## **REPORT OF THE DISTRICT SUPERINTENDENT**

To our General Superintendent, Dr. Melvin H. Snyder, Lay Delegates, Fellow Ministers, and Friends of the East Michigan District: Greetings in Christ our Lord!

Needless to say, time has rushed on and in so doing, has brought to us more evidence of the fulfillment of prophecy, calling with more urgency that we "watch" for the soon coming of our Lord.

Bear with me for a moment in my personal observation that God has never been more real, nor rewarding in all my years of ministry than he has in the past year. My wife and I have had excellent health, not to mention all the other benefits that have come directly from His hand.

As we swiftly travel toward the closing out of this dispensation, the real test of leadership is brought more and more to bear upon you who represent our church in these conferences; for as times change, our approach to many situations must change. This is why we meet here each year.

As it inevitably comes to all, sadness has fallen across our pathway in the passing of one of our stalwart soldiers of the cross, who spent many of his many years carrying the Gospel to the lost. Reverend P. H. Emlinger, Pastor of several of our churches in the Michigan District, will not soon be forgotten by those who saw him come and go year after year in our conferences. I had the privilege of being his District Superintendent on two different occasions and found him to be a very faithful servant of the Lord.

Another of our fine pastors who will be absent from pastoral assignments this year will be Reverend Miss Ruth Alexander, who, because of her health, was advised by her physician to give up the work of pastoring. Her last assignment was at Meadowdale, where it was her privilege to see the congregation housed in a fine new church before leaving.

### **THE SPIRITUAL LIFE OF THE DISTRICT:**

Our people still maintain a strong spiritual life. Though there is a strong bid being made by materialism and a tendency to over-rationalize many of the decisions which we are called upon to make in our day, yet, we believe that, in general, our "faith-pulse" has a strong beat, and we are rejecting the plausible sounding analysis the world offers on some of the momentous decisions which must be made as Christians. The way to true happiness and peace is a selfless dedicated way.

### **STEWARDSHIP:**

Giving has been well balanced to cover the total program of the church as set forth in our budget. Although we had an increase in the General Budget last year, the District Tithe coming from our churches was adequate to meet all our responsibilities in full except the General where we paid 98.1%. This was second only to last year when we overpaid by a percentage point or two. In relation to this, let me say, there are a few churches which did not get their tithe in on time to go on this year's record.

### **MODEST GAINS:**

We have a modest gain in church membership, church attendance, and in Sunday School. This was not expected after having all the changes in pastors which followed conference last year, involving twelve or more pastors. Some of these churches, among our larger ones, have not only reversed a downward trend but have shown gains beyond expectation. Others which may be classed as small and medium have progressed even beyond this.

These accomplishments have been brought about, first, because God has blessed the persistent effort of our hard working pastors, District Sunday School Secretary, and the excellent organization developing in our churches. Never was there a day when good organization was more closely related to success than ours.

To further the efficiency of these organizations, a uniform filing blank was drawn up and accepted by the council, after which thousands were printed and mailed to our churches. Several of these files have been completed, giving detailed information on the individuals in our constituency.

Other churches who have not completed these are being instructed to finish them as soon as possible.

#### INDIVIDUAL CHURCH PROGRESS:

Progress in many areas has been made by several of the churches this year with building tapering off some.

Flushing has moved their pastor into the new parsonage which was reported in building last year. Rev. John Hall and his people did a masterful job in its construction.

Port Huron First has also manifested a progressive interest in the future by purchase of a house and land valued at \$19,000.00. They redecorated their church interior at a cost of \$1225.00 and received a gift of another piece of property. Thanks to Rev. Skinner and his fine people.

Sparlingville, another church reporting the beginning of a parsonage last year, has since completed it, and the pastor, Rev. R. K. Fay and family, are enjoying the fruits of their labor. Much of this was built by the people of the church and when completed they turned back \$4,000.00 formerly borrowed to apply on their mortgage.

