Minutes of Proceedings

FIRST SITTING—AUGUST 24, 1936

The Fourteenth Annual Indiana District Assembly convened in the Tabernacle at Frankfort, Indiana, August 24, 1936

The Assembly opened with a devotional service in charge of Rev. C. D. Jester. The song entitled "Ready to Go" was sung with great feeling. Prayer was offered by Rev. Lawrence Williams.

After an urgent exhortation by District Superintendent Montgomery, General Superintendent Surbrook took the chair and read a short scriptural lesson found in 2nd Thess., 2nd chapter. He addressed the Assembly for a few minutes on two words, "Falling Away," found in 2nd Thess. 2:3. This stirring message admonished the brethren regarding, not ordinary backsliding, but against the "falling away" of which Paul warns in the last days. He explained that this falling away is a gradual decline and not an instant crash. He said that in 1900 the apostasy began with the teaching of evolution in the schools, leading to the introduction of modernism in the pulpit. This was followed by Socialism, which threatens to lead to Red Russian Communism, which may ultimately lead to the deprivation of all religious liberty. With the Coming of the Lord so eminent, he urged the people to consistently watch and pray, lest they be found as the five foolish virgins.

The Ministerial Roll was called.

A motion prevailed that the Assembly bar consist of the four middle sections, extending back to the third post.

Moved and seconded that the hours for meeting be as follows: 7:00 to 9:00 a. m., 10:00 a. m. to 4:00 p. m., and 7:00 to 9:00 p. m.

It was moved to amend this as follows: Dispense with the 7:00 to 9:00 a. m. sitting, letting the first sitting be at 10:00 a. m. Lost.

It was moved that Recommendation 4 by the Ways and Means Committee be accepted.

An amendment was added to Recommendation 4 as follows: "Building fund purposes be interpreted to include rent on churches and parsonages, and money paid on contracts of the same." Carried.

The recommendation was adopted with its amendment. (Printed in Appendix.)

REPORT OF SUPERINTENDENT MONTGOMERY

To the Indiana District Assembly,
Convening at Frankfort, Indiana.

August 24, 1936

I beg to submit to you this yearly report.

The great God in His divine mercy has spared us through another year. We are here today to sing His praises and do Him honor as Christian people should. We recognize His mercy, His divine guidance, and His care. We owe Him more than we can pay.

We have had a good year in our Pilgrim churches; advancements have been made. There has been many revivals throughout the district, and numbers have been saved and sanctified. Our evangelists are doing good work, and we pray God shall continue to bless them. We appreciate the faithfulness of our pastors. They have stood nobly by the work of the district this conference year. Let our battle cry always be, "Onward!"

BUILDING PROGRAM: Hulman Street Pilgrim Holiness church have enlarged their church, making the auditorium about twice as large. There has been a full basement placed beneath this structure. This improvement has been made without incurring any debt.

Evansville Second Church, Lebanon, and Indianapolis First Church have each put full basements beneath their churches to provide Sunday school accommodations. Westport, Burn City, Bicknell and Elnora have purchased parsonages this year. Many other churches have painted, decorated and made other improvements.

HOME MISSIONARY WORK: We have not advanced as much along this line as I have desired. Three years ago we, as an Assembly, divided our district into zones, appointing chairmen over each zone, with the understanding they were to endeavor to organize new churches. Each zone was to bring in at least one new church during the conference year. The first year passed with but very little accomplished, but this being a new experiment, we were made to think that as we proceeded, we would become more thoroughly organized, and the future would be better. The second year passed with very little accomplished. I've asked each zone president to submit a report to this Assembly. If this is an experiment of no value, then this Assembly should make other arrangements. If some other reason has caused us not to succeed, we should know the reason.

OUR LOCAL CHURCH INDEBTEDNESS: In my position as Superintendent of the Indiana District, I've found some of our churches in an embarrassing financial condition. This has caused much concern and a number of trips to creditors. So far we have been able to keep each church that was endangered. Other churches still need our prayers and help.

