District Superintendent's Report

The Twentieth Annual Assembly,
Virginia District of the Pilgrim Holiness Church,

Dear Brethren and co-Laborers with me in Christ, Greetings:

Another year has passed and we are here now to review the work done for the past, and to plan for the future of our District and Church. These are strenuous days, but we have been convinced that these are blessed days for the people of the Lord. Jesus is soon to come, the day is about to break, and this night of war, conflict, trouble, will soon be over. We are looking for the King. But let us keep in mind that one of the great parables of Jesus was that of the Talents, and the words, "Occupy Till I Come", are strong words of admonition. Let us be diligent, watchful, and obedient.

Personally, as I review the work of the past year, I feel that I have done so little, compared with the great work to be done, but we are glad to say that this has been a blessed year in the work of the Kingdom. We praise the Lord for every victory, and give Him all the glory for what may have been accomplished.

We appreciate the faithful labors of godly pastors and evangelists—a sacrificing ministry, and a loyal laymanship. I am deeply indebted to all of you for your splendid co-operation, and may God richly bless you, every one.

We submit to you the following report:

Evangelistic meetings out of the District	10
Evangelistic meetings in the District	3
Home Missionary work of seven weeks at Newport News.	
Supply pastor at Covington, three weeks.	
Visits to the Churches	55
Sermons preached	295
Souls seeking to be saved or sanctified	950
Miles traveled	33,000
Received as salary from District and evangelistic work and Home Missionary work	\$2,221.01
My expenses for traveling, District and evangelism	\$450.00

Faithfully submitted,

D. E. SNOW.

Report of the District

We all have reason to believe that this has been a good year in all our Churches. Some gracious revivals have been had and the spiritual condition of the District is encouraging. We praise the Lord for all He is doing for us. This year, we have had several open doors, to us as a District. The Church at Deltaville has desired to have a Pilgrim Holiness Church. We feel that in just a short time, we will have an organized Church there. They are making plans to turn over their Church and camp grounds to the Pilgrim Holiness Church, and it is debt free.

We have an excellent opportunity at Five Points, near Gwynns Island—a church building, owned by a man who desires to give it to us if we can establish a work. Attendance is good and they had a gracious revival this year. This prospect is good.

We have another at Germans—a good opportunity to do a good work in an interested community. Brother Norton is being used of the Lord in these open doors.

The Church at Clancy, near Beulah—Brother Michael has been asked to preach there, and he has been going there for some time, with splendid results.

Our prospects at Newport News or Hampton Roads are excellent. With the Defense program in full swing, it is bringing into this Peninsula thousands of people. There isn't a distinctive holiness church at work there. The field is wide open to us. In the two campaigns there, we have twenty or more people interested in having a Pilgrim Holiness Church there. We have a building fund started, and a gracious saint (a widow) gave us an acre of ground that we feel sure will bring five hundred dollars. In our four weeks of broadcasting we reached many people, and we have had response from at least six other towns in reach of the station. The Broadcasting Company has offered us a contract for the programs we desire to put on, at a cost of only ten dollars per half hour. Now is our time for this work.

As the coming of the Lord nears, we should enter every open door, and work while it is day, for the night cometh. Let us pray that the Lord will help us as we plan for the coming days.

And Church borrowing from this fund shall give a note signed by the Trustees and a deed of trust for the amount borrowed. This fund shall be under the control of the District Council.

Recommendation No. 9. We recommend that the Young People's Societies of the District send in an offering to the District Camp to help defray expenses of free entertainment at the Young People's Convention. These offerings may be taken monthly in the Young People's Society.

Recommendation No. 10. We recommend that the following plan be used in raising funds for Bible School:

A Church of 10 members or under pay\$.50 per month
A Church of 10 to 20 to pay 1.00 per month
A Church of 20 to 30 to pay 1.50 per month
A Church of 30 to 40 to pay 2.00 per month
A Church of 40 to 60 to pay 2.50 per month
A Church of 60 tor more to pay 3.00 per month

Recommendation No. 11. We recommend that we as an Assembly go on record to support the request of the Allentown Bible Institute when and if all the other Districts in the Zone adopt it.

Recommendation No. 12. Inasmuch as we have a Camp Meeting Association, we recommend that Recommendation No. 11, page 15, be deleted from the Minutes. Carried.

Recommendation No. 13. We recommend that our District and General Budgets be set at \$2,985.00, this to cover Foreign Missions, General Budget, District incidentals, District Home Missions, General Assembly expense, contingency or emergency fund, and last year's deficits. We further recommend that our District Superintendent receive as his remuneration, one-half of Minister's tithe for which he will visit each Church twice this year, his traveling expenses to be raised by free-will offerings at time of the visit.

This budget is to be prorated to the Churches as follows:

Memorials to the General Assembly

Memorial No. 1. Since the colored man in the United States is just as precious in the sight of God as any other in the world, and since we have raised hundreds of dollars to evangelize the colored man abroad and nothing to evangelize in the homeland, be it resolved that this General Assembly make definite plans to evangelize the black race in the United States.

Memorial No. 2. Inasmuch as so many ungodly organizations and unorthodox organizations have adopted the word "Assembly" for their gatherings, we recommend that the word "Assembly" connected with our General and District Church be changed to the word "Conference".

Memorial No. 3. Since the membership of the Ministerial Associations of our cities are composed of lodge members and show-going preachers, Be it therefore resolved that none of our Ministers unite with or take part in their meetings.

Manual, page 103—Sec. 161.

Memorial No. 4. Since our Manual prohibits our Ministers from performing marriage ceremonies for those who are divorced and have a living companion, and since no divorced person who is remarried is eligible for office in our Church, Be it therefore resolved that no divorced person living in a state of wedlock with another party while their former companion still lives, shall be eligible for membership in the Pilgrim Holiness Church.
