District Reports

DISTRICT SUPERINTENDENT

To Dr. Melvin H. Snyder, delegates and friends of the seventh annual conference of the East Michigan District of the Pilgrim Holiness Church, greetings!

Providence has again decreed that we should meet together in the interest of His Kingdom and our own church to review the conquests and victories of the past and to consider plans and goals for the year ahead.

Our denomination may be small, but our task is great, and the fields of labor before us are endless and standing with ripened grain. Men are needed today in our church. Real men, working men, laborers who are willing and able to tackle the ordinary and commonplace, and see the job done. There are so many small jobs to be done, so many little places to fill and so few who will fill them. I believe in our church and its future and that we have a place in this generation, plus an obligation to every community where we can labor, to get the gospel of Jesus Christ in example and precept before a needy world. We could be standing on the threshold of a mighty revival and a grand awakening to the glorious truths and blessings which our church has proclaimed for half a century. Let us not fail now, nor be discouraged for God is able and His promises are sure. Some of us still believe that God is leading us to encourage the evangelistic message coupled with fasting, weeping, and broken hearts which has always brought wonderful results from our Gracious Jehovah.

During January thru May of this year, our Pilgrim Voice committee launched a program emphasizing the Sunday P.M. service. Evangelism and attendance were the two goals set forth. Many Churches who cooperated in this plan have reported rich blessings to their services and churches. The winners are to be announced and awarded in this conference. The district-wide exchange of pastor night was highly praised by a great majority of our people and cooperation in this was nearly 100 per cent.

I wish to express my sincere appreciation for the friendship and cooperation of the men who have worked with us this year. The assistant superintendent, Rev. C. R. Hendrick, the secretary, Rev. G. V. Skinner, the treasurer, Rev. A. F. Osborn, the advisory members of the district council, along with every committee and board with which it has been my privilege to work this past year.

The district council, the district Sunday School committee, the District youth committee and the district missionary committee, are working a cooperative plan for the future of this district in her respective fields. The object of this plan is to correlate the dates and activities of each so that the years program for each may harmonize with the others. I personally feel that this is a real forward step in the area of organization and will greatly benefit our work in the future.

The district camp ground program is progressing slowly and although slowly, it is progressing. It has taken time for us to get accustomed to Gaines Camp Ground. It looks now like we might just as well make up our minds that this is it and make the best of it. Twelve lots have been leased to private parties or churches and some cottages are going to be in the building stages soon, following this camp meeting. We will always need a place like this to meet for worship and fellowship on the district level, so let's agree to make this the place, and put some real heart, time and money in it this year.

The district Home Missionary work presents a continually encouraging picture. Sparlingville in just three years has become fully self-

supporting, with wonderful gains and glowing reports from every branch of its work. We shall be eternally grateful to God for His work there through the efforts of Rev. Bob Nelson and his fine people.

Three new churches were added to the Pilgrim family in our district this year. Livonia, Gaines and Mt. Morris.

Rev. John Croft as pastor launched a new work in Livonia, Mich. in Sept. of 1961. Their Sunday School has averaged approximately 34 to date, with the church attendance the same or better. They are saving money now for a building site and have great hopes for the future under the leadership of Rev. Melvin Straight,, who has accepted the pastorate there since the departure of Rev. Croft to the Foreign Missionary field.

Rev. Doyle Brannon felt a Divine call of God to open a new work right here in Gaines. With the help of the L. O. Dice family and others, this work is progressing very well. The average Sunday School attendance for the year is 23 and all of us feel that we will see a strong work here at our camp grounds.

Rev. Jess Moss, of Mt. Morris, and his people contacted us this last winter with the thought of effecting a merger of their independent Holiness work with the Pilgrims. After much prayer and consideration on the matter, the congregation met and voted officially to unite with us. They bring to us a fine group of Holiness people who believe as we do and are ready to work with us as we work with them for God and His kingdom. The pastor and some representatives of his group will be formally received into this conference at the call of the chair.