OUR DISTRICT DEBT: We have been able by the mighty help of God, to eliminate more debt. We have kept up all our interest and paid all our bills? Paid \$50.00 to one of our faculty, paid A. M. Ewing \$125.00, paid two payments on our farm and \$1,000.00 on bonded indebtedness, which now stands at \$6,000.00.

OUR OLD PEOPLE'S HOME: We have had to give up one at our Old People's Home this year. Sister Lawrence slipped away, and we have good reason to believe that she was ready to meet God. The provision that we have made for our Old People's Home is not adequate to take care of same. We have further embarrassed ourselves by discontinuing the recommendation in our minutes providing a certain per cent of our district budget for the Old People's Home.

I have made 283 visits to our churches, preaching 250 times. This does not include the visits made because of financial problems. Two churches have been dedicated, namely Shelbyville and Bicknell. I have been present at five zone meetings and four Young People's zone meetings. Two churches have been organized this year, Summersville with 17 members, and Andrews with nine members. Credit is due Rev. Carl Reed and Rev. Fred Clevenger for Andrews church. Rev. E. I. Wilson had been instrumental in the organization of the Summersville church.

We are now operating three missions in Indianapolis, namely Prospect, Broad Ripple and Miami Mission. We have one at Brookville, Indiana; one about six miles from Burns City. Brother Barnes is holding meetings in Rochester, and the outlook is good for our work in this place.

I have traveled 35,000 miles. My expenses, including full coverage insurance, amount to \$548.14. My salary has been paid in full.

Faithfully submitted,

AREA MONTGOMERY

REPORT OF ASSISTANT SUPERINTENDENT GEORGE HUFF

I beg to submit the following report of my labors as Assistant Superintendent of the Indiana District of the Pilgrim Holiness Church:

Preached seven times; annual business meeting, four; traveled 2,800 miles.

Faithfully submitted,

GEORGE HUFF

We have put up ten ton of straw, six ton of hay, and we have 20 bushels of old corn.

We have one team of mules, one mare, one mare and colt, one year and a half colt, six brood sows, one male hog, 30 shoats, 10 pigs, six milk cows, one male cow, four steers, four yearlings, six calves, seven hives of bees and 325 chickens. Fifty of these are old hens; the rest pullets.

We sold in cattle this year, \$598.10; hogs, \$944.88; eggs, \$127.69; chickens, \$83.89; cream, \$256.25.

The value of our grain and hay on hand at this time is \$496.00 The value of our chickens is \$227.50. The value of our live stock and seven hives of bees is \$1,941.50. The total assets on the farm, not counting improvements added to the farm in the way of buildings, fences, windmill, etc., are \$2,437.50. Besides this we have added to the farm this year a brooder house, the capacity of which is 500 chicks.

AREA MONTGOMERY,
District Superintendent

REPORT OF THE WAYS AND MEANS COMMITTEE

1

Inasmuch as the following recommendations have served the purpose for which they were made, we recommend they be dropped, Rec. 1 and 20. (Ignored. Refer to Fourth Sitting in Minutes of Proceeding.)

2

We recommend we have one District Superintendent, and he be paid a salary of \$1,800.00, plus \$400.00 traveling expenses and his telephone rent. (Carried.)

3

We recommend we have one Assistant District Superintendent, who shall be paid at the same rate as the District Superintendent while he is actively engaged in service to the district, plus the traveling expenses incurred in such service. (Carried.)

4

We recommend the District Budget consist of 10% of all money raised by the local church, Sunday school and Young People's Society, except that raised for foreign missions, general budget, building funds, and all funds raised for specified district interests.

Building funds purposes shall be interpreted to include rent on parsonages and churches, and money paid on contracts of the same. (Carried.)

5

Inasmuch as the zone meetings have been beneficial in advancing the interests of the district, we recommend they be continued. (Carried.)

