# CONFERENCE MINUTES

## MORNING SITTING

The Forty Third Annual Conference of the Virginia District, Pilgrim Holiness Church, convened on the District Camp Grounds at Roanoke, Virginia at 9:00 A.M. on August 10, 1964. Rev. Byrd Puffenbarger led the group in singing "Onward Christian Soldiers", after which Dr. R. D. Gunsalas led in prayer.

Rev. W. A. Massey introduced Rev. J. D. Abbott, General Secretary-Treasurer, as the presiding chairman for the District Conference inasmuch as Dr. Snyder could not be present to preside, due to the fact that he had to preside at a conference in England, and the date of this conference could not be changed.

Rev. Abbott conveyed greetings to the District Conference from Dr. Snyder, who also sent an expression of his concern for the gathering here and his regrets for not being able to be present.

Rev. Abbott then spoke from the scriptures, I Tim. 1:11 and II Tim. 1:14, on being Trustees of the gospel. The gospel with which I have been intrusted. It becomes a part of our stewardship to each of us. He quoted, The gospel is God's greatest answer to man's greatest needs. It is the one answer to the problem of sin; the one answer to man's greatest sorrow that plagues the human family today. He said that it is almost a frightening thing that something so vital to the happiness of humanity should be entrusted to man.

"We are trustees for the truth. In Jude we read of the faith once delivered to the saints. What a trust! Some abuse this trust. Some betray it! There are those who misplace it. There are those who misinterpret it. Yet it is given to us and what we do with it is up to us. Of course we, in the 'end, will bear the consequences. May we in the Virginia Conference be known for the fact that we cherish the truth. Part of our responsibility is to uphold the integrity and authority of the Bible. This is our text book. It is the book by which our lives will be judged in the end. We should work for it's wide and universal circulation. To what book do we refer the most? It seems that to some it has become second place. As trustees of the truth we need to stand for the spiritual teaching of the significant and the soul saving truths that are found here in. Our ministry is a spiritual one and based upon the spiritual truths as found in the Bible.

We are charged as trustees that we shall uphold the integrity and the authority of the word of God. That we shall do all we can to propagate the truth and emphasize its spiritual tone that it may have full effect in the hearts of men and women for we are trustees of the truth. We should not give so much of our time to the other matters of the church that we have no time

for the spiritual emphasis of the truth. God has given us the message for men! What shall we do with it?

We are trustees for our own age and time. It is said of David that he served his own generation by the will of God. The song writer said, To serve this present age, our calling to fulfill. We are to have a ministry to our own times. God wants us to live in this century. We should relate to our times the full effect of the gospel of Jesus Christ. We need to be aware of the spiritual conditions of our times. There must be a relatedness between what we profess as our faith and what is going on in our day; for these are days of urgent and crying needs of the people. We must have an awareness of the word of God and the need of the individual. There should be a language from the pulpit that can be applied to everyday life, on the job and elsewhere, under adverse conditions, where the people have to work under all kinds of temptations. We must be aware of the emergencies that arise and things to which our people are subjected. 'See then that we walk circumspectly,' that is, aware of what is going on around you.

We are trustees for the future. We must pass this great heritage on to the future generations undiminished and enlarged if at all possible to those who shall follow after us. How much effect will our generation have upon the diminishing of the truth? Will there be a deterioration of faith today because of our carelessness and indolence. Those who follow after us shall receive only what we pass on to them. David didn't build the temple but he had the privilege of passing on the material for his son to build. The stability of the foundation is entirely up to us.

We are trustees for our country and for our community. We have been in the background for too long. Christian people should have a controlling interest in their communities. We should pray for the public affairs and those in public responsibility.

We are trustees for our children. What are we doing for them? Is the Church rising to the challenge? In our school system there is an increasing atmosphere which may be classed as materialistic and hostile to the Bible and christianity. As a church there must be strong prayers for our boys and girls. We need to revive our family altars; revive family discipline if we are going to serve as proper and effective trustees for our children. We are setting patterns for their future.

We are trustees for the saving of the lost — here and elsewhere.

What kind of trustees will we be? What effect will the gospel have upon the men and women that come under our influence according to the way we cherish it and live by it?

As we enter into this Conference may we bear in mind this truth! We are trustees of the gospel of Jesus Christ."

Following the completion of the Chairman's message to the Conference the roll call was completed by the secretary.

### DISTRICT SUPERINTENDENT'S REPORT

Christian greetings and a sincere welcome to our presiding officer and General Secretary-Treasurer, Rev. J. D. Abbott and the delegates and friends of the forty-third conference of the Virginia District of the Pilgrim Holiness Church.

