### REPORT OF DISTRICT SUPERINTENDENT

To the Twenty-Second District Assembly of Pilgrim Holiness Church of West Virginia District, held in Parkersburg, Sept. 22-27th, 1931.

Greetings in Jesus' Name:

Once more we have assembled ourselves to review the work of the past year and plan for the future. We can only do this successfully by doing so with an eye single to the glory of God. I feel it is due this assembly as far as possible that they should know of our official action during the past year.

I have visited each church in the district four times, one church five times, and four other churches seven times each in order to try to help them out of difficulties that had arisen, both financial and other difficulties.

The church at Charleston was threatened with a law suit for a debt of \$1,850.00 including the interest. After advising with the District Council with reference to this debt, they advised and instructed me to draw on the District Treasurer for whatever amount there was for District Church Extension in the treasury at that time, then raise what I could by circular letter, also to urge the church at Charleston to raise what money they could by solicitation. After doing this we met in Charleston August fourth, the last day of grace to settle this account with Mr. Gibson, he holder of a vendor's lien securing this amount of \$1,850.00. Mr. Gibson had agreed with me to settle the account in full if we would raise \$850.00. We only had at this time all told \$725.00. I told him we would pay this amount to him and give him a note for \$125.00, due in thirty days, if he would release the vendor's lien. This he agreed to do. The church at Charleston lifted the note when it was due and the lien was released.

The church at Ramage, as a congregation has disbanded, leaving an interest bearing debt against the building to the Carolina Lumber Co. for \$247.41. The interest on this amount to Sept. 9th, 1931, is \$24.45, making a total of \$271.96. In addition to this they owed for hauling and labor the following amounts: Calvery Pauley, \$25.00; J. M. Powell, \$14.75; and G. W. Ball, \$13.80. These accounts had been placed in the hands of a Justice of Peace to collect or bring suit against the church. I consulted with the District Council and they felt rather than have the building sold, if we could pay for it in small payments out of the Church Extension funds we had better do so. On this advice I paid the smaller bills in full and have made payments on the bill to the Carolina Lumber Co. to the amount of

\$175.00. This leaves a balance of \$96.96, including interest, which I believe could be settled for \$75.00 if paid soon.

The church at Richwood was worshipping in a rented building. The "Modern Tongues" movement had quite a stir there, getting the sympathy of the owner of the building, and as he had been letting our church worship in the building for more than a year without paying any rent, he notified them to vacate the building and let the "Tongues" people have it. While the membership of the church was small, they had a good Sunday school but they do not have a place of worship now.

The following churches have been organized during the year: Boissevain, Va., Great Cacapon, Berkeley Springs, Stringtown, Sistersville and Jenkinjones. The District Superintendent of Virginia contended for the church at Boissevain as it was just over the West Virginia line, and after an extended correspondence, we wrote the pastor, Rev. J. M. Cochran that rather than have a contention, if the church at Boissevain wanted to go to the Virginia District we would not contend any longer. This they did and we gave the pastor a transfer. The church at Great acapon did not live very long. Some withdrew from the church while others united with the church at Berkeley Springs.

We now have nineteen churches and four Mission Sunday schools. We have property valued at \$127,350.00 with a total indebtedness of \$9,603.48. This is an increase in valuation of \$4,475.00 and a decrease in indebtedness of \$4,871.30 over last year. Twice during the year we have been called upon to organize churches where the male members worked on Sunday. This we refused to do unless they could keep and live up to our covenant. The result was they were organized into a holiness church of another denomination. We now have a membership of 656, a gain over last year of 128. Five churches lost 37 members, while nine churches gained 69 members, making a gain in the churches we had last year of 32 members and a gain from newly organized churches of 94, or a net gain of 128.

At our last District Assembly we assumed for our District Budget \$1,530.00 and for our General Budget \$2,106.00, making a total of \$3,636.00. At a meeting of the General Church Board, November 25th and 26th, they assessed each district for the General Church Budget. The amount assessed the West Virginia District was \$1,362.20, which was \$944.80 less than we had assessed ourselves, but up to Sept. 21st, when this report was written we had only received on our general budget \$1,034.16, leaving a balance of \$328.04 of the amount the General Church Board assed us. On the District budget we received \$775.52, leaving a balance of \$754.38, or a total balance of \$1,082.42. At the meeting of the General Board, March 24-26th, the General Board again changed the assessment for each district to take effect at the beginning of the assembly year following this date. The assessment was at the rate of \$4.65 per member, leaving the district to assess each church according to their numerical and financial strength. They also passed the following resolution found in the General Board Minutes, page 13: "Lay plans to have each local church set a local budget immediately and set about to pledge it up. Ask that churches send direct to General Treasurer and the General Treasurer issue receipts in triplicate. Page 44, Section of the Manual, reads thus: 'We recommend that the churches take adequate measures to provide their proportionate amount annually for the support of the general budget, thus taking care of the general interests. The money shall be sent to the District Treasurer and he in turn shall forward the same to the General Treasurer'."

We now have in this district 656 members. This would make our general budget \$3,050.40, and if we make our district budget the same as last year, \$1,530.00, this would make an increase of \$1,688.20. Then if we are to continue Home Missionary work in this district, this will have to be added to the district budget for this purpose or pledges

taken for the same. We believe if we could have had, as we expected, help from the General Field Secretary, we would have raised more than we have, but it seemed they could not reach us. We appealed to Bro. Slater and Bro. Thomas, who told us it would not be possible to help us. Bro. Thomas wrote me a month ago asking me to make a slate for Rev. O. W. King to come in the district to take pledges for the general budget, but as it was no near our assembly, I felt it would be useless at this time to take pledges as what we needed was cash. The district has suffered equal with the General Church, as the District Treasurer has not used one cent more than the three-sevenths of the budget for district work and has sent the other four-sevenths of all budget money to the General Treasurer. The District Superintendent's report from the budget was set at \$775.00. He has received from this source \$387.81. Likewise all the District interests have suffered in proportion. If we continue both budgets as we have, the Field Secretary should emphasize the District and General Church budgets both and it should all go through the District Treasurer's hands. I recommend the Ways and Means Committee bring a recommendation to this assembly that they think will bring the best results and in order to help them I am inserting the following information of the total amount each church paid on the budget, the membership of each church, the indebtedness, and the amount apid to the pastor.

Assembly offering for As- sist General Supt.-----				76.00
<b>Total</b> -----			<b>\$8,696.12</b>	<b>\$1,809.78</b>

During the year I have traveled 18,714 miles, have attended about 400 services, preached 280 times. There have been 180 sekera at the altar through my ministry. Conducted one funeral, baptised 22 persons, dedicated 3 children, had seven revival meetings—three in this district, two in New York district, and two in Eastern district.

I am now closing my eighteenth year as District Superintendent. I do not say my decisions have always been correct, but I have endeavored to make them without partiality and where I have made mistakes, it has been of the head and not of the heart. I have tried to give as much attention to churches that did not even pay my traveling expenses as I have to the larger churches that gave me a good offering for I felt they needed help more in their condition than did the larger churches. I trust God will direct you in the election of a District Superintendent for the coming year and should He direct you to elect someone else, I will feel very grateful both to Him and to you.

During the year it has pleased the Lord to take from our midst one of our licensed ministers, Mrs. Cora Hutchinson, who died a triumphant death. There have been no other ministers or their wives who have died in our district during the last year.

Respectfully submitted,  
J. F. WOODS.

Report of Condolence was read as follows:

### REPORT OF CONDOLENCE COMMITTEE

We are made to remember more and more that when we are in life, then we are in death. Our life is like the grass that sparkles with heaven's dew in the morning and in the evening it is cut down.

Again it is like the lily that sends forth its fragrance in the morning then in the evening it fades away. Since our last annual assembly we have lost from our ranks one of our most noble licensed preachers, Sister Cora Hutchinson, wife of Albert Hutchinson, of Logan. For twenty-four (24) years she lived in the experience of holiness and was a charter member of the Pilgrim Holiness Church of Logan, W. Va. But on February 14, 1931, the dear Lord who never makes a mistake seemed to speak to our precious sister and say, "It is enough; come higher."

Her homegoing was one of the most triumphant. Truly it can be said "that she preached her own funeral by the life she lived." When she was nearing the end she told her pastor that now that the end was so near there was one thing for which she was glad of and that was she had never compromised along any line. As the hours grew shorter she was again questioned by her pastor, "if everything still all right?" She only smiled and said, "Farther on the way grows brighter." Not only will we miss her from our ministerial ranks, but we are sure there is a vacancy in the home which only the Lord can fill, however we gladly bow our heads in humble submission to the will of God, realizing that our loss is her eternal gain, also knowing that it will only be a few days until the trumpet of the Lord will sound and all the redeemed saints will be gathered home.

We as an assembly extend our heartfelt sympathy to the bereaved family.

HATTIE HICKMAN

BLANCH WILLIAMS

Condolence Committee.

Moved and confirmed that this report be accepted, spread on the minutes and a copy sent to the bereaved husband.

Adjourned by expiration of time.