6

Inasmuch as in the past years we have done but little toward Home Missionary work, we recommend the District Council form the churches of the district into two groups for the raising of Home Missionary funds. Each group shall be responsible for raising \$8.00 per week. This amount shall be apportioned to the individual churches of the group, according to the financial strength of the church. All money so accumulated shall be used by the District Council to put on campaigns in suitable new fields.

It shall be the duty of the District Council to engage competent evangelists and workers, and place them in said fields to carry on campaigns as long as there is a favorable prospect of organization.

All offerings raised in such campaigns shall be turned to the Home Missionary fund. (Carried.)

7

We recommend the Assembly elect a District Statistician, and all reports shall be in his hands not later than ten days after the close of the fiscal year. He shall be paid \$20.00 for his services. (Carried.)

8

Inasmuch as there is no provision for camp meeting visitors to spread their lunches, we recommend ten tables be built, 3x10 feet, and placed on grounds for the 1937 camp. (Carried.)

9

We recommend each church furnish the camp with the following articles: One pillow and slip, one sheet, one straw tick, three heavy glasses, three heavy cups and three dish towels. (Carried.)

10

Inasmuch as the kitchen is badly in need of new cooking utensils, we recommend each zone raise \$5.00 this year for this purpose, and send same to Camp Meeting Treasurer by July 31, 1937. (Carried.)

11

We recommend that each church which is financially able provide a parsonage with telephone. (Carried.)

(Recommendations retained from the 1935 minutes have been renumbered from 12 to 44.)

12

We recommend that the Camp Meeting Committee formulate a set of rules governing the conduct and attire of people who occupy the platform, and also a set of rules for conduct around the tabernacle and grounds, and that these sets of rules be presented to this Assembly for ratification.

13

Inasmuch as the campus is congested during the Camp Meeting with cars so that there is very little suitable space available for visitors to spread out lunches, and little space available for resting between services, we recommend that a strip of ground 100 feet wide, west of the camp grounds, be set aside for a parking ground, and immediate steps be taken to prepare same for 1937 camp.

We further recommend that no tents be pitched, nor trucks parked along the east side of the campus.

14

Inasmuch as some pastors are unable to attend the Ministerial Convention because of a lack of funds, we recommend that all pastors receiving a salary of \$10.00 or more a week donate \$1.00 toward a fund for traveling expenses to the convention, same fund to be pro-rated to pastors receiving a salary of \$5.00 per week or less.

15

Inasmuch as the District Superintendent has been heavily burdened with the Old People's Home and farm, we recommend that the governing of the same be placed in the hands of the District Council, in order that he may be relieved of all responsibility of same, and devote all his time to the interests of the churches of the district.

16

We recommend that 700 copies of the Assembly Minutes be published within ten days after the Assembly adjourns, and that all orders for same be sent directly to the District Secretary.

17

We recommend the District Secretary be paid \$30.00 for his services.

18

We recommend the District Treasurer be paid \$110.00 for his services.

19

We recommend that those pursuing the study courses send for their home study questions early in the year, forwarding a large stamped envelope with each request, to cover cost of mailing questions, etc.

20

We recommend that all campers bring their own pillows and sheets.

21

In order to retire the bonded indebtedness, we recommend that all pastors pay an amount in to the District Treasury each month, as follows:

Those whose weekly income is \$5.00 or less	\$.25	$\frac{1}{2}$
Those whose weekly income is \$5.00 to \$10.0050	
Those whose weekly income is \$10.00 to \$15.0075	
Those whose weekly income is \$15.00 to \$20.00	1.00	
Those whose weekly income is \$20.00 to \$25.00	1.25	
Those whose weekly income is over \$25.00	1.50	$\frac{3}{4}$

? We further recommend that all unstationed preachers and all deaconesses whose gross income is less than \$500.00 per year pay 50 cents per month, and those whose gross income is \$500.00 and over pay \$1.00 per month.

It is understood that those preachers who have pledged will be permitted to apply same on assessment.

We further recommend that the District Council formulate plans to put on a campaign among the members of the churches to raise funds on the bonded indebtedness.

