CONFERENCE MINUTES

The fortieth Annual Conference of the Virginia District, Pilgrim Holiness Church, convened in Roanoke, Virginia on August 14, 1961. The congregation was led in singing by Rev. B. L. Puffenbarger who selected the old hymn of the Church, "We're Marching To Zion". Rev. Dale Reynolds read a scripture lesson from Romans Chapter 12, after which Rev. G. A. Castevens led in prayer.

District Superintendent, Rev. W. A. Massey, presented General Superintendent, Dr. William H. Neff to the Conference as its presiding Chairman.

Dr. Neff spoke to the assembled ministers and delegates concerning the importance of such gatherings as times of decision to determine where we are going and what we have done. We must set the course for the present, and make plans for tomorrow. Most of us work best when we know what we are going to do in a given day. We need both activism and faith in our lives. There are times when our feet must catch up with our lips and our walk catch up with our talk.

Men who object to programs often are disorganized and get the least accomplished. Perhaps the high light of such a meeting as this is the wonderful fellowship which Christians enjoy. There are scores of our people who would like to be at the conference and enjoy the warmth of Christian fellowship which we are experiencing.

Then, too, certain rivalries occur due to differences in personal traits and tastes. The right of discrimination is fundamental to the work of the church. Some people feel that differences of opinion discussed vigorously is an evidence of the carnal mind. This is not so. The fact is that where there is theological concern for truth there will be discussion and the pro and con of debate will be heard but carried on in an atmosphere of love without casting reflection and insinuations as to motive and character.

Bro. Neff mentioned the fact that he and Mrs. Neff would be leaving later that week for a trip to Africa in the interest of the Foreign Missionary work there and for that reason would ask to be excused from this Conference late in the afternoon after the election of the District Superintendent.

Following the message the conference roll call was completed by Secretary.

Hours for the conference sessions were as follows:

Morning — 9 A. M. to 12 Noon

Afternoon — 1:30 P. M. to 4 P. M.

Evening — 6:30 P. M. until close of conference.

The Conference Bar was established as the platform and first seven rows of seats in center and right sections of tabernacle.

Rev. Kenneth Taylor was received by transfer from the North Carolina Conference. He will pastor the Pilgrim Holiness Church at Preston, Virginia.

Moved, seconded and carried that these two men be accepted into the Conference with full privileges.

Report of District Superintendent, Rev. W. A. Massey was received by unanimous vote.

The conference convened for the afternoon sitting at 1:30 P. M. The beautiful song, "I Need Thee Every Hour" was sung by the congregation and Dr. Neff led the assembled group in earnest prayer.

By Conference vote Mr. Sparrow was seated as delegate from Gwynn in the absence of his wife.

Res. No. 4 was read by the Secretary and passed by Conference vote. This resolution will replace No. 21 of the 1960 Minutes.

DISTRICT SUPERINTENDENT'S REPORT

Through the mercy and good providence of God we are privileged to assemble in the fortieth conference of the Virginia District of the Pilgrim Holiness Church. It is a pleasure to welcome our highly esteemed General Superintendent and presiding Conference Officer, Dr. W. H. Neff. Also, a sincere welcome is extended to each delegate and friend present.

The world situation today is anything but bright. The ominous spread and threat of communism is casting its shadow over the hearts of millions throughout the world. The leaders of our nation and other nations are faced with problems too great for human wisdom to solve. In the light of this, we cannot expect that it will be easy to carry on a genuine Gospel work, but with purpose of heart and faith in God we must move forward to meet the challenges of this our day. May the Lord anoint and guide us in the business of this conference.

Some churches have experienced good revivals during the past year. For this we are grateful. However, I fear that a materialistic philosophy and indifference to spiritual things are making inroads into the hearts and minds of too many otherwise good people. The only remedy I see is revival. My prayer is that such may be experienced in every church in the district.

During the past year Rev. W. S. Allred was called to his heavenly reward. He will be greatly missed in the camps, conferences and other district gatherings. He will long be remembered for his love and devotion to the Lord. He faithfully labored with his good companion to make possible the Christiansburg Church. His influence continues in the hearts and lives of many.

Statistical and Financial Status

As we review the past year I regret that I am unable to bring a more encouraging report. However, it is necessary that we face the facts as they are and plan for better things in the future.

Several churches have shown a net gain in church membership. Those leading in gains are: Hopewell 7, Roanoke 6, and Beulah and Richmond Emmanuel each a gain of 5. The membership of some churches remained the same while others have shown a loss. The losses have outbalanced the gain, and the statistical report will indicate a small loss in membership.

