R. K. STOREY,
District Secretary.
REPORT OF THE DISTRICT SUPERINTENDENT

Frankfort, Indiana, July 31, 1931:

I beg to submit the following report of my labors as District Superintendent of the Indiana District, Pilgrim Holiness Church.

There are 102 churches in the District, with some new ones to be received into this Assembly. My labors have been confined to the north portion of the District where, in addition to our local churches, we look after the Home and farm for our aged people and the Frankfort Pilgrim College when called upon.

This has been a very pressing year, financially, to all of our churches and institutions, so that the raising of our local, district and general budgets have meant much sacrificing and, no doubt, many are not paid up in full, but we have no criticism to offer for no doubt many, if not all, have done your best.

We have visited all the churches on our district twice during the year, and many of them from three to six visits. We made 116 preaching calls and the rest of the calls were on business. We preached 130 times. We attended five conventions. We had 31 claiming definite victory, either for regeneration or sanctification, and preached two funerals.

We organized three churches in the north portion during the year—one in Indianapolis with 11 members; one in Fort Wayne with 50 members, and one in Goshen with 9 members. We held a revival campaign in Goshen personally. I have answered a few trouble calls and have made a few trips in the interest of the general church business, and have finally made settlement of the Bradshaw estate in favor of our publishing interests. This estate has been slumbering for more than twelve years. We have made two trips to Danville, Illinois, by orders of the General Church Board to repossess property at Georgetown now held by the Church of the Nazarenes on a lease which is owned by our church. We have made many long trips in the interest of the Shoemaker Memorial Home amounting in all to nearly 2,000 miles. We have traveled in all about 20,000 miles. We have had the oversight for both farms of the Shoemaker Memorial Home. The Home and 27 acres in town with its stock and crops, and the farm in the country with the same. The crops this year consists of about 60 acres of corn, 20 acres of oats, and 20 acres of bean hay besides the small truck raised.

We would say, considering the present conditions that the church is in good condition and will compare favorably with any of the Holiness Movements of the day. We have paid
some local indebtedness on our churches, and some have made some splendid improvements which is very commendable for the pastors.

Yours faithfully submitted,

ALBERT M. EWING,
District Superintendent.

REPORT OF ASSISTANT DISTRICT SUPERINTEND' T

Indianapolis, Indiana, July 31, 1931.
To the Members of the Indiana Assembly:

We have in the southern portion of the Indiana District 62 churches. There are several other points we have visited, and the prospects are good to organize them as Pilgrims soon.

We have preached 213 sermons, and traveled 11,827 miles during the year. The District, as a whole, has done splendid. Just three changes have had to be made during the year. We have been called to officiate at two funerals and one wedding. Have baptised 12, but did not keep a record of those saved or sanctified, but witnessed many souls enter into these wonderful works of grace.

We have found a good spirit, and some real sacrificing among the Pilgrims on the District. God has been our leader and we have certainly appreciated His divine leadership. We made 10 visits to churches where we did not deliver a sermon as they were in revival campaigns. We have organized three churches in the District during the year as follows: Cannelton, Anderson Chapel, and Halleysburg. We have also reorganized the church at Grantsburg.

We appreciate the hearty co-operation we have received from the pastor and laity of the District, and pray the richest blessings of God on all of you.

Faithfully submitted,

AREA MONTGOMERY,
Assistant District Superintendent.

REPORT OF RESOLUTION COMMITTEE

1.

Whereas God has blessed our 1931 Camp Meeting in the salvation of many souls and in the messages of scriptural truth and the encouragement of the saints; be it resolved that we express our thankfulness to God by rising and bowing our heads in one minute of silent prayer.

2.

Whereas the success of our work, both local and general, depends upon the faithful co-operation of different agencies, be it resolved that we show our appreciation to the following by a rising vote: Our State Officials, Pastors, Evangelists, Camp Committee and Workers; also Mr. Edward Thacker, reporter for the Frankfort Morning Times.

3.

Whereas our Heavenly Father has called to their reward two of our brethren, Rev. Joseph Glispy, of Indianapolis, Indiana, and Rev. L. C. Force, of Amboy, Indiana; also several members from the churches of our District, be it resolved that we show our sympathy by a rising vote.

4.

Whereas the Pilgrim Holiness Advocate is the official organ of our church, be it resolved during this Assembly year, by the help of the Lord, we will put forth greater effort to put our church paper in every home represented in the church.
5.

Whereas our ministry must cope with higher standards of educational development in this day, be it resolved this Assembly go on record as favoring a higher standard for the Ministerial Course of Study, also favoring a four-year course of study of the best standard books available.

6.

Whereas God has established in the heart of our District the Frankfort Pilgrim College, whose standards are for truth and deep spirituality, be it resolved that our pastors and evangelists encourage the young people to avail themselves of this splendid opportunity for an education in the spiritual atmosphere of this Institution. Also that the parents be urged to save their sons and daughters from the growing modernism of critical educators.

7.

Whereas our brother, Lloyd D. Lewis, is deprived of the fellowship of our brethren on account of ill health, and as he is now miles away in Tucson, Ariz., seeking to regain his health, be it resolved this Assembly instruct the Secretary to send him a telegram of Christian greetings and loving sympathy.