In the providence and mercy of God we are privileged to gather here to do business for the Lord and the district we represent. Today we shall review the work of the past year, and lay plans for the future. The reports will indicate both our accom-

ishments and our weaknesses. For every soul won to Christ and for every step of progress that has been taken, we are grateful to God. Such should be a source of inspiration for future advancement. On the other hand, honesty and courage are required to face our failures squarely, and then, to change them into victories. May the Spirit of God so direct in our deliberations and planning that we may go from this conference with renewed faith and determined effort to accomplish Christ's mission for us as a district.

During the past year we have suffered the loss of one of our district ministers, Rev. Edward Bayse. He is missed by the church of which he was a member and at the district gatherings. He was devoted to the Lord and had a keen interest in the work of the church. His Godly influence continues to live among his family and those associated with him.

### **STATISTICAL AND FINANCIAL STATUS**

I regret to report that we have shown a small loss in church membership. Many of the churches showed a loss while others showed some gain. The churches leading in net gains are Hope-well with an increase of 15, Newport News 6, and Christiansburg 4. There are others that made smaller gains. Some of our churches have been making adjustments in the membership rolls, yet our lack of gains should be a matter of concern to all of us. The Sunday Schools have shown a very small increase.

The Resolutions Committee will be presenting some goals to this Conference for us to work toward for the coming year. I urge that all the pastors and churches cooperate by striving to realize the proposed gains.

The Treasurer's report will indicate a good year in district finances. The amount of District Budget paid exceeds any previous years. We fell far short on the United Stewardship Fund. However, this is the best year since 1960 with 61.4 per cent paid as compared with 54.2 per cent last year. It is hoped that substantial progress may be made in both the General Church and District finances the coming year. Good increase can be realized if all pastors and churches will assume their obligation to the full program. It is recognized that the pastor must take the lead in promoting and urging wholehearted support. With united, cooperative effort we can do much better. Ten churches paid the United Stewardship Fund, District Budget, and Pastor's tithe 100 per cent and are worthy of honorable mention. They are: Beulah, Danville, Newport News, Norfolk, Remlik, Richmond First, Roanoke, Salem, Staunton, and Warwick.

## PROPERTY GAINS AND IMPROVEMENTS

Since the churches are afforded the opportunity of reporting through the "Virginia Pilgrim" I shall not take the time or space for a detailed report, but will report the major gains. The old church property of the Newport News Church has been sold and a new church building is now under construction at the new location in Hampton. Warwick plans to begin construction of the first unit of the new church in a few days. Beulah has under construction a four room Sunday School addition and the installation of a new heating system for the entire church plant. Waynesboro plans to soon begin construction of eight new Sunday School rooms and the installation of a new heating system for both the present building and the new addition. Richmond Emmanuel has been enjoying for some months the four new Sunday School rooms reported under construction last conference. The Roanoke Church has acquired beautiful lots in an excellent location for a new church building and a parsonage. The lots are valued at approximately \$25,000.00. A new unit has been added on the District Camp Dining Hall building and some painting done in both buildings.

## YOUTH CAMP

The Youth Camp proved to be one of the best in the district with 132 young people in attendance. Many of them sought and found help at the altar of prayer. Our District Youth President, Rev. D. L. Reynolds, the Youth Council and staff of workers, are to be commended for a job well done. Increased facilities on the Camp Ground have become a necessity if we are to continue a growing youth camp.

## HOME MISSIONS

The work at Warwick is coming along nicely. The pastor, Rev. B. L. Puffenbarger, has done an efficient job not only in giving spiritual leadership, but in directing the church in the business affairs that have made possible the securing of a construction loan. The church has set a noble example of denominational interest in that all budgets for the past conference year were paid in full. With the early prospect of the new building I predict a bright future for this Church.

Under the leadership of Rev. J. A. Howard, a new work was started in Petersburg in April of this year. The reports of attendance to date have been encouraging. It is hoped that a permanent location may be found and that this work may develop into a Pilgrim Holiness Church.

We should by all means open at least one new work a year. However, this can be realized only as individual churches or groups of churches will sponsor new works. The District Home Missionary funds are inadequate to make possible a new church each year. Much more could be accomplished if our established churches would catch the vision and open a branch Sunday School or a new preaching point.