The report of our Executive Secretary of Sunday Schools will show some loss in this department. We need to stimulate greater interest and activity in our Sunday Schools in order that this trend may be changed in the weeks and months ahead. The growth of the Sunday School is vital to the growth of every department of the church.

A number of churches have been faced with financial difficulties. This has been reflected in the General and District Budgets as well as the local churches. The sharpest decline has been in the United Stewardship Fund. A statement from our General Secretary-Treasurer reveals that we paid 49.2 per cent of this fund, which is 13 per cent less than was paid last year. While there was some decline in District Budget the over-all district receipts (including the penny a meal for District Home Missions) have shown a substantial increase. It appears that more emphasis on Christian Stewardship plus an increased sense of obligation to the denominational program, would do much in improving our position at this point. There are several churches that have paid both the United Stewardship Fund and District Budget 100 per cent and deserve honorable mention. They are: Beulah, Newport News, Preston, Remlik, Roanoke, and Salem.

Property Gains and Improvements

Since many of the property improvements have been mentioned in the "Va. Pilgrim" I shall mention only a few. The Vinton church has purchased a lot adjoining the church property which has given them an additional 200 foot frontage. The new property includes an eight room frame house that is providing additional Sunday School rooms. The purchase of this property will safeguard against any business establishment moving close to the church, and will make possible ample

space for future expansion. The church was fortunate through this purchase to re-finance its indebtedness and at the same time reduce the amount of the monthly payments. The Hopewell church has sold its old parsonage and purchased a nice brick parsonage beside the church building. The basement Sunday School rooms of the Salem church have been finished making them very attractive and inviting. Through the cooperation of several ministers of the district the dining room-dormitory building on the camp ground was painted on the exterior. Also, ceiling was put in the dining room and kitchen, and the garage converted to a lunch and book stand. Our District Youth president and Youth Council are responsible for the construction of the outdoor chapel and for providing additional recreational facilities. The cost of the materials for these projects was paid by the district youth department.

Youth Camp

The district youth camp proved to be a success and blessing. Rev. D. L. Reynolds and those who worked with him did a splendid job in planning and directing the camp. There was a fine group of young people present, and a goodly number bowed at an altar of prayer and sought the Lord. We should ever strive for numerical increase at the youth camps. Efforts to win young people to Christ and the church will pay big dividends.

Home Missions

Much effort has been put forth in searching for a suitable location in Warwick. A fine lot of about two acres, in an excellent location is under consideration. We have endeavored to secure a loan for the purchase of the lot and the construction of the first unit of a church building. The securing of such a loan is difficult. It is hoped that this may soon be accomplished and the work started in this prospective field.

By Council authorization the penny-a-meal calendar plan for Home Missions was launched at the beginning of 1961. A number of churches have responded favorably, and the plan is proving to be a success. If each pastor will promote it such a simple plan can become a good source of income for this all important work. The income from the budget alone is inadequate in the light of present day costs.

Goals

We cannot allow the failures of the past to discourage us. Neither can we accept them passively, but by God's help we must purpose to reverse the trend and move forward on all fronts. To help accomplish this I would recommend the following:

1. That we earnestly strive in the coming year for at least an 8 per cent increase in Sunday School attendance and a 5 per cent gain in church membership.

2. As a means in reaching these goals I would further recommend the organization of prayer groups in each local church, the program of personal evangelism, and that the "Standard of Excellence" be adopted by every Sunday School. Also, I would urge the attendance of the pastors and Sunday School Officers and teachers to the National Sunday School Convention to be held in Allentown, Pa., August 29-31.

3. That this conference adopt the penny-a-meal plan to help make possible the establishing of new churches in the district.

4. That conscientious effort be put forth to raise the District Budget and United Stewardship Fund on a month-by-month basis.

Personal Report

During the past year I have preached 90 times, spoken on the radio for 6 devotional periods, made 59 official visits to the churches, conducted 25 annual business meetings and 40 board meetings. I planned for and attended four fellowship meetings for the ministers and their wives. I presided over 3 Ministerial Convention Committee meetings and presided over the convention. It was my privilege to attend the two area meetings of our General Superintendent, and the two Sunday School Institutes under the direction of our Secretary of General Sunday Schools and Youth. I assisted in the youth camp. I attended one Sunday School Committee meeting and one Youth Council meeting. I attended one S.P.C. Board meeting, 2 Executive Committee meetings, and 1 meeting of the Building Committee. I presided over the Youth Conference and have endeavored to fulfill my responsibility to the district Camp. I presided over 7 District Council meetings and served as evangelist for two revival meetings and two week-end meetings. I have edited 6 issues of the "Va. Pilgrim" and circulated it among the churches. I have taken care of the correspondence and sought to discharge the duties of this office.