North Branch has done considerable work on Sunday School rooms, making a little more room for an ever increasing attendance. Rev. White has put in many hours in setting up a program which works.

AGAIN! Flint Bentley has started a building, a second unit for educational and Sunday School purposes. This building is to cost about \$60,000.00 and will furnish 28 more Sunday School rooms. Opportunity certainly does not step on the heels of Rev. John Bare and his people too many times before getting a reaction.

Through the labours of our camp workers, pastors, and laymen, the superintendent's cottage is finished, a new stove for the camp cook has been added, a new tractor for mowing our acreage, and new fencing. The tabernacle and dorm was painted by David Moran, son of Dr. Moran, our evangelist.

Our Assistant Superintendent, Rev. H. C. Rickner, has cooperated in whatever way he could to help. Our council has proven again their dedicated interest in getting the most done for Christ's sake while we yet have daylight in which to work. Our department heads, Rev. Roy Webster of the Youth Group, Rev. Bruce White of Sunday Schools, and Mrs. Wilda Nelson of the Missionary Societies would add spiritual aggressiveness to any group. All these combined with a fine group of laymen have made my work most enjoyable in this past year.

## Report of Assistant Superintendent

MAY 31, 1967

To the Twelfth Annual Conference of the East Michigan  
District of the Pilgrim Holiness Church:

Greetings in the Lord!

What a glorious hope is ours today! We look for the soon coming of our wonderful Lord and Savior, Jesus Christ. These days are filled with wars, commotions, and many troubles. The spirit of the anti-Christ is permeating the very atmosphere of our world, but Christ has promised to be with us to the end of the age. May we lift up our heads for our redemption draweth nigh.

Until the trumpet sounds, there is a harvest to work in. May we pray together for laborers to be sent out and may we follow the leadings of the Holy Spirit to be faithful in our preaching, service and living in these days.

Our church has a work to do in the whitened harvest field. All our tasks are sacred, and should be done with an eye to His glory and honor. It is required of stewards that they be found faithful. It is a real privilege to share with laymen, fellow ministers, faithful committee members and a wonderful District Council in carrying out our District assignments. To serve under the direction of our faithful District Superintendent has been a joy. These services have been as follows:

- attendance at all Council meetings except one.
- conducting three annual Church business meetings.
- directing the Examining and Educational Board and one Council meeting (Rev. Hendrick was in Indianapolis working on merger detail).
- at the request of the District Superintendent worked some on the judiciary of the new discipline.
- served on several committees and accompanied Rev. Hendrick on some calls in the various aspects of District business.

Brotherly kindness and understanding have characterized our District relationships this year in our Conference.

May we join in praising God for His blessings on our people, and His wonderful grace upon our ministers. Most of all for His presence in our midst. Our future is as bright as the promises of God. May we have faith to be obedient and go forth in His name!

Respectfully submitted,

Harold C. Rickner

## Youth President's Report

Mr. Chairman, Pastors, Youth Presidents and Delegates:

Greetings in the Name of the Lord,

Young people today are seeking something to which they can make a total commitment. We have the high privilege of being able to offer a positive answer to this pursuit, for Christ stands calling the youth of our day with a challenge to life that is lasting and a service that is eternally rewarding. We have endeavored to gear the program to meet the needs of today's youth, and as always have tried to put "Christ Above All".

The camping program is the first of the conference year activities, with the Cadet Camp in June and the Teen Camp in August. The youth camps were well attended with a total of 240 campers and staff. The Cadet Camp was held at Gaines and the Teen Camp at Brighton. Many victories were won for Christ at these camps. Again this year we are planning a well rounded camping program. Pray that this will be a time when many young people will respond to the call of Christ. The requirements of the state are higher than ever, but we must meet these requirements and go on to bigger and better youth camps.

Also a part of the camping program was our youth program at the annual camp meeting. The highlight of this program was the Youthspiration Day the last Saturday of camp. This day of inspiration was climaxed by a giant summer youth rally in which Rev. Earle Wilson preached to an overflow crowd, and scores of young people came forward to rededicate their lives to Christ.

Youth Leader's Day was held at the Brown Street Pilgrim Holiness Church. Rev. O. D. Emery, Rev. Wayne Pruez, and a group of young people who participated in the YES Corps the past summer presented a challenging and practical program.

The Blue Water Zone was host to the District Youth Rally in October. The average attendance for the afternoon and evening service was 425. Thanks to the Zone President, Tim Hinkley, and his committee for making arrangements for this annual event.

We introduced the District Youth Project for the year, namely the purchase of needed medical equipment for the youth camps. We wish to thank the societies who have contributed to this project. I know that other societies are still in the process of raising this money.

A District Snow Party was held this year at Oxford with an attendance of over 400. Thanks to the planning committee, Roger Gast, Ronald Walker, and Dick Wynn for their time and efforts in promoting this event.

The Michigan Youth in Action Day at Owosso was limited a little more this year, as the purpose of the day was changed. A fine group of high school age youth attended and received information for their educational needs.

At this time plans are being made for a statewide rally which will be held at the Owosso College Campus, sponsored by the East Michigan and Michigan Districts. This Rally will be separate from, but complementary to the annual college day.

The Junior-Senior Banquet was held at the Grand Blanc High School on May 6. The attendance was 164. We have, I believe, proved that the youth of the District want an event like this on the District level. Thanks to the Banquet Committee, James Kreider, William Lyons, and Dave Bundy for a job well done.

I wish to express my appreciation to Rev. C. R. Hendricks for his interest

in the youth program, to my executive committee, Rev. Donald Walker, Rev. James Kreider, and Rev. William Lyons for their efforts in the many youth activities during the past year.

Thanks to all Youth Presidents and Pastors for their support and cooperation that they have given. May the coming conference year be the best yet, as we labor together for the Master.

Respectfully submitted,

Roy B. Webster

## **Sunday School Secretary's Report**

General Superintendent Snyder, District Superintendent Hendrick, pastors, and delegates to the Twelfth Annual Conference of the East Michigan District, Greetings in the name of our glorious Savior and soon-coming King, the Lord Jesus Christ.

It has been again my privilege to serve our fine East Michigan District as Promotional Secretary and to enjoy the fine cooperation of our District Superintendent Hendrick and fellow committee members, Reverend Arnold Gibson, Reverend R. L. Goodman, and Reverend William Doe. Each of these men has made a real contribution to the progress of our District Sunday Schools this past year. I express my appreciation to them for their fine assistance.

I am happy to report that East Michigan Sunday Schools show a healthy attendance gain for this past year with twenty-two schools contributing to the increase.

We have been privileged to include in our reports this year the attendance of a new associate Sunday School, Flint Cross Congregational, under the leadership of Reverend Robert Addington. We welcome them to our midst.

Schools with major gains this year have been Detroit First with a gain of 29, North Branch with a gain of 27, Flint First with a gain of 26, Monroe and Flint Cresthaven each with gains of 14, Detroit Burt Road with a gain of 13, and Pontiac, North Lakeport, Waterford, and Flint Grace each with gains of 10.

Our schools successfully utilized the fall promotional program put out by the General Department of Sunday Schools and Youth, and our own district promotional plan during the months of March and April.

Plans have been made and a fine slate of workers have been secured for Sunday School Workshops to be held here on the campgrounds during the camp session to follow this conference.

It is my sincere opinion that the Sunday Schools of the East Michigan District are now in the best position of some years for consistent and sustained growth.

My mileage and salary are paid in full.

Respectfully submitted,

R. Bruce White

## **Missionary President's Report**

Dr. Snyder, Rev. Hendrick, Ministers, Delegates!

The accomplishments of the District Missionary Department have been

the result of the vision and untiring efforts of the Society Presidents and their respective societies. Each prayer that was said, each box mailed, each share of support has been graciously given and received with appreciation. No matter how large or small, not one act of love has gone unnoticed by our Heavenly Father. Our camp display provides, for all, a birdseye view of our work.

The challenge of our work in Brazil has been the outstanding World Missions project of our district efforts. Seventy-five dollars (\$75) was sent to Rev. and Mrs. Paul Downey for literature and books for the Bible School which opened in March. Mrs. Downey writes, "The students literally 'eat' the books which are provided."

The pressing needs of our camp kitchen have caused us to go all out to provide at least a part of the necessary equipment. The societies purchased a stove, silverware, cooking utensils, dishes for guest tables, and many other practical items.

As a home missionary project, we have again provided Thanksgiving and Christmas dinners and gifts for pastors and families. The churches enjoyed this privilege of sharing and the pastors were deeply grateful.

The annual Women's Retreat was held on February 9th at Utica. The theme, "So Send I You" was carried out very artistically by Mrs. Walker and her ladies. Sharing time provided not only project ideas but suggestions for more efficient meetings. Mrs. Madge Bursch, recently returned from Africa, was our guest speaker. The challenge of this great field along with this transitional period in missions was brought clearly to our hearts. Also, we pray that her life at Owosso College will challenge our youth to missionary service.

Sincere thanks to all for your cooperation and labors of love this year. Let us not grow weary in the work of love. A bright reward is in view.

Last but not least, to my able committee, Mrs. Georgia Goodman, Sec., Mrs. Lucille Dean, Treas., Mrs. Elizabeth Doe, and Mrs. Rosemary Kilwy, I wish to express my deep appreciation for their guidance and helpful suggestions.

Respectfully submitted,

Wilda Nelson

## **Report of Pilgrim Loans and Investments, Inc.**

To the Twelfth Annual Conference of the East Michigan District of the Pilgrim Holiness Church:

Greetings in the name of our Wonderful Lord.

Once again it is my privilege and duty to report to you the Loan and Investment program of the District. This year once again shows a gain in our net worth. We have been able to make two loans to churches this year and at this writing are negotiating with a church group for a loan. On several occasions this year we found our funds too limited to meet the needs of hopeful congregations.

Our pastors could do us a real service by telling their people of our investment program. Their people can put their money to work for the Lord and yet earn the going rate of interest. At the present time we have two groups that could use fifteen thousand dollars if we had the money to loan.

Pray with us that under God our board will be able to help this organization to grow that in turn it may be used to help churches to grow.

Respectfully submitted,

Raymond Dean — Chairman

## BUILDING AND FINANCE COMMITTEE REPORT

General Superintendent Snyder, Fellow Ministers, Delegates and Friends:  
Greetings!

Due to an ever increasing pressure of higher interests, stricter building codes, escalating cost of land, increasing material and labor costs; the matter of building and financing parsonages and churches is becoming increasingly difficult. In the face of this all of us share in prayer and concern for God's guidance in all we do.

This committee worked with ten pastors and their people this year in relation to buying land and buildings, and proposed projects of churches and parsonages. Due consideration was given to these and recommendations and suggestions were given to each. Discussion of the District Tithe was entered into with one church and pastor.

Miles of travel and hours of work were given unselfishly by the faithful members of this Committee. To all the Committee members for their service rendered we say "Thank You."

Respectfully submitted,  
Harold C. Rickner, Chairman

## IN MEMORIAM

During the past Conference year it has pleased the Lord to call home Rev. P. H. Emlinger. Rev. Emlinger was active in the ministry of the Pilgrim Holiness Church for some 30 years. He pioneered and pastored several churches in the State of Michigan. He retired from the ministry in 1960 after suffering a severe heart attack. From that time until his death he resided in St. Louis, Michigan.

Rev. Emlinger was known for his great faith in the miracle working of God. His burning testimony to the greatness of God inspired all who knew him. He served the Lord with gladness and singleness of heart. Let us remember Mrs. Emlinger in our prayers. May the example of faith that Rev. Emlinger left help us to a greater confidence in our God.