## OUTLOOK

The past is reviewed with gratitude to God for all past victories, but also with a recognition that we are doing too little. I say this with no thought of censoring anyone, for I share this responsibility with you. However, I repeat we are doing too little in the light of the great need of our day. We are told there are 70 million unchurched people in the United States. Thirty million of the churched only attend now and then. Of the 314,000 churches and synagogues in this country only 20 per cent could be considered evangelical. In addition to this, the population of our country is increasing at the rate of five million a year. The population is increasing much more rapidly than church membership. Some of these unchurched, and many unsaved church members, are to be found in every community. We cannot evade the fact that we are responsible to do our utmost to reach as many of these as possible for Christ and the church. In the light of the great need we should follow the exhortation of Christ to, "Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest."

The above stated facts, plus the moral break-down and lawlessness within our country, and the rapid spread of Atheistic Materialism throughout the world are sufficient cause for alarm. The world needs the Gospel. We must stir ourselves to our very best effort to get it to them. In our various gatherings we have spent time discussing means and methods of reaching new people, but all of our discussions are to no avail unless we give ourselves to the task of applying these methods. We readily acknowledge the necessity of hard work if success is to be realized in other fields of service. The church is no exception. There is no substitute for hard work by ministers and laymen alike. I trust and pray we may go from this conference with a stronger determination than ever to pray and work for the salvation of the lost. There are many things we cannot do, but all can pray and work. William Carey, the noted missionary to India once said to his son. "If they say I am a genius, it is not true, but if they say I can plod, that is true. Yes, I can plod, I can plod." Let it be said of us that we can plod, for it takes no less than this if we are to do the job.

I attended one Youth Council meeting and one District Sunday School Committee meeting. I shared with the President of the Virginia Wesleyan Methodist Conference in presiding over the joint Wesleyan-Pilgrim Ministers' Meeting. I have edited and circulated six issues of the "Virginia Pilgrim" and have sought to discharge other responsibilities of the office. In interest of the Lord's work, I have traveled approximately 17,000 miles.

My salary is paid in full, and I have received the stipulated travel expense for all reported mileage. For the two revivals held on the district I received \$185.00

It has been a privilege to serve the Lord and the District another year. I have enjoyed working with the ministers and churches. I appreciate the competent and understanding Council with whom it has been by privilege to work. I sincerely thank you for your cooperation and for every courtesy extended me.

## **ASSISTANT DISTRICT SUPERINTENDENT'S REPORT**

Mr. Chairman, delegates and friends of this 1964 conference of the Pilgrim Holiness Church.

It is with humble appreciation that God has permitted us to work together another year.

During the year I have attended all the council meetings except one, and have given my loyalty and support to the District Superintendent in the different areas of service.

I have pastored the Remilk and Warwick churches; and I have helped to plan and promote the building program at Warwick. The negotiations for a loan are nearing completion and we hope to begin our building in the very near future.

Respectfully submitted,

Byrd Puffenbarger

## **REPORT OF THE DISTRICT MISSIONARY SOCIETY PRESIDENT**

Greetings to the members of the 1964 Conference of the Virginia District.

First, I'd like to express my sincere appreciation to the faithful missionary society officers, members, and friends who have worked and prayed for missions.

Second, I want to say, "Thank You", for the wonderful cooperation I have received. You have been most helpful and have worked hard. I cannot name all the worthwhile projects that have been keeping the societies busy. Many have sewed, baked, made awards, and held sales to provide funds to send clothing, literature, and other equipment to the mission stations.

The District Committee has met twice to lay plans for some activity on the district level. Its first project was to sponsor two area banquet—workshop meetings during December. Miss Ruth Meeks and Mrs. Margaret Hankins gave inspiring messages and workable ideas for society projects. The excellent attendance at these meetings indicated a genuine interest in missions.

The response to the appeal for dish towels for the camp kitchen has been most enthusiastic. Many have been received, and they are greatly appreciated. One society contributed toward a dish drainer.

A Junior Society has been organized at Staunton. I have not heard from some societies this year. I hope that during the coming year each society will share its ideas by contributing news to the missionary page of the "Virginia Pilgrim".

## REPORT OF SOUTHERN PILGRIM COLLEGE PRESIDENT

To the Annual conference of the District of Virginia of the Pilgrim Holiness Church: Greetings.

It is with a feeling of gratitude for the measure of success over the past few years that I present this report. May I take this opportunity to say thank you to all who have helped to make the work of the S. P. C. a success.

It is most gratifying to look about our campus and see the physical plant that God has made possible. How can we doubt that Southern Pilgrim College is not a vine of His own planting? May God help each one of us to see the potential that is wrapped up in our school as we continue to train the young people of our denomination and other like faiths.

Last conference we can well remember that we were just beginning the construction of our Science Building. Today it is a reality. We feel that we have a most functional building with the best of laboratory furnishings. In the future we are anticipating purchasing other science equipment to help in the instructions of our science program.