22

We recommend that the burden of the raising of funds for the bonded indebtedness of the district property rest on the District Council, and not on the District Superintendent.

23

We recommend that only ministers, their wives and unmarried dependent children and lay delegates be given entertainment during Assembly. All entitled to this entertainment shall be duly registered and given cards of recognition. For all other entertainment the same rate shall prevail as during camp.

24

We recommend that where churches are unable to pay at least \$5.00 a week for pastor's support, the District Council be given the privilege of forming these churches into circuits.

25

We recommend that any person who cannot remain during the entire District Assembly not be sent as delegate, and all delegates sent be required to remain for the entire Assembly, except for the cause of sickness or death.

26

Where there are sufficient competent members, we recommend no one person hold more than one office on the local church board.

27

We recommend that the Camp Meeting workers be appointed by the Camp Meeting Committee, and that no pastor or church assume authority to promise workers tickets.

28

We recommend that no delegate to the District Assembly be given free entertainment during Camp Meeting.

29

We recommend that the visiting, ordained, licensed and honorary ministers of the Pilgrim Holiness Church, their wives and dependent children be given meals during Camp Meeting, and also ordained ministers of other churches and their wives.

30

We recommend that there be a Publishing Committee composed of the District Secretary and two appointive members. It shall be the duty of this committee to publish the Assembly Minutes.

31

We recommend that the annual business of the local church be closed on July 31, 1937; but that pastors shall continue in service until the Sunday after the District Assembly, the local church to report the extra time in the next year.

32

We recommend that each church of the district be requested to send in to the Camp Meeting Treasurer not less than \$3.00 to help defray the table expense of the 1937 camp.

33

Inasmuch as the work of the Educational Board is greater than can be handled during the time of the Assembly, we recommend that all those pursuing the course of study be required to pass their examination prior to the close of the Assembly year. The candidates' manuscript shall be properly mailed to the member of the Educational Board under whom the course of study is being pursued.

34

We recommend that the regular Assembly stenographer be paid \$8.00 plus traveling expenses and her entertainment during Assembly.

35

We recommend that all ministers and deaconesses, who expect to come before either the Educational or Examining Board, be required to be at the Assembly on the first day, or forfeit their right to appear before the boards, unless notification is made to either board.

36

We recommend that where parsonages are not equipped with heating device, that provision be made for same by the local church.

37

We recommend that where possible, that the local Church Board be composed of lay members.

38

We recommend that each church raise the equivalent of 4 cents for each of its members per month for the Old People's Home, and send this money to the District Treasurer the first of each month.

39

We recommend that each church give to the Old People's Home a donation of groceries, canned fruit and vegetables, the same to be credited as a gift by the church.

40

We recommend that our District Camp begin on the second Friday of August each year.

41

Whereas each year there is a difficulty in securing a correct ministerial list, we recommend that each pastor bring to the Assembly a list of names of all unstationed ministers that are members of their churches respectively, with correct addresses.

42

We recommend that the district furnish the Educational Board such copies of sets of questions as may be needed this year.

43

We recommend that the District Superintendent appoint a committee of five to arrange for a district young people's rally. Time and place to be decided by the committee.

44

We recommend that we have two Examining Boards of three members each. Each board is to work independently of the other; the work of these boards to be equally divided. Matters necessitating council may be brought before a joint session of the boards.

REPORT OF THE RESOLUTIONS COMMITTEE

1

Whereas the Christians in Russia, Italy, Germany and Spain are denied the privilege of worship as we have enjoyed during our 1936 Camp Meeting, and

Whereas through God's mercy and provinces we are as yet permitted to enjoy the blessings of a real spiritual Camp Meeting, therefore

Be it resolved that we as Christians and members of the Indiana district kneel and thank God for religious liberty, and pray that it might never be denied the citizens of the U. S. A. Amen to be pronounced by our General Superintendent.