According to the statistics which I have received to date, every department of our church in this district has made a gain this year. This proves that it can be done and let's make next year show even better gains.

The church improvement picture in our district is exceptional and continues to increase. I shall mention only the major projects and cover the others in news items this next year.

Flint First (pastor D. W. Brown) plans to complete the erection of one of the finest and most beautiful churches in our denomination.

One of the bright spots for our church of recent years is the new work at Lennon. Their progress may not be spectacular but certainly inspiring and encouraging for times like these. They have been worshipping in a new parsonage built just five years ago. Now they are constructing a new church building which should be adequate for some years to come. This will then make it possible for the pastor, Rev. Bruce White, to move into the parsonage and be in the community and conduct services in the church they are now erecting.

Lincoln Park and pastor Rev. Purcell have completed a beautiful and spacious new brick parsonage directly across the street from their church.

Montrose has completed their parsonage which is occupied by the pastor Rev. Carl Jones. They are buying property adjacent to the church to be used for Sunday School use at present and for future expansion.

Pontiac has purchased a house and lot joining their church property. This will house their custodian at present and will work beautifully into their future expansion program.

Russellville has built some major improvements and is again enjoying growing pains.

Utica and pastor, Rev. Merlin Goodrich, have sold the old parsonage and bought a lovely new one near their church location. They are also right now engaged in the building of an additional brick unit to match the church, approximately 40' x 56', to serve as Sunday School rooms etc.

Warren (pastor Rev. Roy Webster) has completely outgrown its present facilities and of necessity are building an addition to meet the demand.

Ypsilanti with pastor Rev. Kenneth Smith is also ready for a building program. Too many people for the size of the building is a good problem. Their plans are already complete to enlarge and rebuild the original church, to improve its appearance and increase its size. The future looks good for Ypsilanti.

Flint Hanna Street Church and pastor, Rev. Forrest Griffin Jr., are purchasing an additional parcel of ground which fronts on Fenton Road and extends back to their present location. Plans are to build a church fronting on Fenton Road and then the parsonage, which is used now for a chapel, can be occupied by the pastor.

ASSISTANT DISTRICT SUPERINTENDENT'S REPORT

To the chairman, Dr. Snyder, delegates and friends of E. Michigan Conference - Greetings in the name of Our Lord.

Time certainly does not drag when one is trying to keep in step with it as it moves swiftly along. Thus once again we find ourselves in another conference. A Year of "gleaning" and "beating out" and now we come to evaluate our "harvest."

To me this has been a good year, and I have appreciated very much the privilege to serve under my superior officer, Rev. W. N. Miller and God. The District Council has also done what they could to make our work a success.

As you know, last conference added responsibilities were placed upon the Assistant Superintendant in the way of Camp Development. I will attempt to give you a brief report on this work.

In the "Miller Addition" (a name we have adopted until this conference gives it an official name) we have sold THIRTEEN lots, built a MODEL COTTAGE, graded and graveled a STREET running from the Northern boundry to the Southern boundry and opening into the County road, making it possible for us to declare the street in front of the Tabernacle, a ONE WAY STREET, thus adding to the afety features of our camp. FIFTY beautiful Sugar Maple trees were planted last fall and every one of them are living, Electricity was run into the property and can now be connected up to any cottage which is ready for it.

We think we have good news, in that we have a few thousand dollars availble for financing cottages for those who have paid in full the purchase price of their lease.

All this has been done with money received from the sale of lots. The Company is solvent, and while funds for development are now depleted we are optimistic as to the future.

To encourage buying we are planning to drill a well which will be centrally located and supply water for all leases. And if we could have the good fortune to sell as many lots as we did last year we would hope to project our plans next year even farther and run water mains down at least one street.

OTHER RESPONSIBILITIES:

I held three annual meetings, placed one pastor, attended all Council meetings, four, Ways and Means Committee meetings, three Finance Committee meetings and two District Association Committee meetings.

Sincerely submitted

Calvin R. Hendrick, Assistant Sup't.