To date on Olsen Hall and the Science Building we owe approximately \$40,000. to the Bank of Kernersville. It is our goal to try to liquidate this debt within the school year 1964-65. We have already raised several thousand dollars toward this. Help us pray that we might see this come to pass.

We always have much for which to thank the Lord, but as your administrator of the school I want to thank God and his

wonderful people for helping us to close another conference year in the black. We are aware that our people will always come to our aid when a worthy need is presented, and what is more worthy than Christian Education. I say again as I have said so many times in the past: Our schools are the life line of our church.

In closing may I challenge you to continue to give your loyal support to Southern Pilgrim College this next school year.

Sincerely submitted,

Gordon E. Miller

## **DISTRICT YOUTH PRESIDENTS REPORT**

Mr. Chairman, Pastors, Zone Leaders, Youth Presidents and delegates of the 1964 Youth Conference of The Virginia District, Christian Greetings.

Jesus has tarried and in His providence has allowed us to meet in this business meeting again. The labors and services of the past year are now history, and I trust it is an encouragement as we realize that as Christ said to the Churches in The Book of Revelation, "I know thy labor". We are here to hear reports of these labors and make plans for future service. May the spirit of God direct our planning.

It has been a privilege to labor with our Youth Council, District officials and other Youth Leaders throughout the District. Your cooperation has been sincerely appreciated.

### **ZONES**

Your decision last year to revise the Zone boundaries has proven to have been a wise one. The attendance and interest was definitely increased in each Zone. Two Zones suffered some setback after a good beginning, but we trust they will be able to make a new start and continue in the new year. I was able to visit six of the Zones this year in interest of the youth work. Five of the Zones have held nine rallies, one for each month of the school year, as stipulated by the Youth Conference. This is a real improvement over previous year, but let us strive for this in each Zone during the coming year.

## **YOUTH CAMP**

We had an overflow attendance again this year in Youth Camp, with 132 registered Campers plus workers. The increase that we are experiencing in our Youth Camp is indicative of the trend to Christian Camping throughout Christian circles. If we as Virginia Pilgrims fail to keep stride in this field of Christian service we will do our youth and Church a great injustice. A resolution will be presented to this conference for two youth Camps in the coming years, which I feel will be a step in the right direction.

My deep appreciation goes to each member of the staff who cooperated so well during the Camp. The young people seemed exceptionally well behaved and problems were kept at a minimum.

## **NATIONAL YOUTH CONVENTION**

Our National Youth Convention had to be postponed from its regular planned date of June 1964 to June 23-27, 1965. It will be held at Anderson College, Anderson, Indiana. We hope a number of our Youth will be able to attend this grand meeting of the Youth of our Church.

The Bible Quiz, which will have its final's in The Youth Convention, did not seem to find much support in our District. One Team, however, from Salem, is working on the Quiz and we trust will be competing in the Contest this summer. We hope they win.

## **C. Y. C.**

A new program is being introduced this year in Our Church called, C.Y.C. ("Christian Youth Crusaders" program). It is for ages 6-14. C.Y.C. is Based on the national Scouting program and it has been successfully used by other Holiness Churches. A Director will be designated by the Conference to launch and promote this in our District. We trust each church will soon have a CYC Program.

## **LOCAL YOUTH SOCIETIES**

We are glad to report a net gain of 18 in membership in our Youth Societies and a net gain of 26 in attendance. The gains are not large but at least they are in the right direction. One alarming thing, however, in our statistical report is that out of 29 Churches, 14 youth societies either failed to report or there is no active Society in the Church. Some Churches due to the lack of any young people can not have a Youth Society, but others if

proper effort was put forth, could have a Youth group. Let me urge each Pastor to try to have a Society in your Church if at all possible. If we can be of any assistance in helping you to organize a Youth group, we will be glad to do what we can.

### GOALS

1. Two Youth Camps next year with 75 in each Camp.
2. Each organized Society to become a Chartered Society.
3. A CYC Program in each Church.

## SUNDAY SCHOOL SECRETARY'S REPORT

Mr. Chairman and delegates to the Forty-third annual conference of the Virginia Pilgrim Holiness Church, "Greetings in the Name of Christ!"

In recent years when the Christian Church has developed and grown, it has used the organizational structure of the Sunday school to recruit its followers. Many thousands of people who are today actively engaged in the service of the Lord can point to the Sunday school as the beginning of any and all spiritual life for them.

Truly the Sunday schools of today have a tremendous responsibility. For example: Let each of us at this conference think of the many unsaved people of our Sunday schools who do not attend the preaching services, and the only interests that they have in our churches are the activities of the Sunday school hour. May God help us to reach these people through the Sunday school and may we always have an evangelistic emphasis.

