Amen.

### EVANGELISTIC SERVICES

The evangelistic services were times of refreshings and were blessed and owned of God. Several souls bowed at the altar of prayer and were reconciled to God.

Tuesday night, the opening service, the Superintendent called on the following brethren to give short talks: H. W. Cochran, G. W. Groshart and Floyd Honchell. These brethren were blessed of the Lord and their talks were food to the souls of those who were in spiritual condition to be fed.

Oct. 6. Bro. G. W. Groshart brought us a very encouraging message from Isa. 35:8, speaking of the characteristics of the way of the Redeemer. Oct. 7, 2:30 p. m., Bro. J. N. Perry gave our souls another heavenly lift with a Holy Ghost inspired message from Rom. 12:9, "Abhor that which is evil; cleave to that which is good." He made that which is good look so good that we can't see why anybody would not abhor that which is evil if they had been present. Oct. 7, 7:30 p. m., Bro. Cochran brought the message from Hosea 7:9, and there wasn't much to be hit that he didn't hit. Oct. 8, 7:30, Bro. F. T. Fudge, returned missionary from Africa, was blessed of God in feeding our souls from Cantl. 5:3-6. Oct. 9, 7:30 W. J. Crider brought the message text, Ex. 15:16, "The Ark a Type of Christ." Oct. 10, 10:30 a. m., Bro. Fudge again stood before us as God's messenger, our souls were made to rejoice because of such a wonderful God as our God is, and the provisions He has made for His children. Text Ez. 9:4. Oct. 10 10:30 p. m. Bro. J. E. Jackson of Owosso, Mich., preached the closing sermon from Jer. 31:16. May the God of all peace ever keep His hand upon these brethren and make them a blessing to many other precious souls. Amen.

Oct. 8, 2:30. Bro. H. B. Jackson, who has lately returned from an evangelistic tour through the Apostolic mission field of South America and the West India Islands gave us a very profitable and inspiring sermon on the missionary work there under the supervision of Bros. Finch and Bierns. An offering was taken for the work which amounted to \$26.55. On motion of the convention heretofore recorded the following poems composed by a girl saved under Bro. Jackson's ministry while on his missionary trip, were ordered printed in the minutes of this convention.

These lines were composed by Miss May Darrell of Barbadoes, B. W. I., a Portuguese girl, who had lived with a rumseller as his wife for nearly three years. By the means of a hand-shake and a "God bless you, sister" she was lead to God, happily converted and later sanctified and is living for God.—H. B. J.

Chosen, chosen, thou art chosen,  
 In affliction's furnace tried.  
 Israel's God hath promised ever  
 He will be thy shield and guide;  
 Well He knew thy ever frailty;  
 All thine inmost thoughts could see—  
 Therefore not in wrath but mercy  
 Did He lay His hand on thee.

As a tender father chasteneth  
 E'en the child he dearly loves,  
 So the Lord, our God, in mercy  
 Oft' our faith by trials prove.  
 Oft' He guides His wayward children  
 When He sees them wander far;  
 Blight their homes and blast their prospects  
 All to bring them to His side.

Every time He smites or woundst us  
 'Tis a token of His love;  
 Sent in mercy to assure us:  
 We're remembered from above.  
 In affliction's furnace chosen  
 We an entrance blest shall gain  
 When instead of grief and sorrow  
 Joy and peace eternal reign.

#### What God Can Do

There's no way so dark that He cannot make light,  
 There isn't a gloom that He cannot make bright.  
 There's no heart so black that He cannot make white,  
 There's nothing so wrong that He cannot make right.

There isn't a sorrow that He cannot share,  
 There isn't a burden that He cannot bear.  
 There isn't a night that He cannot change to day,  
 There isn't a cloud but what He'd drive away.  
 There isn't a sorrow He can't change to joy,  
 There isn't a sin that He can't distroy.

There isn't a heart He can't change to love,  
 But all of our blessings He bestows from above.  
 If you'll kneel at His feet and pardon implore,  
 He'll pardon, He'll save and keep evermore.

There's no one so precious as Jesus, our Lord;  
 If we do our duty we'll receive our reward.  
 He knows all our thoughts. He sees all our acts.  
 Then we'll stick to His promise and never turn back.  
 So we'll endeavor to serve Him and do all He demand,  
 And we'll be caught up to glory if we keep His commands.