I have traveled approximately 18,000 miles in interest of the Lord's work.

My salary from the district has been received in full. I received 6 cents per mile for all reported mileage in district interests. For revivals and week-end meetings I have received \$355.36.

It has been a privilege to serve the Lord and the district for another year. I appreciate the fine Council with whom it has been my privilege to work. It has been a joy to fellowship and work with the ministers and churches throughout the district. I am grateful for your consideration and every kindness extended me. Above all we are thankful to God for His good hand that has been upon us.

Respectfully submitted,

W. A. Massey

District Superintendent

ASSISTANT SUPERINTENDENT'S REPORT

Mr. Chairman, delegates and friends of the 1961 conference of the Pilgrim Holiness Church, greetings.

It is indeed a wonderful privilege to be a fellow worker in the Kingdom of our Lord.

During the year I have pastored the two churches of the Beulah Charge at Shacklefords, Va. and directed the Beulah Camp meeting in the same area.

I have attended all the council meetings except one, and I have served on several committees for the council during the year. I made many trips in the interest of home missions.

I have given my loyalty and support to my respected District Superintendent, Rev. W. A. Massey.

I trust this next conference year that many will be added to the Kingdom of God and to our church membership.

Respectfully,

Byrd Puffenbarger

REPORT OF DISTRICT YOUTH PRESIDENT

To the Youth Conference of the Virginia District of the Pilgrim Holiness Church Greetings in the name of Him who loved us and gave Himself for us.

By the turn of events (providential I trust) I was appointed as your District Youth President for this past year. It has been a privilege to labor with our District officials and our youth.

I attended the National Youth Leaders Conference held at our headquarters in Indianapolis, Indiana, last September. This was a time of blessing and inspiration to meet with our new General Secretary of Sunday School and Youth, Br. J. D. Abbott, and other Youth Leaders. The conference is a time of sharing ideas, and discussing the over-all work of our Pilgrim youth. We appreciated the opportunity of attending.

We have appreciated the leadership of our zone chairmen and I understand that in some cases circumstances have hindered them in having as many rallies as they would have like to have had. However, we trust that by starting early in the fall and planning more rallies will be held this year. May I suggest that our Zone Chairmen meet with the pastors and youth society presidents in your zone and plan your rallies ahead for the year.

We have just closed the ninth Annual Youth Camp. It was held this year on our district camp grounds. There were 51 campers and 19 workers present. God gave us a wonderful camp. We appreciated how each one, both campers and workers, co-operated in the camp. The Holy Spirit honored His word and over thirty young people found victory.

Youth Camp represents a lot of work, but we owe it to our young people. With all there is to oppose spirituality in this day more than ever we need the influence of youth camp. We had an increase in attendance this year in our camp and trust that next year will find a larger increase.

I am sure all who attended camp appreciated the improved recreational facilities and the new out-door chapel. Mr. Oscar Turner, Rev. Eldon Hotle and others worked hard to make these improvements possible. A hardy thanks is due them.

We have in our district churches a fine group of young people and in our communities an even larger group of unevangelized youth that present one of the greatest challenges today. May God help us to meet this tremendous challenge.

My personal Report.

SUNDAY SCHOOL SECRETARY REPORT

Mr. Chairman, and delegates of the Virginia Conference of the Pilgrim Holiness Church, Greetings in His Name!

In the spring of this year the council asked me to fill the vacancy created by Rev. Kraus when he accepted a pastorate in another district. The Sunday School report is hereby given under two divisions Statistical and General.

Statistical:

Number of Sunday Schools reporting	28
Officers and Teachers	244
Active Enrollment	2402
Average Weekly Attendance Last Report	1948
Average Weekly Attendance This Report	1907
Net Loss for 1960-61 (2%)	41
Scholars Converted	61
Scholars Joined Church	22

This year 8 of our Sunday Schools showed a gain, 19 showed a loss and one remained the same. The two outstanding Sunday Schools that had the largest numerical and percentage gains are as follows:

Numerical Gains	Percentage Gains
Newport News	16
Richmond Emmanuel	13
	Richmond Emmanuel .. 18%
	Newport News
	15%

These are figures which bear witness to how these fine Sunday Schools are showing it can be done.