2

Whereas the unity of the spirit has been so beautifully portrayed in the co-operation of our evangelists and song leader during the Camp Meeting, therefore

Be it resolved that we pray earnestly that this same spirit may be manifested among the ministers and members of our district.

3

Whereas one of our Camp Meeting evangelists expressed himself in this wise regarding the apparel of the ladies attending our camp: "There are more modestly dressed women on the grounds than any camp that he had visited," therefore

Be it resolved that the women of the Indiana district continue to maintain this standard of dress until Jesus comes.

4

Whereas one of our members has been called to her reward during the past year, and

Whereas she spent several years in the mission fields in Swaziland, Africa, therefore

Be it resolved that a short memorial service be held for Sister Gertrude Davis. (See third sitting in Minutes of Proceeding.)

5

Whereas, under the direction of Rev. W. C. Stone, we are publishing Sunday school literature second to none, and

Whereas this literature is not only scripturally and doctrinally sound, but is also interesting, gripping the minds of our youth, and at the same time teaching a timely lesson in morals, therefore

Be it resolved that every Indiana district Sunday school be urged to use the Sunday school literature of the Pilgrim Holiness Church.

6

Whereas our General Superintendent has arranged his dates to be with us to preside at our Fourteenth Annual District Assembly, therefore

Be it resolved that we express our appreciation by a rising vote of thanks with a hearty "Amen."

7

Whereas, that since Communism is an outstanding evil of our day, being outspokenly anti-God and anti-Christian, the Christian State, Church and Home are destroyed by it, and many in our country are being misinformed and misled by this pernicious and false propaganda. Some are ministers of the gospel, college professors and men in high governmental positions. Even now no doubt remains but that Satan is behind this wide-spread movement, therefore

Be it resolved that we have no fellowship with the same, and as far as possible inform others of this great evil. That we put on the whole armour of God, not omitting the sword of the Spirit nor neglecting prayer and supplication for all saints that even those in bonds may speak the gospel boldly.

8

Whereas, since the spirit of the age is compromise, the tendency to cool off and the danger of the church to conform to the world, preach-

ers under the wide-spread growth of humanism to loose their hold on God in preaching the full Gospel of Redemption as set forth in the Scriptures, therefore

Be it resolved that as ministers of the Indiana District, we heed the admonition of Dr. Hugh T. Kerr, "We are sent as preachers not to preach sociology, but salvation; not economics, but evangelism; not reform, but redemption; not culture, but conversion; not progress, but pardon; not revolution, but regeneration; not a new organization, but a new creation; not democracy, but the gospel; not civilization, but Christ, for we are ambassadors and not diplomats."

9

Whereas, the battle with crime and the disregard for law, the darkest feature of American civilization is wide-spread, every Christian views with grave apprehension the indifference with which this menace is looked upon, and

Whereas, one of the most humiliating facts is that our own country is one of the most lawless nations of the world, having a greater murder ratio than any other nation, lawlessness is increasing twice as fast as our population, and

Whereas, the saddest and most startling fact is that our youth comprise the majority of criminals, therefore

Be it resolved that the Pilgrim Holiness Church advance every effort to instruct our youth more carefully through the avenues of home training, the Sunday school and a guarded Christian education.

10

Whereas, the propaganda of the liquor and tobacco interests has reached the point where it is not only absurd, but in many instances absolutely false, and

Whereas, the present age is so gullible as to swallow this vile and evil teaching, therefore

Be it resolved that we more vehemently cry out against these evil forces and that where possible at all, we patronize those who do not deal in liquor or tobacco in any of their forms.

11

Whereas, the faithful wife of one of our ministers went to be with Jesus, February 22, 1936, this being the birthday of our brother and their wedding anniversary, and

Whereas, this precious saint of God has been faithful to our church, therefore

Be it resolved that we revere the memory of Sister Dorothy Marie McCrory and express our deep sympathy to our dear brother, Wilbert McCrory, by standing and singing a verse of the hymn, "Just Inside the Eastern Gate."