There is never a day so dreary, but God can make it bright;  
 And to the soul that trusts Him He giveth pure delight.  
 There's never a path so hidden, but God will show the way:  
 If we will seek His guidance, and patiently will pray.

There's never a cross so heavy, but Jesus' hands are there;  
 Outstretched in sweet compassion our burdens still to bear.  
 There's never a life so darkened, so hopeless, so unblessed,  
 But may be filled with gladness, in Jesus' peace may rest.

There's never a heart so broken, but Jesus Christ can heal.  
 The heart once pierced on Calvary doth for His people feel  
 He'll ever fulfill His promise; His words can never fail.  
 God is our help in trouble, our strength when foes assail.

Oct. 10, 2:30 p. m., Bro. Fudge, Supt. of the Apostolic Mission work in So. Africa, gave us a very interesting talk on his work; an offering was taken for the work which amounted to 26.21.

We have paid out for evangelist and to Rev. Jewel while he served us as pastor, \$135.38. Have in Treas. \$30.00. We have given through the Sunday School for Missions, \$38.62. #### PREACHER REPORTS

**SUPERINTENDENT'S REPORT:** This has been another busy and blessed year in the Lord's service. Have had no time to idle away. Am glad to note the way the Lord is blessing our work and the advance that is being made along many lines. I have visited each of our churches once during the year and some of them more than once, acting as pastor of the church at Mitchell for a while last fall. Have held meetings for the Middletown, West Terre Haute, Mitchell, Grantsburg and Evansville Churches. God gave us some glorious times and there were a number prayed through to victory, just how many we will not say. There have been four new churches organized in our work during the year. We also lost two churches, New Castle and Mitchell. While we would not advise our work to get so churchy as to exclude from our pulpits all preachers who do not belong to our work, yet find that our churches prosper best where they are under our own pastors. Believe we should organize wherever we can and do it clean and without proselyting. Have received for my support and expenses: From the churches in my rounds over the work and for meetings held for them \$224.30. In tithes sent in by the preachers, \$280.19. Paid out for car fare and postage \$70.76. Let us strive to keep clean and on the firing line. May the Lord help us, amen. W. J. Crider.

Pastor's report, year ending Sept. 26, 1915, Fulton Ave. A. H. Church, Evansville, Ind. Organized the church December 14, 1914. Rev. Earl Davis as organizer. Charter members, 38. Taken into church since above date, 14. Dismissed, two. Present membership, 50. About all the members are active and aggressive. I have preached 69 sermons during the time as a result of which 33 have kneeled at the altar and prayed through. To God be all the glory, amen. We have the victory just now. Have made 96 pastoral calls besides a number of other side calls. Performed 2 marriages, conducted two funerals and baptized 6. We consider our Sabbath School as one of the best in the city. We have had one revival since we organized, held Aug. 19-29 by W. J. Crider in which 30 souls kneeled at the altar most all praying through. About 85 per cent. of our people are in the experience of sanctification, "Praise the Lord" and we are still going on and looking up. G. W. Groshart, 120 Ocean Ave., Evansville, Ind..

Pastor's report for North Vernon, Ind., for the six months ending Oct. 1st. Preached 47 sermons, two of these were funerals. We have held 3 special meetings with the help of the evangelists. Have had 33 conversions, 7 professed sanctification, 7 joined the church; most of those who have professed are members of other churches. M. G. Stanley baptized 5 while he was with us. As I am still in business I only accept \$5.00 per month from the church as salary. Yours truly, E. D. Davis.

Report of Pastor of Muncie church: This has been a year of testings as well as some victorious times "Praise the Lord." We had two revivals held. Bro. H. W. Cochran, our State Evangelist, did the preaching. The first meeting was hindered by the small pox. The second was good, several were at the altar. There has been one bright conversion since the revival. Preached over 100 times, baptized 3, visited several homes, attended several midweek prayer meetings, helped Bro. Crider in one Camp Meeting. conducted two funerals and have often carried my people on the wings of prayer to God. I have loved them all and have had no pets, there were a few faithful ones for which we praise the Lord. Bro. Stewart and wife whom I call Old Bro. and Sister Enoch, for they came almost every service and through all kinds of weather; surely God will richly bless and reward them. I wish to speak of the young people's meeting. The young people were so faithful, they presented me with a beautiful bouquet of roses with a note asking God's blessing upon me. May God bless them. This was surely a blessing to me. I believe in giving flowers now and not wait until we are laying in our casket. We leave but if perchance we meet no more on earth we expect to meet around the Throne where we will meet to part no more. amen. J. W. Williams.