For our report I have three divisions: statistical reports, personal reports and future plans.

## STATISTICAL

|   |      |
|---|------|
| Number of Sunday Schools reporting .....    | 29   |
| Officers and Teachers .....                 | 259  |
| Total Enrollment .....                      | 2446 |
| Average weekly attendance last report ..... | 1863 |
| Average weekly attendance this report ..... | 1877 |
| Net Gain for year 1963-'64 (1%) .....       | 14   |
| Scholars Converted .....                    | 35   |
| Joined Church .....                         | 18   |

I am happy to report to you that our district reversed the trend of last year and showed a gain in attendance for this conference year. As we examine the records we find a larger number of our Sunday schools showing gains. There were 13 schools showing a gain, 13 showing a loss and 2 remaining the same. Not included in the above is a new Sunday school at Petersburg, Va., that had an average of 21 for the last two and a half months of the conference year. We congratulate Rev. Howard and his fine group at Petersburg for such excellent progress since April 19th. We are praying that the future will be filled with many successes for this new school.

There are several outstanding Sunday schools that have had good numerical and percentage gains. They are as follows:

| NUMERICAL GAINS       | PERCENTAGE GAINS       |
|-----------------------|------------------------|
| Martinsville ..... 17 | Beulah ..... 26.4%     |
| Beulah ..... 14       | Preston ..... 26.4%    |
| Doran ..... 11        | Martinsville ..... 18% |
| Preston ..... 9       | Remlik ..... 14%       |

Doran has the honor of being the largest Sunday school in the district with an average of 139 attendance. For three years Doran has shown excellent gains and now has the number one rating. Martinsville has the honor of having the largest numerical gain. Beulah and Preston are tied for largest percentage gains.

Ten of our schools are now participating in the "Standard of Excellence" and the same number in the "Decade of Progress." The beautiful ship trophy will be awarded this year to the Beulah church with 15,960 points. This is the highest yearly accumulation of points that any of the Virginia Sunday schools have had since this program began four years ago. We would like to see all of our Sunday schools participating in this program in the coming year.

## PERSONAL

I have endeavored to promote the Sunday school of our district through a monthly report and have tried to augment on a district level the "Citizens for Sunday school" contest that is being sponsored by the General Sunday School Department. The

"Citizens for Sunday School" contest is an excellent program for promotion of attendance with individuals pledging to enroll 4 in '64, 5 in '65 and 6 in '66. To date there are 15 churches listing "Citizens" for Sunday School' totaling 143 in the Virginia district. Eight churches have "citizens" who have been successful in reaching their goal of 4 in '64. The district winner for "Citizen of the Year" is Mr. Samuel Massey, Jr. of the Beulah church who enrolled 12 persons since the program began last September. Mr. Frank Reese from the Staunton church is 2nd with 9 enrolled by his invitation.

### Looking Toward The Future

There are four things more that I would like every Sunday school superintendent and pastor to consider when planning for the coming year.

- 1st Plans are being laid for district Sunday school area meetings. The workers are to be Rev. and Mrs. Mark Bowman of Denton, Md. The tentative dates are Oct. 20-23rd.
- 2nd The Fall Enlargement Campaign entitled "Vote Sunday School". The Pastors and Superintendents have already received these fine promotional materials. Let's use them!
- 3rd "The Christian Youth Crusaders" program. (or CYC) Here is a program designed for Pilgrim youth that is similar to scouting but ties our young people very definitely into the Pilgrim Holiness Church. There are three groups listed in the directors manual: The Heralds, The Cadets, and The Crusaders.
- 4th The Pilgrim Evangelical Leadership Training (or P.E.L.T.) Here are accredited courses of study in the Bible and Christian education to provide leaders in the local church. Certificates are awarded at completion of a Preliminary Teachers Course and also an Advanced Teachers Court.

In closing I wish to thank each pastor and Sunday school worker for the wonderful cooperation they have given me this year. Let each of us make our Sunday school a matter of first concern so that we shall see real revivals and victorious accomplishments this coming year, God being our helper!

Humbly Submitted,

Charles E. Carroll  
Promotional Secretary

## IN MEMORIAM

In the midst of Conference deliberations we pause to pay tribute to the faithful Pilgrims, Ministers and Laymen who this year have been translated from earth's vineyard to Heaven's Glories. We know, in conscious bliss with the Master, they are free from their toils and labors. Though they are dead yet in influence and example they still speak of faithfulness to God and waging the good fight of faith. May their faith inspire us to be true to God and, in our day, complete our course so that we may hear the Master say, "Well done!"