We would like to express a word of praise to the Salem Sunday School for holding the honor of being the largest Sunday School in the conference for the third consecutive year

with an average of 142. Danville has done a wonderful job of following Salem with an average of 140. Keep an eye on these two schools and see who will be leading next year.

General:

In reviewing the past year it seems a bit discouraging when we note that out of our 28 Sunday Schools 19 showed a loss. We are not placing the blame directly on any one individual or individuals. However, I do not feel it is God's will for this to continue. I realize in some local situations there seems to be some almost insurmountable problems. On the other hand in some localities such as Boissevain where the mines have shut down and families are moving away that school showed a gain. Let us bring the problem directly into focus and quit hiding behind excuses. We preach to our people not to use excuses. It is time that we as preachers and Sunday School superintendents start practicing what we preach and show that by God's help we can have a growing Sunday School that is reaching the unchurched.

In this coming conference year I would like to stress the importance of our Second National Sunday School Convention which will convene at Allentown, Pa., Aug. 29, 30 and 31 and urge every pastor, Sunday School superintendent and Sunday School teacher or officer to attend if at all possible. We are planning to attend and to those of you that will not be able to attend we shall try and bring back something that will help you and your school.

I am asking that each school will try to make some gain, and win more to Christ. Let us prove to the world and to ourselves that it can be done. We should inventory our Sunday School and see where the trouble spots are and then go to work and try to correct them. Let the words of the Psalmist David encourage our hearts, "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye." It is with appreciation for how you have worked with me in these few weeks that I ask your whole hearted support this next year.

Respectfully Submitted,

Eldon R. Hotle

Sunday School Promotional Secretary

DISTRICT COUNCIL WAYS AND MEANS RECOMMENDATIONS

1. Recommend that a representative and pastor of each church which comes up to the end of the conference year without budgets paid up in full, shall meet with the District Council prior to conference and give an explanation as to the failure to meet such commitments. (Budgets shall include District, General Stewardship and Ministerial Tithes).

2. Recommend that paragraphs 2 & 3 of Section 149 of the Manual of the Pilgrim Holiness Church be brought by the pastors to their respective church boards and church treasurers and that the provision of the Manual relative to specified giving be adhered to and that a sound financial plan be worked out for raising budget quotas.

WAYS AND MEANS RECOMMENDATIONS

1. We recommend that each church pound its pastor at least once a month.

2. We recommend that the Conference fee be \$4.00 per ministerial and lay delegate; and we further recommend that each church having unstationed ministers within its membership who shall be present for the Conference shall pay said fee for them.

3. We recommend that each local treasurer forward to the district treasurer all offerings for general and district funds and the pastors tithes by the last day of each month and that a receipt for same be sent to the sender immediately. We further recommend that all general church funds shall be sent to the General Treasurer by the last day of each month.

4. We recommend that each church contribute 10% of the REGULAR offerings of the Church, the Sunday School and the Youth Society to be sent to the District Treasurer each month for district obligations. Each church shall raise its General Budget of \$8.00 per member as assessed by the General Church in a manner best suited to the local situation. We further recommend that this General Budget be raised and sent to the District Treasurer on a monthly basis.

5. We recommend that the District Conference pay the following amounts to these respective officers:

District Statistician	\$ 45.00
District Treasurer	175.00
District Secretary	75.00
District Sunday School Promotional Secretary ..	50.00
District Youth President	50.00

6. We recommend that the District Superintendent's salary be set at \$80.00 per week, with the addition of utilities gas, lights, phone and fuel. Further, the District shall pay his remittance to the Pilgrim Pension Plan. We further recommend \$.07 per mile for District Travel plus meals, lodging and tolls.

7. We recommend that when the Y. P. Executive Secretary shall visit each Church or Society, he shall be paid the sum of Five Dollars, plus travel expense at the rate of 3c per mile. The Executive Secretary shall visit churches or societies in groups of two or more at a time. In these services an offering shall be taken, any amount in excess of Five Dollars to go to the Young People's Treasurer, from which account the Executive Secretary's travel expense shall be paid. In his visits the Executive Secretary shall remind the church society of its assessed obligation to the District Young People's organization.

8. We recommend that each YPS send \$1.00 per month to their District Treasurer and that each church or unorganized society send a free-will offering to the District YPS Treasurer. This sum shall be used for operational expenses, with any balance being reserved for the next District Youth Camp. We further recommend that the District YPS Treasurer send quarterly notice of the assessments to the societies which shall be read in a regular Young People's Meeting.