Sunday School Reports

This has been a busy year. Trying to become acquainted with the regular duties of Sunday School Secretary, District Church Extension Secretary, as well as adopting several new ideas for the District Sunday School promotions, has kept us on our toes.

We were sorry to have been so late in the year before beginning to get the monthly reports to you, but did our best to make up for the late start, by keeping steadily at it the rest of the year.

During the year we traveled 1932 miles plus the trip to Allentown, Pa., for the interest of the district Sunday School and Church Extension work. We spent over 336 hours in working for district Sunday school and promotions. This is also exclusive of the trip to Allentown for the leaders convention there. We had seven committee meetings with the Sunday School committee and district council. We conducted a convention in each of the zones with very good results. Attendance totaling 831.

Pastors attending 37

S. S. Supts. attending 28

Teachers attending 217

This plus many laymen, and young people who confessed their willingness to train as workers in the churches.

With God's help we were able to send to you as pastors and superintendents some suggestions and ideas, some of which have been used, and reports coming to us seem to indicate that they were worth while ideas.

The district showed gains this year in Sunday School attendance amounting to 3 per cent. This isn't a great gain, but it is a gain. The average attendance last year was 4274 per Sunday. This year we had had a average of 4403 in attendance each week. A gain of 131 persons per week.

There were 21 churches which showed a gain this year.

There were 3 new Sunday schools listed this year.

There were 20 churches which had losses for the year.

Only 5 church have sent (as of July 4) Standard of Excellence and Decade of Progress reports. The awards are being made on the basis of those reporting.

Decade of Progress Ship is awarded to the Port Huron Sunday school

Standard of Excellence rating were awarded to the following schools for this year, with their score of 15,555 on the Decade report.

Lincoln Park	4 stars	score 81
Sparlingville	2 stars	score 66
Ferndale	3 stars	score 76
Port Huron	3 stars	score 72
Flint 12th St.	2 stars	score 67

Flint Bentley is being awarded the highest average attendance gain certificate for an average gain of 36 over average attendance a year ago. Ypsilanti is being awarded the highest percentage gain certificate for a percentage gain of 49 per cent over attendance of a year ago.

Percentage gains honor ribbons are being awarded to:

25 per cent gains or more -

Ypsilanti

20 per cent gains or more -

Port Huron North River Road
Lennon

15 per cent gains or more -

5 per cent gains or more -

Five other made gains of less than 5 per cent -

Wayne
Sparlingville

Flint First
Flint Emmanuel

We wish to thank the District Superintendent, District Council, and especially the Sunday School Committee, district pastors, local Sunday School superintendents, and each Sunday School for the cooperation and fellowship we have enjoyed this past year, and it is our prayers that the Sunday School and Extension department of our district make much greater and more wonderful strides this coming year than ever before in its history. For I am persuaded that the chorus writer was very correct when he wrote, "God has given us Sunday schools for times like these." For there is no better agency in our church to reach the lost in our times than our Sunday School. They will go, only if we make them go. They will fail only if we allow them to fail. The results are in our hands.

Thank you, and praying for a better year this next year than ever before,

Signed,

E. K. Purcell

Promotional Secretary

Pilgrim Loan and Investment Inc.

To the seventh annual East Michigan Conference: Greetings.

Two years ago this conference passed legislation known as East Michigan Pilgrim Loans and Investments. It may seem to some that very little has been done but to some of us who knew a little of what was involved it seems we have made considerable progress. Last year the conference voted to leave the board of directors as they were because of incorporation proceedings. Following several delays because of changes in state laws East Michigan Pilgrim Loans and investments was accepted by the Michigan Corporation and Securities Commission as an Non-Profit Corporation.

Our thanks to the members of the executive committee for the help given in the organizational process; also our special thanks to attorney Leonard J. Patterson of Sandusky, Michigan for his legal counsel given free of charge. Our goal this year was to make the program operational and we have reached that goal. During the year we, first were incorporated; second, we sent two letters to each pastor of the district; third, we mailed to all pastors an informative folder of the program to give to their people; fourth, we met in several committee sessions in planning and promoting.

