### WAYS AND MEANS REPORT.

1. We recommend that each member be assessed ten cents per month to help our worthy needy, said amount to be paid monthly to a beneficiary steward appointed by the pastor who shall make his report quarterly to the Board of beneficiary trustees appointed or elected by the quarterly conference who shall have power to dispense said money at their discretion.

2. Inasmuch as tithing is scriptural and according to our discipline, we recommend that each pastor preach, practice and urge his members to tithe and with pencil and paper, keep account with God, said money to be paid into the local church treasury.

3. In as much as we have launched our own mite box plan for our missionary work and have our own missionaries, to support, we recommend:

1st—That each pastor assist in launching the mite box plan by acting as secretary on his charge or appointing a secretary.

2nd—That the pastor report a minimum amount to be raised for Foreign Missionary work during the year.

4. We recommend that each member of the local church over 18 years, be assessed 50c as a membership fee. (Apportionment)

5. We recommend that each member be assessed 5c for General Conference expenses, said money to be paid into the Gen. Con. Treas.

6. We recommend that each member of the Conference pay into the Conference treasury at least  $\frac{1}{4}$  of his or her tithe, said tithe to be used as an extension fund.

7. We recommend that the Minimum amount of \$500 on the Northern District and \$600 on the Southern District be given our Presiding Elder, said money to be raised by apportioning the local class according to its ability and to be paid in equal quarterly amounts.

Amendment—In case the above amounts are not raised on the districts, the Conference will make up the deficiency.

8. We recommend that a free-will offering be taken at each quarterly conference for the Presiding Elder.

6. We recommend that a rousing free-will offering be taken the first Sunday morning of the camp-meeting for the Presiding Elder.

10. Inasmuch as the support of many our pastors in the past has not been sufficient, We recommend that the presiding Elder see that each class promise a minimum amount to be paid weekly, monthly or quarterly, and that we use the envelope system.

11. We recommend that each pastor and evangelist act as agent for the "Voice From Canaan;" take new subscriptions, secure renewals, and inform the editor of those who wish the paper discontinued.

12. Inasmuch as we have our own Institutions and each local church desires to co-operate in the support of the same, we recommend that, where desired, arrangements be made by the pastor for a representative of either or all of said Institutions to conduct a special service in behalf of their institution at some time during the year.

13. We recommend that this conference adopt the By-Laws of the Holiness Christian Burial Association as printed in tract form and published in the "Voice From Canaan."

14. We recommend that these recommendations as accepted by this conference be read by the pastor at as early a date as possible before their classes and any explanation necessary be made and an exhortation to their strict observance be emphasized.

15. We recommend that these recommendations be published in the "Voice From Canaan."

#### AUDITING COMMITTEE

Home. Carlinville Camp Meeting, Voice From Canaan, Bethel Holiness Orphanage, Bible School and Conference Treasurer's Report.

2. We recommend that the pastors report the minimum amount to be raised for Foreign Missions during the year

3. We recommend that local church members over fifteen pay 10c per month to help needy, worthy church members. Said money shall be paid to the secretary of the local Beneficiary board appointed by the pastor, or elected by the church. Said board shall have power to dispense said money at their discretion.