9. We recommend that the District Council be authorized to rent the District Parsonage with the provision that the premises will be vacated for us during the Youth Camp and the regular District Camp. The proceeds from this rental shall go into the regular District Treasury to help defray expenses.

10. We recommend the following:

- (1) That each pastor and local church board be responsible for each member of the church becoming a member of the Camp Association or raising equal to \$1.00 per member. These funds should be sent in to the District Treasurer before the beginning of the fourth quarter.
- (2) The engaged singers of the Camp be paid a sum not to exceed that paid to one evangelist. The sum to be reserved for the sing of the Camp whether the party workers consist of one, two or more workers.
- (3) The assessment of \$10.00 for all ministers with a salary of \$40.00 or less per week and \$15.00 for those ministers with a salary exceeding \$40.00 per week and this amount shall be placed in the Camp Expense Fund.

11. We recommend that the local treasurer withhold the tithe of the pastor's salary and that this be sent in to the District Treasurer each month along with other District and General funds.

12. We recommend that a committee appointed from the District Council explore the possibility of building a parsonage for the District Superintendent on the Camp Ground. This committee shall report its findings to the next District Conference.

13. We recommend that pastors of all churches who are not paid up in full for the past year's budgets, submit a monthly report to the District Superintendent, by the 10th of the

following month. Comparison shall be made my months in '59 and '60, in receipts of USF. District Budget and Ministerial Tithe.

14. We recommend that all of our churches and members be contacted and pledges taken for the liquidation of the indebtedness on our Camp Grounds and Buildings.

15. We recommend that General Board Resolution of May 12, 1960, relative to a recommendation that each local church be requested to pay the assessment fees for pastor and wife to the Ministerial Benefit Association as well as the District paying the fees for the District Superintendent and wife, be adopted and our churches be so advised.

16. We recommend that where churches have no adequate method of raising District and General Funds the dime card system be used.

17. We recommend that the travel expense of the District Superintendent on his visits to the churches be raised as follows: Churches with less than 40 members shall pay \$8.00 per visit; churches with more than 40 members shall not pay less than \$12.00 per visit.

18. We recommend that the Home Missionary Calendars be continued as the method for raising funds for District Home Missionary work.

19. We recommend that all official travel in District interest be set at \$.07 per mile.

MEMORIALS TO THE 1962 GENERAL CONFERENCE

Memorial No. 1

"WHEREAS, the Church's Liberal Arts College is receiving a percentage of the General Budget to set up a liberal arts program for the whole Pilgrim Holiness Church and,

WHEREAS, the Liberal Arts College has become a competitor to our other college in soliciting and receiving Bible College students contrary to the stated purpose of the General Conference action, and,

WHEREAS, the said College requested and secured the conferences of East and West Michigan which had already been given as patronizing zones to other Pilgrim Colleges, and,

WHEREAS, this budget commitment to our Liberal Arts College clearly shows to the world and our people a greater interest on the part of a small, evangelical denomination in liberal arts than in training ministers for the denomination,

BE IT THEREFORE RESOLVED, that this unnatural and unfair situation be remedied by giving 50% specified for a Liberal Arts College to Owosso College and the other 50% of said sum to be divided equally among our Bible Colleges."

Memorial No. 2

WHEREAS, the representation on our General Board seems to consist of unequal area representation, and,

WHEREAS, there exists at present a lack of direct contact between the General Board who formulates plans and the District Superintendents, who are to carry out those plans; therefore, BE IT RESOLVED that the latter part of Section 142 of the Manual of the Pilgrim Holiness Church be changed to read, "ALL District Superintendents, instead of 3 members from each of 4 area Zones.

Memorial No. 3

"WHEREAS, our Pilgrim Churches are building churches at a good rate and,

WHEREAS, our churches have a good rating in regard to payments, and,

WHEREAS, the loan fund from our Pilgrim Pension Fund is not adequate for these loans, therefore,

BE IT RESOLVED that our General Church Board be authorized to act as a holding company and borrow one half million dollars for the purpose of granting loans to our churches and thus keep this interest money in our church".

In Memoriam

Precious in the sight of the Lord is the death of His saints. Since our conference last year, God has promoted several of our number to a place of higher service in His presence. While we who remain must close ranks and press on with God's work in this troubled world, let us pause in grateful memory to honor those who have finished their course and received their crown of life. May the God of all comfort sustain those whose sense of loss is keenest and may heaven be all the nearer because of those who have already entered into His glorious presence. Thanking God for the fragrance of a godly life, we pay tribute to the memory of:
