RESOLUTION COMMITTEE REPORT

1

Whereas, God has blessed our 1930 camp meeting in an unusual manner in a number of ways, namely;

1. The conscious presence of God's Spirit on the camp ground.

2. The splendid cooperation of the evangelists under the anointing of the Holy Spirit.

3. The manifestation of God's presence visible in more fasting and prayer.

4. The influence of the camp, especially noticeable in the edification of the saints and in causing our ministry to more fully appreciate the importance of their high calling,

Therefore, be it resolved, that we show our thankfulness to God by rising and singing, "Praise God From Whom All Blessings Flow."

2

Whereas, our dear District Superintendent, Assistant District Superintendent, and their co-workers have labored faithfully and untiringly both before and during the present camp;

Be it resolved, that this Assembly show our appreciation of their labors by a rising vote of thanks.

3

Appreciating the privilege of having our General Superintendent with us in the Camp and Assembly and esteeming his council and leadership of great value;

Be it resolved, that we invite him to preside at our next District Assembly.

4

Whereas, The Frankfort Morning Times has again given us the services of Edward N. Thacker in reporting our Camp Meeting and Assembly, thereby giving our work greater publicity;

Be it resolved, that we show our appreciation by a rising vote of thanks.

5

Whereas, the Angel of Death has removed from the ranks of our ministry our dear brother, W. S. Jewell, of Sullivan, Indiana;

Be it resolved, that our District Secretary extend to Sister Jewell our sincere sympathy.

6

Whereas, our Heavenly Father has seen fit to call to their eternal reward several members from the churches of our District;

Be it resolved, that we show our sympathy by a rising vote.

7

Whereas, it has been the practice of some individuals to leave one local Pilgrim Holiness Church and join a nearby Pilgrim Holiness Church without the formality of a letter;

Be it resolved, that any such member or members be denied membership until sufficient investigation be made.

8

Whereas, The Word of God hath declared, "Young men for war, older men for counsel" in the selection of an officer, Paul encouraged "not to select a novice lest being lifted up with pride, he fall into condemnation of the devil;" and as there seems to be a tendency among many of the churches of the land to place the work of the Lord in the hands of the young, thereby discarding the advice and counsel of more elderly people whose wise counsel has guided us through many a hard place;

Be it resolved, that we exercise caution in the selection of the delegates to our Annual and General Assemblies by sending those who are mature in Christian experience and who have been members of the church long enough to become acquainted with its teachings and doctrines.

9

Be it resolved that this Assembly heartily endorse the Volstead Act and its rigid enforcement.

10

Whereas, our camp this year has been greatly benefited by seasons of prayer;

Be it resolved, that our "Bell Ringer" be authorized at stated times to go over the grounds and call for a three-minute prayer.

11

Whereas, In that the Pilgrim Holiness Advocate, the official organ of our church; 1. Carries the news of the church to all the members scattered on both home and foreign fields; 2. Teaches the doctrines of the Bible; 3. Lifts up a standard of righteousness and points out to souls how they may attain it; 4. Has proven a friend to Christians, a helper to the pastors in promoting the work of the Kingdom;

Be it resolved, that during this Assembly year, by the help of the Lord, we will put forth a greater effort to put our church paper in every home represented in the church.

12

Whereas, that no day has ever dawned upon America with greater advantages for personal evangelism than now, recogniz-

ing soul winning as the Christian's greatest privilege and as has been rightly said, "Christian America starves for God, civilization reels with the poison of Godlessness, murder, banditry, adultery, divorce, and juvenile delinquency swamps the daily papers until our hearts cry out, "What shall the harvest be?"

Therefore, be it resolved, that we make the coming year a year of prevailing with God for greater revivals, seeking to help save the lost, realizing "the night cometh when no man can work."

