RESOLUTIONS.

Inasmuch as our conference officers, and especially the presiding elders have so patiently borne the burden and faithfully discharged the duties devolving upon them by virtue of their office.

Resolved that we manifest an appreciation of the same by a rising vote and hearty God bless them.

II. Recognizing the fact that the Bible School has in a sense been the parent of the other institutions viz: Orphanage and Rescue Home, and has given to the church many efficient workers:—

Resolved that we pledge a more earnest effort by faith and works for its success, and that we express to our beloved Brother and Sister Brown, who have prayed, sacrificed and toiled so faithfully.

III. Silent forces are oft-times the more potent forces and such has been the power of the "Voice from Canaan" in promulgating the truth and bringing to the notice of its readers the work and needs of the benevolent enterprises of the church, thus promoting their growth and usefulness and in many ways building up the interest and work of the church.

Therefore resolved that we use our best effort promoting its circulation, bringing to completion the office building, adding to its contributions as God may lead and furthermore that we express our appreciation of the service and sacrifice of those who have labored in its behalf by a rising vote.

IV. We believe the sense of this conference is one of gratefulness to God for both the work and workers of the Rescue Home and Orphanage.

Therefore resolved that we express the same by a rising vote and that we pledge them our hearty co-operation by prayer and deed.

V. It is a known fact in the history of civilization that when public sentiment runs high on any movement toward reformation and is attended with any degree of success there follows a corresponding degree of relaxation. This fact is apparently to be repeated in the question of the late temperance movement.

Therefore resolved that we use our best effort by word and deed to maintain the dry side of the local option law, ever keeping in view the better and only successful measure, ENTIRE PROHIBITION.

VI. Inasmuch as Bro. Mark Shambaugh has so graciously favored the church by donating to the class at Wabash, Ind., the church building.

Resolved that we tender him a vote of thanks and that the

pastor be instructed to wait upon him and express the same in behalf of the conference.

VII. Inasmuch as the Quartette from Taylor University have so kindly favored us with their services.

Resolved that we show our appreciation of the same by a rising vote.

VIII. Whereas, it has pleased our Father to remove from our midst and from his home our beloved brother C. A. Green.

Resolved that we tender the grief stricken wife and friends our heartfelt sympathies by a rising vote and an appropriate memoir be inserted in the minutes.

IN MEMORIAM.

Chas. A Green was born in Kosciusko County, Indiana, July 23 1878, died September 29-1909, age 31 years, 2 months and 6 days. He leaves a young wife, father, mother, 2 sisters and 8 brothers to mourn his loss.

C. A. Green was converted and became a charter member of the Holiness Christian church at Tyner Indiana. He answered the call of God to preach soon after his conversion and was admitted into the Indiana Conference of the Holiness Christian Church in 1906 and was duly ordained in 1908. As a Preacher he was earnest and full of zeal, winning many souls for God. He was married January 5, 1909, to Miss Lillie Jones, of Onarga, Illinois. His illness was of short duration, and knowing he was going to die, he made all arrangements for his funeral, selecting W. G. Bogue to preach from 2nd Tim., 4:7. Instead of his casket being covered with flowers as is usual at funerals today, he requested they put his old bible and song book on his casket, which request was granted.

The last sermon he preached was The Palm Tree experience, Psa. 19-12.