The following is a condensed report of my work for the past year: First Quarter. I have been engaged in the evangelistic work, held one revival in which there were 17 converted and 2 sanctified, 2 healed. I had great freedom in preaching, to God be all the glory. Second quarter: preached 7 sermons; there was a shout in the Camp in some of these services and the saints were encouraged to do greater exploits for God. Third quarter: There were no openings for preaching during this quarter, but I got to pray with a few unsaved folks and had a good time living low at Jesus' feet. He sweetly held me steady and I said "Amen, Thy will be done." Fourth quarter: Held 3 street meetings, souls cried and wept and held up their hands for prayers. I have helped some in other meetings. God will water the precious seed and eternity will reveal its yielded fruit. Pray for me

Lord bless thy own at this convention.  
 All that come in Jesus' name,  
 Anoint them anew for coming battles  
 Make them Lord a living flame.

May every song and every prayer  
 Be guided Lord by Thee  
 Touch each heart, revive Thy saints  
 And set tht prisoner free.

Hulbert Coffman.

On account of ill health I have not been in active work all the past year. Since Feb. 1 the Lord has seen fit to call me aside for some pupose best known to Him and has given me the privilege of proving His faithfulness to His children. He has never failed me, "Bless His dear name." Most of this time I have not been able to even attend church, but have never lost that burning in my bosom to preach the everlasting gospel and to see souls saved. From Oct. 25 to Feb 1 I was pastor at Sparksville, Madora and Haleysburg. Assisted in a revival at Medora and also held a two weeks' meeting at Haleysburg. Preached 33 times during the first quarter, had 8 seekers, all professed definite victory but only two gave evidence of the New Birth. Received \$15.80 from charge. Received \$53.35 from the different churches of the Indiana work towards my Hospital Bill all of which was spent for same except \$1.50. Am sure God will reward every one for this sacrifice. **Miss Hester Bowman.**

Greetings in Jesus' dear name. I want to say to the glory of God that this has been the best year of my life. I have served as pastor at Grantsburg, Burnnet's Chaple, Brownstown and Newton Stewart. Have been in some hard fought battles, but in every battle our souls have been made to rejoice with the shouts of new-born souls. I thank God that He ever gave me the privilege of serving as pastor at these places, truly there is some of the salt of the earth at these places. I will remain another year, the Lord willing. We covet your prayers for the year. Yours for the salvation of the lost. **Floyd Honchell.**

Have had charge of the Gospel Mission since May with some results. Had one revival in which about 30 prayed through in the two weeks' meeting. Have had about 10 professions at other meetings. Hold 4 services a week. Pray for this place and that God will use me to the upbuilding of His cause. The work here is run down but God is able to recover it. Trust you are having a glorious Convention, would have been with you if sickness had not prevented. Your Bro. in Christ, **Area Montgomery.**

This has been a year of Victory. While there have been some tests and tunnels the Lord has taken us through. Our work has been partly local and part pastoral. The last five months we have served as pastor of the Fair Mount Church. Number of meetings held, 4. No. of sermons preached, 144. No. of souls prayed through, 78. • No. taken into the church, 13. No. baptized, 19. No of healing services held, 4. Have organized one church, made 63 visits, attended 35 prayer meetings. Number of Sunday Schools attended, 19. Amount of finance received, \$300.00. **J. H. Carroll.**

Greetings in our Lord. Amen. I did not take any regular work this past year. Preached in the Mission at Union City about four times a week. Conducted 3 funerals, also did some evangelistic work; a number forward for pardon or purity. Our God does not disappoint His own. This has been a good year to my soul. **J. N. Perry.**

Have had no charge this year but am still on the firing line and by the grace of God expect to stay in the fight so that i can say when this great warfare is over like Paul, "I have fought a good fight, I have kept the faith." I have preached 25 times. In my ministry there have been 8 saved and 3 sanctified. Have performed one marriage ceremony. Pray for me that God will take me through. Amen. Jesse Winney.

I say "Amen to Jesus." The Rock on whom I am standing, Amen. In spite of all the conflicts I can only report victory. "Bless God." I was pastor at Jasonville until May the 9, 1915 when I resigned. During that time there was about 40 that claimed victory. Held one revival with local help in which there were about 25 that got through to victory. I have received about \$180.00 for my labors. Received into the church eight new members, performed one marriage ceremony. While in charge of the Coalmont Mission there was 23 that claimed victory. Received \$23.75. Wound up my year's work by organizing a church at Coalmont, Ind. James P. Booth.

My work has been of the field as an evangelist. During the Fall, Winter and Spring months I went alone while Sister Cochran remained at home keeping the children in school and faithfully praying for the success of every meeting. God answered prayer. His Spirit came upon the services in wonderful power. The pastor together with the spirit-filled members and the young converts stood by my side with their prayers while the devil howled. We began our tent meetings May the 25. With the exception of one meeting in which Bro. Earl Davis helped Sister Cochran, two children and myself pressed the battle to the front. Held 8 tent meetings, preached about 175 revival sermons. one funeral sermon and dedicated one church. As for ourselves God has wonderfully taken care and supplied every need. We expect to push the battle to the very gates. Hallelujah, Amen. H. W. Cochran.

Since coming to College Corner in March of this year I have preached 80 sermons, held 27 prayer meetings in the church, 17 cottage prayer meetings, 16 street meetings and one communion service. Have held no special revival since coming here; there was one in progress when I arrived conducted by Jas. Redman and wife in which a goodly number prayed through. Six or eight have prayed through since that time. Have received \$99.15 as salary from the church since the first of April. W. H. Smith.

Have held one revival in which 19 souls prayed through and 14 claimed to be sanctified. Preached at different places as the Lord would open the way for. He has kept me busy at the Sunday School work this year. I work for the Lord all the time. G. E. Williams. . .

Our souls continue to praise God for the Blood, and we rejoice in Him with joy unspeakable and full of glory for His unspeakable gift that hath brought us such sweet peace and rest and has been our guide and stay through the battles against sin during the past year. The Lord hath given us the victory and has made our labors together with Him most blessed. Have served as assistant pastor of the Orleans Holiness Church and the Lord has given some victories in the salvation of souls and has manifested His precious presence in our midst as we have met together to worship Him. He has enabled me to make 146 pastoral calls, to cheer the sick and suffering with flowers which were grown for that purpose and to distribute tracts; all of which have been a source of inspiration to my own soul as well as those whom I have sought to aid and bless. It has also been my privilege to assist in two revivals and

two Camp Meetings, having conducted 53 services, preached 35 times and helped to conduct some missionary meetings. The past year's work has been accomplished with many conflicts with the enemy, but victory has been perched upon our banners and we can truly say it has been one of the best of all previous years in many ways. To God we ascribe the praise for all He has accomplished through our labors and forgetting the past we press on to more glorious victories. Yours in His Glad service, Gertrude Davis.

We are praising God for having brought us through another year's battles and conflicts, with banners waving and shouts of victory, having seen the enemy defeated on every side and our God declared "Conqueror." We have enjoyed the fight and have taken on renewed strength which places us in better condition for the next attack against the strongholds of sin. For the past year I have served as pastor of the Orleans Holiness Church, which labors God has blessed in the salvation and sanctification of souls, and have very much enjoyed my labors with the saints of this place, but have not confined myself to pastoral work alone as I have conducted and assisted in two camp meetings and four revivals, one of them being held in the church of which I am pastor, in each of these meetings there were a number sought for pardon and purity. During the year I have preached 154 sermons, conducted 46 other services, made 140 pastoral calls, conducted 4 funerals and assisted in one. Have received 4 members into the church, prayed with a number for healing and have held several missionary services at different points which were all blessed of God. Have received from the church in offerings and donations the amount of \$409.40. The church is in a much better spiritual condition than it was a year ago, and we are looking forward to a year of greater victories. We have been called to serve the church as pastor for another year. We give God all the glory for all the victories gained and for all he has accomplished through us. Our souls are on the outlook for the glorious appearing of our Lord. Yours in the conflict. Earl Davis.

#### A LETTER FROM E. D. JOY

Ebenezer Mission Station, Stegi, Via Mbabane, Swaziland, So. Africa.  
To the State Convention:—

Greetings in Jesus' Precious name, Amen. May the blessings and glory of our heavenly Father rest upon you and make this the best convention that you have ever had is our prayer. We would like so much to be with you in the battle but our blessed Lord has seen fit to order our steps otherwise. Four years have slipped by since we last met with you and this is the fifth convention. In this time I have remembered you in prayer and have never lost interest in the work in Indiana. I love the brethren and enjoyed the work in that State. I have been made to rejoice by the good news of advance made for God and holiness. We must push the battle, Jesus will soon come and souls are perishing. I have been made to rejoice to learn of the unity of purpose shown in the work, and this is a necessary thing if we are to have success. We need and must have revivals and greater ones and the staying kind but too, we must keep the fish we catch and I believe you are doing it. May God bless you all.