13

Be it resolved, by the Indiana District Assembly of the Pilgrim Holiness Church, in convention assembled in the city of Frankfort, Indiana, in the regular Annual Assembly of said corporation held pursuant to the Discipline and Manual of said church, that the trustees of said corporation with the advice and consent of the council of said corporation, (which council is provided for in Discipline of said church) be, and they are hereby authorized, directed and empowered to negotiate for the transfer to the Pilgrim Holiness Church, a corporation organized under the laws of the State of Michigan, of all or any part of the real or personal property of this corporation situated in Clinton County, Indiana, and to convey such property by warranty deed, or otherwise, to said Michigan corporation, either absolutely or in trust, and on such terms and conditions as said trustees of this corporation with the advice and consent of said council may deem for the best interests of this corporation and the said church generally.

STATE SUPERINTENDENT'S REPORT

We have had an excellent year. Our Heavenly Father has just given expression to the fact that He is delighted with His people by the wonderful way in which He has blessed them in the camp meeting just closed. The past year has had its conflicts, "Thank God," that is, it has been good.

We have increased the mileage on our auto more than 30,000 miles beside the distance traveled on trains and busses. God has been good to us and has kept us from accident, Thank His name!

We have been paid for our services, including expenses, in full. We now have 102 churches, 85 church buildings and 27 parsonages. There have been some improvements made although times have been unfavorable.

We visited 142 churches and answered a few trouble calls, preached 150 times, 32 claimed victory, anointed 20 for healing, marriages 1, funerals 5, subscriptions for Advocate 10, and several for College Gleanings; attended 15 General and State Boards, five of them being board meetings at Cincinnati.

Four new churches were organized in the state. Milton has purchased property and the class is doing fine. There have been held in the Northern District six tent meetings, many more being needed, but a shortage of tents prevented them.

We have looked after the supervision of the Home for our Old Folks; served the College interest as best we could every way. We have succeeded in getting the commissioners to build a street on east and south of our grounds for which we are grateful.

We trust the coming year may be owned of God.

Yours,

REV. A. M. EWING.

REPORT FROM SOUTHERN PORTION OF DISTRICT

We have in the southern portion of the District 64 preaching points. Not all of these are recognized as Pilgrim churches.

I have preached 280 times, by the help of the Lord; traveled 11,000 miles. My expenses have been \$280.92.

There have been organized on the Southern District five churches, namely, Milton, Morgantown, Shelbyville, Laurel, and Davis church. The Milton church has been purchased from the Friends. It is a splendid church and is well furnished and has 23 members. The church is growing and God is blessing the good work of its pastors, Sister Katie Locke and Sister White.

The church at Morgantown consists of 42 members. They have been holding their services in a hall. Rev. Arthur Mc-

Queen is responsible for this class and is now shepherding the flock.

Shelbyville, a class of 16 members, which holds its services in a hall, is pastored by Rev. Cole.

Laurel church was organized with 14 members. It now has 23. This church is located in a school house. Rev. Sailor is the pastor.

Davis church has been organized by Rev. G. C. Middleton. Rev. Allen Allegree is the pastor. They have 15 members in this class.

I have made 174 visits, organized Shelbyville and Milton churches, dedicated Elnora and Oaktown churches, helped in three revivals and have had blessed fellowship with the pastors.

I have been well pleased with the churches in the Southern District. While they have humble buildings, they are neat and clean and God is pleased to meet with them. The poorest church building we had was located in Midd and their pastor reports the new church building is up, roof on and they are putting in the floor. We have built a splendid church at Elnora and dedicated it with sufficient subscriptions to pay all indebtedness. Rev. John Carroll is the pastor. The church at Oaktown, pastored by Rev. R. K. Story, was dedicated and money subscribed to more than pay what little they owed. Rushville church has had quite a struggle and it was necessary to help them. The churches to which we presented our appeal responded cheerfully and nearly \$200.00 has been given.

I received my salary in full and also \$250.00 expense money.

Faithfully submitted,

AREA MONTGOMERY.
