our churches and missions be assessed the following amounts for traveling expenses of our District Superintendent: Chattanooga, Jamestown, McEwen, Clinton and Nashville, \$2.50 per month; Monterey, Paris, \$2.00 per month; Lake View, East LaFollette, Lake City, Jellico, West LaFollette, and Gordon Lake \$1.50 per month; Moss, Morristown, New Providence, Elizabethton, Oak Ridge, 50c per month.

6. We recommend that the District Council have charge of the printing of the minutes and make provision for the paying for the same: and that the sale of the minutes be made at the first quarterly meeting under the direction of the District Superintendent.

7. We recommend that all churches estimate their general budget by the month and that each first Sunday of the month the Sunday School offering be raised to that amount and be sent to the District Treasurer.

Sunday School Work

1. We recommend that all birthday offerings be placed in the District Home Missions fund, and that all pastors cooperate with our Sunday School Superintendents in urging those attending our Sunday Schools to bring in their birthday offerings, explaining to them that the money is used for District Home Missions. This money is to be sent to the District Treasurer the first of each month.

2. We recommend that our pastors see to it that on the last Sunday of each month the Sunday School raise the equivalent of 2c per member average attendance for the month, the same to be sent to the District Treasurer the first of the following month. This money is to be divided equally between the District Home Missions fund and the District Campground fund.

3. We recommend that our District Sunday School Secretary send monthly news sheets to each pastor for distribution. Said secretary is to receive \$5.00 per issue to take care of the expense. This money is to be paid from District Sunday School and Youth fund.

4. We recommend that each Sunday School have an annual Record Breaking Day the second Sunday of May, (Each Sunday School giving special effort to break their former record) and that a special offering be taken for District Home Missions.

District Financial

1. We recommend that the District Superintendent be paid a salary of \$40.00 a week. If the salary cannot be paid from the District Administration fund, because of lack of funds, it is to be paid from the Home Missions fund.

2. We recommend that the District Superintendent pay his tithes to the District Treasurer, the same to be placed in the District Administration fund.

3. We recommend that our District Superintendent be allowed the privilege of holding five revivals a year off the District, and that he be permitted to keep his offerings, but he shall pay his own traveling expenses.

4. We recommend that the District pay all utilities of the District Superintendent, plus his pension plan dues, and this to come from the District Administration fund.