Three years ago last March we reached Swaziland and spent two years, then were down in Cape Colony a year and last March returned. We fell in love with the Swazies when we came and ever since to be a blessing to them has been the cry of our hearts. They are of course quite different to white people but one can find out by being in their

mídst the many customs and habits of living so peculiar to themselves. To me there is a pathos in heathen life that touches a sympathetic cord in my soul.

Then too, our parish is large containing about 24 to 30 thousand people living lives of heathenism and sin too dark to mention, and a bad feature of it is they have lived in sin so long it has lost the sinfulness and to them seems quite lawful and right. Of course the Holy Ghost is faithful and they soon realize the sinfulness, but are so bound they can't easily get away from it. The burden of these thousands of souls is on our hearts and we want to ask you to take them on your hearts to pray for us that we may have divine wisdom to carry out our responsibility and strength and health to do our best for them. I wish I might make you acquainted with them but a letter is too short to do that.

Last week one of our christian girls was persuaded to go to a most wicked man who had already nearly ten wives. She was bought with so many cattle and her father threatened to kill himself if she did not and with their threats and talk, fearing he would do it, she went despite all the persuading we did to the contrary. One unacquainted with their native ways would not pity as one who is, does. She is nevertheless to blame for doing a thing which the government will help her from doing if she will but ask for help, a thing she did not do. Her future will be a life of drudgery and submission to a wicked man who has bought her with so many cattle.

Many girls do not become Christians because they know what it will mean when they are of a marriagable age. We want you to take upon your hearts these thousands of souls. Your prayers will help to bear their burdens, to lighten their sorrows, to increase their joys in our Christ. They will give us the much needed evangelists and our Father's blessings upon them in their work. We are needing two evangelists but do not have them even had we their support. We have one in view but do not know too much of him and can't send him out. Pray that God will from these Swazies call out men to work for Him among their own people. We in reality need all the evangelists we can get, but we have two places needing workers at the present moment.

Mrs. Joy has had a severe attack of malarial fever and for a time we almost despaired of her life but God saw fit to spare her at this time. She is now in Natal recuperating while I am alone for the time. She is improving and will we trust in a few weeks' time be back with us in the battle.

May God bless you very much. We want by way of testimony to say "Jesus is more real and precious to us than ever. Trials, tests and battles are drawing us nearer, still nearer and we are proving that He helps when we trust. In a marvelous way has He helped and answered prayer. The Holy Ghost abides, the Blood cleanses and we are looking for our Lord to come. We love the fight and are going through."

A thousand blessings upon you all. Remember us in prayer and faith. God be with you all.

Yours and His,  
Elmer D. Joy and Wife.

**PROMOTED**

Rev. Grover Hayhurst, the subject of this sketch, was born Aug. 5, 1886 and passed to his final reward April the 16, 1915, at the Union Hospital in Terre Haute, Ind., at the age of 28 years, 6 months and 11 days. He was married to Naoma Davis, Dec. 11, 1907. To this union was born two children, Kendall H., and Clifford M. He was happily converted to Christ in Aug. 1913 and in about four weeks was sanctified wholly, and called to preach the word of God and had since lived a devoted life to Christ.

At the time of his death he was making preparations to leave his beautiful country home he loved so well, and enter school to make further preparations for the work to which God had called him. We cannot understand why God should take him away so young and just starting out in His work, but we bow in humble submission to the will of God knowing that He doeth all things well. There is a vacancy in that home that can never be filled, the voice we loved to hear is still, the steps we have heard approaching and have turned to meet have ceased to come, the chair is vacant, our hearts are sad, but we thank God he left the assurance he has gone to heaven. We can go to meet him. He said "You know where to find me." His last message to the Apostolic Holiness Church of which he was a member and which he loved so well, was, "Tell them I love them all and have prayed for them all."

He leaves to mourn their loss, the wife and two little boys, a mother, six brothers and six sisters, and a host of friends and relatives. Our loss is heaven's gain.

"And I heard a voice from heaven saying, unto me, Write: Blessed are the dead that die in the Lord from henceforth: yea saith the Spirit that they may rest from their labors; and their works do follow them." Rev. 14:13. His Pastor, W. C. Canary.
