REPORT OF THE DISTRICT SUPERINTENDENT

To our General Secretary, Dr. R. C. Hawkins, members of the District Conference, and visitors, Greetings.

The Gulfstates District of the Pilgrim Holiness Church is destined to fill a major roll in the development of the Church Extension Department in its effort to water the spiritually neglected areas of our nation. The resources of men and money that have been at our disposal have been so small in proportion to the task that is ours to do, until it has compelled Brother Hawkins to seek other avenues of help in order for us to get the job done. Because of his heavy burden and keen incite toward this work, because of the dedication, love, and interest in our church by the late J. M. Hooter, coupled with whatever assistance your Superintendent could give, Pilgrim Manor was brought into existence. I believe that within five years this denomination, as well as this department, will come to recognize this nursing home project as the greatest single accomplishment in the history of Church Extension.

The erection and maintainance of these institutions are not an end within themselves but merely propose to provide the means whereby we can do service to the aged of our society and secondly, provide a source of income to adequately meet the needs for new churches in our generation. But remember dear friends, we are but in the embryo of this venture and there are yet many months of planning, praying, and expanding our energies under divine guidance before we begin to reap the fruitage of our harvest. Even when we are at the height of the harvest, we must continue to trust God for guidance in these matters. Faith in Him is our prime luxury and we cannot forget it.

This problem of money is but one of the two major hurdles that we have to surmount. The other is MEN. The kind of men that we need are not easy to come by. In our conference of June 1961 I pointed up the need of asking ourselves "What can I do for my church" instead of "What can my church do for me?" To invert this order makes parasites of preachers and renders us incapable of generating the influence and leadership that our people need. The church cannot survive under our leadership if we are only looking for a place rather than longing for the privilege to serve. The church cannot survive if her ministers become self-interested rather than Christ centered. We can never expect our ministry to amount to very much unless we are willing to be a part of a team which will work consistantly and cooperatively in an effort to lift the lost from sin and shame.

We must build ourselves into a stronger team in order to make our district the success that God wants us to be. The team can only be strendthened as each of us become stronger as individuals and we can only become stronger individuals by deepening our dedication to God, to lost humanity and to our denomination. We need men who will pledge themselves to be loyal to this church, which has entrusted to them her future.

I doubt if the degree of responsibility is much less for the laymen of this church. You who are lay delegates in this conference should go back to your local post of duty with a deeper sense of responsibility for both your church and your minister.

As we reflect upon the year we have recently closed, we are grateful to our God and our pastors for the 54 numerical gain in Sunday School and the 30 numerical gain in membership which leaves us a little short of our 10% goals. We must work even harder this year and next in order to meet our quadrennial goals. Our Youth Camp has exceeded all expectations. This was largely due to the dedicated effort of Bro. and Sis. Crowder, and the outlook for next year is even greater.

There have been numerous improvements and developments on the local level which will be reported by our pastors and I will not labor you by being repetitious. These men can give a better account of themselves in their oral reports.

We have 16 churches reporting plus the two preaching points, Butler, Alabama and Baton Rouge. These two projects were to have been started last year but we were unable to accomplish this due to property problems in Butler and personnel problems in Baton Rouge. We now have Reverend and Mrs. Thomas Garrison on the field in Baton Rouge and I am very happy with this family. They have a wonderful attitude toward their church and the field to which God has directed them. Brother and Sister Polson have remained very faithful to us in spite of the reverses we have encountered in Butler. We are now in search for another site to build our church there.

I feel the outlook is good for this year that we are now in and if each of you will carry your end of the load by getting the job done in your area; if Brother Polson and I and Brother Garrison and I can get Butler and Baton Rouge started in the next few weeks, we can have a very good year. The conference action committee will present to you some revolutionary measures that I feel will help us greatly in building up moral and team spirit. This all of us need and want. We have a good district and we have good men to work with. Let us go back to our churches and do the job God has called us to do.

I have worked as faithfully as I knew how this past year in seeking to serve you and the church. The council and my good assistant superintendent have been faithful in discharging their duties to the district. They have always responded with a ready hand when I have called on them. They have aided in charting the course and very understanding in hours of trial and distress.

I have preached 97 sermons, conducted 15 annual meetings, 4 council meetings, attended 1 college board meeting, held 2 revivals, gave 2 weeks to the Easter offering, conducted or assisted in 3 funerals, attended to our ministerial conference, attended the joint superintendent and General Board meeting. I have worked several days

in the interest of Pilgrim Manor and have attended numerous planning sessions and attended all of the meetings of the board of trustees. I have traveled over 20,000 miles for the district and 3,000 miles for the Church Extension department. I am glad to be able to say that I have enjoyed my work and am looking forward to a better year. Thank you for all that you have done to make this year pleasant.

Sincerely,

Arnold Peck

REPORT OF THE SUNDAY SCHOOL PROMOTIONAL SECRETARY

To the Gulf States Conference now in session at Camp Shelby, Mississippi, this 24th day of July, 1964.

Another pleasant year in Sunday School promotional work has come to a close and a balance must be struck. It has been another year of gains and losses, with one church maintaining the "status quo." Disappointments have come and left their mark, then disappeared, only to return again next year. However, we have forged ahead, principally by the great efforts of Avondale, Birmingham, Alabama, Columbia, Mississippi and Bastrop, Louisiana. These churches together, account for 76 of the 95 gained.

The final report reads.....16 churches reporting. Eight show a total gain of 98. Seven account for a loss of 44. One church held even. This makes our NET GAIN stand at 54. This enables us to pick up our loss of 43 last year (1963).

Highest honors in both catagories go to the Avondale, Birmingham, church with a numerical gain of 35 and a percentage gain of 73%. This causes them to tie with Pineville (1962) and Bastrop (1963) the ONLY other churches to accomplish this feat.

HIGHEST NUMERICAL GAIN	HIGHEST PERCENTAGE GAIN	HONORABLE MENTION
Birmingham. 35	Birmingham. 73%	Simms.2
Bastrop 21	Columbia. 69%	Bogalusa2
Columbia. 20	West Monroe 65%	Oakdale.1

Bogalusa still has the distinct honor of making a consistent gain. This is a five year record.