## CONFERENCE PROCEEDINGS

The Twelfth Annual Youth Conference of the East Michigan District of the Pilgrim Holiness Church convened at 9:30 A.M. at the Dryden Pilgrim Holiness Church, on Saturday, May 20, 1967. The Conference opened with prayer by Rev. R. K. Fay. The Rev. Frank Beck led in singing, "I Would Be True."

The Rev. C. R. Hendrick was introduced to the Conference by District Youth President Rev. Roy Webster. Rev. Hendrick was Chairman of the Conference in the absence of Rev. O. D. Emery. He spoke to the conference from the scripture, Matthew 20:1-7, the parable on the Kingdom of Heaven. He spoke on the subject "WORK". The question, "Why do you stand idle all day long?", the answer, "No man has hired me," was emphasized in the message. Rev. Hendrick stated: "Our youth will work if given the opportunity." Most workers in the church received training while in their youth. The kind of church that fails to discover the talents of our youth is like the story of the little red hen that sat perched on the edge of a bushel of corn and starved to death. The secret to success in our work is to utilize all the workers you can. Samuel was just a child when he made himself available to God. Our youth must make themselves available and be willing to work. David was just a lad when called and he made himself busy to the direction God had called him.

Roll call was presented by the secretary, Rev. H. James Kreider. Present were 23 Pastors, 13 Youth Presidents, 2 Vice Presidents, 34 Delegates, 3 Zone Presidents, and District Superintendent, making a total of 73 members to the Conference.

A motion was made and carried for the time of sittings to be 9:30 to 11:45 and 1:15 P.M. to the end of the Conference.

Whereas there is a definite need for our Zone Officers to be informed of their responsibilities; therefore be it resolved that the duties of the Zone Officers be printed in the Conference Journal.

#### 6. ZONE COUNCIL

Inasmuch as there has been a lack of uniformity in the composition of Zone Councils; therefore, be it resolved that the Zone Council shall consist of elected zone officers, local Youth Presidents or some other local officer in the President's absence, one Pastor to be elected as counsellor if a Pastor was not elected to the Zone Council.

#### 7. ZONE ACTIVITY COUNT

Whereas there is a need to encourage our youth to attend Zone activities, therefore, be it resolved that we adopt the following plan to be used in determining the count in all activities: under 9 years of age and over 35, one point each service; 9 through 12 and 20 through 35, three points each service; 13 through 19, six points each service, this includes Pastor and Youth President regardless of age. Pastor and Youth President are to receive a 10-point bonus each if they attend both services. This is added to the handicap for total points. In case the activity consist of only one service, the Pastor and Youth President, if present, shall still be given the 10-point bonus.

#### 8. FIGURING THE HANDICAP

Be it resolved that the following handicap be placed in the standing rules of the Conference Journal: Subtract the number of active and associate members of the local society from 100, then multiply by .6. This figuring of a handicap shall be used in determining total points of local societies at all Zone Rallies

EXAMPLE — Local Society has 22 active and associate members, 100 less 22 equals 78.  $78 \times .6$  equals 46.8 or a 47 handicap.

#### 9. NUMBER OF ACTIVITIES

Inasmuch as there is a need of uniformity as to the number of zone activities held each year, therefore, be it resolved that the minimum number of activities per zone be set at four per year.

#### 10. ZONE FINANCE

Whereas our zones will receive no finance from local societies; therefore, be it resolved that zone monies received be retained for the financial operation of the zone, except 10 per cent tithe which will be sent to the District Youth Treasurer.

11. Be it resolved that each zone shall pay 6 cents per mile, as traveling expense to any District Officer visiting the zone in the interest of youth work in addition to any honorarium given him.

#### 12. ZONE EXECUTIVE OFFICER

Be it resolved that no church shall have more than one person elected to the zone executive committee.