Often in a major program of this kind you discover minor changes that need to be made later. There are several changes being recommended in the by-laws and at the proper time will be presented by the Ways and Means Committee. Recently a committee has been at work in making plans to raise money as investments in the corporation. A plan is now ready to be presented to the board of directors for their adoption. As money was needed for promotion we solicited the aid of the churches by the way of a small gift. Funds are now coming in to the treasurer for this purpose. We anticipate that with the planned promotional program we will receive sufficient funds to make our first loan under the program. The treasurer's report is prepared and will be given at the call of the chair.

Report of Memorials Committee

It is with gratitude and thanksgiving that we as workers in the vineyard of the Lord, have come to the time of the East Michigan District Conference of the Pilgrim Holiness Church, 1962. Because of the providential care and tender mercy of a kind Heavenly Father, not one soldier, actively engaged in the warfare against sin, has fallen from the ranks.

For this, we give praise and are humbly grateful.

MINUTES OF
SEVENTH ANNUAL
YOUTH CONFERENCE

EAST MICHIGAN DISTRICT

PILGRIM HOLINESS
CHURCH

May 19, 1962

Flint Bently Church

We made plans for a DISTRICT YOUTH RALLY for the month of November, but due to complications it was necessary to cancel these plans. We have a complete program for YOUTH LEADERS DAY-Sept. 8, 1962 and DISTRICT YOUTH RALLY - Nov. 3, 1962.

NATIONAL YOUTH WEEK was observed throughout the District, with many of the youth societies having youth revivals, prayer meetings, Bible study and fellowship gatherings.

MICHIGAN YOUTH IN ACTION DAY was a thrill again this year in the lives of many young people, with Ruth Ellen Jackson from Utica taking first place in the Talent Quest, and the Clio Youth Society with top honors in the parade. This day is a Great day of fellowship for young and old alike.

Our executive committee met with the district executive council and planned a district calendar, and presented a future plan and program for youth camps. Our youth finance committee studied the local, Zone and District Finances and then met with the District Ways and Means Committee. With the help of this committee and our District Superintendent, we are bringing a recommendation to this Conference. We have met with our Sunday School Promotional Secretary Rev. E. K. Purcell, to help bring together a closer working unity between Sunday School and Youth

I would like to give a word of appreciation to Rev. W. N. Miller, our District Superintendent for his sincere interest in our youth work, and his cooperation and leadership to our council, also a word of appreciation to our fine pastors, Zone presidents and youth presidents. I have also enjoyed working with my Executive Committee Rev. Wm. Lyon, Rev. Merlin Goodrich, and Rev. Ruth Alexander.

As we face the challenge of Youth Camp and a youth program for District Camp we ask you to unite with us in prayer that God may visit us in a mighty way.

Respectfully Submitted,

William Doe

YOUTH PRESIDENT'S REPORT

To our Chairman, General Secretary of Sunday School and Youth, Rev. J. D. Abbott, Pastors Youth Presidents, delegates and friends of this conference, Greetings in the name of Jesus our Saviour, and our coming King!

I count it a great privilege again this past year to represent Pilgrim Youth. Our youth are among the finest that can be found anywhere. I have a deep desire to see our youth program increased, not only in the district and zone, but on local level. This so designed to enlarge their activities and fellowship and lead them into a deeper spiritual life.

Again last July we had a splendid youth camp. Many of our young people were saved and others were strengthened in faith. The closing night was the highlight of our Camp. The Owosso College King Crusaders with their splendor of Sacred Song, and the challenging message of Dr. P. F. Elliott will long be remembered. The attendance at Camp was down from previous years, perhaps a number of things contributed to this. We trust we will be able to adjust to some of the new state rules and that we will have a larger attendance this year. We did enjoy our much needed new youth building.

It was a wonderful opportunity for me to attend the National Youth Leader Conference at Eastern Pilgrim College It is always a thrill and an opportunity to meet our youth leaders across the nation. and to make plans for national youth week and National Youth Conference.
